**REPORT ON FORM 6-K**

Attached is an English translation of the summary of the letter dated September 15, 2004 filed by the Company with the *Bolsa de Comercio de Buenos Aires* and the *Comisión Nacional de Valores*:

## Edgar Filing: IRSA INVESTMENTS & REPRESENTATIONS INC - Form 6-K

By letter dated September 15, 2004, the Company reported that its subsidiary controlled direct and indirectly (100%) Buenos Aires Trade & Finance Center S.A., signed a barter and option commitment over the parcels 1c and 1e of dock 3 with DYPSA for the construction, at its exclusive responsibility, of two residential buildings of 37 and 43 floors.

The transaction consists in the barter of one parcel for the 28.5% of the square meters to be constructed in the first tower and the granting of a barter option over the second parcel for the 31.5% of the square meters to be constructed in the second tower. The transactions will be guaranteed with mortgages over the lands for 8 million dollars and 10.8 million dollars respectively.

The barter is subject to the approval of *Corporación Antiguo Puerto Madero*. Also the second transaction will be subject to the fulfillment of the steps established for the construction of the first tower.

Both towers, with a total area of 60 thousand square meters, will have characteristics that will stand them out from the rest of the developments in the area. The units will have a unique panoramic view and location, with excellent design, first quality terminations and services comparable to a five star hotel: spa, pool, and gym with the latest technology.
