Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Michael R. Herman, who has provided the opinion as to the legality of the securities issued hereby attached hereto as Exhibit 5.1, is the Vice President and General Counsel of the Registrant. As such, he receives a salary from the Registrant and has received options exercisable for common stock, restricted stock awards and contingent performance shares payable in the form of the Registrant's common stock.

Item 6. Indemnification of Directors and Officers

The Registrant is incorporated in North Carolina and consequently is subject to the North Carolina Business Corporation Act. The North Carolina Business Corporation Act provides that the Registrant may indemnify officers and directors who are parties in actual or threatened lawsuits and other proceedings against reasonable expenses, judgments, penalties, fines and amounts paid in settlement. North Carolina law further provides that a corporation may purchase insurance, providing for the indemnification of officers and directors whether or not the corporation would have the power to indemnify them against such liability under the provisions of the North Carolina law.

The Registrant's Amended and Restated Articles of Incorporation, provide, in effect, that the Registrant shall indemnify its directors and officers to the maximum extent permitted by law. Article VI of the Amended and Restated Articles of Incorporation of the Registrant provides as follows:

(a) The Corporation shall, to the fullest extent permitted from time to time by law, indemnify its Directors and officers against all liabilities and expenses in any suit or proceeding, whether civil, criminal, administrative or investigative, and whether or not brought by or on behalf of the Corporation, including all appeals therefrom, arising out of their status as such or their activities in any of the foregoing capacities, unless the activities of the person to be indemnified were at the time taken known or believed by him to be clearly in conflict with the best interests of the Corporation. The Corporation shall likewise and to the same extent indemnify any person who, at the request of the Corporation, is or was serving as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise, or as a trustee or administrator under any employee benefit plan.

(b) The right to be indemnified hereunder shall include, without limitation, the right of a Director or officer to be paid expenses in advance of the final disposition of any proceeding upon receipt of an undertaking to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified hereunder.

(c) A person entitled to indemnification hereunder shall also be paid reasonable costs, expenses and attorneys' fees (including expenses) in connection with the enforcement of rights to the indemnification granted hereunder.

(d) The foregoing rights of indemnification shall not be exclusive of any other rights to which those seeking indemnification may be entitled and shall not be limited by the provisions of Section 55-8-51 of the General Statutes of North Carolina or any successor statute.

(e) The Board of Directors may take such action as it deems necessary or desirable to carry out these indemnification provisions, including adopting procedures for determining and enforcing the rights guaranteed hereunder, and the Board of Directors is expressly empowered to adopt, approve and amend from time to time such bylaws, resolutions or contracts implementing such provisions or such further indemnification arrangement as may be permitted by law.

(f) Neither the amendment or repeal of this Article, nor the adoption of any provision of these Articles of Incorporation inconsistent with this Article, shall eliminate or reduce any right to indemnification afforded by this Article to any person with respect to their status or any activities in their official capacities prior to such amendment, repeal or adoption.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 9. Undertakings

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the Registration Statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purpose of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
