Edgar Filing: INFOSPACE INC - Form S-8

- (1) Estimated in accordance with Rule 457(h) under the Securities Act of 1933, as amended, solely for the purpose of calculating the registration fee on the basis of the average high and low prices as reported on the Nasdaq National Market on June 17, 2004.
- (2) Pursuant to Rule 457(p) under the Securities Act of 1933, as amended, the registration fee is offset by fees previously paid by Switchboard Incorporated in connection with the registration of shares issuable under the Switchboard's 1999 Stock Incentive Plan, which was assumed by InfoSpace in connection with the acquisition of Switchboard by InfoSpace, which shares remained unsold at the termination of the offering. Switchboard paid a registration fee of \$11,947 in connection with the filing of an S-8 on March 2, 2000, with respect to the shares issuable under Switchboard's 1999 Stock Incentive Plan and 1996 Stock Incentive Plan (File No. 333-31498), \$547 of which fee relates to the unissued balance of shares issuable under Switchboard's 1999 Stock Incentive Plan. Thus, the registration fee of \$1,987.91 payable in connection with the registration of 476,607 shares of InfoSpace common stock, calculated in accordance with Rule 457(h) under the Securities Act of 1933, as amended, is reduced by \$547, resulting in a registration fee due of \$1,440.91.

The Registration Statement shall become effective upon filing in accordance with Rule 462 of the Securities Act of 1933.

Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's Board of Directors to grant, indemnity to directors and officers in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act. Further, in accordance with the Delaware General Corporation Law, the Company's Restated Certificate of Incorporation eliminates the liability of a director of the Company to the Company and its stockholders for monetary damages for breaches of such director's fiduciary duty of care in certain instances. The Restated Bylaws (the **Restated Bylaws**) of the Company provides for indemnification of certain agents to the maximum extent permitted by the Delaware General Corporation Law. Persons covered by this indemnification include any current or former directors and officers of the Company, as well as persons who serve at the request of the Company as directors, officers, employees or agents of another enterprise.

In addition, the Company has entered into contractual agreements with each director and certain officers of the Company designated by the Board to indemnify such individuals to the full extent permitted by law. These agreements also resolve certain procedural and substantive matters that are not covered, or are covered in less detail, in the Restated Bylaws or by the Delaware General Corporation Law. The Company also currently maintains director and officer liability insurance.

Item 7. Exemption From Registration Claimed.

of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered, which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
