SANTERAMO IN COLLE, Bari, Italy--(BUSINESS WIRE)--April 10, 2019--The Board of Directors of Natuzzi S.p.A. (NYSE:NTZ) ("Natuzzi" or the "Company") today presented and approved its 2018 fourth quarter and full year unaudited consolidated financial results and the Company's draft financial statements.

IFRS adoption

As previously announced, unaudited consolidated financial statements are presented according to the International Financial Reporting Standards (IFRS) as issued by IASB.

Natuzzi's has resolved to voluntarily adopt International Financial Reporting Standards (IFRS) for its consolidated financial statements from the fiscal year ended December 31, 2018, in place of the Italian Generally Accepted Accounting Principles (ITA-GAAP). The financial information reported herein should be considered to be preliminary until Natuzzi files its annual report on Form 20-F for the fiscal year ended December 31, 2018.

2018 fourth quarter results

Consolidated revenues for the fourth quarter of 2018 were €115.2 million, down 4.1% from 2017 same period.

Upholstery and furnishings net sales were €110.4 million, down 2.5% from last year same period as a result of the 4.9% decrease in upholstery net sales (at €96.5 million), partially offset by the 18.4% increase in furnishings sales (at €13.9 million).

Other sales were €4.8 million in fourth quarter 2018, versus €6.9 million in 2017 fourth quarter.

1. Natuzzi division

The Natuzzi division sales includes *Natuzzi Italia*, *Natuzzi Editions* and *Divani&Divani by Natuzzi*, distributed through both direct retail network and third-party operated points of sales.

Fourth quarter net sales of this division were €86.3 million, down 2.0% from €88.0 million in 2017 same period. The Americas went up 15.2%, while the EMEA region registered a -11.0% over 2017 fourth quarter.

Within the Natuzzi division, *Natuzzi Italia* net sales increased by 2.9% over 2017 comparable period and represents 37.0% of the entire Group's core business (as compared to 35.1% in prior year fourth quarter). Notably, *Natuzzi Italia* net sales have increased for nine consecutive quarters.

The *Divani&Divani by Natuzzi* network grew by 3.6% over 2017 fourth quarter.

On the contrary, *Natuzzi Editions* net sales decreased by 7.9% over 2017 same quarter, due in particular to weak performance in some European Countries.

1.a Natuzzi division: Direct retail

Within the above-mentioned Natuzzi division, the Group directly operates points of sales, under both *Natuzzi Italia* and *Divani&Divani by Natuzzi* name.

As previously disclosed, following the execution of the partnership in China, the 11 *Natuzzi Editions* Directly Operated Stores ("DOS") were transferred and, consequently, are no longer considered in the consolidated financial statements. Therefore, the following direct retail division numbers are displayed accordingly.

During 2018, we opened 6 *Natuzzi Italia* DOS, of which 3 in the USA, 2 in France and 1 in the UK.

As of the day of this press release, the Directly Operated points of sale are 66, of which 39 DOS *Natuzzi Italia*, 15 DOS *Divani&Divani by Natuzzi* and 12 *Natuzzi Italia* concessions in Mexico, having recently closed 8 concessions in UK.

During the fourth quarter of 2018, net sales generated by the direct retail division were €16.8 million, up 4.4% over the same period of last year, with positive sales numbers in particular in the USA (+46.0%), Italy (+19.5%) and Switzerland (+22.2%).

Q4 2018 sales on a like-for-like basis were €12.9 million, up 10.6% from €11.6 million in the last quarter of 2017, thanks in particular to the performance of our DOS located in the USA (+32.7%), Italy (+19.6%) and Switzerland (+25.3%).

1.b Natuzzi division: wholesale

Natuzzi Sales generated by the wholesale channel (Natuzzi franchised operated stores, “FOS”, and other selling formats), were €69.5 million, down 3.4% from €72.0 million for the last quarter of 2017.

Within this wholesale channel, *Natuzzi Italia* sales were €28.2 million, up 3.9%, *Natuzzi Editions* sales were €37.0 million, down 7.9%, and sales from *Divani&Divani by Natuzzi* network were €4.3 million, down 6.6% compared to fourth quarter 2017.

We recently launched a new store concept for the *Natuzzi Editions* business with the recent openings in Cardiff, Wales, and Glasgow, Scotland, showcasing the most recent *Natuzzi Editions* collections in a completely renovated retail environment. These two openings are intended to lay the foundations for the *Natuzzi Editions* expansion through the mono brand stores.

This new *Natuzzi Editions* retail concept has just been displayed at the High Point fair and is intended to be the crucial driver for the distribution in the USA.

2. Softaly

Sales generated by this division, addressing the low-end segment of the market, were €24.1 million, from €25.2 million in 2017 fourth quarter. The Company's aim for this division is to focus primarily on a few selected primary customers.

Q4 2018 Gross margin

During the fourth quarter of 2018, the consolidated gross margin was 27.4%, from 28.9% in prior year fourth quarter.

The Company has continued to restructure its Italian operations. For this reason, cost of sales in the last quarter of 2018, which has passed from 71.1% on revenues to 72.6%, was penalized by €5.6 million of costs pertaining, in particular, the incentive program to reduce the workforce. In the prior year fourth quarter, the Company incurred in only €0.8 million of similar costs included in the cost of sales.

Net of the above-mentioned costs and also thanks to a favorable trend in raw material prices in Q4 2018, cost of sales would have been 67.7% from 70.4% in 2017 fourth quarter, and gross margin would have increased at 32.3% on revenues versus 29.6% in 2017 same period.

Q4 2018 Selling and Administrative expenses

Selling and Administrative expenses were €40.4 million (or 35.0% on revenues) from €40.9 million (or 34.1% on revenues) in last year same period, affected by costs of €1.3 million for a similar incentive program to reduce the workforce in the Headquarters as described above.

Q4 2018 operating results

The Group reported an operating loss of €8.9 million, versus an operating loss of €6.3 million in 2017 fourth quarter. Excluding the €6.9 million of the already mentioned costs, for 2018 fourth quarter the Group would have reported an operating loss of €2.0 million.

2018 Full year results

Total Consolidated net revenues for full year 2018 were €428.5 million, down 4.5% from €448.9 million in 2017, or down 1.8% under constant exchange rates.

The Company reported a yearly operating loss of €25.5 million (or a €21.7 million, net of the currency effect) versus an operating loss of €24.0 million in 2017.

On July 27, 2018, the partnership agreement with KUKA Furniture (Ningbo) Co., Ltd. was finalized and consequently the Natuzzi Trading Shanghai Co. Ltd. was deconsolidated. As a consequence of this disposal, the Company accounted extraordinary income under the “*Gain from disposal and loss of control of a subsidiary*” caption within the unaudited consolidated profit and loss statement, for a total of €75.4 million.

Thanks to this extraordinary income, Net Profit attributable to the Owners of the Company in 2018 was €33.3 million.

As of December 31, 2018, cash and cash equivalents, net, for the Group was €60.4 million, from €55.0 million at the end of 2017, and the Group’s net financial position (cash – short and long term borrowings) was positive by €6.0 million compared to €3.4 million at the end of 2017.

Chairman and CEO Pasquale Natuzzi commented: “*The global competitive environment and the fast-changing consumers’ habits have greatly affected our industry over the years. The traditional wholesale distribution channel has been struggling over the last few years in adapting its business model to the such new challenges.*

In this regard, we are all aware of the increasing difficulties that in some cases have led to a significant downsizing of the business or to more drastic consequences, as much in the USA as in Europe, of some big players in the distribution.

On the other hand, most of our competitors have already switched from a wholesale business to a retail-based business, and hence to a distribution model that is mainly controlled by means of a mono-brand store network.

This new context has implied a radical transformation of our Group, still ongoing.

In 2019, we will continue to expand our mono-brand store network. While the Natuzzi Italia network is delivering overall positive results, we will focus our efforts also in enhancing the productivity of the Natuzzi Editions stores. We have just finalized the Natuzzi Editions retail business model and store concept which was presented in January during the Cologne exhibition, raising interest among dealers, and nowadays also at the High Point fair. We are now particularly focused on leveraging the investments done in the new Natuzzi Editions retail format by opening stores in UK, USA, Australia, Italy and, of course, in China with our partners.

While we continue with the execution of the retail strategy, 2019 will see, on the contrary, a significant change in the organizations of our Italian industrial operations that will start reducing manufacturing cost starting from Q2 2019. We'll continue to focus on the supply chain, whose improving efficiency has been already visible in Q4 2018.

Such reduction in the Italian labor cost, together with the increased efficiency in the supply chain, improvement in the sales mix and a more favorable trend in raw materials, are the basis for the profitability improvement targeted for this year. However, we are aware that the still ongoing discussions about tariffs and the worsening of the economic environment continue to generate uncertainty.”

The Company's Board of Directors today also resolved to propose at the next Company's ordinary and extraordinary shareholders' meeting, which is expected to be held on April 29, 2019 (first call), or May 2, 2019 (second call), the following items on the agenda:

- The appointment of the Company's External Auditors and the Board of Statutory Auditors both for the three-year period from 2019 to 2021;
 - The authorization for a share-based incentive plan for certain managers and directors of the Company and other companies within the Natuzzi Group;
 - An American Depositary Receipts (“ADR”)/Share buyback program.
