## Edgar Filing: GILAT SATELLITE NETWORKS LTD - Form 6-K

The Company reported total cash balances (including cash and cash equivalents, short-term bank deposits, short-and long-term restricted cash and restricted cash held by trustees less short-term bank credits) of US\$111.9 million as of September 30, 2004, an increase of US\$6.6 million from the cash balance of US\$105.3 million as of June 30, 2004.

Demand for Gilat's products and services is strong and we are pleased to report that our financial and operational performance is improving, said Shlomo Rodav, Chairman of the Board and CEO of Gilat. Our balance sheet is healthy with cash balances of approximately US\$112 million, revenues were strong and our margins rose in the quarter. For the third consecutive quarter we have generated positive earnings before interest, taxes, depreciation and amortization (EBITDA) and we continue to expect to be EBITDA positive for 2004 as a whole.

Rodav added, This past quarter, we announced our first SkyEdge deal with Australia's second largest telecommunications company, SingTel Optus. In general, we have received a very good reception for the SkyEdge and our sales funnel includes a growing number of SkyEdge prospects, some of which we expect to be finalized in the near future.

### **Continued deal funnel Gilat announced new deals in Australia, the Ukraine, and the United States**

Gilat announced an agreement to supply the Ukrainian National Lottery (UNL) with a satellite-based VSAT network based on its Skystar Advantage VSAT platform to serve lottery kiosks across the country. The Ukrainian National Lottery operates a constantly growing network of more than 2,400 lottery kiosks across the country. Hundreds of these existing sites that have been connected by terrestrial communications are now being transferred to satellite technology.

Gilat announced an agreement to supply Australia's second largest telecommunications company, SingTel Optus, with a SkyEdge hub and remote sites for the expansion of Optus's already existing Gilat networks, which will be upgraded to SkyEdge as well.. The agreement with Optus was the first SkyEdge contract to be announced following a successful beta phase.
