***Proposed Merger Jeopardized after Competition Tribunal Pre-hearing***

Harmony confirmed today that the Competition Tribunal set dates to hear submissions with regard to the Harmony's proposed merger with Gold Fields. Harmony requested that the hearing be held as soon as possible with Advocate David Unterhalter requesting that the proceedings have some regard for commercial reality.

However, the Competition Tribunal has decided that the matter should not be heard until the 3rd, 4th, 5th and 6th May 2005, which will mean that Harmony's offer will lapse on March 18, 2005, unless the South African Securities Regulation Panel ( SRP ) consents to a further extension of the time period for the obtaining of South African Competition Authority approval. Harmony intends to request a second extension of the offer from the SRP, but there can be no assurance that such request will be granted.

In addition, this decision also jeopardizes the status of the entire offer because of the proximity of these dates to the expiry on May 20, 2005 of irrevocable undertaking by MMC Norilsk Nickel to Harmony to tender its Gold Fields securities into Harmony's offer.

Commenting on the decision, Harmony CE, Bernard Swanepoel said, "Obviously we are surprised and disappointed that the Tribunal cannot see a way to hold these hearings earlier. Many Gold Fields shareholders will be unwilling to tender into the subsequent offer with this remaining condition hanging over it."

"We will be engaging in discussions with Norilsk over this development but we have no guarantee that Norilsk's undertaking will be extended."

"Throughout the offer Gold Fields management has spent considerable amounts of Gold Fields shareholders' money on legal actions aimed solely at depriving its own shareholders of the opportunity to decide for themselves on Harmony's offer."

"While we are working hard with our own advisers to provide Gold Fields shareholders with the right to decide, it is clear that the timing of the hearing is not in the interests of Gold Fields shareholders."

"We still believe that our proposal to merge the companies will extend the lives of Gold Fields' mines, provide the necessary consolidation for the industry and create significant value for both sets of shareholders."

Gold Fields security holders are advised that upon satisfaction or waiver of all conditions to Harmony's offer, Harmony's offer will become unconditional, the initial offer period (as then extended) will terminate and Harmony will accept Gold Fields securities that have been tendered and not withdrawn and will issue new Harmony shares in respect of such tendered and accepted Gold Fields securities. Gold Fields security holders' right to withdraw their tenders will terminate immediately upon Harmony's offer becoming unconditional.

Assuming that the SRP consents to a further extension of the time period for the obtaining of South African Competition Authority approval, Harmony believes that the grant of merger clearance by the Competition Tribunal will be the last condition to be satisfied. Gold Fields security holders are therefore advised that Harmony will commence settling Gold Fields securities tendered and not withdrawn immediately after the grant of merger clearance by the Competition Tribunal, even if prior to the scheduled expiration of the initial offer period. Holders of Gold Fields securities that have already accepted Harmony's offer, but whose willingness to accept the offer would be affected by satisfaction of the competition condition may therefore wish to consider withdrawing their acceptances with respect to such securities promptly. Upon Harmony's offer becoming unconditional and expiration of the initial offer period, there will be a subsequent offer period during which time Harmony's offer will remain open for acceptances, but during which time no withdrawal rights apply.

In connection with the proposed merger, Harmony has filed with the U.S. Securities and Exchange Commission (SEC), a registration statement on Form F-4, which includes a preliminary prospectus and related exchange offer materials, to register the Harmony ordinary shares (including Harmony ordinary shares represented by Harmony ADSs) to be issued in exchange for the remainder of Gold Fields ordinary shares held by Gold Fields shareholders resident in the United States and for Gold Fields ADSs held by Gold Fields shareholders wherever resident, as well as a Statement on Schedule TO. Investors and holders of Gold Fields securities are strongly advised to read the registration statement and the preliminary prospectus, the related exchange offer materials and the final prospectus (when available), the Statement on Schedule TO and any other relevant documents filed with the SEC, as well as any amendments and supplements to those documents, because they contain important information.
