Executive Performance Bonus Plan for Fiscal Year 2007

On December 20, 2006, the Compensation Committee of the Board of Directors of Analog Devices, Inc. (the "Company") approved the terms of an Executive Performance Bonus Plan for fiscal year 2007 (the "Executive Bonus Plan"). All executive officers and other senior management selected by the Chief Executive Officer will participate in the Executive Bonus Plan. Bonus payments under the Executive Bonus Plan are calculated and paid as follows:

1. Each participant's Fiscal 2007 Bonus Target is obtained by multiplying his or her Eligible Earnings by his or her Bonus Target Percentage:

- o Eligible Earnings - the individual's base pay during the applicable bonus period.
- o Bonus Target Percentage - a percentage of the individual's Eligible Earnings, determined individually for each participant by the Compensation Committee and ranging from 35% to 160%.

2. Each participant's Fiscal 2007 Bonus Target is then multiplied by the Bonus Payout Factor. The Bonus Payout Factor is based on the Company's operating profit before tax as a percentage of revenue for the applicable bonus period, which is adjustable by the Compensation Committee in its sole discretion to exclude special items, including but not limited to: stock-based compensation expense, restructuring-related expense, acquisition-related expense, gain or loss on disposition of businesses, non-recurring royalty payments, and other similar non-cash or non-recurring items. The Bonus Payout Factor can range from zero to three.

The product obtained by multiplying a participant's Fiscal 2007 Bonus Target by the Bonus Payout Factor shall be the Fiscal 2007 Bonus Payment for each participant. Each participant's Fiscal 2007 Bonus Payment can therefore be reduced to zero, or increased by up to three times his or her Fiscal 2007 Bonus Target.

3. Each participant's Fiscal 2007 Bonus Payment is then subject to adjustment by his or her Individual Payout Factor as follows. The Individual Payout Factor can increase the calculated bonus payment by as much as 50% or decrease the calculated bonus payment by as much as 50%, based on an evaluation of the participant's performance against a set of individual goals that are focused on key performance indicators, including business unit financial performance, strategic initiatives and overall leadership. At the end of fiscal year 2007, the Chief Executive Officer will review and assess the performance of each of the other participants with respect to his or her goals, and provide his recommendations thereon to the Compensation Committee. In addition, the Compensation Committee will review and assess the Chief Executive Officer's performance with respect to his goals. The Compensation Committee will then determine the Individual Payout Factor for the Chief Executive Officer and each of the other participants, based on the Committee's review and assessment of the performance of each individual toward his or her goals.

4. Bonus payments, if any, under the Executive Bonus Plan will be calculated at the end of each fiscal quarter and distributed after the first half and second half of fiscal year 2007. The Individual Payout Factor adjustments are only assessed and calculated annually at the end of the fiscal year. Therefore, the distribution paid after the first half of fiscal year 2007 will be based only on paragraphs 1 and 2 above. Any Individual Payout Factor

adjustments pursuant to paragraph 3 above will be assessed and calculated after the fiscal year end for the full fiscal year and applied only to the distribution which would be otherwise due and payable after the second half of fiscal year 2007 using the calculation described above.
