Technology will take center stage, ... to increase
efficiencies ...

Regulation

Expansion

....companies

need to comply

with increased

and tougher

regulations

Growth will

remain

difficult in

2010, so

differentiation

will be key

Carriers needs to

focus on their

distribution

channels and

partner with their

producers to

better understand

the customer

Expense

reduction will

remain a top

priority as

pressure on

financial

statement

remains high
