The Board of Directors of Natuzzi S.p.A. (NYSE:NTZ) ("Natuzzi" or "the Company"), the world's leading manufacturer of leather-upholstered furniture, today announces the approval of the financial results for the first quarter ended March 31, 2004.

### NET SALES

Natuzzi's first-quarter 2004 net sales increased 4.5 percent to EUR 191.8 million or \$ 240.0 million compared to EUR 183.5 million or \$ 196.9 million in the first quarter 2003. Seats sold increased 9.6% quarter over quarter.

In the first quarter of 2004, net upholstery sales increased 3.0 percent to EUR 169.5 million or \$ 212.1 million compared to the first quarter of 2003. Other sales (principally living-room accessories and raw materials produced by the Company and sold to third parties) increased 18.0 percent to EUR 22.3 million, or \$ 27.9 million.

In the first quarter of 2004, upholstery sales in the Americas increased marginally by 0.4 percent to EUR 79.5 million, or \$ 99.5 million, notwithstanding a conversion rate 14.2 percent lower than first-quarter 2003. In Europe, upholstery sales increased 4.7 percent to EUR 80.3 million, or \$ 100.5 million as a consequence of the higher penetration of Italsofa upholstery and the inclusion in consolidated

## Edgar Filing: NATUZZI S P A - Form 6-K

revenues of Kingdom of Leather, the British furniture chain bought in May 2003. In the Rest of the World upholstery sales increased 11.5 percent over the first quarter of 2003 to EUR 9.7 million, or \$ 12.1 million.

Total net sales to Divani & Divani by Natuzzi and Natuzzi Stores increased 9.4 percent to EUR 27.8 million, or \$ 34.8 million, considering EUR 3.1 million of sales to Kingdom of Leather that was not included in the first quarter 2003. During the quarter the total number of stores increased to 137 in Italy and 116 abroad, while one year before there were 126 in Italy and 71 outside Italy.

In the first quarter of 2004, leather-upholstered furniture sales increased 3.8 percent to EUR 138.0 million, or \$ 172.7 million, while fabric-upholstered sales decreased 0.3 percent over last year's quarter to EUR 31.5 million, or \$ 39.4 million.

First quarter 2004 net sales of Natuzzi-branded upholstery were EUR 131.6 million, or \$ 164.7 million, 2.4 percent lower than sales in last year's quarter. Net sales of Italsofa upholstery were EUR 37.9 million, or \$ 47.4 million, 27.2 percent higher than first quarter of 2003.

Pasquale Natuzzi, Chairman and Chief Executive Officer, commented: "We are pleased with the growth in revenues and units sold reported in the first quarter of 2004 notwithstanding a global economic scenario still dominated by uncertainty, strong appreciation of the Euro against the US Dollar and pricing pressure coming from low cost competitors. The dual branding strategy, Italsofa for the promotional market and Natuzzi for the medium-high end, represented an effective answer to these difficult market conditions."

### GROSS PROFIT & OPERATING INCOME

Gross profit in the first quarter of 2004 increased 16.6 percent to EUR 68.0 million, or \$ 85.1 million, compared to the same quarter in 2003. Gross profit margin increased to 35.5 percent from 31.8 percent.

First quarter 2004 operating income was EUR 13.8 million while the operating margin rose from 7.0 percent in the first quarter of 2003 to 7.2 percent in the first quarter of 2004.

### FOREX & TAXES

In the first quarter of 2004 Natuzzi reported a foreign exchange loss of EUR 0.4 million, or \$ 0.5 million, versus a net forex gain of EUR 6.0 million reported in the first quarter of 2003.

Income taxes for first quarter 2004 were EUR 4.0 million, or \$ 5.0 million, representing an effective tax rate of 29.6 percent versus a 20.6 percent rate in the prior year's period. The increase was mainly due to the expiration at the end of 2003 of the last exemption from corporate income tax Natuzzi had in Italy.

### NET INCOME & EARNINGS PER SHARE

Natuzzi first-quarter 2004 net income decreased 36.5 percent to EUR 9.4 million, or \$ 11.8 million. Net profit margin was 4.9 percent. Earnings per share (ADR) decreased 36.5 percent to EUR 0.17, or \$ 0.21, from EUR 0.27 or \$ 0.29.

Pasquale Natuzzi said, "In the first-quarter of 2004, the Company's profitability was eroded by the appreciation of the Euro against the US Dollar and the investments made in marketing to support the strengthening of the Natuzzi brand. However, we were in line with the outlook of a net profit margin in the region of 5 percent for 2004."

## Edgar Filing: NATUZZI S P A - Form 6-K

### CASH FLOW

In the first quarter of 2004 the Company generated EUR 11.5 million of cash from operations, or \$ 14.4 million, versus EUR 5.8 million, or \$ 6.2 million, reported in the same period of 2003. On a per ADR basis, net operating cash flow was EUR 0.21, or \$ 0.26.

### OUTLOOK

Concluded Mr. Natuzzi: "After an encouraging growth in orders reported in the first quarter of 2004 compared to a weak 2003 first quarter, in the recent few weeks the Company received mixed signals from the market accompanied by lower orders. As we have often underlined, the unstable economic, currency and competitive scenario in which the Company operates creates short-term volatility in furniture demand.

In this challenging and unstable scenario, we believe that the most effective way to reduce volatility in sales and earnings is to continue to invest in marketing to increase the Natuzzi brand awareness and reduce costs to increase efficiency. The diligent execution of these strategies should allow the Company to recover orders in the next months and achieve the outlook for 2004 both in terms of units sold which should increase by almost 5 percent, and net profit margin which we expect to be in the region of 5 percent, assuming no further deterioration of the global economic scenario and appreciation of the Euro."

### NEW INCENTIVE PLAN

The Board will propose to the next Shareholders' meeting the approval of a new incentive plan designed to further align management's and shareholders' interest, to strengthen the relationship between the managers and the Company, and to encourage management to invest in the Company's shares. The plan will cover the period 2004-2009. During this period the Company will assign performance stock grants and options related to the achievement of pre-determined levels of individual and company goals and share price targets. The plan will be extended to the management of the entire Group with the issue of almost 3,000,000 new shares, representing 5.2 percent of total outstanding shares if completely vested and exercised.

### ADDITIONAL INFORMATION

In compliance with Sarbanes-Oxley Act, the Board of Directors determined that the members of the Board of Internal Auditors acting as Audit Committee under SEC Audit Committee Rule 303 A.06, have all the attributes required to act as Audit Committee Financial Experts of Natuzzi S.p.A.

### CONVERSION RATES

The first quarter 2004 and 2003 dollar figures presented in this announcement were converted at an average noon buying rate of \$ 1.2513 per EUR and \$ 1.0732 per EUR, respectively.

### ABOUT NATUZZI S.P.A.

Founded in 1959 by Pasquale Natuzzi, Natuzzi S.p.A. designs and manufactures a broad collection of leather-upholstered residential furniture.

Italy's largest furniture manufacturer, Natuzzi is the global

## Edgar Filing: NATUZZI S P A - Form 6-K

leader in the leather segment, exporting its innovative, high-quality sofas and armchairs to 123 markets on 5 continents. Cutting-edge design, superior Italian craftsmanship, and advanced, vertically-integrated manufacturing operations underpin the Company's market leadership.

Since 1990, Natuzzi has sold its furnishings in Italy through the popular Divani & Divani by Natuzzi chain of 137 stores, which it licenses to qualified furniture dealers. Outside Italy, the Company sells to various furniture retailers, as well as through 117 licensed Divani & Divani by Natuzzi and Natuzzi Stores.

Natuzzi S.p.A. was listed on the New York Stock Exchange on May 13, 1993. The Company is ISO 9001 and 14001 certified.

Statements in this press release other than statements of historical fact are "forward-looking statements". Forward-looking statements are based on management's current expectations and beliefs and therefore you should not place undue reliance on them. These statements are subject to a number of risks and uncertainties, including risks that may not be subject to the Company's control, that could cause actual results to differ materially from those contained in any forward-looking statement. These risks include, but are not limited to, fluctuations in exchange rates, economic and weather factors affecting consumer spending, competitive and regulatory environment, as well as other political, economical and technological factors, and other risks identified from time to time in the Company's filings with the Securities and Exchange Commission, particularly in the Company's annual report on Form 20-F. Forward-looking statements speak as of the date they were made, and the Company undertakes no obligation to update publicly any of them in light of new information or future events.
