As previously announced, at a Special Meeting of shareholders of NCI Building Systems, Inc. (“we”, “us”, the “Company” or “NCI”) held on November 15, 2018 (the “Special Shareholder Meeting”), NCI’s shareholders approved (i) the Agreement and Plan of Merger (the “Merger Agreement”) among NCI, Ply Gem Parent, LLC, a Delaware limited liability company (“Ply Gem”), and for certain limited purposes set forth in the Merger Agreement, Clayton, Dubilier & Rice, LLC, a Delaware limited liability company, pursuant to which, at the closing of the merger, Ply Gem was merged with and into the Company, with the Company continuing its existence as a corporation organized under the laws of the State of Delaware (the “Merger”) and (ii) the issuance in the Merger of 58,709,067 shares of NCI common stock, par value \$0.01 per share (the “NCI Common Stock”) in the aggregate, on a pro rata basis, to the holders of all of the equity interests in Ply Gem (the “Stock Issuance”). NCI’s shareholders also approved the three additional proposals described in the Company’s proxy statement relating to the Special Shareholder Meeting.

The Merger was consummated on November 16, 2018 pursuant to the Merger Agreement.

On November 16, 2018, in connection with the consummation of the Merger, the Company assumed (i) the obligations of the company formerly known as Ply Gem Midco, Inc. (“Ply Gem Midco”), a subsidiary of Ply Gem immediately prior to the consummation of the Merger, as borrower under the Cash Flow Credit Agreement (as defined below), (ii) the obligations of Ply Gem Midco as parent borrower under the ABL Credit Agreement (as defined below) and (iii) the obligations of Ply Gem Midco as issuer under the Indenture (as defined below).

### ***New Stockholders Agreement***

Pursuant to the terms of the Merger Agreement, on November 16, 2018, the Company entered into a stockholders agreement (the “New Stockholders Agreement”) between the Company and each of Clayton, Dubilier & Rice Fund VIII, L.P., a Cayman Islands exempted limited partnership (“CD&R Fund VIII”), CD&R Friends & Family Fund VIII, L.P., a Cayman Islands exempted limited partnership (“CD&R FF Fund VIII”), CD&R Pisces Holdings, L.P., a Cayman Islands exempted limited partnership (“CD&R Pisces”, and together with CD&R Fund VIII and CD&R FF Fund VIII, individually, the “CD&R Investors,” and collectively, the “CD&R Investor Group”), Atrium Intermediate Holdings, LLC, a Delaware limited liability company (“Atrium”), GGC BP Holdings, LLC, a Delaware limited liability company (“GGC”), and AIC Finance Partnership, L.P., a Cayman Islands exempted limited partnership (“AIC”, and together with Atrium and GGC, each individually, a “Golden Gate Investor,” and collectively, the “Golden Gate Investor Group,” and together with the CD&R Investor Group, the “Investors”).

Pursuant to the New Stockholders Agreement, among other matters, the CD&R Investor Group is entitled to nominate for election, fill vacancies and appoint five out of twelve initial members of NCI's board of directors (the "Board") and, thereafter, so long as the CD&R Investor Group beneficially owns at least 7.5% of the outstanding shares of NCI Common Stock, to nominate for election, fill vacancies and appoint replacements for a number of Board members in proportion to the CD&R Investor Group's percentage beneficial ownership of outstanding NCI Common Stock, but never to exceed one less than the number of independent, non-CD&R-affiliated directors serving on the Board. The New Stockholders Agreement contains voting agreements between the Company and each of the Investors, including the requirement that each Investor shall vote all of the shares of Common Stock that it beneficially owns (a) in favor of all director nominees, other than CD&R Investor Nominees or director nominees proposed by a Golden Gate Investor, nominated by the Board for election by the stockholders of the Company in accordance with the terms of the New Stockholders Agreement and the Sixth Amended and Restated By-laws (as defined below), (b) as recommended by the Board, on any and all (i) proposals relating to or concerning compensation or equity incentives for directors, officers or employees of the Company adopted in the ordinary course of business consistent with past practice, (ii) proposals by stockholders of the Company, other than a proposal by a CD&R Investor or a Golden Gate Investor, and (iii) proposals the subject matter of which is a CD&R Investor Consent Action (as defined in the New Stockholders Agreement), provided that, in respect of clauses (i) and (iii) only, that the Board's recommendation is consistent with the CD&R Investor Group's exercise of its consent rights provided in the New Stockholders Agreement, and (c) not in favor of any transaction constituting, or that would result in, a Change of Control (as defined in the New Stockholders Agreement) that has not been approved by a majority of the Independent Non-CD&R Investor Directors (as defined in the New Stockholders Agreement), if the per share consideration to be received by any CD&R Investor or Golden Gate Investor in connection with such transaction is not equal to, and in the same form as, the per-share consideration to be received by the shareholders not affiliated with the Investors.

Each CD&R Investor and Golden Gate Investor will also have preemptive rights to subscribe for any equity securities the Company proposes to issue in accordance with each Investor's percentage beneficial ownership of NCI Common Stock, subject to customary exceptions. The CD&R Investor Group and the Golden Gate Investor Group have each agreed, among other things, that until such time that its percentage beneficial ownership of the outstanding Common Stock falls below 10% and stays below such threshold for a period of six months, to be subject to standstill, voting and transfer restrictions and limitations, including a prohibition on transferring Common Stock to any third party or group that beneficially owns, or would, after giving effect to such transfer, beneficially own 10% or more of NCI Common Stock outstanding.

Pursuant to the terms of the New Stockholders Agreement, CD&R Fund VIII, CD&R FF Fund VIII and the Company terminated the Stockholders Agreement (the "Old Stockholders Agreement"), dated as of October 20, 2009, by and among the Company, CD&R Fund VIII and CD&R FF Fund VIII.

A copy of the New Stockholders Agreement is attached as Exhibit 10.1 to this current report on Form 8-K and is incorporated herein by reference. Pursuant to the terms of the New Registration Rights Agreement, CD&R Fund VIII, CD&R FF Fund VIII and the Company terminated the Registration Rights Agreement (the "Old Registration Rights Agreement"), dated as of October 20, 2009, by and among the Company, CD&R Fund VIII and CD&R FF Fund VIII.

*Cash Flow Credit Agreement*

On April 12, 2018, Ply Gem Midco entered into a Cash Flow Credit Agreement (the “Cash Flow Credit Agreement”), by and among Ply Gem Midco, JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (the “Cash Flow Agent”), and the several banks and other financial institutions from time to time party thereto. As of November 16, 2018, immediately prior to the Merger, the Cash Flow Credit Agreement provided for (i) a term loan facility (the “Term Loan Facility”) in an original aggregate principal amount of \$1,755.0 million and (ii) a cash flow-based revolving credit facility (the “Cash Flow Revolver”) and together with the Term Loan Facility, the “Cash Flow Facilities”) of up to \$115.0 million. On November 16, 2018, Ply Gem Midco entered into a Lender Joinder Agreement, by and among Ply Gem Midco, the additional commitment lender party thereto and the Cash Flow Agent, which amended the Cash Flow Credit Agreement in order to, among other things, increase the aggregate principal amount of the Term Loan Facility by \$805.0 million (the “Incremental Term Loans”). Proceeds of the Incremental Term Loans were used to, among other things, (a) finance the Merger and to pay certain fees, premiums and expenses incurred in connection therewith, (b) repay in full amounts outstanding under the Existing NCI Term Loan Credit Agreement and the Existing NCI ABL Credit Agreement (each as defined below) and (c) repay \$325.0 million of borrowings outstanding under the ABL Facility (as defined below). On November 16, 2018, in connection with the consummation of the Merger, NCI and Ply Gem Midco entered into a joinder agreement with respect to the Cash Flow Facilities, and NCI became the Borrower (as defined in the Cash Flow Credit Agreement) under the Cash Flow Facilities. The Term Loan Facility amortizes in nominal quarterly installments equal to one percent of the aggregate initial principal amount thereof per annum, with the remaining balance payable upon final maturity of the Term Loan Facility on April 12, 2025. There are no amortization payments under the Cash Flow Revolver, and all borrowings under the Cash Flow Revolver mature on April 12, 2023. At November 16, 2018, following consummation of the Merger, there was \$2,555.6 million outstanding under the Term Loan Facility and there were no amounts drawn on the Cash Flow Revolver.

The Term Loan Facility bears annual interest at a floating rate measured by reference to, at the Company's option, either (i) an adjusted London inter-bank offered rate, or "LIBOR," (subject to a floor of 0.00%) plus an applicable margin of 3.75% per annum or (ii) an alternate base rate plus an applicable margin of 2.75% per annum.

Loans outstanding under the Cash Flow Revolver bear annual interest at a floating rate measured by reference to, at the Company's option, either (i) an adjusted London inter-bank offered rate, or "LIBOR," (subject to a floor of 0.00%) plus an applicable margin ranging from 2.50% to 3.00% per annum depending on the Company's secured leverage ratio or (ii) an alternate base rate plus an applicable margin ranging from 1.50% to 2.00% per annum depending on the Company's secured leverage ratio. Additionally, unused commitments under the Cash Flow Revolver are subject to a fee ranging from 0.25% to 0.50% per annum depending on the Company's secured leverage ratio.

The Term Loan Facility may be prepaid at the Company's option at any time, subject to minimum principal amount requirements. Prepayments of the Term Loan Facility in connection with a repricing transaction (as defined in the Cash Flow Credit Agreement) on or prior to April 12, 2019 are subject to a 1.00% prepayment premium. Prepayments may otherwise be made without premium or penalty (other than customary breakage costs). The Cash Flow Revolver may be prepaid at the Company's option at any time without premium or penalty (other than customary breakage costs), subject to minimum principal amount requirements.

Subject to certain exceptions, the Term Loan Facility is subject to mandatory prepayment in an amount equal to:

the net cash proceeds of (1) certain asset sales, (2) certain debt offerings, and (3) certain insurance recovery and condemnation events; and

50% of annual excess cash flow (as defined in the Cash Flow Credit Agreement), subject to reduction to 25% and 0% if a specified secured leverage ratio targets are met to the extent that the amount of such excess cash flow exceeds \$10.0 million. The annual excess cash flow assessment will begin for the Company's 2019 fiscal year.

The Cash Flow Credit Agreement contains customary representations and warranties and customary affirmative and negative covenants. The negative covenants, among other things, will limit or restrict the ability of the Company and its subsidiaries to incur additional indebtedness; make dividends and other restricted payments; incur additional liens; consolidate, merge, sell or otherwise dispose of all or substantially all assets; make investments; transfer or sell assets; enter into restrictive agreements; change the nature of the business; and enter into certain transactions with affiliates.

Subject to certain conditions, without the consent of the then existing lenders (but subject to the receipt of commitments), either the Term Loan Facility or the Cash Flow Revolver may be expanded (or a new term loan

facility, revolving credit facility or letter of credit facility added) by up to (i) the greater of (x) \$333.0 million and (y) an amount equal to 75.0% of consolidated EBITDA for the four most recently ended fiscal quarters for which financial statements of the Company are available plus (ii) an unlimited amount either (x) as will not cause the secured leverage ratio after giving effect to the incurrence of such additional amount and any use of proceeds thereof to exceed 4.50 to 1.00 or (y) if incurred in connection with an acquisition or other investment permitted under the Cash Flow Credit Agreement, the pro forma secured leverage ratio after giving effect to such incurrence and acquisition or investment does not exceed the secured leverage ratio in effect prior to such transactions. Amounts available pursuant to clause (ii) of the preceding sentence may be utilized prior to amounts under clause (i).

The obligations under the Cash Flow Credit Agreement are guaranteed by each direct and indirect wholly-owned U.S. restricted subsidiary of the Company, subject to certain exceptions, and are secured by:

a perfected security interest in substantially all tangible and intangible assets of the Company and each subsidiary guarantor (other than ABL Priority Collateral (as defined below)), including the capital stock of each direct material wholly-owned U.S. restricted subsidiary owned by the Company and each subsidiary guarantor, and 65% of the capital stock of any non-U.S. subsidiary held directly by the Company or any subsidiary guarantor, subject to certain exceptions (the "Cash Flow Priority Collateral"), which security interest will be senior to the security interest in the foregoing assets securing the ABL Facility; and

a perfected security interest in the ABL Priority Collateral, which security interest will be junior to the security interest in the ABL Priority Collateral securing the ABL Facility.

The Cash Flow Revolver includes a financial covenant set at a maximum secured leverage ratio of 7:75 to 1.00, which will apply if the outstanding amount of loans and drawings under letters of credit which have not then been reimbursed exceeds a specified threshold at the end of any fiscal quarter.

The foregoing summary of the Cash Flow Credit Agreement, as amended, the related guarantee and collateral agreement and joinder agreement (collectively, the “Cash Flow Credit Agreement Documents”), does not purport to be a complete description and is subject to and qualified in its entirety by reference to the full text of the Cash Flow Credit Agreement Documents, copies of which are attached as Exhibits 10.3-10.7 to this Current Report on Form 8-K and are incorporated herein by reference.

#### ***ABL Credit Agreement***

On April 12, 2018, Ply Gem Midco and certain subsidiaries of Ply Gem Midco entered into an ABL Credit Agreement (the “ABL Credit Agreement”), by and among Ply Gem Midco, the subsidiary borrowers from time to time party thereto, UBS AG, Stamford Branch, as administrative agent and collateral agent (the “ABL Agent”), and the several banks and other financial institutions from time to time party thereto, which provided for an asset-based revolving credit facility (the “ABL Facility”) of up to \$360.0 million, consisting of (i) \$285.0 million available to U.S. borrowers (subject to U.S. borrowing base availability) (the “ABL U.S. Facility”) and (ii) \$75.0 million available to both U.S. borrowers and Canadian borrowers (subject to U.S. borrowing base and Canadian borrowing base availability) (the “ABL Canadian Facility”). On October 15, 2018, Ply Gem Midco entered into Amendment No. 2 to the ABL Credit Agreement, by and among Ply Gem Midco, the incremental lender party thereto and the ABL Agent, which amended the ABL Credit Agreement in order to, among other things, increase the aggregate commitments under the ABL Facility by \$36.0 million to \$396.0 million overall, and with the (x) ABL U.S. Facility being increased from \$285.0 million to \$313.5 million and (y) the ABL Canadian Facility being increased from \$75.0 million to \$82.5 million. On November 16, 2018, Ply Gem Midco entered into Amendment No. 4 to the ABL Credit Agreement, by and among Ply Gem Midco, the incremental lenders party thereto and the ABL Agent, which amended the ABL Credit Agreement in order to, among other things, increase the aggregate commitments under the ABL Facility by \$215.0 million (the “Incremental ABL Commitments”) to \$611.0 million overall, and with the (x) ABL U.S. Facility being increased from \$313.5 million to approximately \$483.7 million and (y) the ABL Canadian Facility being increased from \$82.5 million to approximately \$127.3 million. On November 16, 2018, in connection with the consummation of the Merger, NCI and Ply Gem Midco entered into a joinder agreement with respect to the ABL Facility, and NCI became the Parent Borrower (as defined in the ABL Credit Agreement) under the ABL Facility. The Company and, at the Company’s option, certain of the Company’s subsidiaries are the borrowers under the ABL Facility. As of November 16, 2018, and following consummation of the Merger, (a) Ply Gem Industries, Inc., Atrium Windows and Doors, Inc., NCI Group, Inc. and Robertson-Ceco II Corporation were U.S. subsidiary borrowers under the ABL Facility, and (b) Genow Canada Inc., Mitten Inc., North Star Manufacturing (London) Ltd. and Robertson Building Systems Limited were Canadian borrowers under the ABL Facility. All borrowings under the ABL Facility mature on April 12, 2023.

At November 16, 2018, following consummation of the Merger, there were no amounts drawn and \$24.7 million of letters of credit issued under the ABL Facility.

Borrowing availability under the ABL Facility is determined by a monthly borrowing base collateral calculation that is based on specified percentages of the value of eligible inventory, eligible accounts receivable and eligible credit card receivables, less certain reserves and subject to certain other adjustments as set forth in the ABL Credit Agreement. Availability is reduced by issuance of letters of credit as well as any borrowings.

Loans outstanding under the ABL Facility bear interest at a floating rate measured by reference to, at the Company's option, either (i) an adjusted London inter-bank offered rate, or "LIBOR," (subject to a LIBOR floor of 0.00%) plus an applicable margin ranging from 1.25% to 1.75% per annum depending on the average daily excess availability under the ABL Facility or (ii) an alternate base rate plus an applicable margin ranging from 0.25% to 0.75% per annum depending on the average daily excess availability under the ABL Facility. Additionally, unused commitments under the ABL Facility are subject to a 0.25% per annum fee.

The ABL Credit Agreement contains customary representations and warranties and customary affirmative and negative covenants. The negative covenants, among other things, will limit or restrict the ability of the Company and its subsidiaries to incur additional indebtedness; make dividends and other restricted payments; incur additional liens; consolidate, merge, sell or otherwise dispose of all or substantially all assets; make investments and acquisitions; transfer or sell collateral; enter into restrictive agreements; change the nature of the business; and enter into certain transactions with affiliates. The negative covenants are subject to customary exceptions and also permit acquisitions, investments, mergers, consolidations and amalgamations, asset sales, dividends and other restricted payments, and sales of all or substantially all assets involving subsidiaries upon satisfaction of a “payment condition”. The payment condition is deemed satisfied upon 30-day specified availability and specified availability exceeding agreed upon thresholds and, in certain cases, the absence of specified events of default or known events of default and pro forma compliance with a fixed charge coverage ratio of 1.00 to 1.00.

The obligations under the ABL Credit Agreement are guaranteed by each direct and indirect wholly-owned U.S. restricted subsidiary of the Company, subject to certain exceptions, and are secured by:

a perfected security interest in all present and after-acquired inventory, accounts receivable, deposit accounts, securities accounts, and any cash or other assets in such accounts and other related assets owned by the Company, the U.S. subsidiary borrowers and the U.S. subsidiary guarantors and the proceeds of any of the foregoing, except to the extent such proceeds constitute Cash Flow Priority Collateral, and subject to certain exceptions (the “ABL Priority Collateral”), which security interest is senior to the security interest in the foregoing assets securing the Cash Flow Facilities; and

a perfected security interest in the Cash Flow Priority Collateral, which security interest will be junior to the security interest in the Cash Flow Collateral securing the Cash Flow Facilities.

Additionally, the obligations of the Canadian borrowers under the ABL Credit Agreement are guaranteed by each direct and indirect wholly-owned Canadian restricted subsidiary of the Canadian borrowers, subject to certain exceptions, and are secured by substantially all assets of the Canadian borrowers and the Canadian subsidiary guarantors, subject to certain exceptions.

The ABL Credit Agreement includes a minimum fixed charge coverage ratio of 1.00 to 1.00, which is tested only when specified availability is less than 10.0% of the lesser of (x) the then applicable borrowing base and (y) the then aggregate effective commitments under the ABL Facility, and continuing until such time as specified availability has been in excess of such threshold for a period of 20 consecutive calendar days.

The foregoing summary of the ABL Credit Agreement, as amended, the related guarantee and collateral agreements and joinder agreement (collectively, the “ABL Credit Agreement Documents”), does not purport to be a complete description and is subject to and qualified in its entirety by reference to the full text of the ABL Credit Agreement Documents, copies of which are attached as Exhibits 10.8-10.15 to this Current Report on Form 8-K and are incorporated herein by reference.

### ***8.00% Senior Notes due 2026***

On April 12, 2018, Ply Gem Midco issued \$645.0 million aggregate principal amount of 8.00% Senior Notes due 2026 (the “8.00% Senior Notes”). The 8.00% Senior Notes were issued pursuant to an Indenture, dated as of April 12, 2018 (as supplemented from time to time, the “Indenture”), by and among Ply Gem Midco, as issuer, the subsidiary guarantors from time to time party thereto and Wilmington Trust, National Association, as trustee. On November 16, 2018, in connection with the consummation of the Merger, the Company entered into a supplemental indenture and assumed the obligations of Ply Gem Midco as issuer under the Indenture and the 8.00% Senior Notes. The 8.00% Senior Notes bear interest at 8.00% per annum and will mature on April 15, 2026. Interest is payable semi-annually in arrears on April 15 and October 15.

The 8.00% Senior Notes are guaranteed on a senior unsecured basis by each of the Company’s wholly-owned domestic subsidiaries that guarantee the Company’s obligations under the Cash Flow Facilities or the ABL Facility (including by reason of being a borrower under the ABL Facility on a joint and several basis with the Company or a subsidiary guarantor). The 8.00% Senior Notes are unsecured senior indebtedness and rank equally in right of payment with the Cash Flow Facilities and ABL Facility. The 8.00% Senior Notes are effectively subordinated to all of the Company’s secured debt and are senior in right of payment to all subordinated obligations of the Company.

The Company may redeem the 8.00% Senior Notes in whole or in part at any time as set forth below:

prior to April 15, 2021, the Company may redeem the 8.00% Senior Notes at a price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but not including the redemption date, plus the applicable make-whole premium;

prior to April 15, 2021, the Company may redeem up to 40.0% of the original aggregate principal amount of the 8.00% Senior Notes with proceeds of certain equity offerings, at a redemption price of 108%, plus accrued and unpaid interest, if any, to but not including the redemption date; and

on or after April 15, 2021, the Company may redeem the 8.00% Senior Notes at specified redemption prices starting at 104% and declining ratably to 100.0% by April 15, 2023, plus accrued and unpaid interest, if any, to but not including the redemption date.

The Indenture contains customary negative covenants. The negative covenants, among other things, will limit or restrict the ability of the Company and its subsidiaries to incur additional indebtedness; make dividends and other restricted payments; incur additional liens; consolidate, merge, sell or otherwise dispose of all or substantially all assets; make investments; transfer or sell assets; enter into restrictive agreements; and enter into certain transactions with affiliates.

The foregoing summary of the Indenture, including all related supplemental indentures, does not purport to be a complete description and is subject to and qualified in its entirety by reference to the full text of such documents, copies of which are attached as Exhibits 4.1-4.6 to this Current Report on Form 8-K and are incorporated herein by reference.

The Metcalf Employment Agreement provides for severance payments and termination benefits upon a future termination of Mr. Metcalf's employment by the Company without "cause" or by Mr. Metcalf for "good reason" (each, a "Qualifying Termination"). Upon a Qualifying Termination (other than within 24 months after a change in control of NCI or during the pendency of a change in control transaction), the Metcalf Employment Agreement provides for (i) two times Mr. Metcalf's highest annual base salary in effect during the one year prior to the termination date ("Base Salary Severance"), paid in installments over two years, (ii) two times Mr. Metcalf's target bonus (the "Bonus Payment"),

paid in installments over two years, (iii) a pro-rated annual bonus based on actual performance (“Pro Rata Bonus”), payable in a lump sum no later than March 15<sup>th</sup> following the year of termination and (iv) a lump sum payment equal to Mr. Metcalf’s family premiums for eighteen months of continued medical and dental coverage under COBRA at active employee rates (“COBRA Premium Payment”), payable in a lump sum no later than March 15<sup>th</sup> following the year of termination (together, the “Qualifying Termination Severance Package”).

Upon a Qualifying Termination within 24 months following a change in control (or during the pendency of a change in control transaction), the Metcalf Employment Agreement provides for the Qualifying Termination Severance Package, except that the Bonus Payment is instead equal to three times Mr. Metcalf’s target bonus (the “CIC Bonus Payment”), and each of the Base Salary Severance and the CIC Bonus Payment is to be paid to the maximum extent permitted under Section 409A of the Internal Revenue Code (the “Code”) in a lump sum (with any remainder paid in installments over two years).

In all cases, the payments are conditioned on Mr. Metcalf executing a general release and waiver of claims.

If Mr. Metcalf’s payments and benefits under the agreement are subject to the 20% excise tax under Section 4999 of the Code, then he will either receive all such payments and benefits subject to the excise tax or such payments and benefits will be reduced so that the excise tax does not apply, depending on which of these two approaches yields the best after tax outcome for Mr. Metcalf as determined by a third-party accounting firm.
