Gilat files amended 2004 Annual Report on Form 20F/A.

On an unrelated issue, Gilat also announces the convening of a special shareholders meeting.

Revised accounting treatment relating to accrued interest liability arising from an amendment in April 2004 to its loan agreement with Bank Hapoalim .No effect on historical or future revenues, operating results or cash flow.

Petah Tikva, Israel, December 1, 2005 - Gilat Satellite Networks Ltd. (NASDAQ: GILTF), today announced that it has filed an amended Annual Report on Form 20-F/A for the year ending December 31, 2004 with the U.S. Securities and Exchange Commission to reflect a non-cash change in the accounting treatment of accrued interest liability relating to an April 2004 modification to its loan from Bank Hapoalim.

The restated audited financial statements reflect an increase in the Company's paid in capital by \$15.5 million, a decrease in its liabilities by \$13.4 million and an increase in financial expenses by \$2.1 million. This revision had no effect on the Company's reported revenues, cash flow, total assets or cash.

In April 2004, the Company and Bank Hapoalim agreed to revise the terms of a loan that had been restructured in March 2003. Originally, as audited by our external auditors, in accounting for the modification of the terms of the debt as an extinguishment, the Company did not eliminate the accrued interest liability of approximately \$15.5 million that had been recorded as a deferred liability in connection with its March 2003 troubled debt restructuring. The Company reevaluated this presentation of the accrued interest liability and concluded that the accrued interest liability should be eliminated and classified as equity. Future interest accruals will be expensed as incurred. Further details are available in the Company's amended 2004 Annual Report on Form 20-F/A.
