Item 4. Description of Securities

Not Applicable.

Item 5. Interests of Named Experts and Counsel

Not Applicable.

Item 6. Indemnification of Directors and Officers

Section 102(b)(7) of the Delaware General Corporation Law, as amended, allows a corporation to include a provision in its certificate of incorporation limiting or eliminating the personal liability of directors of the corporation to the corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director (a) breached his/her duty of loyalty to the corporation or its stockholders, (b) acted not in good faith or in knowing violation of a law, (c) authorized the payment of a dividend or approved a stock repurchase in violation of Delaware General Corporation Law or (d) obtained an improper personal benefit from a transaction.

Section 145 of the Delaware General Corporate Law permits a corporation to indemnify a person who was or is a party or is threatened to be made a party to any threatened, pending or completed third party proceeding, other than an action by or in the right of the Registrant, by reason of the fact that such person is or was a director, officer, employee or agent of the corporation against expenses including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding. The power to indemnify applies (a) if such person is successful on the merits or otherwise in defense of any action, suit or proceeding, or (b) if such person acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was unlawful. In a derivative action, i.e., one by or in the right of the corporation, the corporation is permitted to indemnify any of its directors or officers against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, except that the corporation shall not indemnify such person if such person shall have been adjudged liable to the corporation, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that such person is fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability. The rights granted under this section of the Delaware General Corporate Law are not exclusive of any other rights to which such person is entitled. The corporation may purchase and maintain insurance on behalf of such persons against any liability asserted against or incurred by such persons in any capacity as or arising out of such persons' status as an director, officer, employee or agent of the corporation.

Edgar Filing: K2 INC - Form S-8

Section 174 of the Delaware General Corporation Law provides, among other things, that all directors who willfully or negligently approve an unlawful payment of dividends or an unlawful stock purchase or redemption may be held liable for the full amount paid out in connection with these actions. A director who was either absent when the unlawful actions were approved or dissented at the time, may avoid liability by causing his or her dissent to these actions to be entered in the books containing the minutes of the meetings of the board of directors at the time the

action occurred or immediately after the absent director receives notice of the unlawful acts. Any director against whom a claim is successfully asserted may recover contribution from any other directors who voted or concurred in the unlawful action.

Article 17 of the Registrant's Restated Certificate of Incorporation, as amended, includes a provision eliminating the personal liability of its officers and directors for monetary damages for breach of fiduciary duty as a director to the fullest extent authorized by, and subject to the limitations expressed in Delaware law. In addition, as permitted by Section 145 of the Delaware General Corporation Law, Article 18 of the Restated Certificate provides that: (a) the Registrant is required to indemnify its directors, officers and persons serving at the request of the Registrant as a director, officer, employee or agent of another corporation or business entity, to the fullest extent permitted by Delaware law; (b) the Registrant may indemnify employees and agents of the Registrant with the same scope and effect as the indemnification provided to officers and directors; (c) the Registrant will advance amounts as required by law after the director or officer delivers to the Registrant an undertaking to repay all amounts advanced if it is determined that the director or officer is not entitled to indemnification; (d) the director or officer may bring suit against the Registrant to recover an amount if the director or officer was successful in whole or in part and the Registrant has not paid the director or officer within thirty days of receipt of the director or officer's claim for payment; (e) the rights conferred in the Restated Certificate are not exclusive of any other right which the director or officer may have, or thereafter acquire under any statute, provision of the Restated Certificate, bylaw, agreement or otherwise; and (f) the Registrant may maintain director and officer liability insurance at its own expense. As permitted by the Restated Certificate, the Registrant maintains such insurance at the Registrant's expense to protect its directors and officers. The Registrant has also entered into customary indemnification agreements with each of its directors.

Item 9. Undertakings

(1) The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
