In addition, the Corporation is including in this Amendment No. 2 its amended and restated Management's Discussion and Analysis for the fiscal year ended December 31, 2008. As a result, by this Amendment No. 2, Minera Andes Inc. is amending its Annual Report on Form 40-F for the fiscal year ended December 31, 2008 in order to amend and restate Exhibits 99.2, 99.3, 99.4, 99.6, 99.7, 99.8, 99.9 and 99.10 thereto.

The amended and restated Audited Consolidated Financial Statements included in this Amendment No. 2 have been prepared in accordance with Canadian GAAP and have been reconciled to United States GAAP in Note 17 to those financial statements.

Other than as expressly set forth above, this Amendment No. 2 does not, and does not purport to, update or restate the information in any Item of the Annual Report on Form 40-F or reflect any events that have occurred after the Form 40-F was initially filed.

DISCLOSURE CONTROLS AND PROCEDURES

After re-evaluating the effectiveness of the Corporation's disclosure controls and procedures as required by Exchange Act Rule 13a-15(b) and Rule 15d-15(b), the Chief Executive Officer and Chief Financial Officer of the Corporation have concluded that, as of the end of the Corporation's fiscal year covered by this Form 40-F Annual Report, the Corporation's disclosure controls and procedures were effective to ensure that material information required to be disclosed by the Corporation in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and accumulated and communicated to the Corporation's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

**MANAGEMENT'S ANNUAL REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING**

Management is responsible for establishing and maintaining adequate internal control over financial reporting as defined in Exchange Act Rules 13a-15(f) and 15d-15(f). The Corporation's system of internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP in Canada and in the United States.

Management recognizes that effective internal control over financial reporting may nonetheless not prevent or detect all possible misstatements or frauds. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Management has re-evaluated the effectiveness of the Corporation's internal control over financial reporting as of December 31, 2008 based on the framework in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). Based on this evaluation, management concluded that, as of December 31, 2008, the Corporation maintained effective internal control over financial reporting.

UNDERTAKING

The Corporation undertakes to make available, in person or by telephone, representatives to respond to inquiries made by the SEC staff, and to furnish promptly, when requested to do so by the SEC staff, information relating to the securities registered pursuant to Form 40-F, the securities in relation to which the obligation to file an annual report on Form 40-F arises, and transactions in such securities.
