**Item 8.01 Other Events**

As previously reported, on January 18, 2006, Allscripts Healthcare Solutions, Inc. ( Allscripts ) entered into an Agreement of Merger (the Merger Agreement ) with A4 Health Systems, Inc. ( A4 ). The Merger Agreement provides for a business combination whereby a newly formed wholly-owned subsidiary of Allscripts will be merged with and into A4, with A4 surviving the merger (the Acquisition ).

Pursuant to and subject to the terms and conditions of the Merger Agreement, Allscripts will acquire all of the outstanding equity interests (including options) of A4 for aggregate merger consideration of \$215 million in cash and 3.5 million shares of Allscripts common stock (the Allscripts Shares ), subject to a purchase price adjustment based on changes in working capital.

Consummation of the Acquisition is subject to various conditions, including, without limitation, (a) receipt by Allscripts of the funds contemplated by debt commitment letters or an equity or debt financing in lieu thereof, (b) receipt of governmental approvals required by law and receipt of specified third-party consents, (c) approval from the North Carolina Securities Administrator of the fairness of the terms and conditions of the Acquisition (or, in lieu thereof, the existence of an effective registration statement on file with the Securities and Exchange Commission covering the Allscripts Shares), (d) accuracy of the representations and warranties of each of Allscripts and A4, (e) absence of certain material adverse changes with respect to A4, and (f) absence of governmental action or litigation prohibiting or restraining the Acquisition. Certain key employees of A4 are also required to enter into employment and noncompetition agreements with us as a condition to closing.

Filed as exhibits hereto are certain historical financial statements of A4 and unaudited pro forma condensed combined financial statements giving effect to the Acquisition, related financing alternatives and the other transactions described in the accompanying notes. The unaudited pro forma condensed combined financial statements give effect to the Acquisition as if it were financed under two different financing alternatives that Allscripts is currently evaluating and believe to be most likely: (1) a new \$100.0 million senior secured term loan facility with respect to which we currently have a commitment letter from certain financial institutions and (2) the issuance of approximately 5.8 million shares of Allscripts common stock for an aggregate offering price of \$100.0 million. There can be no assurance that the Acquisition or the financing will be consummated on the terms described herein or at all.

The foregoing statements regarding the Company's intentions with respect to the proposed Acquisition and other transactions described above are forward-looking statements under the Private Securities Litigation Reform Act of 1995, and actual events could vary materially from the statements made.
