### **Item 2. Acquisition of Assets**

#### **Acquisition of One West Fourth Street Building**

On July 23, 2004, Wells One West Fourth, LLC, a single member Delaware limited liability company owned by Wells Operating Partnership II, L.P. ( Wells OP II ), purchased a 13-story office building containing approximately 431,000 rentable square feet (the One West Fourth Street Building ) from Magnolia One Partners, LLC, which is not affiliated with the Registrant, Wells OP II or Wells Capital, Inc. (the Advisor ). The One West Fourth Street Building is located on an approximate 2.3-acre parcel of land at One West Fourth Street in Winston-Salem, North Carolina.

The purchase price of the One West Fourth Street Building was approximately \$77.7 million, plus closing costs. The acquisition was funded with (1) net proceeds raised from this offering, (2) proceeds from our \$430.0 million line of credit with Bank of America, N.A. and (3) the assumption of a \$51.3 million fixed rate loan secured by the property in favor of New York Life Insurance Company (the New York Life Loan ). The New York Life Loan requires monthly principal and interest payments of approximately \$0.4 million and matures in December 2018. The annual interest rate on the New York Life Loan is 5.8%. Wells OP II may prepay the New York Life Loan in full any time after January 2008 for a fee equal to the greater of (a) 1% of the then outstanding principal balance or (b) the present value of the remaining scheduled payments of principal and interest less the amount of principal being repaid.

The One West Fourth Street Building, which was completed in 2002, is leased to Wachovia Bank, N.A. ( Wachovia ) (approximately 46%) and Womble, Carlyle, Sandridge & Rice, PLLC ( Womble Carlyle ) (approximately 40%) and various other office and retail tenants (approximately 6%). Approximately 8% of the One West Fourth Street Building is currently vacant.

Wachovia provides a range of commercial and retail banking and trust services through full-service banking offices, and is one of three key subsidiaries of Wachovia Corporation, the nation's fourth largest banking institution. Wachovia Corporation reported a net worth, as of March 31, 2004, of approximately \$33.3 billion.

Womble Carlyle is a 128-year old law firm that represents corporations, businesses and foundations in a broad range of industries, including manufacturing, transportation and energy, financial services, insurance and healthcare. Womble Carlyle employs more than 450 lawyers and 1,200 staff in nine offices in the United States. In addition to housing over 150 of the firm's lawyers, the One West Fourth Street Building serves as Womble Carlyle's technical hub for the voice and computer network that links the firm's other eight offices.

The current aggregate annual base rent for Wachovia, Womble Carlyle and the four additional tenants in the One West Fourth Street Building is approximately \$8.4 million. The current weighted-average remaining lease term for all tenants in the One West Fourth Street Building is approximately 12 years. Wachovia and Womble Carlyle have the right, at their option, to extend the initial terms of their leases for three additional five-year periods. Womble Carlyle has the right to reduce its space by not more than 25% effective May 2007 for a termination fee equal to the sum of unamortized tenant improvements, applicable brokerage commissions relating to re-leasing downsized space, six months base rent for downsized space and \$15.00 per square foot of downsized space.

Magnolia Partners, LLC, which is not affiliated with the Registrant, Wells OP II or the Advisor, is the current on-site property manager for the One West Fourth Street Building. Wells OP II does not intend to make significant renovations or improvements to the One West Fourth Street

Wells Real Estate Investment Trust II, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the One West Fourth Street Building for the year ended December 31, 2003. This statement is the responsibility of the One West Fourth Street Building's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues over certain operating expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues over certain operating expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the One West Fourth Street Building's revenues and expenses.

**Notes to Statements of Revenues Over Certain Operating Expenses**

**For the year ended December 31, 2003**

**and the six months ended June 30, 2004 (unaudited)**

**1. Description of Real Estate Property Acquired**

On July 23, 2004, Wells Operating Partnership II, L.P., through a wholly owned subsidiary, ( Wells OP II ) acquired the One West Fourth Street Building (the Building ), a 13-story office building containing approximately 431,000 square feet located in Winston-Salem, NC, from Magnolia One Partners, LLC. Total consideration for the acquisition was approximately \$77.7 million. Wells OP II is a Delaware limited partnership formed to acquire, own, lease, operate and manage real properties on behalf of Wells Real Estate Investment Trust II, Inc. ( Wells REIT II ), a Maryland corporation. Wells REIT II is the sole general partner of Wells OP II.

**2. Basis of Accounting**

The accompanying statements of revenues over certain operating expenses are presented in conformity with U. S. generally accepted accounting principles and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, the statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as certain ancillary income, amortization, depreciation, interest and corporate expenses. Therefore, the statements will not be comparable to the statements of operations of the Building after its acquisition by Wells OP II.

**3. Significant Accounting Policies**

**Rental Revenues**

Rental revenue is recognized on a straight-line basis over the terms of the related leases. The excess of rental income recognized over the amounts due pursuant to the lease terms is recorded as straight-line rent receivable. The adjustment to straight-line rent receivable increased revenue by approximately \$1.0 million for the year ended December 31, 2003 and \$0.5 million for the six months ended June 30, 2004.

**Use of Estimates**

## Edgar Filing: WELLS REAL ESTATE INVESTMENT TRUST II INC - Form 8-K

The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The Building is 92% leased, with Wachovia Bank, N.A. ( Wachovia ) and Womble, Carlyle, Sandridge & Rice, PLLC ( Womble Carlyle ) leasing 86% of the Building's rentable square footage under long-term lease agreements. Wachovia and Womble Carlyle contributed 50% and 47%, respectively, of rental income for the year ended December 31, 2003. Under the terms of the Wachovia and Womble Carlyle leases, each tenant is required to reimburse to the landlord its proportionate share of the Building's operating expenses in excess of a base-year amount. The remaining rentable square footage is leased to various office and retail tenants under lease agreements with terms that vary in length and with various reimbursement clauses.

**5. Future Minimum Rental Commitments**
