Item 5. Other Events.

On February 11, 2004, AmerisourceBergen Corporation (the Registrant ) issued a news release announcing that the U.S. Court of Federal Claims (the Court ) has issued a consent order delaying the implementation of the recent award of the Department of Veterans Affairs ( VA ) Pharmaceutical Prime Vendor contract to McKesson Corporation until 45 days after the Court renders a decision on the merits of the Registrant s challenge of the award. A copy of the news release is filed as Exhibit 99.1 to this report and incorporated herein by reference.

On February 6, 2004, the administrative record of the VA s award was released to outside legal counsel for the Registrant. The administrative record is not available, however, to the Registrant, either directly or indirectly. As a result, the Registrant does not know what portions, if any, of its challenge to the VA s award are supported by the record and cannot predict the outcome of the legal proceeding.
