**AMENDED NOTICE OF ANNUAL MEETING OF STOCKHOLDERS**

**TO BE HELD JUNE 29, 2004**

To Our Stockholders:

On April 8, 2004, Metro-Goldwyn-Mayer Inc., a Delaware corporation (the "Company"), sent proxy materials to stockholders of record for the Annual Meeting of the Company's Stockholders (the "Annual Meeting"), which was originally scheduled to be held on May 12, 2004. Because the Company was considering strategic alternatives, the Company and its Board of Directors determined it was in the best interest of the Company to postpone the Annual Meeting.

The Annual Meeting will now be held on June 29, 2004, at 10:00 a.m., local time, at the Beverly Hills Hotel, 9641 Sunset Boulevard, Beverly Hills, CA 90210, for the following purposes:

1. To elect a Board of Directors;
2. To consider and act upon the ratification of the selection of Ernst & Young LLP as independent auditors of the Company for the fiscal year ending December 31, 2004; and
3. To transact such other business as may properly come before the Annual Meeting or any adjournments thereof.

Stockholders of record at the close of business on May 17, 2004 are entitled to notice of and to vote at the Annual Meeting. A list of such stockholders will be available for examination by any stockholder, during ordinary business hours, at the Company's executive offices for a period of ten days prior to the meeting date.

Please date, sign and return the enclosed green-striped proxy whether or not you plan to attend the Annual Meeting. If you plan to attend the Annual Meeting, please also check the appropriate box on the enclosed green-striped proxy and detach the admission ticket to present at the meeting.

**The all-white proxy which accompanied the prior proxy materials to stockholders of record at the close of business on March 15, 2004 is null and void. Therefore, even if you returned the all-white proxy, your votes will not be recorded unless you return the green-striped proxy or attend the Annual Meeting in person.**

**PLEASE DATE, SIGN AND MAIL THE ENCLOSED GREEN-STRIPED PROXY.**

**Use the enclosed envelope which requires no postage for mailing in the United States.**

**AMENDED PROXY STATEMENT**

**May 27, 2004**

**FOR THE ANNUAL MEETING OF STOCKHOLDERS**

**TO BE HELD JUNE 29, 2004**

---

**General**

The accompanying form of proxy and the persons named therein as proxies have been approved by, and this solicitation is made on behalf of, the Board of Directors of Metro-Goldwyn-Mayer Inc. in connection with the Annual Meeting of Stockholders of Metro-Goldwyn-Mayer Inc. to be held at 10:00 a.m., local time, on June 29, 2004 at the Beverly Hills Hotel, 9641 Sunset Boulevard, Beverly Hills, CA 90210 (the Annual Meeting ), and at any and all postponements and adjournments thereof. Metro-Goldwyn-Mayer Inc., together with its direct and indirect subsidiaries, is hereinafter referred to as the Company, unless the context indicates otherwise.

This Amended Proxy Statement and accompanying white proxy with a green stripe will be mailed to stockholders on or about May 27, 2004, and replace the proxy statement and all-white proxy first mailed on or about April 8, 2004 to stockholders of record on March 15, 2004 (the April Proxy Statement ).

The costs of solicitation of proxies will be paid by the Company. In addition to soliciting proxies by mail, the Company's officers, directors and other regular employees, without additional compensation, may solicit proxies personally or by other appropriate means. The Company will reimburse brokers, banks, fiduciaries and other custodians and nominees holding the common stock, \$.01 par value per share, of the Company (the Common Stock ) in their names or in the names of their nominees for their reasonable out-of-pocket charges and expenses in forwarding proxies and proxy materials to the beneficial owners of the Common Stock.

**Voting Rights and Outstanding Shares**

## Edgar Filing: METRO-GOLDWYN-MAYER INC - Form DEF14A

Only stockholders of record of the Common Stock as of May 17, 2004 will be entitled to vote at the Annual Meeting. The authorized capital stock of the Company presently consists of 500,000,000 shares of the Common Stock and 25,000,000 shares of preferred stock, \$.01 par value per share. On May 17, 2004, there were issued and outstanding 236,562,925 shares of the Common Stock, which constitutes all of the outstanding voting securities of the Company entitled to vote at the Annual Meeting. Each share of the Common Stock is entitled to one vote on all matters to come before the Annual Meeting. No shares of the Company's preferred stock are outstanding.

The presence, in person or by proxy, of the holders of at least a majority of the total number of outstanding shares of the Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes (i.e., shares held by brokers or nominees as to which instructions have not been received from beneficial owners or persons entitled to vote that the broker or nominee does not have discretionary power to vote on a particular matter) are counted for the purpose of determining the presence or absence of a quorum for the transaction of business. In the event that there are not sufficient votes for a quorum at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Directors will be elected by a plurality of the votes of the shares of the Common Stock present in person or represented by proxy. For each other proposal to be acted upon at the Annual Meeting, the affirmative vote of the holders of a majority of the shares of the Common Stock represented in person or by proxy at the Annual Meeting and entitled to vote on the item will be required for approval.

With regard to the election of directors, votes may be cast in favor of or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect. Abstentions may be specified on proposals other than the election of directors and will be counted as present for purposes of the proposal on which the abstention is voted. Therefore, such abstentions will have the effect of a negative vote. Broker non-votes are not counted for purposes of determining whether a proposal has been approved and, therefore, have the effect of reducing the number of affirmative votes required to achieve a majority of the votes cast for such proposal.

Proxies must be signed by the stockholder and returned to the Secretary of the Company. Any stockholder who signs and returns a proxy may revoke it at any time before it is voted by filing with the Secretary of the Company a written revocation or a duly executed proxy bearing a date later than the date of the proxy being revoked. Any stockholder attending the Annual Meeting in person may withdraw such stockholder's proxy and vote such stockholder's shares. The accompanying green-striped proxy replaces an all-white proxy which was distributed with the April Proxy Statement to stockholders of record at the close of business on March 15, 2004 (the Original Record Date). The all-white proxy is null and void, even if it was previously returned by a stockholder. Only the green-striped proxy can be used by a stockholder to direct the voting of shares of the Common Stock. Thus, a stockholder who previously returned an all-white proxy must also return the green-striped proxy to direct the voting of shares of the Common Stock.

The Common Stock does not have cumulative voting rights.

## Shareholders Agreement

The following is a summary description of the material terms of the Amended and Restated Shareholders Agreement (the *Shareholders Agreement*) dated as of August 4, 1997, as amended, by and among the Company, Metro-Goldwyn-Mayer Studios Inc. (*MGM Studios*), Tracinda and the current and former executives specified on the signature pages thereto (such specified persons, collectively, *Executives*). For purposes of the Shareholders Agreement, any shares of the Common Stock beneficially owned, directly or indirectly, by any member of the Tracinda Group or by Mr. Kerkorian will be deemed to be owned by the Tracinda Group.

*Tag-Along Rights.* The Tracinda Group has agreed to be bound by certain *tag-along* restrictions with respect to certain transfers of its shares of the Common Stock. Subject to certain exceptions, if any member of the Tracinda Group desires to transfer shares of the Common Stock beneficially owned by it, directly or indirectly, in whole or in part (a *Tag-Along Sale*), then each Executive shall have the right, but not the obligation, (i) to exercise certain options held by such Executive pursuant to the Stock Incentive Plan (as defined below) to the extent required to realize the *tag-along* rights of such Executive and (ii) to elect that such member of the Tracinda Group be obligated to require, as a condition to such *Tag-Along Sale*, that the proposed purchaser purchase from each such electing Executive a proportional number of shares.

The Company will pay all of the expenses of any *Demand* or *Piggyback Registration*, including the fees and expenses of a single counsel retained by the selling stockholders; however, each selling stockholder will be responsible for the underwriting discounts and commissions and transfer taxes in connection with shares sold by such stockholder. Each selling stockholder and the underwriters through whom shares are sold on behalf of a selling stockholder will be entitled to customary indemnification from the Company against certain liabilities, including liabilities under the Securities Act. See *Certain Relationships and Related Transactions* *Other Transactions with Tracinda and Affiliates*.

*Certain Holdback Agreements.* The Tracinda Group and each of the Executives have agreed, under certain circumstances, if requested by the Company or any managing underwriters of a registration of securities of the Company, not to effect any public sale or distribution (including sales pursuant to Rule 144 under the Securities Act) of equity securities of the Company, or any securities convertible into or exchangeable or exercisable for equity securities, for a period not to exceed the period commencing with the date seven days prior to and ending with the date 180 days after the effective date of any underwritten registration by the Company of the securities (except as part of such underwritten registration). *Executive Committee.* The Executive Committee of the Board of Directors of the Company (the Executive Committee) was established on December 16, 1997 and currently consists of Messrs. Aljian, Kerkorian, McGurk, Yemenidjian (Chairman) and York. The Executive Committee exercises all the powers and authority of the Board of Directors during intervals between meetings of the Board of Directors, except as limited by the Delaware General Corporation Law. The Executive Committee held no meetings during 2003 and acted three times by written consent.

*Audit Committee.* The Audit Committee of the Board of Directors of the Company (the Audit Committee) was established on October 10, 1996 and currently consists of Messrs. Davis, Mosich and York (Chairman). The function of the Audit Committee is to: (i) review and approve the selection and retention of, and all services performed by, the Company's independent auditors; (ii) meet and consult with, and receive reports from, the Company's independent auditors, the financial and accounting staff and the internal audit department regarding internal controls; and (iii) review and act with respect to the scope of audit procedures, accounting practices and internal accounting and financial controls of the Company. The Audit Committee is comprised of three members, each of whom has been determined by the Board of Directors to be independent within the meaning of the current listing standards of the New York Stock Exchange (the NYSE) and the rules and

regulations of the Securities and Exchange Commission (the "SEC") and free from any relationship that would interfere with the exercise of independent judgment as a committee member. The Board of Directors has determined in its business judgment that Mr. York, by virtue of his extensive background and expertise in accounting and financial management matters, qualifies as an audit committee financial expert within the meaning of Section 407 of the Sarbanes-Oxley Act of 2002 and the rules of the Securities and Exchange Commission issued pursuant thereto. See Audit Committee Report. The Audit Committee met seven times during 2003.

*Compensation Committee; Subcommittees; Compensation Committee Interlocks and Insider Participation.* The Compensation Committee of the Board of Directors of the Company (the "Compensation Committee") was established on November 7, 1997 and currently consists of Mr. Davis, Ms. Presley and Mr. York (Chairman). Mr. Davis is a director of MGM MIRAGE, an affiliate of Tracinda. The Compensation Committee is responsible for (i) administering the Company's Amended and Restated 1996 Stock Incentive Plan (the "Stock Incentive Plan"), the Senior Management Bonus Plan and the 2000 Employee Incentive Plan (the "Employee Incentive Plan"), (ii) approving certain employment agreements and compensation arrangements (including agreements and arrangements with the Chief Executive Officer) and (iii) monitoring, reviewing, approving and making recommendations to the Board of Directors with respect to the Company's compensation policies, plans and programs, including the granting of awards under the Company's incentive plans. See Compensation Committee Report on Executive Compensation. The Compensation Committee held no meetings during 2003 and met 19 times by written consent.

In August 2002, the Company formed the Performance-Based Compensation and Section 16 Subcommittee of the Compensation Committee (the "Compensation Subcommittee"). The Compensation Subcommittee is responsible for (i) granting compensation that is potentially subject to Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), including awards to the Named Executive Officers under the Company's Stock Incentive Plan and Employee Incentive Plan and (ii) granting awards under the Company's Stock Incentive Plan that are potentially subject to Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations promulgated thereunder. The Compensation Subcommittee consists of Messrs. Davis and York. The Compensation Subcommittee acted twice by written consent during 2003.

*Non-Employee Director Stock Plan Committee.* The Non-Employee Director Stock Plan Committee of the Board of Directors of the Company (the "Director Plan Committee") is comprised of the Messrs. McGurk and Yemnidjian (Chairman). The Director Plan Committee is responsible for administering the 1998 Non-Employee Director Stock Plan (the "Director Plan"). See Director Compensation. No meetings of the Director Plan Committee were held during 2003.

*Special Committees.* During 2003, the Board of Directors established (i) a Special Committee (consisting of Messrs. Davis, Mosich and York) to evaluate, and make recommendations to the Board with respect to, the tender offer proposed by Tracinda and Mr. Kerkorian to purchase up to 15 million shares of the Common Stock at a price of \$16 per share; and (ii) a Special Trademark Committee (consisting of Messrs. Mancuso and Mosich and Ms. Presley) to review and evaluate the trademark licensing arrangements between the Company and MGM MIRAGE and to authorize such changes therein as they deem advisable and in the best interests of the Company. During 2003, the Special Committee met three times and the Special Trademark Committee met twice.

## **Director Compensation**

Each director of the Company who is not an employee of the Company (a "Non-Employee Director"), a total of nine persons, is paid (i) \$40,000 per annum for serving as a director of the Company, (ii) \$15,000 per annum additional if such Non-Employee Director is a member of the Executive Committee, (iii) \$2,000 per meeting for attendance at Audit Committee meetings if such Non-Employee Director is a member of the Audit Committee, (iv) \$4,000 per annum for attendance at Compensation Committee meetings if such Non-Employee

Director is a member of the Compensation Committee and (v) \$2,000 per meeting for attendance at meetings of the Special Committee and the Special Trademark Committee if such Non-Employee Director is a member of such committees. No additional compensation was paid for attendance at meetings of the Compensation Subcommittee. Non-Employee Directors (other than Mr. Kerkorian) have received, and it is expected that they will continue to receive, non-qualified stock options from time to time in addition to other compensation for service on the Board of Directors and its committees.

Mr. Haig, a member of the Board of Directors of the Company, renders consulting services to the Company for which he receives fees at the rate of \$50,000 per annum in addition to any director fees paid to him.

Pursuant to the Director Plan, each Non-Employee Director is entitled to elect to receive all or a portion of the cash compensation earned as a director ( Election Amount ) in the form of shares of the Common Stock. Shares are issued under the Director Plan in equal quarterly installments (based on the Election Amount), and the actual number of shares of the Common Stock to be received by a Non-Employee Director is determined based on the Fair Market Value of the Common Stock on the Date of Issuance (as such terms are defined in the Director Plan). Up to 100,000 shares of the Common Stock, subject to certain adjustments, have been reserved for issuance under the Director Plan. The Director Plan is administered by the Director Plan Committee, which has the power to amend the Director Plan, subject to certain limitations. During the 2003 plan year, which commenced the day immediately following the 2003 Annual Meeting and ends on the date of the 2004 Annual Meeting, five Non-Employee Directors participated in the Director Plan, electing to receive between 50 percent and 100 percent of their annual cash compensation as directors in shares of the Common Stock. As of May 17, 2004, the Company had issued an aggregate of 58,197 shares of the Common Stock under the Director Plan as follows: 1,759 shares were issued to Mr. Aljian; 8,321 shares were issued to Frances Ford Coppola (a former director); 7,645 shares were issued to Mr. Davis; 9,352 shares were issued to Mr. Mancuso; 7,612 shares were issued to Ms. Presley; 7,116 shares were issued to Mr. Winterstern and 16,392 shares were issued to Mr. York.

On March 12, 2001, the Compensation Committee recommended, and the Board of Directors on March 13, 2001 approved, an amendment to the Stock Incentive Plan (which received subsequent stockholder approval) to broaden the category of persons eligible to receive awards thereunder to include Non-Employee Directors. On May 2, 2001, following stockholder approval of such amendment, the Board adopted a program whereby Non-Employee Directors (other than Mr. Kerkorian, who waived any rights with respect thereto) would receive an initial grant of 10,000 stock options and subsequent yearly grants of 5,000 stock options during their respective terms as directors. As of May 17, 2004, an aggregate of 165,000 stock options were granted to Non-Employee Directors as follows: 20,000 options to each of Messrs. Aljian, Davis, Haig, Mancuso, Winterstern, York and Ms. Presley; 15,000 options to Mr. Coppola (a former director) and 10,000 options to Dr. Mosich.

In addition, directors who are not full-time employees of the Company receive reimbursement for out-of-pocket expenses in attending meetings of the Board of Directors and any committees thereof on which they serve. See [Certain Relationships and Related Transactions](#) for a description of certain transactions involving directors or their affiliates and the Company.

## **Corporate Governance**

*Corporate Governance Guidelines.* The Board of Directors has adopted corporate governance guidelines (the *Guidelines* ) setting forth the general principles governing the conduct of the Company's business and the role, functions, duties and responsibilities of the Board of Directors, including, but not limited to such matters as (i) composition, (ii) membership criteria, (iii) orientation and continuing education, (iv) committees, (v) compensation, (vi) meeting procedures and (vii) annual evaluation. In addition to the foregoing, the Guidelines provide for management succession, communications with the Board, a code of conduct governing all directors, officers and employees of the Company and website posting of the Guidelines.

Edgar Filing: METRO-GOLDWYN-MAYER INC - Form DEFR14A

The Company believes that the Guidelines are in compliance with the new listing standards adopted in 2003 by the NYSE. The Guidelines are posted and maintained on the Company's website at [www.mgm.com](http://www.mgm.com) under the

caption Investor Relations Corporate Governance Guidelines, and a copy will be made available to any stockholder who requests it from the Corporate Secretary. In addition, a copy of the Guidelines is attached to this Proxy Statement as Appendix A.

*New York Stock Exchange Listing Standards.* The final corporate governance rules of the NYSE were adopted in 2003, and the Company believes it is in compliance with such rules. Certain provisions of the new rules are not applicable to controlled companies, defined by such rules to be companies of which more than 50 percent of the voting power is held by an individual, a group or another company. The Company is a controlled company under this definition by virtue of the ownership by Mr. Kerkorian and the Tracinda Group of in excess of 74 percent of the voting power of the Common Stock and the ability to elect the entire Board of Directors. Accordingly, the Company has chosen to take advantage of certain of the exemptions provided in the new rules specifically, the requirements that listed companies have (i) a majority of independent directors and (ii) a nominating/governance committee composed entirely of independent directors.

*Nomination of Directors.* The Board of Directors does not have a standing nominating committee, such function being performed by the Board as a whole. Inasmuch as a majority of the Common Stock is owned by a single stockholder and the Common Stock does not have cumulative voting rights, the majority stockholder has the ability to elect the entire Board of Directors. In light of the foregoing, and having regard to the fact that the New York Stock Exchange, in adopting its new listing standards, exempted controlled companies from its requirement that listed companies have an independent nominating/governance committee, the Board has determined that it is appropriate in these circumstances not to have a standing nominating committee. See Corporate Governance New York Stock Exchange Listing Standards.

In determining the criteria for membership, the Board considers the appropriate skills and personal characteristics required in light of the then-current makeup of the Board and in the context of the perceived needs of the Company at the time, including considerations of character, particular skills, judgment, background, experience and diversity. In addition to candidates recommended by its members, the Board considers candidates recommended by management and the public stockholders.

The Board will review all recommended candidates in the same manner regardless of the source of the recommendation. Recommendations from public stockholders should be in writing and addressed to: Corporate Secretary, Metro-Goldwyn-Mayer Inc., 10250 Constellation Blvd., Los Angeles, CA 90067, Attention: Stockholder Communications, and shall include the proposed candidate's name, address, age and qualifications together with the information that would be required to solicit a proxy under federal securities laws. Such communication must also include the recommending stockholder's name, address and the number of shares of the Common Stock beneficially held. See Stockholder Proposals and Nominations for the 2005 Annual Meeting.

*Presiding Director.* In accordance with the applicable rules of the NYSE, the Company schedules regular executive sessions of the non-management directors in which directors have an opportunity to meet outside the presence of management. Such sessions are chaired by the Presiding Director, who is elected by, and serves at the pleasure of, the Board of Directors. The Presiding Director is responsible for convening such sessions and setting the agenda. The Board has elected Jerome B. York to serve as Presiding Director.

*Communications with the Board.* On February 4, 2004, the Board unanimously approved a process for stockholders to communicate with members of the Board, including the non-management directors and the Presiding Director. All such communications shall be in writing and shall be addressed to the Corporate Secretary, Metro-Goldwyn-Mayer Inc., 10250 Constellation Blvd., Los Angeles, CA 90067, Attention: Stockholder Communications. All inquiries are reviewed by the Corporate Secretary, who forwards to the Board a summary of all such correspondence and copies of all communications that he determines requires their attention. Matters relevant to other departments of the Company are directed to such departments with appropriate follow-up to ensure that inquiries are responded to in a timely manner. Matters relating to

accounting, auditing and/or internal controls are referred to the Chairman of the Audit Committee and included in the report to the Board, together with a report of any action taken to address the matter. The Board or the Audit Committee, as the case may be, may direct such further action deemed necessary or appropriate.

*Code of Conduct.* The Board is also responsible for establishing a code of conduct and other policies and procedures that promote the highest standards of integrity, compliance with the law and personal accountability. The Company's Code of Conduct and Conflict of Interest Policy is posted on the Company's website at [www.mgm.com](http://www.mgm.com) under the caption "Investor Relations Corporate Governance Code of Conduct" and is provided to all new employees and distributed annually to all directors, officers and employees of the Company, each of whom is required to acknowledge in writing his or her receipt and understanding thereof and agreement to adhere to the principles contained therein.

### AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company is comprised of three independent directors and operates under an amended and restated written charter (the Charter) adopted by the Board of Directors on November 13, 2002, a copy of which is attached to this Proxy Statement as Appendix B and is posted on the Company's website at <http://www.mgm.com> under the caption Investor Relations Corporate Governance Audit Committee Charter.

Management is responsible for the Company's internal accounting controls and the financial reporting process as more fully described in the Charter. The Company's independent auditors, Ernst & Young LLP (Ernst & Young), are responsible for (i) performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States and (ii) issuing a report thereon. The internal auditors are responsible to the Audit Committee for testing the integrity of the financial accounting and reporting control systems and such other matters as the Audit Committee determines. The Audit Committee's responsibility is to monitor and oversee these processes.

In keeping with that responsibility, the Audit Committee has reviewed and discussed with management and Ernst & Young the audited consolidated financial statements of the Company as of, and for the year ended, December 31, 2003. In this context, management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. In addition, the Audit Committee has discussed with Ernst & Young the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

The Audit Committee has received from Ernst & Young the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with Ernst & Young that firm's independence. In addition, the Audit Committee has considered whether the provision of non-audit services by Ernst & Young is compatible with such independence.

Based on the Audit Committee's discussions with management, the internal auditors and Ernst & Young and the Audit Committee's review of the representations of management and the report of Ernst & Young, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

*The foregoing report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act or the Exchange Act, except to the extent the Company specifically incorporates such report by reference therein.*

AUDIT COMMITTEE:

*Jerome B. York (Chairman)*

*Willie D. Davis*

*A.N. Mosich*

**Stock-Based Plans**

*Stock Incentive Plan.* The Company has a Stock Incentive Plan. Awards under the Stock Incentive Plan are generally not restricted to any specific form or structure and may include, without limitation, qualified or

non-qualified stock options, incentive stock options, restricted stock awards and stock appreciation rights (collectively, Awards). Awards may be conditioned on continued employment, have various vesting schedules and accelerated vesting and exercisability provisions in the event of, among other things, a change in control of the Company. The Stock Incentive Plan is administered by the Compensation Committee, which has broad authority to amend the plan, and, in the case of the Named Executive Officers, by the Compensation Subcommittee.

Originally, 8,125,065 shares of the Common Stock were reserved and authorized for issuance under the Stock Incentive Plan. An additional 27,874,935 shares (for an aggregate of 36,000,000 shares) were subsequently reserved and authorized for issuance thereunder. As of December 31, 2003, (a) 589,100 shares of the Common Stock had been issued as stock bonuses under the Stock Incentive Plan (of which 177,500 were subsequently reacquired by the Company as treasury shares), (b) 1,042,466 shares of the Common Stock had been issued to certain holders of bonus interests under the Senior Management Bonus Plan in lieu of cash otherwise payable with respect to the December 31, 2002 and December 31, 2003 Determination Dates (defined below) and (c) options to purchase 31,177,141 shares of the Common Stock were outstanding. Of the outstanding options, 26,804,111 are held by the Named Executive Officers and certain other current and former senior employees of the Company and 4,373,030 are held by approximately 625 other employees. All of the outstanding options generally vest over a period of five years and are not exercisable unless vested (subject in certain cases to early vesting and exercisability in certain events, including the death or permanent disability of the optionee, termination of the optionee's employment under certain circumstances or a Designated Change in Control of the Company (as defined in the Stock Incentive Plan)).

*Senior Management Bonus Plan.* The Company has a Senior Management Bonus Plan under which 2,420,685 bonus interests ( Bonus Interests ) were originally granted to 18 present and former senior executives of the Company ( Bonus Interest Participants ). The Senior Management Bonus Plan is administered by the Compensation Committee of the Board of Directors and may only be amended or terminated early with the consent of the Boards of Directors of the Company and MGM Studios and persons then holding a majority in interest of the outstanding Bonus Interests.

Under the Senior Management Bonus Plan, subject to certain vesting and other requirements, each Bonus Interest held by a Bonus Interest Participant whose Bonus Interests were repriced (a Bonus Interest Repricing Participant ) entitled the holder to receive a cash payment if the average of the closing prices of the Common Stock during the 20 trading days preceding a Determination Date plus, in certain circumstances, per-share distributions on the Common Stock (together, the Price ) was greater than \$14.90 (i.e., the trigger price ) and less than \$29.80 (i.e., the ceiling price ) (adjusted for stock splits, reverse stock splits and similar events). All bonus interests held by Bonus Interest Repricing Participants have been paid.

With respect to Bonus Interests held by all others, each Bonus Interest entitles the holder to receive a cash payment if the Price preceding a Determination Date is greater than \$24.00 and less than \$48.00 (adjusted for stock splits, reverse stock splits and similar events). The cash payment would be equal to (A) the vested portion of the Bonus Interests on the Determination Date multiplied by (B) the amount by which the Price on the Determination Date is less than \$48.00. A maximum of \$24.00 per Bonus Interest could be received by the holder thereof. Once a payment is made in respect of the vested portion of a Bonus Interest, no further payment would be due in respect of that portion. If at any Determination Date the Price equals or exceeds \$48.00, no payment would thereafter be due in respect of any then-vested portion of a Bonus Interest. An aggregate of 166,668 such Bonus Interests remain outstanding, and all such Bonus Interests are fully vested.

Determination Dates occur on June 30 and December 31 of each year, commencing December 31, 2001 and ending December 31, 2006 and also upon a Designated Change in Control (as defined in the Senior Management Bonus Plan) or the taking of any action for the dissolution or liquidation of the Company (each a Special Circumstance ).

Bonus Interests generally vested 20 percent on the first anniversary of the date of their grant and approximately 1.67 percent each month thereafter. The Senior Management Bonus Plan provides for accelerated vesting and payment in the event of a Special Circumstance, accelerated vesting in the event of termination of employment in certain circumstances and payment at discounted present value in the event of death or Permanent Disability (as defined in the Senior Management Bonus Plan).

As of December 31, 2001 and December 31, 2003, the Compensation Committee determined that payments aggregating \$33.3 million and \$0.5 million, respectively, would be payable with respect to vested bonus interests held by Bonus Interest Repricing Participants. Under the terms of the Senior Management Bonus Plan, such payments would have been due on April 15, 2002 and April 15, 2004, respectively. Pursuant to agreements reached with ten of the Bonus Interest Repricing Participants, the Company issued an aggregate of 1,427,074 shares of the Common Stock in lieu of aggregate cash payments of approximately \$27.9 million otherwise payable to them with respect to their vested bonus interests. Mr. Mancuso, a member of the Board of Directors, received a total of 658,526 shares of the Common Stock in lieu of a cash payment of approximately \$13.0 million, and Mr. Jones, a Named Executive Officer, received 60,201 shares in lieu of a cash payment of approximately \$1.2 million. Shares issued to Messrs. Mancuso and Jones (and to certain other Bonus Interest Repricing Participants) were issued as stock awards pursuant to the Stock Incentive Plan.

*Daniel J. Taylor.* The Company entered into an employment agreement with Mr. Taylor effective as of August 1, 1997, as amended as of June 15, 1998, November 1, 2000 and March 15, 2003 (the 2003 Amendment), which provides that he will serve as Senior Executive Vice President and Chief Financial Officer for a term which ends on June 14, 2006. Pursuant to the agreement, as amended, Mr. Taylor is entitled to a current annual salary of \$950,000, subject to adjustment as determined by the Company and an annual performance-based bonus determined in accordance with the Employee Incentive Plan. Mr. Taylor also received 54,042 Bonus Interests under the Senior Management Bonus Plan and holds options under the Stock Incentive Plan to purchase 179,168 shares of the Common Stock with an exercise price of \$14.90 per share, 320,832 shares with an exercise price of \$19.19 per share and 250,000 shares at an exercise price of \$11.35 per share. In addition, Mr. Taylor was eligible to receive a bonus (the Taylor Additional Bonus) payable only in the event of a Designated Change in Control (as defined in the Senior Management Bonus Plan). Pursuant to the November 1, 2000 amendment to his employment agreement, Mr. Taylor agreed to the cancellation of all of his rights to the Taylor Additional Bonus and all Bonus Interests theretofore granted to him under the Senior Management Bonus Plan. If Mr. Taylor's employment is terminated without cause by the Company or if he terminates the agreement for good reason, he will be entitled to receive his annual salary and all other benefits for the remainder of the term of the employment agreement and, in either such event, or in the event of a Designated Change in Control, his unvested stock options under the Stock Incentive Plan will vest immediately.

Each of the above named executives also is entitled to receive certain other benefits, which may include medical insurance and participation in the benefit plans which the Company provides for its senior officers generally. The employment agreements of each of the above named executives also contain: (a) certain nondisclosure provisions which are effective for the term of such individual's employment with the Company and for an indefinite period thereafter and (b) a provision prohibiting the solicitation for employment and employment of certain Company employees, or making derogatory public statements concerning the Company, for a period of one year following termination of employment.

Pursuant to the Employee Security Plan for Named Executive Officers dated as of May 14, 2004 (the Security Plan), if the employment of any of the above-named executives is terminated by the Company without cause or by such executives for good reason, in either event within one year following a change in control, he will be entitled to receive, at his election and in lieu of any severance benefits or other rights available to him pursuant to his employment contract or otherwise, a lump-sum cash payment equal to either (i) the base salary and other contractual monetary payments (collectively, the Base Salary) that he would have received over the remainder of the term of his employment agreement or (ii) thirty months of his then-current Base Salary.

### **Limitation of Liability and Indemnification Matters**

As permitted by applicable provisions of the Delaware General Corporation Law, the Company's Amended and Restated Certificate of Incorporation, as amended to date, contains a provision whereunder the Company will indemnify each of the officers and directors of the Company (or their estates, if applicable), and may indemnify any employee or agent of the Company (or their estates, if applicable), to the fullest extent permitted by Delaware law as it exists or may in the future be amended.

In addition, the Company has entered into indemnification agreements with its directors, executive officers and certain other officers providing for indemnification by the Company, including under circumstances in which indemnification is otherwise discretionary under Delaware law. These agreements constitute binding agreements between the Company and each of the other parties thereto, thus preventing the Company from modifying its indemnification policy in a way that is adverse to any person who is a party to such an agreement.

The Company currently maintains insurance on behalf of its officers and directors against certain liabilities that may be asserted against any such officer or director in his or her capacity as such, subject to certain customary exclusions. The amount of such insurance is deemed by the Board of Directors to be adequate to cover such liabilities.

**COMPENSATION COMMITTEE REPORT**

**ON EXECUTIVE COMPENSATION**

**Compensation**

*Compensation Philosophy.* The Compensation Committee of the Board of Directors, together with the Compensation Subcommittee, is responsible for establishing and administering a comprehensive compensation program for the Company's executives, consisting of three key elements:

Base salary;

Annual performance-based bonus; and

Periodic grants of stock options and other stock-based awards.

The Compensation Committee believes this three-part approach to executive compensation best serves the interests of the Company and its stockholders by (a) providing incentives to achieve both current and long-term financial and strategic goals of the Company, with the ultimate objective of enhancing stockholder value; (b) enabling the Company to be effective in attracting, motivating and retaining key executives; (c) correlating the performance of the Company as a whole with individual performance; and (d) providing executives with a financial interest in the Company similar to the interests of the Company's stockholders. The Compensation Committee operates pursuant to a charter that can only be amended by the Board of Directors or its Executive Committee. The Amended and Restated Compensation Committee Charter is attached to this Proxy Statement as Appendix C and is posted on the Company's website at <http://www.mgm.com> under the caption "Investor Relations Corporate Governance Compensation Committee Charter."

*Base Salary.* Included among the factors considered in determining the base salary of an executive of the Company are (i) competitive norms in the entertainment business, (ii) an assessment of the nature of the particular position and (iii) the experience and relative contribution of the executive. The annual salaries of executives are generally set forth in such executives' employment agreements. Approval of the Compensation Committee is required with respect to the hiring, compensation and discharge of, and the terms of any employment agreement or separation arrangement with, the Named Executive Officers and any other executive serving in a staff position with a title of Executive Vice President or higher (or any similar position with comparable responsibilities) or any executive (line or staff) receiving an annual base salary or aggregate severance package, as the case may be, of \$500,000 or more ( "Senior Executive" ). Any increase in the base salary or other key elements of compensation of a Senior Executive, other than as set forth in the employment agreement, requires the approval of the Compensation Committee.

*Annual Performance-Based Bonus.* On March 10, 2000, the Compensation Committee and the Compensation Subcommittee approved, and the Board of Directors and stockholders of the Company subsequently approved and ratified, the adoption of the Employee Incentive Plan for eligible employees ( "Participants" ). In the case of the Named Executive Officers, bonus awards are determined as follows: (A) objective performance goals, bonus targets and performance measures are pre-established by the Subcommittee at a time when the actual performance relative to the goal remains substantially uncertain, utilizing such objective business criteria as the Subcommittee shall determine, including film performance, operating cash flow and earnings before interest, taxes, depreciation and non-film amortization ( "EBITDA" ), among others, and (B) prior to the payment of any bonus to any of the Named Executive Officers, the Compensation Subcommittee certifies that the objective pre-established performance goals upon which such bonuses are based have been attained and that the amount of each bonus has been determined solely on the basis of the attainment of such goals.

With respect to the 2003 performance period, bonus awards were made in January 2004 as follows: Mr. Yemenidjian \$1,454,442; Mr. McGurk \$1,338,087; Mr. Taylor \$523,599; Mr. Rakow \$436,333 and Mr. Jones \$407,244. The business criteria used to determine bonuses for the Named Executive Officers (and the weight

given to each factor) were corporate EBITDA (37 1/2 percent), film performance (25 percent) and corporate cash flow (37 1/2 percent). Such bonuses were based solely on the attainment of the objective performance goals. Any revisions to the Employee Incentive Plan or any new performance-based compensation plans require the approval of the Compensation Committee or the Compensation Subcommittee.

The Compensation Committee has authorized the Chief Executive Officer and Chief Operating Officer to determine the amount of any bonus awards for Participants other than the Named Executive Officers, based upon the attainment of pre-established objective performance goals (including, in some cases, divisional sales goals) and in accordance with the performance measures, bonus targets, percentage allocations and discretionary elements applicable to each class of Participants.

*Stock Options and Other Stock-Based Awards.* The Compensation Committee believes that a significant component of the compensation paid to the Company's executives over the long term should be derived from stock options and other stock-based awards. The Compensation Committee strongly believes that stock ownership in the Company is a valuable incentive to executives that (i) serves to align their interests with the interests of the stockholders as a whole and (ii) encourages them to manage the Company in a way that seeks to maximize its long-term profitability. All employees at the level of manager and above are eligible to receive stock options, which are generally awarded in accordance with guidelines established by management and approved by the Compensation Committee. The grant of stock options and other stock-based awards to Senior Executives is considered on a case-by-case basis as part of an overall compensation package, taking into account the proposed recipient's past and prospective value to the Company, the performance of the proposed recipient (based upon evaluations and the recommendation of the Chief Executive Officer or the Chief Operating Officer as to proposed grants for executives other than themselves), and the amount of stock options or other stock-based awards previously granted. Options typically vest over a five-year period and have exercise prices equal to the closing price of the Common Stock on the date of grant. Notwithstanding the foregoing, it has been the policy of the Compensation Committee to grant no stock options at an exercise price lower than \$14.90 per share (the floor price) except in very limited circumstances. Grants of stock options and other stock-based awards pursuant to the Stock Incentive Plan are made by the Compensation Committee or, in the case of the Named Executive Officers, by the Compensation Subcommittee.

In accordance with the provisions of the Stock Incentive Plan, the Compensation Committee recommended, and the Board of Directors subsequently approved, an adjustment to the outstanding unexercised stock options (the Option Adjustment) to reflect the payment to stockholders of a special one-time dividend of \$8.00 per share. Pursuant to the Option Adjustment, which became effective on May 18, 2004 (the ex-dividend date for the special dividend), each then-outstanding option entitles the holder to receive, upon exercise, in addition to the shares of Common Stock to which such holder would be entitled, a cash payment equal to \$8.00 multiplied by the number of shares being purchased on such exercise.

The practical effect of the Option Adjustment will be to reduce the exercise price of such options by \$8.00 per share without changing the vesting or other provisions of such options. The policy of the Compensation Committee will be to continue to grant options at exercise prices equal to the closing price of the Common Stock on the date of grant; however, the floor price will be reduced by \$8.00 to \$6.90 per share.

No stock options or other stock-based awards were awarded to the Named Executive Officers in 2003. See Executive Compensation Executive Compensation Summary and Executive Compensation Stock-Based Plans.

#### **Compensation Awarded to the Chief Executive Officer**

Mr. Yemenidjian became Chairman of the Board and Chief Executive Officer of the Company in April 1999. He is eligible to participate in the same executive compensation plans and to receive the same benefits generally available to the Company's other senior executives. Pursuant to the terms of his employment

agreement, which extends through April 2007, Mr. Yemenidjian receives an annual base salary of \$2.5 million. In addition, he has been granted an aggregate of 11,500,000 stock options under the Stock Incentive Plan, 5,000,000 of which have an exercise price of \$14.90 per share, 5,000,000 of which have an exercise price of \$30.00 per share and 1,500,000 of which have an exercise price of \$16.02 per share. Under the terms of the Employee Incentive Plan, Mr. Yemenidjian was awarded bonuses of \$1,298,909 for the 2000 performance period and \$1,179,052 for the 2001 performance period and \$1,454,422 for the 2003 performance period. No bonus was awarded for the 2002 performance period due to the failure of the Company to achieve the performance goals pre-established by the Compensation Subcommittee for the Named Executive Officers. See Executive Compensation Executive Compensation Summary, Executive Compensation Stock-Based Plans and Executive Compensation Employment Agreements Alex Yemenidjian.

### **Tax Considerations**

The Compensation Committee's policy is to structure the performance-based portion of the compensation of its Named Executive Officers in a manner that complies with Section 162(m) whenever, in the judgment of the Compensation Committee, doing so would be consistent with the objectives of the compensation plan under which the compensation would be payable. Section 162(m) limits the deductibility for federal income tax purposes of compensation in excess of \$1,000,000 paid by the Company to any of its Named Executive Officers unless certain conditions are met. However, the Compensation Committee has the authority to award non-deductible compensation as it deems it appropriate and in the best interests of the Company. In addition, because of ambiguities and uncertainties as to the application and interpretation of Section 162(m) and the Treasury Regulations issued thereunder, no assurance can be given that compensation intended by the Compensation Committee to satisfy the requirements for deductibility under Section 162(m) will so qualify.

## BENEFIT PLANS

### **MGM Retirement Plan**

The MGM Retirement Plan is a defined benefit plan under which all contributions are made by the Company. Employees of the Company who had completed at least one year of service prior to December 31, 2000 are participants in the plan and become vested upon completion of five years of service. Participants, or their beneficiaries, are entitled to receive benefits which have vested under the plan (i) upon their normal, early or deferred retirement or (ii) upon total and permanent disability, death or other termination of such participant's employment and after attaining normal or early retirement age. The compensation covered by the MGM Retirement Plan includes base salary only, and not bonus or other amounts.

The Company has the right to amend or terminate the MGM Retirement Plan at any time. If the plan is terminated, the available assets held in trust will be used to pay benefits to participants. If termination occurs when the plan's assets are not sufficient to pay all benefits accrued to the date of the termination, the assets held in trust under the plan will be allocated among participants in accordance with the provisions of the Employee Retirement Income Security Act of 1974, as amended. The Company is not liable for the payment of MGM Retirement Plan benefits from its own assets. Upon full satisfaction of the MGM Retirement Plan's liability to employees and their beneficiaries, any amount remaining in the plan will be returned to the Company.

The Internal Revenue Code requires certain provisions for benefit accruals if a defined benefit plan becomes top heavy, that is, if the value of accrued benefits for key employees is more than 60 percent of the total value of all accrued benefits. While the Company believes that it is unlikely that the MGM Retirement Plan will ever become top heavy, in such an event, it may become necessary to amend the MGM Retirement Plan to conform it to the applicable Internal Revenue Code requirements.

Effective as of December 31, 2000, the MGM Retirement Plan was amended to (i) freeze the benefit accrual service of all participants, (ii) prohibit the further accrual of benefits thereunder and (iii) prohibit any additional employees from commencing participation therein on or after January 1, 2001. See Executive Compensation Executive Compensation Summary Pension Plans.

### **MGM Savings Plan**

Employees of the Company who have completed one year of service participate in the MGM Savings Plan (the Savings Plan), a defined contribution plan managed by MFS Investment Management. Participants may contribute a portion of their pre-tax compensation (up to a maximum of \$13,000, and after-tax compensation (subject to certain limitations) into the Savings Plan and direct the investment of such contributions. The Company matches 100 percent of such employee contributions up to four percent of such employee's eligible compensation.

Effective January 1, 1998, the Savings Plan was amended to allow the matching contributions to be made either in cash or in shares of the Common Stock. All subsequent matching contributions have been made in shares of the Common Stock. The employee contributions to the Savings Plan and the earnings thereon are always 100 percent vested. The matching contributions and any earnings thereon vest 20 percent for each full year of service and employees become 100 percent vested (i) after five years of service, (ii) upon their total and permanent disability or (iii) upon their death.

Edgar Filing: METRO-GOLDWYN-MAYER INC - Form DEF14A

Effective as of January 1, 2001, the Savings Plan was further amended to provide for the addition of certain fixed and variable contributions by the Company in shares of the Common Stock, the amount of such contributions to be based on an age-weighted percentage of each participant's base salary. Such additional contributions vest upon a participant's completion of five years of service with the Company. See Executive Compensation Executive Compensation Summary Pension Plans.

Effective October 15, 2002, the Savings Plan was further amended to eliminate the restriction on the ability of participants to transfer amounts attributable to matching, fixed and variable contributions in their accounts from the Common Stock to non-employer stock investment funds.

Effective as of January 1, 2004, employees age 50 or over may contribute an additional \$3,000 pre-tax, which is not eligible for a Company match.

As of May 17, 2004, the Company had made aggregate matching and fixed contributions to the Savings Plan of 1,079,376 shares of the Common Stock.

**PROPOSAL 2**

**RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS**

The Audit Committee of the Board of Directors of the Company has selected Ernst & Young LLP ( Ernst & Young ) as the Company s independent public accountants to audit the Company s financial statements for the fiscal year ending December 31, 2004. Services provided by, and fees paid to, Ernst & Young in 2003 are described under Audit and Non-Audit Fees above.

On June 17, 2002, the Company terminated Arthur Andersen LLP ( Andersen ) as its independent public accountants. The Board of Directors, on the recommendation of the Audit Committee, approved the decision to terminate Andersen. The reports of Andersen on the financial statements of the Company for each of the past two fiscal years contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2000 and 2001 and the interim period through June 17, 2002, there were no disagreements between the Company and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Andersen, would have caused Andersen to make reference to the subject matter thereof in connection with its reports on the Company s financial statements for such periods.

During the recent fiscal years ended December 31, 2000 and 2001 and the interim period through June 17, 2002, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K).

In its letter dated June 17, 2002 to the Office of the Chief Accountant of the Securities and Exchange Commission (filed as Exhibit 16 to the Company s Current Report on Form 8-K dated June 17, 2002), Andersen stated that it agreed with the statements in the preceding three paragraphs.

As of June 17, 2002, the Company engaged Ernst & Young as its new independent public accountants. During the fiscal years ended December 31, 2000 and 2001 and the interim period through June 17, 2002, the Company did not consult with Ernst & Young regarding the matters described in, and required to be disclosed pursuant to, Item 304(a)(2)(i) or Item 304(a)(2)(ii) of Regulation S-K.

Although the appointment of Ernst & Young to audit the Company s financial statements for the 2004 fiscal year is not required to be submitted to a vote of the stockholders, the Board of Directors and the Audit Committee believe it appropriate as a matter of policy to request that the stockholders ratify such appointment. In the event a majority of the votes cast at the meeting are not voted in favor of the appointment, the Audit Committee will reconsider its selection. Proxies solicited by the Board of Directors will be voted in favor of the appointment unless stockholders specify otherwise in such proxies.

A representative of Ernst & Young is expected to be present at the Annual Meeting with the opportunity to make a statement if he or she so desires and to respond to appropriate questions.

**The Board of Directors recommends that stockholders vote FOR Proposal 2.**

## CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

### Shareholders Agreement

The Tracinda Group, the Company, and certain current and former executives and employees of the Company are parties to the Shareholders Agreement, which provides for certain rights relating to the shares of the Common Stock, including registration rights and transfer restrictions. See Security Ownership of Certain Beneficial Owners and Management Shareholders Agreement.

### Other Transactions with Tracinda and its Affiliates

Pursuant to the exercise by Tracinda of one of the demand registration rights granted to it in the Shareholders Agreement, the Company on January 21, 2003 filed a Registration Statement on Form S-3 under the Securities Act covering the sale by Tracinda of up to 28,750,000 shares of MGM Common Stock in an underwritten public offering. Under the terms of the Shareholders Agreement, the Company paid certain expenses of the offering, including the registration fees and the fees of legal counsel, accountants and financial printers, aggregating approximately \$538,450.

In the year ended December 31, 2003, The Company incurred approximately \$1,000,000 of expenses (including the cost of a fairness opinion requested by the Company) related to an unsolicited tender offer by Tracinda and Mr. Kerkorian for up to 15,000,000 shares of the Common Stock at a net price of \$16.00 per share.

Pursuant to an open-ended license granted by a predecessor of the Company in 1980 and amended in 1998 (the License), MGM MIRAGE (formerly known as MGM Grand, Inc.) has had the right to use certain trademarks that include the letters MGM, as well as logos and names consisting of or related to stylized depictions of a lion, in its resort hotel and/or gaming businesses and other businesses that are not related to filmed entertainment. The License was originally granted to a predecessor of MGM MIRAGE as part of a tax-free reorganization pursuant to which the filmed entertainment business was spun off from the hotel/gaming business. In connection therewith, all of the MGM names and logos were transferred to the Company's predecessor and the License was granted back to MGM MIRAGE's predecessor on an exclusive royalty-free basis. In June 2000, in consideration of the payment to the Company of an annual royalty of \$1,000,000, such License was further amended to permit MGM MIRAGE to use the trademark MGM combined with the trademark MIRAGE in the same manner and to the same extent that it was permitted theretofore to use the trademark MGM Grand. Beginning in the Fall of 2003, the Company entered into discussions with MGM MIRAGE to clarify certain terms of the license and to separate ownership of the MGM MIRAGE trademarks from the Company's trademarks. In November, 2003, a committee of the Board of Directors, consisting of Frank Mancuso, A.N. Mosich and Priscilla Presley, was formed to supervise the negotiations and decide whether and on what terms to alter the trademark license arrangements. On May 21, 2004, a subsidiary of the Company entered into a Trademark Assignment and Coexistence Agreement with MGM MIRAGE pursuant to which the ownership of the MGM MIRAGE marks and the Company's marks were separated and the areas of exclusive trademark use by each party were clarified. A trademark license will continue pursuant to which MGM MIRAGE is obligated to pay to the Company a royalty of \$1.0 million per year for use of the MGM name in combination with the MIRAGE name. Tracinda owns a majority of the outstanding common stock of MGM MIRAGE. MGM MIRAGE paid the Company \$1,000,000 in each of the four years ended December 31, 2003, 2002, 2001 and 2000. Subsequent annual payments are due on each anniversary date thereafter. Additionally, the Company and affiliates of Tracinda occasionally conduct cross-promotional campaigns, in which the Company's motion pictures and the affiliates' hotels are promoted together; however, the Company believes that the amounts involved are not material.

The Company and MGM Grand Hotel, LLC (Grand Hotel), a subsidiary of MGM MIRAGE, have an ongoing relationship whereby Grand Hotel can utilize key art, still photographs of artwork and one-minute film clips from certain of the Company's motion picture releases on an as-needed basis. In addition, the Company makes several seats at certain premieres and screenings of the Company's theatrical motion picture releases

available to Grand Hotel. The Company did not receive any monetary compensation for the use of these assets.

The Company periodically sells to Grand Hotel and certain of its affiliates, on a wholesale basis, videocassettes and other merchandise such as baseball caps, clothing, keychains and watches bearing the Company's trademarks and logos for resale to consumers in retail shops located within Grand Hotel's properties. In December 2000, pursuant to a Merchandise License Agreement, the Company granted a subsidiary of MGM MIRAGE the right to use certain of the Company's trademarks and logos in connection with the retail sale of merchandise at MGM MIRAGE's properties. The Company receives royalties based on retail sales of the licensed merchandise. The agreement has a term of five years, subject to the MGM MIRAGE's right to extend the term for one additional five-year period and its option to terminate the agreement at any time upon 60 days' notice. The licensing and royalty revenues received to date by the Company under this arrangement have not been material.

From time to time, the Company charters airplanes from MGM MIRAGE and Tracinda for use in the Company's business. The Company believes that the terms of the charter arrangements are no less favorable to the Company than those that could be obtained from unrelated third parties. During the three years ended December 31, 2003, 2002 and 2001, the aggregate of the payments made to MGM MIRAGE and/or Tracinda for such charters were approximately \$91,000, \$79,000, and \$271,000, respectively.

From time to time, the Company reserves hotel rooms from MGM MIRAGE for special events. For the year ended December 31, 2003, the aggregate amount paid by the Company for such rooms was approximately \$305,000.

The Company and MGM MIRAGE have entered into various other transactions and arrangements which, individually and in the aggregate, are not material.
