INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The documents listed below are incorporated by reference in this registration statement:

1. Annual Report of Neogen Corporation (the Registrant) on Form 10-K for the fiscal year ended May 31, 2004 as filed with the Securities and Exchange Commission (the Commission) pursuant to the Securities Exchange Act of 1934, as amended (the Exchange Act).
2. Quarterly Reports of the Registrant on Form 10-Q for the fiscal quarters ended August 31 and November 30, 2004, and all other reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year ended May 31, 2004.
3. The description of the Registrant's Common Shares included under the caption "Description of Capital Stock" on page 33 through 34 of the Registrant's Prospectus, dated October 22, 1996, filed with the Commission pursuant to the Securities Act of 1933, as amended (the Securities Act) as part of its registration statement on Form S-2 (file no. 33-12193) effective October 22, 1996.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be part hereof from the date of the filing of such documents.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Edgar Filing: NEOGEN CORP - Form S-8

Under Sections 561-571 of the Michigan Business Corporation Act, directors and officers of a Michigan corporation may be entitled to indemnification by the corporation against judgments, expenses, fines and amounts paid by the director or officer in settlement of claims brought against them by third persons or by or in the right of the corporation if those directors and officers acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation or its shareholders. The Articles of Incorporation of the Registrant so limit the liability of directors. The Registrant's Bylaws also provide for indemnification of directors and officers.

The Articles of Incorporation limit director liability for breaches of fiduciary duty as a director, except for liability for (i) the amount of a financial benefit received by a director to which he or she is not entitled; (ii) intentional infliction of harm on the Corporation or the shareholders; (iii) a violation of Section 551 of the Michigan Business Corporation Act; or (iv) an intentional criminal act. These provisions, however, do not affect liability under the Securities Act.

The Michigan Business Corporation Act Authorizes a corporation under specified circumstances to indemnify its directors and officers (including reimbursement for expenses incurred) for any action taken or any failure to take any action as a director or officer, except for liability for specified acts. The provisions of the Registrant's Bylaws relating to indemnification of directors and officers limit director, officer and employee liability to the fullest extent permitted by Michigan Law. The provisions of the Michigan Business Corporation Act are broad enough to permit indemnification with respect to liabilities arising under the Securities Act and the Michigan Uniform Securities Act.

In addition, the Registrant has obtained directors and officers liability insurance. The policy provides for \$ 5,000,000 in coverage, including liabilities under the Securities Act.

Item 7. Exemption from Registration Claimed.

Not applicable.

(a) The undersigned Registrant hereby undertakes:

in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
