CalPERS Public Employees Retirement System Shareowner Alert

IMPROVED GOVERNANCE PRACTICES LEAD TO IMPROVED FINANCIAL PERFORMANCE

As a long-term shareowner, CalPERS is very concerned with the company's accountability to its shareowners and its commitment to good corporate governance. We believe such accountability as evidenced by governance practices is closely related to financial performance.

Harvard Professor Lucian Bebchuk and associates published a study in September 2004¹ which found that companies with staggered boards, poison pills, supermajority voting requirements and golden parachutes deliver less shareholder value than those companies that do not have such measures in place. At this time, **La-Z-Boy currently employs five of the six entrenchment provisions.**

YOU CAN HELP VOTE FOR PROPOSAL #5

Send a powerful message by voting FOR proposal # 5 on La-Z-Boy's proxy card

Approval of this proposal requires an affirmative vote of at least two-thirds of shares outstanding

For this reason, we ask you to ensure that every account, no matter how many or how few shares, is voted FOR this proposal.

Furthermore, we ask our fellow investors as we will to publicize their vote when they cast it. We believe this will further unite and encourage investors to both support and benefit from this campaign.

Do not be misled. If you are a large holder and find yourself under pressure from La-Z-Boy management to vote against our proposal, ask yourself why defeating this initiative which is intended to improve board accountability, shareowner rights, and shareowner value is so important to them.

Please refer to the company's proxy statement for more information. If you have any questions or need assistance in voting your shares, call BNY Mellon Shareowner Services, who is assisting us with this effort, at 201-680-5235.

Sincerely,

Edgar Filing: LA-Z-BOY INC - Form PX14A6G
