These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond Wachovia s control).

The following factors, among others, could cause Wachovia s financial performance to differ materially from that expressed in such forward-looking statements: (1) the risk that the businesses of Wachovia, Westcorp and WFS Financial in connection with the Mergers will not be integrated successfully or such integration may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the Mergers may not be fully realized or realized within the expected

Additional factors that could cause Wachovia's, Westcorp's and WFS Financial's results to differ materially from those described in the forward-looking statements can be found in Wachovia's, Westcorp's and WFS Financial's Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed with the SEC. All subsequent written and oral forward-looking statements concerning Wachovia or the proposed Mergers or other matters and attributable to Wachovia or any person acting on its behalf are expressly qualified in their entirety by the cautionary statements above. Wachovia, Westcorp and WFS Financial do not undertake any obligation to update any forward-looking statement, whether written or oral, relating to the matters discussed in this filing.
