Notes to Condensed Consolidated Financial Statements

1. Basis of Presentation

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (generally accepted accounting principles) for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, the information contained herein reflects all adjustments necessary for a fair presentation of the information presented. All such adjustments are of a normal recurring nature. The results of operations for the interim periods are not necessarily indicative of results to be expected for the fiscal year. For further information, refer to the consolidated financial statements and footnotes thereto included in the Valassis Communications, Inc. (Valassis) Annual Report on Form 10-K for the year ended December 31, 2003. Certain amounts for 2003 have been reclassified to conform to current period classifications.

2. Stock Based Compensation

The following table reconciles reported net income to pro forma net income as if Valassis accounted for its stock options under the fair value method of SFAS No. 123.
