### Item 6. Contracts, Arrangements or Relationships With Respect to Securities of the Issuer.

1. On October 18, 1993, Dankner Investments, Mr. Hanania Gibstein, Hapoalim Electronic Communications Ltd., Ma'ariv Electronic Communications, Shamrock Holdings of California Inc., Mr. Eli Cheifetz and Mr. Shimon Cheifetz, and Dr. Zvi Dinstein entered into a shareholders agreement (the "Matav Shareholders Agreement") prior to the Company's Initial Public Offering on the TASE on October 19, 1993. Pursuant to the Matav Shareholders Agreement, the various shareholders have agreed to vote their respective shares in a manner that would enable each of such shareholders to appoint a number of directors to the Board of Directors of the Company in proportion to each of such shareholder's holdings in the Company as compared with the holdings of all parties to the Shareholders Agreement. The Matav Shareholders Agreement also grants each shareholder a right of first refusal to acquire the shares of a shareholder who offers his shares to a third party or a shareholder who offers more than 15% of his cumulative shareholdings (as of the date of the Israeli Prospectus) in a transaction through the TASE. The Matav Shareholders Agreement remains in force as to a party so long as such party holds at least 25% of the number of shares in the Company held by such shareholder immediately prior to the Israeli Offering (the "Original Shares"). The Matav Shareholders Agreement binds the said shareholders as well as their assignees and transferees.

On July 8, 2002, the parties to the Matav Shareholders Agreement amended the Matav Shareholders Agreement, pursuant to which Ma'ariv Electronic Communications ceased to be a party to the Matav Shareholders Agreement. In addition, pursuant to the said amendment, if Messrs. Eli Cheifetz and Shimon Cheifetz, shall not have a right to nominate a director to the Board of Directors of the Company, on account of the number of Original Shares held by them, the parties shall act to nominate a director to the Board of Directors of the Company designated by Messrs. Cheifetz, provided that the number of Original Shares held by Messrs. Cheifetz shall be at least 60% of the number of Original Shares required in order to have a right to nominate one director of the Company. Dankner Investments shall not be obligated to act according to the above, if as a result of such, the number of the Company's directors nominated by Dankner Investments shall not constitute the majority of the Company's directors. For the purpose of such determination, the director designated by Messrs. Cheifetz shall not be considered a director nominated by Dankner Investments.

As of December 1, 2003, the parties to the Matav Shareholders Agreements were Dankner Investments, Mr. Hanania Gibstein, Mr. Eli Cheifetz, Mr. Shimon Cheifetz and Dr. Zvi Dinstein.

2. In July 1998, Dankner Investments reached agreements with Mr. Hanania Gibstein, Mr. Shimon Cheifetz and Mr. Eli Cheifetz according to which Mr. Gibstein and Messrs. Cheifetz agreed not to sell their Ordinary Shares without the consent of Dankner Investments. Dankner Investments agreed not to sell its Ordinary Shares without allowing Mr. Gibstein and Messrs. Cheifetz to take part in the sale on a pro rata basis, and Mr. Gibstein and Messrs. Cheifetz agreed to join the sale of all or most of Dankner Investments' Ordinary Shares. These agreements are subject to the Matav Shareholders Agreement.

3. All but 51,916 Ordinary Shares held by Dankner Investments are pledged to Bank Leumi pursuant to several Deeds of Pledge to secure the amounts owing by Dankner Investments to Bank Leumi from time to time. All cash dividends and other distributions on such Ordinary Shares are also subject to such pledge. The Deeds of Pledge prohibit the sale or other transfer of, or imposition of any

other liens on, such Ordinary Shares, without the prior consent of the bank, and allow the bank to exercise the pledge and sell such Ordinary Shares in certain circumstances.

4. On November 3, 2003, Dankner Investments signed a non-binding memorandum of understanding with Delek Assets and Investments Ltd. ("Delek") to enter into a definitive agreement (i) to sell to Delek 7% of the Company's outstanding Ordinary Shares in consideration for US\$ 18,900,000 and (ii) to issue to Delek a promissory note of Dankner Investments convertible into Ordinary Shares of the Company constituting 12.99% of the Company's outstanding Ordinary Shares in consideration for US\$ 35,100,000. This agreement is subject to various conditions, including without limitation, the approval of the relevant governmental entities and the acquisition by the Company of the cable business of Tevel-Tishdoret International Cables Ltd.
