Notice to Dominion Direct® Participants of Plan Changes and New Prospectus Filing

Certain administrative matters have been changed for Dominion Direct effective as of September 1, 2006. The updated plan is fully documented in a revised prospectus that may be viewed online at <http://www.dom.com/investors/domdir.jsp>.

Three major changes to the plan involve: (1) Electronic Check Conversion, (2) Dividend Reinvestment and (3) Direct Registration. Following is a brief explanation of these three items. We strongly encourage you to review the revised prospectus to obtain more detailed information about these items and other changes regarding the administration of the plan.

Electronic Check Conversion When you invest by check you authorize Dominion to convert your paper check into an electronic debit from your bank account.

Dividend Reinvestment Cash dividends on accounts with balances of 25 or fewer shares will be automatically reinvested in Dominion stock. Shareholders who enrolled in Dominion Direct before September 1, 2006 and have accounts with 25 or fewer shares may opt out of this requirement by sending us a completed Dividend Authorization form or other written instruction postmarked before November 15, 2006. Shareholders who fail to opt out by the established deadline and were enrolled in Dominion Direct before September 1, 2006, will also be subject to this dividend reinvestment policy if your account balance falls to 25 or fewer shares at any time after November 15, 2006.

Direct Registration System (DRS) If you have a broker-dealer account, this system will allow you to electronically transfer shares between your Dominion Direct account and your broker-dealer account. For information concerning authorization of electronic share movement, please contact your broker-dealer.
