#### **ITEM 4.01. Changes in Registrant's Certifying Accountant**

On February 3, 2016 Propell Technologies, Inc. (the "Company") retained RBSM LLP ("RBSM") as its independent registered public accounting firm responsible for auditing its financial statements, to replace Liggett & Webb P.A. ("LW") who was dismissed as its independent registered public accounting firm responsible for auditing its financial statements.

LW's reports on the Company's financial statements as of and for the two years ended December 31, 2014 and 2013, did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles.

The decision to dismiss LW and the selection of RBSM was unanimously approved by the Company's board of directors.

During the years ended December 31, 2014 and 2013, and in the subsequent interim period through February 3, 2016 (the date of dismissal of LW), there were no disagreements with LW on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of LW, would have caused it to make reference to the subject matter of the disagreement in connection with its reports on the Company's financial statements for such years.

During the year ended December 31, 2014 and in the subsequent interim period through February 3, 2016, there were no events otherwise reportable under Item 304(a)(1)(v) of Regulation S-K.

During the Company's two most recent years and in the subsequent interim period through February 3, 2016, the Company did not consult with RBSM regarding the application of accounting principles to a specified transaction, either contemplated or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither a written report nor oral advice was provided that was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue, or with any of the matters outlined in Item 304(a)(2)(ii) of Regulation S-K.

The Company provided LW with a copy of this Current Report on Form 8-K prior to its filing with the SEC, and requested LW furnish the Company with a letter addressed to the SEC stating whether it agrees with the statements made by the Company above, and if not, stating the respects in which it does not agree. A copy of LW's letter dated

February 5, 2016, is attached hereto as Exhibit 16.1.
