**BT GROUP PLC ANNOUNCES A PROPOSED REORGANISATION OF ITS IT SERVICES ACTIVITIES  
IN FRANCE**

Summary

BT Group plc announces today a proposed reorganisation of its Managed Services and Professional Services activities in France into a single corporate entity, Net2S SA ("Net2S"). The reorganisation involves the merger of certain BT group companies and the transfer of certain business divisions from BT France SA ("BT France") into Net2S, with the intention of streamlining the operations in France to enhance value for Net2S and BT France and their respective shareholders, customers and employees.

Details of the Reorganisation

The proposed reorganisation involves several steps, including the contribution of the Global Professional Services ("GPS") division and Applications Hosting ("AH") division by BT France to Net2S, (together, the "Contributions"), and the merger of BTIC-BT Infrastructures Critiques SA ("BTIC"), a 100% subsidiary of BT France, into Net2S (the "Merger").

The newly enlarged Net2S will have c.2,300 employees and will be re-named BT Services. Following the Merger and Contributions, BT Services will focus on the selling and delivery of IT Managed and Professional Services whilst BT France will focus on the selling and delivery of network services. The proposed reorganisation is intended to make the Managed Services and Professional Services activities in France a more focused proposition to customers, existing employees and potential recruits, enabling the businesses to be managed more efficiently so as to enhance value for Net2S, BT France and their respective shareholders, customers and employees.

Following the consultations with the respective works councils of BT France, BTIC and Net2S and approval by the boards of Net2S, BT France and BTIC, the related Merger and Contributions agreements have been signed today by BT France, BTIC and Net2S.

This project is part of BT's stated strategic intentions when it acquired a controlling stake in Net2S, as highlighted in the February 2008 information note<sup>1</sup>. A draft Document E, outlining the reorganization, will be filed with France's Autorité des Marchés Financiers (AMF) in accordance with AMF regulations. The valuations of the different assets contributed through the Merger and the Contributions are to be reviewed by Mr. Olivier Peronnet (Cabinet Finexi) and Mr. Alain Abergel, demerger and merger designated auditors. They are expected to deliver their report on the valuations and fairness of the parity ratio during January 2009.

Based on the valuation of the contributed assets, the Contributions shall result in the issuance of 4,676,956 new shares of Net2S in favour of BT France. The gross assets being transferred under the contribution of the GPS division amount to c.€22.4m<sup>2</sup>. The gross assets being transferred under the contribution of the AH division amount to c.€29.5m. The Merger of BTIC into Net2S will be effected at a ratio of 1 BTIC share for approximately 1.26 Net2S shares, and results in the issuance of 1,178,738 new shares of Net2S in favour of BT France as sole shareholder of BTIC. The gross assets involved in the Merger amount to c. €132.2m<sup>2</sup>

The completion of the Merger, Contributions and recapitalisation of BTIC shall result in the issuance in favour of BT France of a total of 15,855,694 new shares of Net2S. The total number of issued shares of Net2S following the Merger and Contributions will be 29,009,539.

The benefits attaching to the newly issued shares will be effective from the beginning of the current fiscal year, being 1 April 2008.

The Merger and the Contributions are conditional on the approval by the shareholders of BTIC, BT France and Net2S. The respective extraordinary general meetings will be convened to be held on 27 February 2009.

As a consequence of the reorganisation, BT France will file with the AMF a public tender offer followed, as the case may be, by a squeeze-out, over the outstanding shares of Net2S not held by BT France. In anticipation of this filing, Mrs. Dominique Mahias, from Cabinet Kling Associé has been appointed by Net2S as an independent expert in accordance with the AMF regulations.

The launch of this public tender offer will be subject to completion of the Merger and Contributions after approval from the shareholders of Net2S, BT France and BTIC, the approval of the AMF and a review of the value of the newly enlarged Net2S by BT France and the independent expert. As such, the terms of any such offer are not yet finalised.

A further announcement with information regarding any applicable public offer will be made in due course following completion of the Merger and Contributions.
