**Forward-Looking Statements**

This Form 8-K contains certain statements that are, or may be deemed to be, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements, other than statements of historical fact, included herein are forward-looking statements. Included among forward-looking statements are, among others:

statements that we expect to commence or complete construction of our Sabine Pass liquefied natural gas, or LNG, receiving terminal, or any expansions thereof, by certain dates, or at all;

statements regarding any financing transactions or arrangements;

statements relating to the construction of our Sabine Pass LNG receiving terminal, including statements concerning the engagement of any engineering, procurement and construction, or EPC, or other contractor and the anticipated terms and provisions of any agreement with any EPC or other contractor, and anticipated costs related thereto;

statements regarding any terminal use agreement, or TUA, or other agreement to be entered into or performed substantially in the future, including any cash distributions and revenues anticipated to be received and the anticipated timing thereof, and statements regarding the amounts of total LNG regasification capacity that are, or may become subject to, TUAs or other contracts;

statements that our Sabine Pass LNG receiving terminal, when completed, will have certain characteristics, including amounts of regasification and storage capacities, a number of storage tanks and pipeline deliverability, if any;

statements regarding our business strategy, our business plans or any other plans, forecasts, projections or objectives, any or all of which are subject to change; and

any other statements that relate to non-historical or future information.

These forward-looking statements are often identified by the use of terms and phrases such as achieve, anticipate, believe, estimate, expect, forecast, plan, project, propose, strategy and similar terms and phrases. Although we believe that the expectations reflected in these forward-looking statements are reasonable, they do involve assumptions, risks and uncertainties, and these expectations may prove to be incorrect. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this Form 8-K.

Our actual results could differ materially from those anticipated in these forward-looking statements as a result of a variety of factors, including those discussed in this Form 8-K and in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005 and our Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2006. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by these risk factors. These forward-looking statements are made as of the date of this Form 8-K. Other than as required under the securities laws, we assume no obligation to update or revise these forward-looking statements or provide reasons why actual results may differ.
