# Stock Exchange Announcement

19 November 2002

## **Novo Nordisk acquires remaining shares in Biobrás**

Novo Nordisk A/S today announced that Novo Nordisk has acquired an additional 55.4 % of the total share capital in Biobrás S.A. of Brazil in the delisting tender offer submitted to the company's minority shareholders in October 2002. The purchase price of the shares is 55.7 million Brazilian reais (equal to USD 15.3 million/ 112.6 million Danish kroner). The purchase will not impact Novo Nordisk's expectations for the financial results for 2002.

In January 2002 Novo Nordisk acquired a stake in Biobrás representing 76% of the voting shares of Biobrás and 39% of the total capital of Biobrás. The latest purchase of shares brings Novo Nordisk's holding to a total of 99.3% of the voting shares and 97.5% of the total capital of Biobrás (adjusted for treasury shares).

Following the latest acquisition, Biobrás will be delisted from the São Paulo stock exchange, which is expected to be completed by the end of 2002. Novo Nordisk further intends to redeem the remaining shareholders in Biobrás under the rules of Brazilian company law. Novo Nordisk expects Biobrás to become a wholly-owned subsidiary of the Novo Nordisk Group during the first half of 2003. The total purchase price of Novo Nordisk's shareholding after the redemption is expected to amount to 133.5 million reais (equal to USD 47.4 million/ 380.4 million kroner).

The share purchases and full integration of Biobrás in the Novo Nordisk organisation are still subject to clearance by the Brazilian anti-trust authorities. This clearance is now expected to be obtained during the first half of 2003.
