Shares represented by your proxy will be voted in accordance with your direction as to the election as directors of the persons hereinafter listed as

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

nominees. In the absence of direction, the shares represented by your proxy will be voted FOR such election. Should any of the persons listed as nominees become unavailable as a nominee for election, it is intended that the shares represented by your proxy will be voted for the balance of those named and for a substitute nominee or nominees proposed by the Board of Directors unless the Board reduces the number of directors, but the Board knows of no reason to anticipate that this will occur.

ADDITIONAL INFORMATION CONCERNING THE BOARD OF DIRECTORS

Director Independence

The Board has determined that Edward R. Pascoe, James I. Rotenstreich and John S.P. Samford, are qualified as "Independent Directors" within the meaning of the director independence standards of the NASDAQ Stock Market, Inc. ("NASDAQ") and the Securities and Exchange Commission ("SEC") under the Exchange Act of 1934. All other directors serve on the Voting Committee described in "Security Ownership of Management" and would not qualify as Independent Directors.

Meetings of Independent Directors

The Independent Directors meet in executive session (with no management directors or officers present) at least twice each year.

Committees Of The Board Of Directors

The Board of Directors has a Compensation Committee, a Stock Option

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

Committee and an Audit Committee. The Board of Directors has no standing Nominating Committee.

The Compensation Committee reviews the performance of the Executive Officers of the Company and the top executive officer of Golden Flake Snack Foods, Inc., a wholly-owned subsidiary, and recommends to the Board of Directors of the Company the appropriate compensation level and compensation and benefit programs of such officers. The Compensation Committee consists of John S. Stein, John S.P. Samford, James I. Rotenstreich, J. Wallace Nall, Jr., Joann F. Bashinsky and F. Wayne Pate. The Compensation Committee met once during fiscal year 2008. Since the Company qualifies under NASDAQ Stock Market Rules as a Controlled Company, the Compensation Committee is not required to meet the independence requirements of the listing standards of NASDAQ and the non-employee director definition of Rule 16b-3 promulgated under Section 16 of the Exchange Act.

The Stock Option Committee determines the key employees of the Company and its subsidiary to whom stock options and stock appreciation rights will be granted under the Company's Long Term Incentive Plan. The Stock Option Committee consists of John S. Stein, John S.P. Samford, James I. Rotenstreich, J. Wallace Nall, Jr., Joann F. Bashinsky and F. Wayne Pate. The Stock Option Committee met once during fiscal year 2008.

The Audit Committee reviews the results of the annual audit and quarterly financial statements, selects and engages the independent accountants, assesses the adequacy of the Company's procedures in connection with financial controls and receives and considers the independent accountants' comments as to internal controls. The Audit Committee acts pursuant to a written charter, which is reviewed annually by the Board of Directors. James I. Rotenstreich, Chairman, John S.P. Samford and Edward R. Pascoe constitute the Audit Committee of the Board of Directors. The Board of Directors has determined that all of the members of this committee qualify as independent directors under the current requirements of NASDAQ. The Board of Directors has further determined that all of the members of this committee qualify as an "audit committee financial expert" under the rules and regulations of the Securities and Exchange Commission ("SEC"). The Audit Committee met four times during fiscal year 2008. See "REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS".

8

Meetings Of The Board Of Directors and Committees

During the fiscal year ended May 30, 2008, there were four regular meetings of the Board of Directors. The Compensation Committee and the Stock Option Committee met once and the Audit Committee met four times during the fiscal year 2008. All directors attended all of the meetings of the Board and the Committees on which they served.

Compensation of Directors

During the fiscal year ended May 30, 2008, the Company paid each of its non-employee Directors a retainer of \$300 per month and a fee of \$2,000 for each regular Board meeting attended. The members of the Compensation Committee were each paid \$2,000 for attending the Compensation Committee meeting and the members of the Audit Committee were paid \$1,000 for each meeting attended.

Board Member Attendance at Annual Meetings

It is the policy of Golden Enterprises that each member of the Board shall make a reasonable effort to attend all meetings of the Board, applicable

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

committee meetings and the Company's annual meeting of shareholders. All Directors attended the Annual Stockholders Meeting held last year.

Nomination of Directors

During the fiscal year ended May 30, 2008, the Company did not have a standing nominating committee. The NASDAQ rules do not require the Company to have a nominating committee since the Company was a "controlled company" pursuant to Rule 4350(c)(5), in that more than 50% of the voting common stock of the Company was held by SYB, Inc. and the Estate of Sloan Y. Bashinsky, Sr., all of which were affiliated, and such shares are voted by a Voting Committee created under the Will/Testamentary Trust of Sloan Y. Bashinsky, Sr. and under the SYB, Inc. Common Stock Trust. The Voting Committee is comprised of John S. Stein, J. Wallace Nall, Jr., F. Wayne Pate, John P. McKleroy, Jr., Joann F. Bashinsky and Mark W. McCutcheon, all directors of the Company and Thomas L. Davis, a retired employee and officer of Golden Flake Snack Foods, Inc. The Board believes that it is not necessary to have a separate nominating committee in view of the size of the Company, and the fact that the Company was a "controlled company". Nominees for election as a director are determined by the entire Board. The Board will make all decisions regarding Board nominees based upon the best interest of the Company and its shareholders.

Communications with the Board

Shareholders interested in communicating directly with the Board of Directors may do so by writing the Secretary of the Company, at the following address:

All such letters must identify the author as a shareholder. The Secretary of Golden Enterprises will review all such communications and forward all appropriate communications to the Board.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that Directors, certain Executive Officers and beneficial owners of more than ten percent of the stock of the Company file reports of stock ownership and changes in ownership with the Securities and Exchange Commission. These reports consist of Forms 3, Initial Statement of Ownership, 4, Statement of Changes in Beneficial Ownership, and 5, Annual Statement of Changes in Beneficial Ownership. Based upon a review of copies of such reports, or representations that no reports were due to be filed by Directors, Executive Officers or beneficial owners of more than ten percent of the stock of the Company, the Company believes that Section 16(a) filing requirements applicable to its Directors, Executive Officers and beneficial owners of more than ten percent of the stock of the Company were complied with during the fiscal year 2008. However, subsequent to fiscal year 2008 a Form 4 for Ed Pascoe reporting his sale of 9,000 shares of stock was untimely filed two days later than required.

CORPORATE GOVERNANCE

Board of Directors and Committees

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

Directors are expected to devote sufficient time to carrying out their duties and responsibilities effectively. The Board of Directors meets regularly four times each fiscal year to review matters affecting the Company and to act on matters requiring the Board's approval. It also holds special meetings whenever circumstances require and may act by unanimous written consent without a meeting.

The Company's Board of Directors currently consists of nine directors. John S. Stein serves as the Chairman of the Board. The Board of Directors met four times during the fiscal year ended May 30, 2008, all of which were regularly scheduled meetings. In the last fiscal year, the Independent Directors met twice in executive session. All directors attended 100% of the meetings of the Board and the meetings of the committees on which they served during the fiscal year ended May 30, 2008. The Board has a policy expecting director attendance at all Board and committee meetings and the Company's annual meeting of stockholders.

The Company's Board has established an Audit Committee, Compensation Committee and Stock Option Committee. The Charter for the Audit Committee is available from the Company. The Compensation Committee has no Charter, but its duties and responsibilities were/are set forth in corporate minutes adopted by the Board. In addition, the Board may from time to time establish special purpose committees. There were no special purpose committees existing in the last fiscal year.

Corporate Governance Documents

Certain documents relating to corporate governance matters are available on the Company website at www.goldenflake.com. These corporate governance documents include, among others, the following:

- o Charter for the Audit Committee of the Board;
- o Code of Business Conduct and Ethics;

Stockholders may also obtain a copy of these documents free of charge by contacting Patty Townsend, Chief Financial Officer, by email at ptownsend@goldenflake.com or by telephone at (205) 323-6161.

Director Independence

Of the nine directors currently serving on the Board of Directors, the Board has determined that Messrs Rotenstreich, Pascoe and Samford are "Independent Directors" as defined in the rules of the NASDAQ Stock Market, Inc. (NASDAQ). As a Controlled Company, the Company is exempt from certain independence requirements of the NASDAQ rules, including the requirement to maintain a majority of Independent Directors on the Board of Directors, an Independent Compensation Committee or a Standing Nominating/Corporate Governance Committee or committees performing similar function.

All members of the Audit Committee must be Independent Directors as defined by NASDAQ Policies and Practices and U.S. Securities and Exchange Commission. The Company's three Independent Directors serve on the Audit Committee, with Mr. Rotenstreich serving as Chairman.

Edgar Filing: GOLDEN ENTERPRISES INC - Form DEF 14A

Policies and Practices

The Company's policies and practices reflect corporate governance initiatives that comply with the listing requirements of NASDAQ and the corporate governance requirements of the Sarbanes-Oxley Act of 2002, including the following:

- o All members of the Audit Committee are independent;
- o The Charter of the Audit Committee establishes the Committee's duties and responsibilities;
- o The independent members of the Company's Board of Directors meet regularly ("executive sessions") without the presence of management;
- o The Company has a policy for attendance of Board members at both regular Board and committee meetings and shareholder meetings;
- o The Company has adopted a Code of Conduct and Ethics;
- o The Company has adopted Disclosure Controls and Procedures which establishes a committee for regular evaluation of internal company disclosure control and procedures;
- o The Company has procedures in place for the anonymous submission to the Audit Committee of employee and third party complaints on accounting, internal accounting controls or auditing matters;

EXECUTIVE COMPENSATION

The Objectives of the Executive Compensation Program

The Compensation Committee is responsible for establishing and administering the Company's policies governing the compensation for the Executive Officers. All actions of the Compensation Committee must be approved by the Board of Directors. Because the Company qualifies as a Controlled Company pursuant to the exception of NASDAQ Stock Market Rule 4350(c)(5), the Compensation Committee is composed of both independent and non-independent directors. See "Committees of the Board of Directors" above.

The purpose of the Company's executive compensation program is to attract, retain and motivate qualified executives to manage the business so as to maximize profits and stockholder value. Executive compensation in the aggregate is made up principally of the executive's annual base salary, a bonus based upon operating earnings and Company perquisites or benefits. Awards of stock or stock options may be made under the Long Term Incentive Plan. The Compensation Committee annually considers and makes recommendations to the Board as to executive compensation including changes in base salary and cash incentive bonuses. Stock options and awards of stock under the Long Term Incentive Plan are granted by the Stock Option Committee, which is composed of the same members as the Compensation Committee.

Consistent with the above-noted purpose of the executive compensation program, in recommending the aggregate annual compensation of Executive Officers, the Compensation Committee considers the individual contribution and performance of the executive, the Company's overall performance and the total return to stockholders. The Company's executive compensation program focuses on strategic plans, corporate performance measures, and specific corporate goals. The corporate performance measures which the Compensation Committee considers include sales, earnings, return on equity and comparisons of sales and earnings with prior years and with budgets.

The Compensation Committee does not rely on any fixed formulae or specific numerical criteria in determining an executive's aggregate compensation. It considers corporate and personal performance criteria and the economic environment, changes in the cost of living, competitive compensation levels and the recommendations of management. The Compensation Committee exercises business judgment based on all of these criteria and the purposes of the executive compensation program.

Employment Agreements, Severance Benefits and Change in Control Provisions

The Company has a non-qualified Salary Continuation Plan established for the benefit of the Company's Chief Executive Officer, Mark W. McCutcheon. The Company entered into this Salary Continuation Plan, on May 15, 2002, to ensure the performance of his role in the Company for an extended period of time. In addition, the Company also considered the critical nature of the position and the Company's need to retain him when it committed to establish this plan. The Salary Continuation Plan provides for payments of up to \$120,000 per year, as adjusted for inflation, for 15 years following death or retirement at age 65. In the event of disability prior to retirement, the yearly benefit of \$120,000 is reduced by any payments of social security disability benefits and long term disability benefits which were funded or provided by the Company. The Salary Continuation Plan may be amended or terminated by the Company's Board of Directors, except that in the event of a change of control in the Company, the Salary Continuation Plan becomes irrevocable. The Plan is funded in part with life insurance on the life of Mr. McCutcheon, and during fiscal year 2008, insurance premiums of \$46,102 were paid by the Company.

Golden Flake owns a Cessna Citation II Airplane for business use. Joann F. Bashinsky has leased the plane for personal use of up to 100 flight hours per year. The lease requires monthly payments of \$20,000. During fiscal year 2008, Mrs. Bashinsky paid lease payments to Golden Flake of \$240,000, and also paid all flight crew expenses for flights used under the lease. The lease is structured so that a substantial portion of the costs of ownership, maintenance, and operation of the plane to Golden Flake are offset by the lease payments and payment of the flight crew expenses on flights used under the lease. The lease with Mrs. Bashinsky is for a term of one year and automatically renews annually on each February 1, unless Golden Flake or Mrs. Bashinsky elects to terminate the same. The current lease term will expire on January 31, 2009. The use of the plane under the lease is coordinated with Golden Flake so as not to interfere with Golden Flake's business use.
