Information to be included in the report

## Item 1.01. Entry into a Material Definitive Agreement

As previously announced, the Board of Directors (the "Board") of First Data Corporation (the "Company") has designated Jack M. Greenberg as the director to serve as the non-executive chairperson of The Western Union Company ("Western Union"), which the Company has proposed to separate into an independent publicly traded company through a tax-free spin-off to the Company's shareholders. The Board has requested Mr. Greenberg lead the efforts on behalf of the Company's Board in recruiting a board of directors for Western Union, establishing corporate governance practices for Western Union, and certain other activities necessary for a successful spin-off and establishment of Western Union as an independent public company. Effective May 10, 2006, the Board of Directors approved additional director fees of \$35,000 to be paid each month to Mr. Greenberg for the additional time commitment required by him in discharging the tasks requested by the Company's Board. The monthly retainer will be paid until the effective date of the spin-off and, consistent with Mr. Greenberg's prior election to receive all of his director fees in the form of stock option grants pursuant to the Company's 1993 Director's Stock Option Plan, will be converted into stock options with a purchase price of twenty-five percent (25%) of the fair market value of the Company's stock at the time of grant.
