PART II - RULES 12b-25(b) AND (c)

If the subject report could not be filed without unreasonable effort or expense and the registrant seeks relief pursuant to Rule 12b-25(b), the following should be completed. (Check box if appropriate)

- (a) The reasons described in reasonable detail in Part III of this form could not be eliminated without unreasonable effort or expense;
- (b) The subject annual report, semi-annual report, transition report on Form 10-K, Form 20-F, 11-K or Form N-SAR, or portion thereof, will be filed on or before the fifteenth calendar day following the prescribed due date; or the subject quarterly report of transition report on Form 10-Q, or portion thereof will be filed on or before the fifth calendar day following the prescribed due date; and
- (c) The accountant's statement or other exhibit required by Rule 12b-25(c) has been attached if applicable.

PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 10-KSB, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Registrant is expecting a third party reserve report necessary for the completion of and disclosure in the Form 10-K and that is required to be filed as an Exhibit to such 10-K. That report is to be completed and delivered March 15, 2012. The Registrant anticipates that it will require several days to incorporate that report and provide to the Company's independent accountants all the documentation necessary to complete the ancillary footnotes relating to gas reserves in the final audit for the fiscal year ended December 31, 2011. The reserve report is expected to materially increase the Company's proven undeveloped reserves and not affect the financials statements for fiscal 2011, other than the footnote disclosures on such reserves. The Company believes it will be able to provide full information to its independent accountants so that the audit will be complete prior to the fifteenth calendar day following the original due date, and that Registrant's Form 10-K will be filed by that date.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? The increase in net income was primarily due to the impact of sale of marketable securities, derivatives, higher oil and NGLs sales revenues due to higher prices and lower depreciation, depletion and amortization expenses.
o Yes x No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.
