This proxy statement and the accompanying form of proxy are first being mailed to stockholders on or about July 21, 2015.

**FREQUENTLY ASKED QUESTIONS ABOUT
OUR PROXY MATERIALS AND THE ANNUAL
MEETING**

Q: Why am I receiving these materials?

A: You are receiving these materials because you were a stockholder of Trinity Place Holdings Inc. at the close of business on July 13, 2015, the date for determining those persons entitled to notice of, and to vote at, the Annual Meeting.

Q: What am I voting on?

A: If you are a holder of Common Stock, you are being asked to vote on the following:

The election of Alexander C. Matina and Marina Shevrytalova as Class II members of the Board of Directors;

The ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending February 27, 2016;

The approval, on an advisory basis, of the compensation of the Company's named executive officers; The approval, on an advisory basis, of the frequency of future advisory votes on the compensation of the Company's named executive officers; and

On such other business as may properly come before the meeting and at any adjournments or postponements of the meeting.

If you are a holder of Series A Preferred Stock, you are being asked to vote on the election of Alan Cohen and Keith Pattiz as Class I members of the Board of Directors.

If you are a holder of Special Stock, you are being asked to vote on the election of Joanne M. Minieri as a Class II member of the Board of Directors.

As of the date of this proxy statement, the Board knows of no other matters that will be brought before the Annual Meeting.

Q: Who can vote?

A: The right of the holders of our securities to vote at the meeting is as follows:

Election of two directors by the holder of our Series A Preferred Stock. One of the matters to be considered at the meeting is the election of Alan Cohen and Keith Pattiz as Class I members of the Board of Directors by the holder of our Series A Preferred Stock. The holder of the Series A Preferred Stock is entitled to cast one vote for each share owned. As of June 26, 2015, there was 1 share of Series A Preferred Stock outstanding and entitled to vote.

TABLE OF CONTENTS

Election of two directors by the holders of our Common Stock. One of the matters to be considered at the meeting is the election of Alexander C. Matina and Marina Shevrytalova as Class II members of the Board of Directors by the holders of our Common Stock. All persons that own shares of our Common Stock directly in their name as the stockholder of record are entitled to cast one vote for each share owned. As of June 26, 2015, there were 20,121,619 shares of Common Stock outstanding and entitled to vote.

Election of one director by the holder of our Special Stock. One of the matters to be considered at the meeting is the election of Joanne M. Minieri as a Class II member of the Board of Directors by the holder of our Special Stock. The holder of the Special Stock is entitled to cast one vote for each share owned. As of June 26, 2015, there was 1 share of Special Stock outstanding and entitled to vote.

All other matters. The holders of Common Stock will have the right to vote on all other matters properly brought before the meeting. With respect to these matters, each holder of record of Common Stock as of the record date will be entitled to one vote for each share held.

If you are a beneficial owner of stock who holds shares indirectly, such as through a broker, bank or other nominee, you should follow instructions from the record owner of your shares in order to vote your shares.

Q: What if my shares are registered in more than one person's name?

A: If you own shares that are registered in the name of more than one person, each person must sign the proxy. If an attorney, executor, administrator, trustee, guardian or any other person signs the proxy in a representative capacity, the full title of the person signing the proxy must be given and a certificate must be furnished showing evidence of appointment.

Q: How do I vote?

A: You have two alternative methods to cast your vote. You may vote:
By completing, signing and returning the proxy card; or
By attending the Annual Meeting and voting in person.

Instructions for voting by mail are set forth on the proxy card. Please follow the instructions carefully.

Q: What happens if I don't give specific voting instructions on my proxy card?

A: If you are a stockholder of record and submit a signed proxy card but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendation of the Board. If currently unanticipated matters are properly presented for a vote at the Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

If you hold your shares in street name with a broker, bank or other nominee and do not provide specific voting instructions, the broker, bank or other nominee holding your shares can generally vote the shares on routine matters, but cannot vote the shares on non-routine matters. At the Annual Meeting, the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm is considered a routine matter, and the other proposals which are scheduled to be voted on, or which may be properly presented at the meeting for a vote, are considered non-routine matters. If the broker, bank or other nominee holding your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee holding your shares will inform the inspector of elections that it does not have authority to vote on the matter with respect to your shares. This is generally referred to as a broker non-vote. Shares represented by broker non-votes will be counted in determining the existence of a quorum, but are not deemed entitled to vote and, therefore, will have no effect on the outcome of the voting and such broker non-votes will not be included in the number of shares present in person or by proxy and entitled to vote on the matter from which the number of votes required for approval is calculated.

TABLE OF CONTENTS

Q: Can I change my mind after I vote?

A: Yes, you can change your vote at any time before the polls close at the Annual Meeting. There are three methods by which you can effect a change in your vote:

Give written notice to the Corporate Secretary at the address of the Company's principal executive offices specified on the first page of this proxy statement;

Deliver a later-dated proxy; or
Vote in person at the Annual Meeting.

Q: Can I vote at the Annual Meeting?

Yes, if you attend the Annual Meeting in person. Even if you plan to be present at the Annual Meeting, we urge you to vote your shares by proxy. If you vote your shares by proxy, you can change your mind and vote your shares at the Annual Meeting if you attend in person. If you are a beneficial owner of stock who holds shares indirectly through a broker, bank or other nominee, you must obtain a legal proxy from the record owner of your shares in order to vote in person.

Q: How many shares must be present to conduct business at the Annual Meeting?

A: If the single outstanding share of Series A Preferred Stock and the single outstanding share of Special Stock, as well as a majority of the outstanding shares of Common Stock entitled to vote at the meeting are present in person or by proxy, sufficient shares will be present at the Annual Meeting to conduct business on all proposals. With respect to Proposal 1, with respect to the election of Alexander C. Matina and Marina Shevrytalova as Class II members of the Board of Directors by the holders of our Common Stock, a majority of the outstanding shares of our Common Stock entitled to vote at the meeting must be present in person or by proxy to constitute sufficient shares for the transaction of business, with respect to the election of Alan Cohen and Keith Pattiz as Class I members of the Board of Directors by the holder of our Series A Preferred Stock, the single outstanding share of Series A Preferred Stock must be present in person or by proxy to conduct business on that proposal, and with respect to the election of Joanne M. Minieri as a Class II member of the Board of Directors by the holder of our Special Stock, the single outstanding share of Special Stock must be present in person or by proxy to conduct business on that proposal. With respect to Proposals 2, 3, and 4, a majority of the outstanding shares of our Common Stock entitled to vote at the meeting must be present in person or by proxy to constitute sufficient shares for the transaction of business on those proposals. These are typically referred to as quorum requirements.

Q: How many votes are needed to elect directors?

A: Directors are elected by a plurality of the votes cast in the election of directors, either in person or by proxy. The Board of Directors consists of five directors. At the Annual Meeting, the holders of our Common Stock will be asked to vote on the election of two directors, the holder of our Series A Preferred Stock will be asked to vote on the election of two directors and the holder of our Special Stock will be asked to vote on the election of one director. In each case, the nominees who receive the largest number of FOR votes cast, up to the number of directors to be elected by such class of stock, will be elected as directors. Stockholders cannot cumulate votes in the election of directors. Abstentions and broker non-votes have no effect on the outcome of director elections.

Q: How many votes are needed to ratify the appointment of BDO USA, LLP as the Company's independent registered public accounting firm?

A: Ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the matter. In accordance with Delaware law, only votes cast FOR a matter constitute affirmative votes. A properly executed proxy marked abstain with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast FOR the ratification

TABLE OF CONTENTS

of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against the matter. As noted above, broker non-votes will have no effect on this matter.

Q: How many votes are needed to approve, on an advisory basis, the compensation of the Company's named executive officers?

A: Approval, on an advisory basis, of the compensation of the Company's named executive officers requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the matter. In accordance with Delaware law, only votes cast FOR a matter constitute affirmative votes. A properly executed proxy marked abstain with respect to approval, on an advisory basis, of the compensation of the Company's named executive officers, will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast FOR approval, on an advisory basis, of the compensation of the Company's named executive officers, they will have the same effect as negative votes or votes against the matter. As noted above, broker non-votes will have no effect on this matter.

Q: How many votes are needed to approve, on an advisory basis, the frequency of future advisory votes on the compensation of the Company's named executive officers?

A: Approval, on an advisory basis, of the frequency of future advisory votes on the compensation of the Company's named executive officers requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the matter. In accordance with Delaware law, only votes cast FOR a matter constitute affirmative votes. A properly executed proxy marked abstain with respect to approval, on an advisory basis, of the frequency of future advisory votes on the compensation of the Company's named executive officers, will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast FOR approval, on an advisory basis, of the frequency of future advisory votes on the compensation of the Company's named executive officers, they will have the same effect as negative votes or votes against the matter. As noted above, broker non-votes will have no effect on this matter. If none of the frequency alternatives (one year, two years or three years) receives a majority vote, we will consider the frequency that receives the highest number of votes by stockholders to be the frequency that has been selected by our stockholders. However, because this vote is advisory and not binding on us or our Board in any way, our Board may decide that it is in our and our stockholders' best interests to hold a say-on-pay vote more or less frequently than the option approved by our stockholders.

Q: Who will pay the cost of soliciting votes for the Annual Meeting?

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing our proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse its Transfer Agent, brokerage firms and other persons representing beneficial owners of shares of our Common Stock for their expenses in forwarding solicitation material to such beneficial owners.

Q: Is my vote confidential?

A: Yes. We encourage stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed by the inspector of election except where disclosure is required by applicable law, disclosure of your vote is expressly requested by you or we conclude in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced following the Annual Meeting.

Q: Why did I receive more than one set of printed materials?

If you received more than one set of printed materials, then you have multiple accounts with brokers or our Transfer Agent. Please vote all of these shares. We also recommend that you contact your broker or our Transfer Agent, as applicable, to consolidate as many accounts as possible under the same name and address. Our Transfer Agent is American Stock Transfer & Trust Company, LLC, which can be contacted by telephone at (718) 921-8200.

Q: How do I get electronic access to the proxy materials?

A: Our proxy statement and 2014 Annual Report on Form 10-K are also available on our website at www.trinityplaceholdings.com under the Financials tab.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary results at the Annual Meeting and publish preliminary, or final if available, results in a Current Report on Form 8-K within four business days after the Annual Meeting.

MATTERS SUBMITTED TO STOCKHOLDERS

PROPOSAL 1 ELECTION OF DIRECTORS

We currently have five members on our Board of Directors. Under our Certificate of Incorporation, the Board is divided into two classes, as nearly equal in number as possible, designated Class I and Class II. Each director serves for a term ending on the date of the second annual meeting following the annual meeting at which such director was elected and until the election and qualification of their respective successors in offices, subject to the provisions in our Certificate of Incorporation regarding the automatic termination of certain directorships upon certain events, including a General Unsecured Claims Satisfaction, as defined in our Certificate of Incorporation. The Company's amended and restated Certificate of Incorporation was filed as Exhibit 3.1 to Form 8-K filed by the Company on February 13, 2015, and the following summary is qualified in its entirety thereby. There are no familial relationships among our directors and/or executive officers.

The Company did not hold an annual meeting of stockholders in 2014. Therefore, the three Class II directors whose terms were due to expire at the 2014 annual meeting of stockholders have remained in office. Two of these Class II director nominees, Alexander C. Matina and Marina Shevyrtalova, are proposed for election by the holders of Common Stock at the Annual Meeting to hold office until the annual meeting of stockholders in 2016 and until their respective successors are duly elected and qualified or their earlier resignation or removal. The holder of the Company's Special Stock is entitled to elect the third Class II director, and is expected to elect Joanne M. Minieri as the Special Stock Director defined in the Company's Certificate of Incorporation, to hold office until the annual meeting of stockholders in 2016 and until her successor is duly elected and qualified or her earlier resignation or removal.

In addition, the terms of the two Class I directors are due to expire at the Annual Meeting. The Class I directors of the Company are the Series A Director and Independent Director, as such terms are defined under the Company's Certificate of Incorporation. Pursuant to the Company's Certificate of Incorporation, the Series A Director is elected by the holder of the Company's Series A Preferred Stock and the Independent Director is elected by the holder of the Series A Preferred Stock following nomination by the Company's two EC Directors, as such term is defined in the Company's Certificate of Incorporation, with the reasonable consent of the holder of the Series A Preferred Stock. Alan Cohen currently serves as the Company's Series A Director and Keith Pattiz currently serves as the Company's Independent Director. The Company's EC Directors (who are currently Mr. Matina and Ms. Shevyrtalova), with the consent of the holder of the Series A Preferred Stock, have nominated Keith Pattiz to serve as Independent Director. The holder of the Series A Preferred Stock is expected to elect Alan Cohen as the Series A Director and Keith Pattiz as the Independent Director, in each case, to hold office until the annual meeting of stockholders in 2017 and until their respective successors are duly elected and qualified or their earlier resignation or removal.

Each nominee has indicated to the Company that he or she will serve if elected. We do not anticipate that any nominee will be unable to stand for election, but, if that happens, your proxy will be voted in favor of another person nominated by the Board of Directors.

Summary of Certificate of Incorporation Provisions Regarding Directorships

Edgar Filing: Trinity Place Holdings Inc. - Form DEF 14A

In accordance with the Company's Certificate of Incorporation, except as set forth below, for so long as the Series A Preferred Stock is outstanding, the Board of Directors will be comprised of five directors, as follows:

- (i) two directors who are elected by the holders of Common Stock pursuant to the Company's by-laws (the "EC Directors");
- (ii) one director who is elected by the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and any other Preferred Stock (the "Series A Director");
- (iii) until the first date that the Special Stock Ownership Threshold is no longer satisfied, one director who is elected by the holder of the Special Stock, voting as a separate class to the exclusion of the holder of Common Stock and any Preferred Stock (the "Special Stock Director"); and

6

TABLE OF CONTENTS

(iv) one director who is nominated by the EC Directors with the reasonable consent of the holder of the Series A Preferred Stock and, following such nomination, is elected by the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock and any other Preferred Stock (the Independent Director).

The Company’s Certificate of Incorporation provides that on the first date that the Special Stock Ownership Threshold is no longer satisfied, the term of the Special Stock Director will automatically terminate, the person formerly holding such directorship will cease to be a director of the Company and the size of the Board will be automatically reduced by one directorship. Immediately following such reduction, the size of the Board of Directors will automatically be increased by one directorship, which will be an EC Director. The Special Stock Ownership Threshold is 2,345,000 out of the 3,369,444 shares of Common Stock purchased by Third Avenue Real Estate Value Fund.

The Company’s Certificate of Incorporation also provides that if the Company is unable to satisfy all of its general unsecured claims by October 1, 2016, then the Company’s Certificate of Incorporation provides that (i) the terms of the EC Director(s) in office, except the oldest EC Director in age in office, shall automatically terminate and the terms of the Independent Director and Special Stock Director shall automatically terminate, (ii) immediately following such termination of directorships and the resultant automatic reduction in the size of the Board of Directors to two directors, the size of the Board of Directors will automatically increase to nine members and (iii) the seven directorships created thereby are to be elected by the holder of the Series A Preferred Stock. Also, if the general unsecured claims have been satisfied but the required payment to the former majority stockholder has not been made by October 16, 2016, then (i) the terms of all directors in office except for the oldest EC Director in age shall automatically terminate, (ii) immediately following such termination of directorships and the resultant automatic reduction in the size of the Board of Directors to one director, the size of the Board of Directors will automatically increase to four members and (iii) the three directorships created thereby are to be elected by the holder of the Series B Preferred Stock (the Company’s former majority stockholder). In each case, a majority of the members of the Board of Directors will be elected by the holder of the Series A Preferred Stock or the former majority stockholder, as applicable, until the required payments are made.

Based on the Company’s available liquidity and estimated payments in respect of outstanding claims, the Company currently anticipates a General Unsecured Claim Satisfaction and the required payment to the former majority shareholder will be made prior to these dates.

CORPORATE GOVERNANCE

Governance Role of the Board of Directors

Our business and affairs are managed under the direction of the Board of Directors, which is the Company's ultimate decision-making body, except with respect to those matters reserved to our stockholders. The Board establishes overall corporate policies, evaluates our chief executive officer and senior leadership team, and acts as an advisor and counselor to management. The Board also oversees our business strategy and planning, as well as the performance of management in executing our comprehensive business plan and managing our day-to-day operations.

Board Leadership Structure

The offices of Chairman of the Board of Directors of the Company and Chief Executive Officer of the Company are separated. Mr. Matina has been appointed as Chairman of the Company's Board of Directors and Mr. Messinger is the Company's Chief Executive Officer. The Company does not have a fixed policy with respect to the separation of the offices of the Chairman and Chief Executive Officer of the Company. We believe that the separation of these offices is currently appropriate and that it is in our best interests to make these determinations from time to time.

Board Role in Oversight of Risk

The Board of Directors is responsible for overseeing our executive management team in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities on an ongoing basis as part of its meetings and through the Audit Committee. Each member of the management team has direct access to the Board and the Audit Committee to ensure that all risk issues are frequently and openly communicated. The Board of Directors closely monitors the information it receives from management and provides oversight and guidance to our executive management team regarding the assessment and management of risk. For example, the Board regularly reviews the Company's critical strategic, operational, legal and financial risks with management to set the tone and direction for ensuring appropriate risk taking within the business.

In addition, financial risks are overseen by our Audit Committee, which meets separately with representatives of our independent auditors to determine whether any material financial risks or any deficiencies in our internal controls over financial reporting have been identified and, if so, the executive management team's plans to rectify or mitigate these risks. The Audit Committee also oversees risks related to the Company's financial statements, the financial reporting process and accounting matters.

Our Board and the Audit Committee have access at all times to the Company's management to discuss any matters of interest, including those related to risk. Those members of our executive management team who are most knowledgeable of the issues facing the Company also regularly attend Board and Audit Committee meetings to provide additional insight into items being discussed, including risk exposures. We believe that our Board leadership structure enables senior management to communicate identified risks to our Board and the Audit Committee and affords a free flow of communication regarding risk identification and mitigation.

Director Independence

The Board of Directors has determined that each of the current Directors is independent in accordance with Section 803A of the NYSE MKT Company Guide.

Board of Directors Meetings and Attendance

The Board of Directors held four meetings from March 1, 2014 through the end of the fiscal year on February 28, 2015. All of the directors attended at least 75% of the total of all meetings of the Board and Board committees on which they served during 2014. Each director is expected to attend all annual meetings of stockholders. The Company did not hold an annual meeting last year.

TABLE OF CONTENTS

Audit Committee

The entire Board of Directors acts as the Audit Committee for the Company in accordance with Section 3(a)(58)(B) of the Securities Exchange Act of 1934, as amended (the Exchange Act) and is responsible for fulfilling the Board's responsibilities as they relate to the Company's financial oversight functions such as accounting policies, internal controls and financial reporting practices. The Board of Directors has determined that Ms. Minieri is an audit committee financial expert, as that term is used in Item 407 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has determined that each of the current directors is independent under Section 803A of the NYSE MKT Company Guide, meets the criteria for independence set forth in Rule 10A-3 under the Exchange Act and satisfies the other Audit Committee membership requirements specified in Section 803B of the NYSE MKT Company Guide. The Audit Committee held four meetings from March 1, 2014 through the end of the fiscal year on February 28, 2015, which were joint meetings of the Board of Directors and the Audit Committee. The Audit Committee operates under a written charter. A copy of the Audit Committee charter is available on our website at www.trinityplaceholdings.com under the Financials tab and may also be obtained without charge by written request to Investor Relations, Trinity Place Holdings Inc., 717 Fifth Avenue, Suite 1303, New York, New York 10022.

Report of the Audit Committee

The following report of the Audit Committee does not constitute soliciting material and should not and will not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent the Company specifically incorporates this report by reference therein.

The Audit Committee has reviewed and discussed with BDO USA, LLP, the Company's independent registered public accounting firm, those matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board, or PCAOB, including the matters described in the statement on Auditing Standards No. 61, as amended, as adopted by the PCAOB.

The Audit Committee has received the written disclosures and the letter from BDO USA, LLP, as required by applicable requirements of the PCAOB, regarding BDO USA, LLP's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with BDO USA, LLP its independence.

Based on the Audit Committee's review of and discussions regarding the Company's audited consolidated financial statements and the Company's internal control over financial reporting with management, the Company's internal auditors and the independent registered public accounting firm and the other reviews and discussions with the independent registered public accounting firm referred to in the preceding paragraph, subject to the limitations on the Audit Committee's roles and responsibilities described above and in the Audit Committee charter, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended February 28, 2015 for filing with the SEC.

Respectfully submitted,

Audit Committee

Director Nomination Process

The Company does not currently have a standing nominating committee or other committee performing similar functions, nor have we adopted a nominating committee charter. Under Section 804 of the NYSE MKT Company Guide, in the absence of a nominating committee, Board of Director nominations may be either selected, or recommended for the Board's selection, by a majority of the independent directors of the Board. Given our size, available resources and that the OTC Market and NYSE MKT does not require us to have a nominating committee, the Board of Directors has determined that it is in the Company's best interest to have the full Board participate in the consideration of director nominees and, where applicable, composition of Board committees.

In general, the Board will develop criteria for evaluating prospective candidates to the Board and committees, including any specific minimum qualifications and any specific qualities or skills necessary for one or more directors to possess. Among such other criteria as the Board may from time to time determine appropriate, when the Board determines that expansion of the board or replacement of a director, or the establishment or expansion of a committee, or replacement of a committee member, is necessary or appropriate, the Board will conduct candidate interviews, which may be with members of management, consult with the candidate's associates and through other means determine a candidate's honesty, integrity, reputation in and commitment to the community, judgment, personality and thinking style, residence, willingness to devote the necessary time, potential conflicts of interest, independence, understanding of financial statements and issues and other matters of relevance to the Board or applicable committee, and the willingness and ability of the candidate to engage in meaningful and constructive discussion regarding Company issues. While diversity may contribute to this overall evaluation, it is not considered by the Board of Directors as a separate or independent factor in identifying nominees for director.

The Company may identify candidates through recommendations made by directors, senior management or other third parties. The Board will consider director candidates recommended to the Board by stockholders during such times as the Company is actively considering appointing new directors. Candidates recommended by stockholders will be evaluated based on the same criteria described above.

The Board will recommend those individuals that it determines should be nominees for election or re-election to the Board at the annual meeting of stockholders or, if applicable, at a special meeting of stockholders, or otherwise appointed to the Board or any committee thereof (with authority for final approval remaining with the Board). Stockholders desiring to suggest a candidate for consideration by the Board must do so in accordance with the Company's bylaws and the securities laws, and should send a letter to the attention of the Company's Secretary, at the Company's principal executive offices, 717 Fifth Avenue, Suite 1303, New York, New York 10022, and include: (a) a statement that the writer is a stockholder (providing evidence if the person's shares are held in street name) and is proposing a candidate for consideration; (b) the name and contact information for the candidate; (c) a statement of the candidate's business and educational experience; (d) information regarding the candidate's qualifications to be a director, including but not limited to an evaluation of the factors discussed above which the Board would consider in evaluating a candidate; (e) information regarding any relationship or understanding between the proposing stockholder and the candidate; (f) information regarding potential conflicts of interest; and (g) a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected. Because of the small size of the Company and the limited need to seek additional directors, there is no assurance that all stockholder proposed candidates will be fully considered, that all candidates will be considered equally, or that the proponent of any candidate or the proposed candidate will be contacted by the Company or the Board, and no undertaking to do so is implied by the willingness to consider candidates proposed by stockholders.

Compensation Processes and Procedures

The Board of Directors does not have a compensation committee. The Board believes this is appropriate given the Company's size and the stage of its development. The Board has not engaged a compensation consultant with respect to compensation. Compensation decisions with regard to the compensation of directors and executive officers are made by the entire Board of Directors based upon the Board of Directors' determination of what salaries and level of equity-based compensation is necessary to attract and retain key personnel.

**PROPOSAL 3 APPROVAL, ON AN ADVISORY BASIS,
OF THE COMPENSATION OF THE COMPANY'S NAMED
EXECUTIVE OFFICERS**

The Company is providing an advisory vote on executive compensation to stockholders, commonly known as the say-on-pay vote, as required by Section 14A of the Exchange Act. The advisory vote on executive compensation is a non-binding vote to approve the compensation of the Company's named executive officers, as described in the tabular disclosure regarding such compensation and the accompanying narrative disclosure set forth in this proxy statement.

The Company's executive compensation programs are designed to attract, motivate and retain highly qualified executive officers who are able to achieve corporate objectives and create stockholder value. The Board of Directors believes the Company's executive compensation programs reflect a strong pay-for-performance philosophy and are well aligned with the stockholders' long-term interests.

PROPOSAL 4 APPROVAL, ON AN ADVISORY BASIS, OF THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Company is providing stockholders with an advisory vote on the frequency with which the Company's stockholders shall have the advisory vote on executive compensation provided for in Proposal 3 above, commonly known as the say-on-pay vote, and required by Section 14A of the Exchange Act.

The advisory vote on the frequency of the say-on-pay vote is a non-binding vote on how often the say-on-pay vote should occur. The choices include every year, every two years, or every three years. In addition, stockholders may abstain from voting.

Although this advisory vote on the frequency of the say-on-pay vote is not binding on the Board, the Board will take into account the result of the vote when determining the frequency of future say-on-pay votes.

The Board believes a triennial frequency (*i.e.*, once every three years) is the optimal frequency for the say-on-pay vote for a number of reasons, including:

our compensation program does not encourage significant risk taking that might create material adverse consequences for the Company, as confirmed by a review performed by the Company and reviewed by the Board of Directors; a longer frequency is consistent with the Company's long-term compensation objectives; and our compensation programs are designed to reward and incentivize long-term performance and a triennial vote allows for changes to the Company's compensation programs to be in place long enough to evaluate whether the changes were effective.

Stockholders are being asked to vote on the following resolution:

RESOLVED, that the stockholders of Trinity Place Holdings Inc. determine, on an advisory basis, that the frequency with which the stockholders of the Company shall have an advisory vote on the compensation of the Company's named executive officers set forth in the Company's proxy statement is:

- Choice 1 every year;
- Choice 2 every two years;
- Choice 3 every three years; or
- Choice 4 abstain from voting.

THE BOARD RECOMMENDS A VOTE FOR AN ADVISORY VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS EVERY

THREE YEARS

ANNUAL REPORT TO STOCKHOLDERS

In addition to the proxy statement and proxy card, a copy of the Company's 2014 Annual Report on Form 10-K is enclosed. The 2014 Annual Report on Form 10-K, which includes our audited consolidated financial statements, is being furnished to you without the exhibits thereto. You can write to our Corporate Secretary at 717 Fifth Avenue, Suite 1303, New York, New York 10022, or telephone us at (212) 235-2190 for additional copies of our 2014 Annual Report on Form 10-K without charge. You can also access our Annual Reports on Form 10-K and other periodic filings we make with the Securities and Exchange Commission from the EDGAR database at www.sec.gov.

HOUSEHOLDING OF ANNUAL MEETING MATERIALS

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding", potentially provides extra convenience for stockholders and cost savings for companies.

We and some brokers household proxy materials, delivering a single proxy statement or annual report to multiple stockholders sharing an address, unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or annual report, please notify us by sending a written request to Trinity Place Holdings Inc., 717 Fifth Avenue, Suite 1303, New York, New York 10022 or by calling (212) 235-2190. You may also notify us to request delivery of a single copy of our annual report or proxy statement if you currently share an address with another stockholder and are receiving multiple copies of our annual report or proxy statement.

STOCKHOLDER PROPOSALS FOR THE 2016 ANNUAL MEETING

Pursuant to Rule 14a-8 under the Exchange Act, if a stockholder wants to submit a proposal for inclusion in our proxy materials at the Company's 2016 annual meeting of stockholders, it must be received at our principal executive offices, 717 Fifth Avenue, Suite 1303, New York, New York 10022, Attention: Corporate Secretary, not later than March 23, 2016. In order to avoid controversy, stockholders should submit proposals by means (including electronic) that permit them to prove the date of delivery.

If a stockholder intends to present a proposal for consideration at the next annual meeting outside of the processes of Rule 14a-8 under the Exchange Act, we must receive notice of such proposal at the address given above by June 6,

2016, or such notice will be considered untimely under Rule 14a-4(c)(1) under the Exchange Act, and therefore our proxies will have discretionary voting authority with respect to such proposal, if presented at the annual meeting, without including information regarding such proposal in our proxy materials.

The deadlines described above are calculated by reference to the mailing date of the proxy materials for this year's annual meeting. If the Board changes the date of next year's annual meeting by more than 30 days, the Board will, in a timely manner, inform stockholders of such change and the effect of such change on the deadlines given above by including a notice in our annual report on Form 10-K, our quarterly reports on Form 10-Q, a current report on Form 8-K or by any other means reasonably calculated to inform the stockholders.
