VOTING INFORMATION

The record date for determining shares entitled to vote has been fixed at the close of business on March 23, 2018. On such date there were outstanding 2,484,735 shares of common stock of the Company, \$.20 par value ("Common Stock"), entitled to one vote each.

In order to conduct the Annual Meeting, the presence, in person or by properly executed proxy, of the holders of a majority (i.e., greater than 50%) of all the votes entitled to be cast at the Annual Meeting is necessary to constitute a quorum. Directors will be elected by a plurality of all the votes cast at the 2018 Annual Meeting with each share being voted for as many individuals as there are Directors to be elected. Ratification of the appointment of Freed Maxick CPAs, P.C. as the Company's independent registered public accounting firm for the 2018 fiscal year requires the affirmative vote of a majority of the votes cast. Pursuant to SEC rules, shareholder proposals must have been received by February 19, 2018, which date is 45 days before the date (April 5) on which the Company mailed its proxy materials for last year's annual meeting, to be considered at the 2018 Annual Meeting. At February 19, 2018 the Company had not received notice of any intention to submit any other matter; and, therefore, the named proxies have discretion to vote on any other matter that comes before the meeting.

Shares of Common Stock represented by a properly signed, dated and returned proxy will be treated as present at the meeting for the purposes of determining a quorum. Proxies relating to "street name" shares of Common Stock that are voted by brokers will be counted as shares of Common Stock (i) present for purposes of determining the presence of a quorum and (ii) as having voted in accordance with the directions and statements on the form of proxy.

PROPOSAL 1: ELECTION OF DIRECTORS

The Directors recommend a vote FOR the five nominees listed above. Unless instructed otherwise, proxies will be voted FOR these nominees.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independent Directors

Under the NYSE MKT listing standards, at least 50% of the Company's directors must meet the test of "independence" as defined by the NYSE MKT. The NYSE MKT standards provide that, to qualify as an "independent" director, in addition to satisfying certain bright-line criteria, the Board of Directors must affirmatively determine that a director has no relationship with the Company that would interfere with such person's ability to exercise independent judgment as a member of the Company's Board.

The Board of Directors has determined that each current director and nominee is independent other than Kenneth D. Trbovich, the Company's Chairman of the Board and Chief Executive Officer, and Mr. Edward C. Cosgrove, whose firm has provided legal services to the Company and its subsidiaries. In determining that Mr. Bear was "independent", the Board considered the fact that the Company and its subsidiaries paid approximately \$33,100 and \$70,600 to Full-Throttle Communications, Inc. in 2017 and 2016, respectively.

Committees and Meeting Data

The Board of Directors has a standing Audit Committee and Independent Directors Committee. Each member of each of these committees is "independent" as that term is defined in the NYSE MKT listing standards. The Audit Committee consists of Messrs. Gygax and Marks with Mr. Marks chairing the Committee and being designated as the Company's "Audit Committee financial expert". The Audit Committee meets with the Company's Independent Auditors and reviews with them matters relating to corporate financial reporting and accounting procedures and policies, the adequacy of financial, accounting and operating controls, the scope of the audit and the results of the audit. The Audit Committee is also charged with the responsibility of submitting to the Board of Directors any recommendations it may have from time to time with respect to financial reporting and accounting practices, policies and financial accounting and operation controls and safeguards.

The Independent Directors Committee consists of Messrs. Gygax, Bear and Marks with Mr. Gygax chairing the Committee. The Independent Directors Committee is responsible for reviewing and recommending appropriate

executive compensation policy and determining the compensation of the Company's Directors and Executive Officers. The responsibilities of the Independent Directors Committee also include assessing Board membership needs and identifying, screening, recruiting, presenting director candidates to the Board, implementing policies regarding corporate governance matters and making recommendations regarding committee memberships.

Pursuant to Board resolutions, the full Board of Directors approves/ratifies all Director nominees after they are determined by the Independent Directors Committee. See “Director Nominating Process” below. Additionally, Director and Executive Officer compensation determinations are subsequently submitted to the full Board of Directors for approval/ ratification.

During the fiscal year ended December 31, 2017, the Audit Committee met 4 times, the Independent Directors Committee met 4 times and the Board of Directors met 4 times. No Director attended less than 100% of the meetings held during the period that each individual served as a Director. Each Director is encouraged to attend the Annual Meeting of Shareholders. In 2017, the Annual Meeting of Shareholders was attended by five of the six Directors then in or elected to office.

Code of Ethics

The Company has adopted a Code of Ethics and Business Conduct (the “Code”) that applies to all Directors, Officers and employees of the Company as required by the listing standards of the NYSE MKT. The Code is available on the Company’s website at www.servotronics.com and the Company intends to disclose on this website any amendment to the Code. Waivers under the Code, if any, will be disclosed under the rules of the SEC and the NYSE MKT.

The Company also has a Whistleblower Policy, which is incorporated into the Code of Ethics and Business Conduct that requires Directors, Executive Officers and employees to comply with appropriate accounting and internal controls and establishes procedures to report any perceived wrongdoing, questionable accounting or auditing matters in a confidential and anonymous manner.

Report of the Audit Committee of the Board of Directors

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934 except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee serves as the representative of the Board of Directors for general oversight of the Company’s financial accounting and reporting, systems of internal control, audit process and monitoring compliance with standards of business conduct. The Audit Committee operates under a written charter which is available on the Company’s website at www.servotronics.com. Management of the Company has primary responsibility for preparing

financial statements of the Company as well as the Company's financial reporting process. Freed Maxick CPAs, P.C. ("Freed Maxick"), acting as Independent Auditors, is responsible for expressing an opinion on the conformity of the Company's audited financial statements with U.S. generally accepted accounting principles.

In this context, the Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements for fiscal year 2017 with the Company's Management.

2. The Audit Committee has discussed with the Independent Auditors the matters required to be discussed by Auditing Standard No. 1301 *Communications with Audit Committees*, as adopted by the Public Company Accounting Oversight Board (PCAOB) and other matters required by the Charter of the Audit Committee.

3. The Audit Committee has received the written disclosures and the letter from the Independent Auditors required by PCAOB Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, and has discussed with Freed Maxick the matter of that firm's independence.

4. Based on the review and discussion referred to in paragraphs (1) through (3) above, the Audit Committee approved that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2017, for filing with the Securities and Exchange Commission.

Each member of the Audit Committee is independent as defined under the listing standards of the NYSE MKT.

AUDIT COMMITTEE

Lucion P. Gygax

Leadership Structure

Kenneth D. Trbovich is the Company's Chairman of the Board and Chief Executive Officer. The Company believes that having one person hold the roles of Chairman of the Board and Chief Executive Officer is the most effective way at this time to organize the leadership structure of the Board of Directors. Having one person hold the roles of Chairman of the Board and Chief Executive Officer promotes unified leadership and direction for the Board and executive management and it allows for a single and clear focus for the chain of command to execute the Company's strategic initiatives and business plans. Because Mr. Trbovich is primarily responsible for managing the Company's day-to-day operations and strategic plan implementations, he is in the best position to chair meetings of the Board of Directors where key business and strategic issues are discussed.

Another component of our leadership structure is the active role played by non- management and independent Directors in overseeing the Company's business, both at the Board and Committee level. The Board believes that the combined role of Chairman of the Board and Chief Executive Officer coupled with the existence of the independent Directors is the appropriate leadership structure for the Board of Directors at this time. This structure provides sufficient independent oversight while avoiding unnecessary confusion regarding the Board's oversight responsibilities and the day-to-day management of the Company's business operations and strategic plan implementations. The Independent Directors Committee periodically reviews this structure to assess its effectiveness on a continuing basis.

Board Oversight of Risk Management

The Board of Directors oversees the Company's risk management process. This oversight is primarily accomplished through the Board's committees and management's reporting processes. The Company does not have a formal risk committee; however, the Audit Committee focuses on risk related to accounting, internal controls and financial and tax reporting. The Audit Committee also assesses economic and business risks and monitors compliance with ethical standards. The Independent Directors Committee identifies and oversees risks associated with the Company's executive compensation policies and practices, Director independence, related party transactions and the implementation of corporate governance policies.

Director Nominating Process

The determination of the individuals to be nominated for the Board of Directors is made by the Independent Directors Committee. This determination is then subsequently submitted to the full Board of Directors for approval/ratification.

The Board has not adopted specific minimum criteria for director nominees. Nominees are identified by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service, the Board first considers the appropriateness of the size of the Board and then considers factors that it deems are in the best interests of the Company and its shareholders in identifying and evaluating a new nominee. Consistent with the concept of diversity, the Company recognizes the value of having a Board that encompasses a broad range of skills, expertise, contacts, industry knowledge and diversity of opinion.

The Board will consider director nominees from any reasonable source, including nominees suggested by incumbent Board Members and Management as well as Shareholder recommendations tendered in accordance with the Company's advance notice provisions. The Company does not currently employ an executive search firm, or pay a fee

to any other third party, to locate qualified candidates for director positions.

Directors' Compensation

The Company's Non-employee Director Compensation Policy was revised effective October 1, 2015. The Board amended and restated the policy on June 10, 2016. Under that policy, Non-employee Directors are paid an annual cash retainer of \$50,000, payable in twelve monthly installments, plus reimbursement of actual expenses for attendance at Board or Committee meetings. The Chairperson of the Audit Committee and the Independent Directors Committee are also paid a \$10,000 annual cash retainer, payable in twelve monthly installments.

The following table contains information with respect to the total compensation paid to the Non-employee Directors for the year ended December 31, 2017.

Edward C. Cosgrove	\$ 54,167
Lucion P. Gygax	\$ 65,000

Shareholder Communications with the Board of Directors

Box 300, Elma, New York 14059. Correspondence directed to an individual Board member will be referred, if appropriate, to that member. EXECUTIVE COMPENSATION

The Summary Compensation Table quantifies the amount or value of the different forms of compensation earned by or awarded to the Company's current Chief Executive Officer, the next two most highly compensated officers of the Company and the Company's former Chief Executive Officer who died in August 2017 (the "Named Officers") in fiscal 2017 and 2016 and provides a dollar amount for total compensation. Descriptions of the material terms of the employment agreements with certain Named Officers are provided under "Employment Agreements" below.

The Compensation Process Overview

The Independent Directors Committee functions as the compensation committee of the Board and determines the compensation of the Company's Executive Officers in accordance with the NYSE MKT listing standards. Compensation of the Company's Executive Officers is recommended to the Board for determination by the Independent Directors Committee with the Chief Executive Officer and President playing a supporting role in the compensation-setting process for the Company's other Executive Officers. The most significant aspects of management's role are evaluating employee performance, recommending business performance targets and objectives, and recommending salary levels and other compensation awards, however final compensation determinations for all Executive Officers are approved by the Board upon the recommendation of the Independent Directors Committee.

2017 Base Salary

The Independent Directors Committee seeks to provide the Company's Executive Officers with a level of assured cash compensation in the form of base salary that is commensurate with their professional status, accomplishments and geographic location. The base salaries are reviewed annually by the Independent Directors Committee and are adjusted from time to time to recognize competitive market data, the officer's level of responsibility, outstanding individual performance, promotions and internal equity considerations. For the year ended December 31, 2017, base salary paid to each Named Officer is as set forth in the Summary Compensation Table. Mr. Trbovich's base salary was adjusted in August 2017 to reflect his increased responsibilities resulting from the death of the Company's founder, Chairman and Chief Executive Officer, Dr. Nicholas D. Trbovich.

2017 Bonus

The Company also made cash awards to the Executive Officers and other employees that are not part of any pre-established, performance-based criteria. Awards of this type are completely discretionary and subjectively determined by the Board upon the recommendation of the Independent Directors Committee at the time they are awarded. In the event this type of cash award is made, it is reflected in the "Summary Compensation Table" under a separate column entitled "Bonus".

Equity Awards

Pursuant to the 2012 Long-Term Incentive Plan, as approved by the Company's shareholders, the Independent Directors Committee may grant equity awards, the vesting of which may be based on the passage of time, achievement of performance conditions or vesting conditions otherwise determined by the Independent Directors Committee. No equity awards were granted to the Executive Officers in 2017.

A representative of Freed Maxick is expected to be present at the meeting with the opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions of shareholders.

At the Annual Meeting, the shareholders will be asked to ratify the selection of Freed Maxick as the Company's independent registered public accounting firm. Pursuant to the rules and regulations of the Securities and Exchange Commission, the Audit Committee has the direct responsibility to appoint, retain, fix the compensation and oversee the work of the Company's independent registered public accounting firm. In the event that the shareholders fail to ratify the selection, it will be considered as a direction to the Board of Directors and the Audit Committee to consider the selection of a different firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

The affirmative vote of a majority of the votes cast on the proposal, assuming a quorum is present at the Annual Meeting, is required to ratify the appointment of Freed Maxick. The Directors of the Company unanimously recommend a vote "FOR" the ratification of Freed Maxick as the Company's independent registered public accounting firm for 2018. Unless otherwise instructed, proxies will be voted "FOR" ratification of the appointment of Freed Maxick.

The Audit Committee pre-approves audit and non-audit services provided by Freed Maxick. The Audit Committee has considered whether provision of the services described above is compatible with maintaining our accountant's independence and has determined that such services have not adversely affected Freed Maxick's independence.
