Item 1.01. Entry into a Material Definitive Agreement

On June 21, 2013, TG Therapeutics, Inc. (the “Company”) entered into an At-the-Market Issuance Sales Agreement (the “Agreement”) with MLV & Co. LLC (“MLV”) under which the Company may issue and sell shares of its common stock having an aggregate offering price of up to \$50.0 million from time to time through MLV, acting as its sales agent. Sales of the Company’s common stock through MLV, if any, will be made by any method that is deemed an “at-the-market” offering as defined in Rule 415 under the Securities Act of 1933, as amended, including by means of ordinary brokers’ transactions at market prices, in block transactions, or as otherwise agreed by the Company and MLV. MLV will use commercially reasonable efforts consistent with its normal trading and sales practices. Each time that the Company wishes to issue and sell the Company’s common stock under the Agreement, the Company will notify MLV of the number of shares to be issued, the dates on which such sales are anticipated to be made, any minimum price below which sales may not be made and other sales parameters as the Company deems appropriate. The Company will pay MLV a commission rate of up to 3.0% of the gross proceeds from the sale of any shares of common stock sold through MLV as agent under the Agreement. The Company has also agreed to reimburse MLV for certain expenses incurred in connection with entering into the Agreement and has provided MLV with customary indemnification rights.

The foregoing description of the Agreement is not complete and is qualified in its entirety by reference to the full text of the Agreement, a copy of which is filed herewith as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. This Current Report on Form 8-K also incorporates by reference the Agreement into the Company’s shelf registration statement on Form S-3 (File No. 333-189015) previously filed with the Securities and Exchange Commission.
