ITEM 2.01 COMPLETION OF ACQUISITIONS OR DISPOSITION OF ASSETS.

On May 23, 2007, the Corporation entered into three separate agreements for the purchase of mineral claims in the State of Utah. The details involving each of these agreements are as follows:

1. The Corporation purchased from Mr. Jack Day and Mr. Bob Shupe eight unpatented lode mining claims in Wayne County, Utah. These claims are

referred to as DS 1, 2 and 8 and BS 3, 4, 5, 6 and 7, BLM Serial Numbers UMC391180 through UMC391187. The Sellers of these claims are unrelated Sellers and there are no material relationships between the Sellers and the Company or any of its affiliates, Directors or Officers, or any associate of any such Director or Officer. The total purchase price of the claims was \$1,000,000 plus 200,000 restricted shares of the Company's \$0.001 par value common stock. The terms of the agreement require that the Corporation pay \$25,000 and issue the restricted stock at the time of closing. The balance of the funds are paid in installments, bearing no interest over the next 60 months. The Purchase Agreement also requires the Corporation to expend at least \$500,000 within the next 35 months in exploration expenditures on these claims.

2. The Corporation has entered into an agreement with Mr. Jack Day and Mr. Bob Shupe to purchase 100% interest in thirty-six unpatented lode mining claims in Emory County, Utah known as the I-70 claims numbered 1 through 36, BLM Serial Numbers UMC391188 through UMC391223. The Sellers of these claims are unrelated Sellers and there are no material relationships between the Sellers and the Company or any of its affiliates, Directors or Officers, or any associate of any such Director or Officer. The purchase price for these claims are in the nature of royalty payments. The Company will pay advanced royalty payments of \$15,000 plus 100,000 restricted shares of its \$0.001 par value common stock. There will be additional advanced royalty payments of \$15,000 in six months and \$20,000 in twelve months from the date of closing. The monetary payments are to be credited against future royalties to which the Seller shall be entitled. The royalties should be valued at 2% of net smelter revenue as defined in the agreement.
3. The Company has entered into an agreement with Mr. Bob Shupe, Nugget Shupe and Gary Vancil to purchase a 100% interest in sixty-three unpatented lode mining claims in San Juan, Utah known as Fawn 1 through 12, S.B.B. 1 through 33 and the Blue Jay 1 through 18. The Sellers of these claims are unrelated Sellers and there are no material relationships between the Sellers and the Company or any of its affiliates, Directors or Officers, or any associate of any such Director or Officer. The purchase price for these claims are in the nature of royalty payments. The Company will pay advanced royalty

payments of \$40,000 plus 100,000 restricted shares of its \$0.001 par value common stock. The Company is responsible to pay an additional \$210,000 in advanced royalty payments in installments commencing twelve months from the date of closing in six month intervals over the subsequent twenty-four months. The monetary payments are to be credited against future royalties to which the Seller shall be entitled. The royalties should be valued at 3% of net smelter revenue as defined in the agreement.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES

The Company is currently issuing 1,564,236 shares of its \$0.001 par value common stock. All such sales are being treated as exempt from registration requirements pursuant to Section 4(2) of the Securities Act of 1933. The issuance of shares were authorized for three specific situations. The first situation involves the sale of shares for cash to accredit investors in order to fund the Company's recent acquisitions. The second type of transaction involved the issuance of shares in conjunction of the acquisitions set forth in Item 2.01 of this Form 8-K. The third authorization for issuance of shares relate to agreements with creditors of the Company to capitalize debts owed to the Company

in exchange for the Company's \$0.001 par value common stock. The details of these transactions are as follows:

1. Between March 14, 2007 and April 30, 2007 the Company received subscriptions for 380,000 shares of the Corporation's \$0.001 par value common stock for the price of \$0.50 per share. The shares to be issued are restricted shares to be governed by the terms and conditions contained in Rule 144 as promulgated under the Securities Act of 1933.
2. The Company is issuing 400,000 shares of its \$0.001 par value common stock in conjunction with the purchase of mining claims that the Company intends to exploit in the near future. All shares issued are restricted shares pursuant to the terms and conditions contained in Rule 144 as promulgated under the Securities Act of 1933.
3. The Company has received subscriptions for 550,000 shares of the Corporation's \$0.001 par value common stock at a price of \$0.70 per share on June 11, 2007. In conjunction with this sale, the Company issued \$55,000 as a sales commission. All shares issued pursuant to subscriptions should be issued pursuant to the terms and conditions contained in Rule 144 as promulgated under the Securities Act of 1933.
4. The Company has agreed to issue 179,236 shares to current Shareholders or their affiliates in order to satisfy funds loaned to the Company totaling \$89,779. On June 18, 2007, the Directors of the Company agree to issue the shares in order to capitalize the indebtedness. The shares being issued shall be restricted shares pursuant to the terms and conditions contained in Rule 144 as promulgated under the Securities Act of 1933.
