**PROXY STATEMENT**

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Telkonet, Inc. for use at Telkonet's 2006 Annual Meeting of Stockholders, to be held at The Hampton Inn Germantown, located at 20260 Goldenrod Lane, Germantown, Maryland 20876, on Friday, December 8, 2006 at 3:00 p.m., local time, and at any adjournment or postponement of the annual meeting. This proxy statement, the accompanying proxy card and Telkonet's Annual Report to Stockholders for the fiscal year ended December 31, 2005 are first being sent to stockholders on or about November 6, 2006.

The solicitation of proxies is made by and on behalf of Telkonet's Board of Directors. The cost of the solicitation of proxies will be borne by Telkonet. In addition to solicitation of proxies by mail, employees of Telkonet or its affiliates may solicit proxies by telephone or facsimile.

The Board of Directors has fixed the close of business on November 6, 2006 as the record date for determining the holders of shares of common stock who are entitled to notice of, and to vote at, the annual meeting. At the close of business on November 1, 2006, Telkonet had outstanding 56,850,634 shares of common stock, par value \$0.001 per share. Each stockholder is entitled to one vote per share of Telkonet's common stock registered in such stockholder's name on Telkonet's books as of the close of business on November 6, 2006.

Shares of common stock represented by properly executed proxies received at or prior to the annual meeting that have not been revoked will be voted at the annual meeting in accordance with the instructions indicated on the proxies. Stockholders are requested to complete, sign, date and promptly return the enclosed proxy card in the enclosed postage-prepaid envelope to ensure that their shares are voted. If the enclosed proxy is signed and returned, the shares represented thereby will be voted in accordance with any specification made therein by the stockholder. In the absence of any such specification, the shares will be voted to elect each of the director nominees set forth under "Election of Directors" below, to ratify Telkonet's Amended and Restated Stock Incentive Plan, for the proposal set forth under "Ratification of Appointment of Independent Public Accountants," and in the discretion of management on any other matter which may properly come before the annual meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Attendance at the annual meeting will not, in and of itself, revoke a proxy. Proxies may be revoked by:

Filing with the Secretary of Telkonet, at or before the taking of the vote at the annual meeting, a written notice of revocation dated later than the proxy;

Executing a later dated proxy relating to the same shares of common stock and delivering it to the Secretary of Telkonet, including by facsimile, before the taking of the vote at the annual meeting; or

Attending the annual meeting and voting in person.

Any written revocation or subsequent proxy should be sent so as to be delivered to Telkonet, Inc., 20374 Seneca Meadows Parkway, Germantown, Maryland 20876, Attention: Corporate Secretary, or hand delivered to the Secretary of Telkonet or his representative at or before the taking of the vote at the annual meeting.

If the annual meeting is postponed or adjourned, proxies given pursuant to this solicitation will be utilized at any subsequent reconvening of the annual meeting, except for any proxies that previously have been revoked or withdrawn effectively, and notwithstanding that proxies may have been effectively voted on the same or any other matter previously.

Telkonet's bylaws provide that the holders of a majority of the outstanding Telkonet shares, present in person or by proxy, will constitute a quorum, and that the affirmative vote of a majority of the shares represented at the annual meeting and constituting a quorum is required for approval of any proposal brought before the annual meeting, unless a greater proportion or number of votes is required by law or by Telkonet's certificate of incorporation or bylaws. The election of directors will require the affirmative vote of a majority of the shares present at the annual meeting and constituting a quorum. Abstentions and broker non-votes will be deemed present for purposes of constituting a quorum and will have the same legal effect as a vote against each nominee for the Board of Directors and all proposals presented at the annual meeting.

**ITEM 1. ELECTION OF DIRECTORS**

Telkonet's bylaws establish the number of directors at not less than three members. Pursuant to the bylaws, the Board of Directors may increase or decrease the number of members of the Board of Directors. The Board of Directors has established the number of directors at seven. At the annual meeting, the shares represented by properly executed proxies, unless otherwise specified, will be voted for the election of the seven nominees named herein, each to serve until the next annual meeting and until his successor is duly elected and qualified. Proxies cannot be voted for more than seven nominees.

If for any reason any of the nominees is not a candidate when the election occurs (which is not expected), the Board of Directors expects that proxies will be voted for the election of a substitute nominee designated by the Board of Directors. The following information is furnished concerning each nominee for election as a director.

The affirmative vote of a majority of the shares of Telkonet's common stock represented at the annual meeting, either in person or by proxy, is required to elect the following nominees as Telkonet directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT

STOCKHOLDERS VOTE FOR THE ELECTION OF EACH NOMINEE.

The Board of Directors held five meetings in 2005, which each member of the Board of Directors attended. Each member of the Board of Directors attended at least 75 percent of the meetings of the Board of Directors and the committees of which he was a member. Telkonet has not established a formal policy requiring director attendance at all Board meetings, but the Company expects each director to attend such meetings, absent unusual circumstances. Telkonet expects its directors to attend the Annual Meeting of Stockholders (which is usually held the same day as a meeting of the Board of Directors). All of Telkonet's directors attended the 2005 Annual Meeting of Stockholders.

### **Code Of Ethics**

The Board has approved, and Telkonet has adopted, a Code of Ethics that applies to all directors, officers and employees of Telkonet. This Code of Ethics was included as an Exhibit to Telkonet's Form 10-KSB filed with the Securities and Exchange Commission on March 30, 2004.

### **Independent Directors**

The Board has determined that Dr. Hall and each of Messrs. Lynch and Peeler are independent directors within the meaning of the American Stock Exchange ( AMEX ) listing standards.

### **Committees Of The Board Of Directors**

The Board has an Audit Committee and a Compensation Committee, but the Board does not presently have a Nominating Committee because the Board does not feel a Nominating Committee is necessary due to the Board's nomination procedures in effect as described below.

#### *Director Nominations*

Although Telkonet does not maintain a standing Nominating Committee, nominees for election as directors are considered and nominated by a majority of Telkonet's independent directors in accordance with the AMEX listing standards. Independence for these purposes is determined in accordance with Section 121(A) of the AMEX Rules and Rule 10A-3 under the Securities Exchange Act of 1934. Since Telkonet does not maintain a standing Nominating Committee, it has not adopted a formal Nominating Committee charter.

When considering potential candidates for election to Telkonet's Board of Directors, the independent directors evaluate various criteria, including, but not limited to, each candidate's business and professional skills, experience serving as management or on the board of directors of companies such as Telkonet, financial literacy and personal integrity in judgment. Candidates for vacant board seats will be considered if they are able to read and understand fundamental financial statements; have no identified conflicts of interest; have not been convicted in a criminal proceeding other than traffic violations during the five years before the date of selection; and are willing to comply with Telkonet's Code of Ethics. One or more directors must have requisite financial expertise to qualify as an audit committee financial expert as defined by Item 401 of Regulation S-K promulgated under the Securities Exchange Act of 1934. The independent directors reserve the right to modify these minimum qualifications from time to time. Exceptional candidates who do not meet all of these criteria may still be considered.

The independent directors review the qualifications and backgrounds of the directors, as well as the overall composition of the Board from time to time. In the case of any candidate for a vacant Board seat, the independent directors will consider whether such candidate meets the applicable independence standards and the level of the candidate's financial expertise. Any new candidates will be interviewed by the independent directors, and the full Board will approve the final nominations. The Chairman of the Board, acting on behalf of the full Board, will extend the formal invitation to become a nominee of the Board of Directors.

Stockholders may nominate director candidates for consideration by the Board of Directors by writing to the Chairman and providing to the Chairman the candidate's name, biographical data and qualifications, including five-year employment history with employer names and a description of the employer's business; whether such individual can read and understand fundamental financial statements; other board memberships (if any); and such other information as is reasonably available and sufficient to enable the Board to evaluate the minimum qualifications described above. The submission must be accompanied by the written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders. If a stockholder nominee is eligible, and if the nomination is proper, the independent directors then will deliberate and make a decision as to whether the candidate will be submitted to Telkonet's stockholders for a vote. The Board will not change the manner in which it evaluates candidates, including the applicable minimum criteria set forth above, based on whether the candidate was recommended by a stockholder.

Stockholders can communicate directly with the Board, with any Committee of the Board, or specified directors by writing to Robert Crabb, Secretary of Telkonet, or by calling Mr. Crabb at (240) 912-1800. All communications will be reviewed by management and then forwarded to the appropriate director, directors, committee, or to the full Board.

#### *Audit Committee*

The Audit Committee is currently comprised of Messrs. Lynch and Peeler and Dr. Hall. Telkonet's Board of Directors has determined that Dr. Hall and each of Messrs. Lynch and Peeler is an audit committee financial expert as defined by Item 401 of Regulation S-K promulgated under the Securities Exchange Act of 1934. The Board of Directors also has determined that Dr. Hall and each of Messrs. Lynch and Peeler are independent as such term is defined in Section 121(A) of the AMEX Rules and Rule 10A-3 promulgated under the Securities Exchange Act of 1934.

The Audit Committee recommends annually to the Board of Directors the selection of independent auditors for each fiscal year, confirms and assures their independence and approves the fees and other compensation to be paid to the auditors. The Audit Committee recommends to the Board the advisability of having the independent auditors make specified studies and reports as to auditing matters, accounting procedures, tax or other matters. The Audit Committee also reviews, prior to its filing with the SEC, Telkonet's Form 10-K and annual report to stockholders. The Audit Committee provides an open avenue of communication among the independent auditors, management and the Board of Directors and will review any significant disagreement among management and the independent auditors in connection with the preparation of any of Telkonet's financial statements. The Audit Committee reviews, with Telkonet's legal counsel, legal and regulatory matters that may have a significant impact on Telkonet's financial statements. The Audit Committee held four meetings in 2005 and all members of the Audit Committee were in attendance at each meeting.

The Board of Directors has adopted an Audit Committee Charter, which was ratified by the stockholders at the 2004 Annual Meeting of Stockholders. A copy of the Audit Committee charter was filed as Appendix A to Telkonet's proxy statement for the 2004 Annual Meeting of Stockholders.

#### *Compensation Committee*

Dr. Hall and Messrs. Lynch and Musser serve on Telkonet's Compensation Committee. The Compensation Committee determines compensation for senior management, advises the Board of Directors on the adoption and

administration of employee benefit and compensation plans and administers the Amended and Restated Stock Incentive Plan. The Compensation Committee met one time in 2005, and all members of the Compensation Committee attended the meeting.

**Directors Compensation**

Telkonet reimburses non-management directors for costs and expenses in connection with their attendance and participation at Board of Directors meetings and for other travel expenses incurred on Telkonet's behalf. Telkonet compensates each non-management director (excluding Mr. Musser and Mr. Blumenfeld): \$4,000 per month, 10,000 vested stock options per quarter and \$1,000 for each committee meeting of the Board of Directors such director attends. Mr. Musser, as Chairman of the Board of Directors, is compensated \$8,333 per month (consisting of monthly payments in the amount of \$4,000, which payments are consistent with the monthly payments made to the other non-management directors, and \$4,333.33 per month, which payments are in lieu of the 10,000 vested stock options per quarter and \$1,000 for each committee meeting that the other non-management directors receive). Payments to Mr. Musser for Board services are made to The Musser Group pursuant to a consulting agreement described below under the heading Certain Relationships and Related Transactions.

Beginning July 1, 2005, Mr. Blumenfeld was compensated 10,000 shares of Company stock upon execution of an international consulting agreement, 10,000 shares of Company stock per quarter for the first year (for a total 50,000 shares in the first year) and 5,000 shares of Company stock per quarter thereafter plus a five percent (5%) commission (payable in cash or Company stock) on international sales generated by him with gross margins of 50% or greater. Payments to Mr. Blumenfeld for Board and consulting services are pursuant to a consulting agreement described below under the heading Certain Relationships and Related Transactions.

## **ITEM 2: RATIFICATION OF THE TELKONET, INC.**

### **AMENDED AND RESTATED STOCK INCENTIVE PLAN**

On April 24, 2002, the Board of Directors adopted the Telkonet, Inc. Stock Incentive Plan which was approved by Telkonet's stockholders in July 2002 at Telkonet's annual meeting. The Plan was amended by the Board of Directors on June 23, 2003 to increase the number of shares of Telkonet common stock issuable under the Plan from 7,000,000 to 15,000,000 shares. The Stock Incentive Plan was further amended by the Board of Directors on October 24, 2006 to increase the number of shares of Telkonet common stock issuable under the Plan from 15,000,000 to 18,000,000 shares. The plan provides for the grant of stock options to employees, officers, consultants, independent contractors and non-employee directors providing services to Telkonet, as determined by the Board of Directors or by a committee of directors designated by the Board of Directors to administer the plan. The full text of the amended and restated plan is attached to this proxy statement as APPENDIX A.

#### *Summary of the Plan*

The purpose of the plan is to advance the interests of Telkonet by encouraging and enabling acquisition of a financial interest in Telkonet by its officers, directors, consultants and key personnel. The plan is intended to aid Telkonet in attracting and retaining key employees, to stimulate the efforts of such personnel and to strengthen their desire to remain with Telkonet.

The plan is administered by the Board of Directors or a committee designated by the Board of Directors which, if designated, would have full power and authority to determine when and to whom awards will be granted and the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the plan. Subject to the provisions of the plan, the Board of Directors may amend the terms and conditions of an outstanding award, with the consent of the optionee. The Board of Directors has full authority to interpret the plan and establish, amend or rescind rules and regulations for the administration of the plan.

Any employee, officer, consultant, or director of Telkonet and its subsidiaries is eligible to receive awards under the plan.

The plan provides for the issuance of up to 18,000,000 shares of Telkonet common stock, subject to adjustment in the event of stock dividends, recapitalization, stock splits, reorganizations, mergers, consolidations or other similar changes in the corporate or capital structure of Telkonet. If an option issued under the plan expires, or for any reason is terminated or unexercised with respect to any shares of Telkonet common stock, such shares shall again be available for issuance under the plan. The shares of common stock issued under the plan will be authorized but unissued shares or issued shares that have been reacquired by Telkonet.

The types of awards that may be granted under the plan are stock options, restricted stock and stock appreciation rights. Options granted pursuant to the plan will not be transferable without the approval of the Board of Directors, other than by will or by the laws of descent and distribution. During the lifetime of a participant, an award may be exercised only by the participant to whom such award is granted.

Incentive stock options meeting the requirements of Section 422 of the Internal Revenue Code and non-qualified options may be granted under the plan. The Board of Directors will determine the exercise price of any option granted under the plan, but in no event will the exercise price for any incentive stock option be less than 100% of the fair market value of the shares of common stock on the date of grant. The term of an incentive stock option granted under the plan may not extend for more than ten (10) years from the date of grant. Stock options will be exercisable at such times as the Board of Directors determines. Stock options may be exercised in whole or in part by payment in full of the exercise price in cash or, at the Board of Directors' discretion, (i) by delivery of shares of Telkonet common stock having a fair market value on the date of exercise equal to the exercise price; (ii) by withholding from the option shares of Telkonet common stock in satisfaction of all or part of the exercise price; (iii) by delivery of the optionee's full recourse promissory note in the amount of the exercise price; or (iv) by delivery of irrevocable instructions to a broker to deliver promptly to Telkonet, from the sale or loan proceeds with respect to the sale of Telkonet common stock or a loan secured by Telkonet common stock, the amount necessary to pay the exercise price.

Unless earlier discontinued or terminated by the Board of Directors, no awards may be granted under the plan after April 23, 2012. The plan permits the Board of Directors to amend, alter, suspend, discontinue or terminate the plan at any time, except that no amendment to the plan shall (i) increase the maximum number of shares under the plan; (ii) materially modify the eligibility requirements for participation in the plan; or (iii) materially increase the benefits accruing to participants under the plan, except in accordance with Telkonet's certificate of incorporation.

#### *U.S. Federal Income Tax Considerations*

The following is a general summary as of the date of this proxy statement of the U.S. federal income tax considerations associated with stock options awarded under the Plan. The U.S. federal tax laws may change and the U.S. federal, state, and local tax consequences for any participant will depend upon his or her individual circumstances. Each participant is encouraged to seek the advice of a qualified tax advisor regarding the tax consequences of receiving stock option grants under the plan.

#### *Incentive Stock Options*

An optionee who is granted an Incentive Stock Option does not recognize taxable income at the time the option is granted or upon its exercise, although the exercise is an adjustment item for alternative minimum tax purposes and may subject the optionee to the alternative minimum tax. Upon a disposition of the shares more than two years after grant of the option and one year after exercise of the option, any gain or loss is treated as long-term capital gain or loss. If these holding periods are not satisfied, the optionee recognizes ordinary income at the time of disposition equal to the difference between the exercise price and the lower of (i) the fair market value of the shares at the date of the option exercise or (ii) the sale price of the shares. Any gain or loss recognized on such a premature disposition of the shares in excess of the amount treated as ordinary income is treated as long-term or short-term capital gain or loss, depending on the holding period. Unless limited by Section 162(m) of the Internal Revenue Code of 1986, Telkonet is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee.

#### *Nonstatutory Options*

An optionee generally does not recognize any taxable income at the time he or she is granted a nonstatutory stock option when the option exercise price is not less than the grant date stock price. Upon exercise, the optionee recognizes taxable income generally measured by the excess of the then fair market value of the shares over the exercise price. Any taxable income recognized in connection with an option exercise by an employee is subject to tax withholding. Unless limited by Section 162(m) of the Internal Revenue Code of 1986, Telkonet is generally entitled to a deduction in the same amount as the ordinary income recognized by the optionee. Upon a

disposition of such shares by the optionee, any difference between the sale price and the optionee's exercise price, to the extent not recognized as taxable income as provided above, is treated as long-term or short-term capital gain or loss, depending on the holding period.

As of October 24, 2006, Telkonet has outstanding options for the purchase of 10,241,733 shares of common stock pursuant to the plan which have been granted to employees of Telkonet, including certain executive officers of Telkonet. These options have exercise prices ranging from \$1.00 to \$5.97 per share. As of October 24, 2006, the closing price of our common stock was \$2.97.

The affirmative vote of the holders of a majority of the shares of Telkonet common stock represented at the meeting and entitled to vote on this matter is necessary for approval of the amended and restated plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS

VOTE FOR THIS PROPOSAL.

**ITEM 3. RATIFICATION OF APPOINTMENT OF  
INDEPENDENT PUBLIC ACCOUNTANTS**

Russell, Bedford, Stefanou and Mirchandani, LLP served as Telkonet's independent public accountants in 2005 and is expected to be retained to do so in 2006. The Board of Directors has directed that management submit the selection of Russell, Bedford, Stefanou and Mirchandani, LLP for ratification by the stockholders at the annual meeting. A representative of Russell, Bedford, Stefanou and Mirchandani, LLP is expected to be present at the annual meeting and will have an opportunity to make a statement, should the representative desire to do so, and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Russell, Bedford, Stefanou and Mirchandani, LLP as Telkonet's independent public accountants is not required. However, the Board of Directors is submitting the selection of Russell, Bedford, Stefanou and Mirchandani, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Audit Committee will reconsider whether to retain the firm. In such event, the Audit Committee may retain Russell, Bedford, Stefanou and Mirchandani, LLP, notwithstanding the fact that the stockholders did not ratify the selection, or select another accounting firm without re-submitting the matter to the stockholders. Even if the selection is ratified, the Audit Committee reserves the right in its discretion to select a different accounting firm at any time during the year if it determines that such a change would be in the best interests of Telkonet and its stockholders.

The affirmative vote of a majority of the shares of Telkonet's common stock represented at the annual meeting, either in person or by proxy, is required to ratify the appointment of Telkonet's independent public accountants.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS

VOTE FOR THIS PROPOSAL.

**OTHER MATTERS**

The Board of Directors is not aware of any other matter that may be presented for action at the annual meeting. If any other matter comes before the annual meeting, the persons named in the enclosed proxy will vote the proxy with respect thereto in accordance with their best judgment, pursuant to the discretionary authority granted by the proxy.

**Performance Graph**

Set forth below is a line graph comparing the cumulative total return on Telkonet's Common Stock against the cumulative total return of the Market Index for the American Stock Exchange (U.S.) ( AMEX ) and for the peer group Communications Services, within the Standard Industrial Classification Code category, (SIC) Code 4899 , for the period beginning August 15, 2002 and each fiscal year ending December 31 thereafter through the fiscal year ended December 31, 2005. Because Telkonet's common stock was not widely traded prior to August 15, 2002, the graph does not show the total return on Telkonet's common stock prior to August 15, 2002. None of these individuals was, or has been, an officer or employee of Telkonet or any of its subsidiaries, nor does any of these individuals have a relationship that would constitute an interlocking relationship with executive officers or directors of Telkonet or another entity. Notwithstanding the foregoing, Telkonet is a party to a consulting agreement with The Musser Group which is renewable annually and obligates Telkonet to pay The Musser Group \$100,000 annually. Mr. Musser is the sole principal of The Musser Group, which is owned by Mr. Musser's wife.

**REPORT OF THE COMPENSATION COMMITTEE**

*Notwithstanding anything to the contrary set forth in any of Telkonet's previous filings under the Securities Act of 1933 or the Exchange Act that might incorporate future filings or this proxy statement, the following report shall not be deemed to be incorporated by reference into any such filings. In addition, the following report shall not be deemed to be soliciting material or filed with the SEC.*

The base salary, bonus, benefits and other compensation payable to Telkonet's executive officers for the year ended December 31, 2005 were fixed under written employment agreements (except for Mr. Landry and Mr. Leimbach, who do not have employment agreements) described above under the heading Employment Contracts and Termination of Employment Arrangements.

Prior to establishing Mr. Pickett's compensation pursuant to his employment agreement (as well as the compensation of the other executive officers), the Board of Directors reviewed compensation recommendations prepared by Telkonet's human resources director, which recommendations provide information regarding compensation at the tenth to fiftieth percentiles in peer companies.

Messrs. Lynch and Peeler and Dr. Hall have the power to administer the Amended and Restated Stock Incentive Plan, which stock options may be granted to officers, directors, employees, advisors and consultants who render services to Telkonet. For the fiscal year ended December 31, 2005, no awards were made to the executive officers pursuant to the Amended and Restated Stock Incentive Plan, except that Mr. Pickett, pursuant to the terms of his employment agreement, was awarded 3,000 restricted shares of Telkonet's common stock per month which vest immediately, Mr. Cramp received options to purchase 500,000 shares of Telkonet's common stock, and Mr. Leimbach received options to purchase 50,000 shares of Telkonet's common stock.

The Committee is expressly authorized to make an Incentive Award to a Participant conditioned upon the surrender for cancellation of an

existing Incentive Award. For purposes of determining the number of shares that are available for Incentive Awards under the Plan, such number shall, to the extent permissible under Rule 16b-3 if the Company Stock is Publicly Traded, include the number of shares surrendered by an optionee or retained by the Company in payment of Applicable Withholding Taxes.

#### 5. ELIGIBILITY.

(a) Any Employee, Non-Employee Director or consultant of the Company (or Parent or Subsidiary of the Company) who, in the judgment of the Committee has contributed or can be expected to contribute to the profits or growth of the Company (or Parent or Subsidiary) shall be eligible to receive Incentive Awards under the Plan. Both the Board and the Committee shall have the power and complete discretion, as provided in Section 14, to select eligible Non-Employee Directors and consultants to receive Incentive Awards and to determine for each Non-Employee Director or consultant the nature of the award and the terms and conditions of each Incentive Award.

(b) The grant of an Incentive Award shall not obligate the Company or any Parent or Subsidiary of the Company to pay an Employee, Non-Employee Director or consultant any particular amount of remuneration, to continue the employment of the Employee after the grant or to make further grants to the Employee, Non-Employee Director or consultant at any time thereafter.

#### 6. RESTRICTED STOCK AWARDS.

(a) The Committee may make grants of Restricted Stock to Participants. Whenever the Committee deems it appropriate to grant Restricted Stock, notice shall be given to the Participant stating the number of shares of Restricted Stock granted and the terms and conditions to which the Restricted Stock is subject. This notice, when accepted in writing by the Participant, shall become an award agreement between the Company and the Participant, and certificates representing the shares shall be issued and delivered to the Participant. Restricted Stock may be awarded by the Committee in its discretion without cash consideration.

(b) No shares of Restricted Stock may be sold, assigned, transferred, pledged, hypothecated, or otherwise encumbered or disposed of until the restrictions on such shares as set forth in the Participant's award agreement have lapsed or been removed pursuant to paragraph (d) or (e) below.

(c) Upon the acceptance by a Participant of an award of Restricted Stock, such Participant shall, subject to the restrictions set forth in paragraph (b) above, have all the rights of a shareholder with respect to such shares of Restricted Stock, including, but not limited to, the right to vote such shares of Restricted Stock and the right to receive all dividends and other distributions paid thereon. Certificates representing Restricted Stock shall bear a legend referring to the restrictions set forth in the Plan and the Participant's award agreement.

(d) The Committee shall establish as to each award of Restricted Stock the terms and conditions upon which the restrictions set forth in paragraph (b) above shall lapse. Such terms and conditions may include, without limitation, the lapsing of such restrictions as a result of the Disability, death or retirement of the Participant or the occurrence of a Change of Control.

(e) Notwithstanding the provisions of paragraph (b) above, the Committee may at any time, in its sole discretion, accelerate the time at which any or all restrictions will lapse or remove any and all such restrictions.

(f) Each Employee shall agree at the time his or her Restricted Stock is granted, and as a condition thereof, to pay to the Company, or make arrangements satisfactory to the Company regarding the payment to the Company of, Applicable Withholding Taxes. Until such amount has been paid or arrangements satisfactory to the Company have been made, no stock certificate free of a legend reflecting the restrictions

set forth in paragraph (b) above shall be issued to such Participant. As an alternative to making a cash payment to the Company to satisfy Applicable Withholding Taxes, if the grant so provides, the Employee may elect to (i) deliver Mature Shares or (ii) have the Company retain that number of shares of Company Stock that would satisfy all or a specified portion of the Applicable Withholding Taxes. The Company may require the Participant to execute a shareholder agreement or such other form of agreement as it may deem appropriate as a condition to permitting restrictions on Restricted Stock to lapse.

#### 7. STOCK OPTIONS.

(a) Whenever the Committee deems it appropriate to grant Options, notice shall be given to the eligible person stating the number of shares for which Options are granted, the Option price per share, whether the Options are Incentive Stock Options or Nonstatutory Stock Options, the extent to which Stock Appreciation Rights are granted (as provided in Section 8 hereof) and the conditions to which the grant and exercise of the Options are subject. This notice, when duly accepted in writing by the Participant, shall become a stock option agreement between the Company and the Participant.

(b) The exercise price of shares of Company Stock covered by an Option shall be not less than 100% of the Fair Market Value of such shares on the Date of Grant. If the employee is a 10% Shareholder and the Option is an Incentive Stock Option, the exercise price shall be not less than 110% of the Fair Market Value of such shares on the Date of Grant.

(c) Options may be exercised in whole or in part at such times as may be specified by the Committee in the Participant's stock option agreement; provided that the exercise provisions for Incentive Stock Options shall in all events not be more liberal than the following provisions:

(i) No Incentive Stock Option may be exercised after ten years (or, in the case of an Incentive Stock Option granted to a 10% Shareholder, five years) from the Date of Grant.

(ii) An Incentive Stock Option shall be subject to such other conditions on exercise as may be imposed under the Code.

(d) The Committee may, in its discretion, grant Options that by their terms become fully exercisable upon a Change of Control, notwithstanding other conditions on exercisability in the stock option agreement.

#### 8. STOCK APPRECIATION RIGHTS.

(a) Whenever the Committee deems it appropriate, Stock Appreciation Rights may be granted in connection with all or any part of an Option to a Participant or in a separate Incentive Award.

(b) The following provisions apply to all Stock Appreciation Rights that are granted in connection with Options:

(i) Stock Appreciation Rights shall entitle the Participant, upon exercise of all or any part of the Stock Appreciation Rights, to surrender to the Company unexercised that portion of the underlying Option relating to the same number of shares of Company Stock as is covered by the Stock Appreciation Rights (or the portion of the Stock Appreciation Rights so exercised) and to receive in exchange from the Company an amount equal to the excess of (x) the Fair Market Value on the date of exercise of the Company Stock covered by the surrendered portion of the underlying Option over (y) the exercise price of the Company Stock covered by the surrendered portion of the underlying Option. The Committee may limit the amount that the Participant will be entitled to receive upon exercise of Stock Appreciation Rights.

(ii) Upon the exercise of a Stock Appreciation Right and surrender of the related portion of the underlying Option, the Option, to the extent surrendered, shall not thereafter be exercisable.

(iii) Subject to any further conditions upon exercise imposed by the Committee, a Stock Appreciation Right shall be exercisable only to the extent that the related Option is exercisable and a Stock Appreciation Right shall expire no later than the date on which the related Option expires.

(iv) A Stock Appreciation Right may only be exercised at a time when the Fair Market Value of the Company Stock covered by the Stock Appreciation Right exceeds the exercise price of the Company Stock covered by the underlying Option.

(c) The following provisions apply to all Stock Appreciation Rights that are not granted in connection with Options:

(i) Stock Appreciation Rights shall entitle the Participant, upon exercise of all or any part of the Stock Appreciation Rights, to receive in exchange from the Company an amount equal to the excess of (x) the Fair Market Value on the date of exercise of the Company Stock covered by the surrendered Stock Appreciation Right over (y) the Fair Market Value of the Company Stock on the Date of Grant of the Stock Appreciation Right. The Committee may limit the amount that the Participant will be entitled to receive upon exercise of Stock Appreciation Rights.

(ii) A Stock Appreciation Right may only be exercised at a time when the Fair Market Value of the Company Stock covered by the Stock Appreciation Right exceeds the Fair Market Value of the Company Stock on the Date of Grant of the Stock Appreciation Right.

(d) The manner in which the Company's obligation arising upon the exercise of a Stock Appreciation Right shall be paid shall be determined by the Committee and shall be set forth in the Incentive Award. The Incentive Award may provide for payment in Company Stock or cash, or a fixed combination of Company Stock or cash, or the Committee may reserve the right to determine the manner of payment at the time the Stock Appreciation Right is exercised. Shares of Company Stock issued upon the exercise of a Stock Appreciation Right shall be valued at their Fair Market Value on the date of exercise.

#### 9. METHOD OF EXERCISE OF OPTIONS AND STOCK APPRECIATION RIGHTS.

(a) Options and Stock Appreciation Rights may be exercised by the Participant by giving written notice of the exercise to the Company, stating the number of shares the Participant has elected to purchase under the Option or the number of Stock Appreciation Rights the Participant has elected to exercise. In the case of the purchase of shares under an Option, such notice shall be effective only if accompanied by the exercise price in full in cash; provided, however, that if the terms of an Option, or the Committee by separate action, so permits, the Participant may (i) deliver Mature Shares (valued at their Fair Market Value on the date of exercise) in satisfaction of all or part of the exercise price, (ii) cause to be withheld from the Option shares, shares of Company Stock (valued at their Fair Market Value on the date of exercise) in satisfaction of all or any part of the exercise price, (iii) deliver a properly executed exercise notice together with irrevocable instructions to a broker to deliver promptly to the Company, from the sale or loan proceeds with respect to the sale of Company Stock or a loan secured by Company Stock, the amount necessary to pay the exercise price and, if required by the Committee, Applicable Withholding Taxes, or (iv) deliver an interest bearing promissory note, payable to the Company, in payment of all or part of the exercise price together with such collateral as may be required by the Committee at the time of exercise. The interest rate under any such promissory note shall be established by the Committee and shall be at least equal to the minimum interest rate required at the time to avoid imputed interest under the Code.

(b) The Company may require the Participant to execute a shareholder agreement or such other form of agreement as it may deem appropriate as a condition to transfer of Company Stock to the Participant upon exercise of an Option or a Stock Appreciation Right. The Company may place on any certificate representing Company Stock issued upon the exercise of an Option or a Stock Appreciation Right any legend deemed desirable by the Company's counsel to comply with federal or state securities laws, and the Company may require a customary written indication of the Participant's investment intent. Until the Participant has made any required payment, including any Applicable Withholding Taxes, and has had issued a certificate for the shares of Company Stock acquired, he or she shall possess no shareholder rights with respect to the shares.

(c) Each Employee shall agree as a condition of the exercise of an Option or a Stock Appreciation Right to pay to the Company Applicable Withholding Taxes, or make arrangements satisfactory to the

Company regarding the payment to the Company of such amounts. Until Applicable Withholding Taxes have been paid or arrangements satisfactory to the Company have been made, no stock certificate shall be issued upon the exercise of an Option or a Stock Appreciation Right.

(d) As an alternative to making a cash payment to the Company to satisfy Applicable Withholding Taxes, if the Option or Stock Appreciation Right agreement so provides, or the Committee by separate action so provides, an Employee may, subject to the provisions set forth below, elect to (i) deliver Mature Shares or (ii) have the Company retain that number of shares of Company Stock that would satisfy all or a specified portion of the Applicable Withholding Taxes. The Committee shall have sole discretion to approve or disapprove any such election.

(e) Notwithstanding anything herein to the contrary, if the Company Stock is Publicly Traded, Options and Stock Appreciation Rights shall always be granted and exercised in such a manner as to conform to the provisions of Rule 16b-3.

10. **NONTRANSFERABILITY OF OPTIONS AND STOCK APPRECIATION RIGHTS.** Options and Stock Appreciation Rights shall not be transferable except to the extent specifically provided in the Incentive Award. Incentive Stock Options, by their terms, shall not be transferable except by will or by the laws of descent and distribution, and shall be exercisable during the Employee's lifetime only by the Employee.

11. **EFFECTIVE DATE OF THE PLAN.** This Plan shall be effective as of April 24, 2002 and shall be submitted for approval to the shareholders of the Company and to the holders of the Company's Series A-1 Preferred Stock. Until (i) the Plan has been approved by the Company's shareholders and by the holders of the Company's Series A-1 Preferred Stock, and (ii) the requirements of any applicable federal or state securities laws have been met, no Option or Stock Appreciation Right shall be exercisable, and no Restricted Stock shall be granted.

12. **TERMINATION, MODIFICATION, CHANGE.** If not sooner terminated by the Board, this Plan shall terminate at the close of the business day that is the day immediately preceding the ten year anniversary of the effective date (as provided in Section 11). No Incentive Awards shall be made under the Plan after its termination. The Board may terminate the Plan or may amend the Plan in such respects as it shall deem advisable; provided, that, if and to the extent required by the Code or applicable federal or state securities law, or regulations thereunder, no change shall be made that materially increases the total number of shares of Company Stock reserved for issuance pursuant to Incentive Awards granted under the Plan (except pursuant to Section 13 hereof), materially expands the class of persons eligible to receive Incentive Awards, or materially increases the benefits accruing to Participants under the Plan, unless such change is authorized in accordance with the provisions of the Charter of the Company. Notwithstanding the foregoing, the Board may amend the Plan and unilaterally amend Incentive Awards as it deems appropriate to ensure compliance with applicable federal or state securities laws or regulations thereunder and to cause Incentive Stock Options to meet the requirements of the Code and regulations thereunder. Except as provided in the preceding sentence, a termination or amendment of the Plan shall not, without the consent of the Participant, detrimentally affect a Participant's rights under an Incentive Award previously granted to him.

13. **CHANGE IN CAPITAL STRUCTURE.**

(a) In the event of a stock dividend, stock split or combination of shares, recapitalization or merger in which the Company is the surviving corporation or other change in the Company's capital stock (including, but not limited to, the creation or issuance to shareholders generally of rights, options or warrants for the purchase of common stock or preferred stock of the Company), the number and kind of shares of stock or securities of the Company to be subject to the Plan and to Incentive Awards then outstanding or to be granted thereunder, the maximum number of shares or securities which may be delivered under the Plan, the maximum number of shares or securities that can be granted to an individual Participant under Section 4 hereof, the exercise price, the terms of Incentive Awards and other relevant provisions shall be appropriately

adjusted by the Committee, whose determination shall be binding on all persons. If the adjustment would produce fractional shares with respect to any unexercised Option, the Committee may adjust appropriately the number of shares covered by the Option so as to eliminate the fractional shares.

(b) If the Company is a party to a consolidation or a merger in which the Company is not the surviving corporation, a transaction that results in the acquisition of substantially all of the Company's outstanding stock by a single person or entity, or a sale or transfer of substantially all of the Company's assets, the Committee may take such actions with respect to outstanding Incentive Awards as the Committee deems appropriate.

(c) Notwithstanding anything in the Plan to the contrary, the Committee may take the foregoing actions without the consent of any Participant, and the Committee's determination shall be conclusive and binding on all persons for all purposes.

14. ADMINISTRATION OF THE PLAN. The Plan shall be administered by the Committee, who shall be appointed by the Board. In the absence of the Committee, the Board shall have authority to act in place of the Committee. The Committee shall have general authority to impose any limitation or condition upon an Incentive Award the Committee deems appropriate to achieve the objectives of the Incentive Award and the Plan and, without limitation and in addition to powers set forth elsewhere in the Plan, shall have the following specific authority:

(a) The Committee shall have the power and complete discretion to determine (i) which eligible persons shall receive Incentive Awards and the nature of each Incentive Award, (ii) the number of shares of Company Stock to be covered by each Incentive Award, (iii) whether Options shall be Incentive Stock Options or Nonstatutory Stock Options, (iv) when, whether and to what extent Stock Appreciation Rights shall be granted, (v) the Fair Market Value of Company Stock, (vi) the time or times when an Incentive Award shall be granted, (vii) whether an Incentive Award shall become vested over a period of time and when it shall be fully vested, (viii) when Options or Stock Appreciation Rights may be exercised, (ix) whether a Disability exists, (x) the manner in which payment will be made upon the exercise of Options or Stock Appreciation Rights, (xi) conditions relating to the length of time before disposition of Company Stock received upon the exercise of Options or Stock Appreciation Rights is permitted, (xii) whether to approve a Participant's election (A) to deliver Mature Shares to satisfy Applicable Withholding Taxes or (B) to have the Company withhold from the shares to be issued upon the exercise of a Nonstatutory Stock Option or a Stock Appreciation Right the number of shares necessary to satisfy Applicable Withholding Taxes, (xiii) notice provisions relating to the sale of Company Stock acquired under the Plan, and (xiv) any additional requirements relating to Incentive Awards that the Committee deems appropriate. The Committee shall have the power to amend the terms of previously granted Incentive Awards so long as the terms as amended are consistent with the terms of the Plan and provided that the consent of the Participant is obtained with respect to any amendment that would be detrimental to him or her, except that such consent will not be required if such amendment is for the purpose of complying with Rule 16b-3 or any requirement of the Code applicable to the Incentive Award.

(b) The Committee may adopt rules and regulations for carrying out the Plan. The interpretation and construction of any provision of the Plan by the Committee shall be final and conclusive. The Committee may consult with counsel, who may be counsel to the Company, and shall not incur any liability for any action taken in good faith in reliance upon the advice of counsel.

(c) A majority of the members of the Committee shall constitute a quorum, and all actions of the Committee shall be taken by a majority of the members present. Any action may be taken by a written instrument signed by all of the members, and any action so taken shall be fully effective as if it had been taken at a meeting.

(d) The Board from time to time may appoint members previously appointed and may fill vacancies, however caused, in the Committee.

(e) With respect to Non-Employee Directors, the Board or the Committee shall be authorized to make grants of Restricted Stock and Nonstatutory Stock Options in its discretion, provided such grants are made

in compliance with other provisions of the Plan. In such case, the Board shall hold the same general and specific authority granted to the Committee under this Section 14 and other provisions of the Plan.

15. NOTICE. All notices and other communications required or permitted to be given under this Plan shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first class, postage prepaid, as follows (a) if to the Company at its principal business address to the attention of the Secretary; (b) if to any Participant at the last address of the Participant known to the sender at the time the notice or other communication is sent.

16. INTERPRETATION. The terms of this Plan are subject to all present and future regulations and rulings of the Secretary of the Treasury or his delegate relating to the qualification of Incentive Stock Options under the Code. If any provision of the Plan conflicts with any such regulation or ruling, then that provision of the Plan shall be void and of no effect.

17. COMPLIANCE WITH LAW. Notwithstanding any other provision of this Plan, Incentive Awards may be granted pursuant to this Plan, and Company Stock may be issued pursuant to the exercise thereof by a Participant, only after there has been compliance with all applicable federal and state securities laws, and such grants and issuances will be subject to this overriding condition. The Company will not be required to register or qualify Company Stock with the Securities and Exchange Commission or any state agency.

18. STOCK CERTIFICATES. Any certificates representing Company Stock issued pursuant to the exercise of Incentive Awards will bear all legends required by law and necessary to effectuate this Plan's provisions. The Company may place a stop transfer order against shares of Company Stock until all restrictions and conditions set forth in this Plan and in the legends referred to in this Plan have been complied with.

19. AMENDMENT AND DISCONTINUANCE. The Board may amend, suspend or discontinue this Plan at any time or from time to time, but no such action may alter or impair any Incentive Award previously granted under this Plan without the consent of the holder of such Incentive Award.

20. CITATIONS TO STATUTES. References in this Plan to any statutes, regulations, or portions thereof are intended to refer to the statutes, regulations, or portions thereof in force at the time of the Plan's adoption by the Board and as subsequently amended, or to any substantially similar successor statutes, regulations or portions thereof resulting from recodification, renumbering, or other enactment or promulgation.

21. GOVERNING LAW. This Plan will be governed by, and construed in accordance with, the laws of the State of Utah.

22. COPIES OF PLAN. A copy of this Plan will be delivered to each Participant at or before the time he or she executes any agreement pursuant to this Plan.
