This Form 6-K contains forward-looking statements within the meaning of the Securities Exchange Act of 1934 as amended, and information that is based on management's beliefs as well as assumptions made by and information currently available to management. When used in this Form 6-K, the words anticipate, approach, begin, believe, continue, expect, forecast, going forward, improved, likely, look for, outlook, plans, potential, proposal, should and would and similar expressions are intended to identify forward-looking statements. These forward-looking statements necessarily make assumptions, some of which are inherently subject to uncertainties and contingencies that are beyond the Company's control. Should one or more of these uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, expected, estimated or projected. Specifically, the ability of the Company to realize its ongoing commitment to increasing shareholder value through its ongoing restructuring, asset dispositions, strategic review and implementation, and cost cutting initiatives, may be affected by many factors including: uncertainties and contingencies such as economic conditions both in the world and in those areas where the Company has or will have substantial operations; foreign currency exchange rates; pricing pressures on products produced by its subsidiaries; growth prospects; positioning of its business segments; future production output capacity; and the success of the Company's business strategies, including further structural and operational changes, business dispositions, internal reorganizations, cost cutting, and consolidations.

This report on Form 6-K contains information relating to Ansell Limited's share buy-back offer. The offer described in this Form 6-K is not being made to, nor may it be accepted by, holders of Ansell Limited's ordinary shares or American Depositary Shares that are resident in the United States. United States residents should refer to the terms of the offer described in the Schedule TO filed with the Securities and Exchange Commission by Ansell Limited on October 14, 2004, as amended.

**OFF MARKET BUY BACK**

Ansell Limited's Chairman, Dr Ed Tweddell, today announced on behalf of the Board that the Company's Share Buy-Back Price had been set at AU\$9.20.

The Buy-Back for up to AU\$155 million of Ansell's shares commenced on October 14, 2004 and closes at 5:00pm Melbourne time Friday, November 12, 2004.

If acceptances/tenders are received in excess of the AU\$155 million maximum, a scale back will occur. The results of the scale back (if any) will be announced on Monday, November 15, 2004.

The Chairman urged Shareholders to read the Buy-Back document carefully before deciding to participate in the Buy-Back and to consult with their financial, taxation or other advisers to make an informed decision. General enquires can be directed to the Computershare Investor Shareholder information lines on 1300 726 419 within Australia or (613) 9425 4218 from outside Australia. US resident shareholders should call, Georgeson Shareholder, Information Agent, toll free on 1-800-506-7187.

## Edgar Filing: ANSELL LTD - Form 6-K

This press release includes forward-looking statements (within the meaning of the United States Securities Exchange Act of 1934, as amended) and information that is based on management's beliefs as well as assumptions made by and information currently available to management. These forward-looking statements relate to our expectations and beliefs regarding future events, including, but not limited to, the occurrence of any potential scale back which is inherently subject to significant uncertainties and contingencies, many of which are beyond our control. We believe that a number of important factors, risks and uncertainties could cause our actual results to differ from statements made in this release, including, without limitation, fluctuating foreign currency exchange rates, market acceptance and participation in the offer, and other risk factors detailed in our filings with the SEC and ASX. Should one or more of these risks or uncertainties materialize or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, planned for, estimated, expected or projected.
