**Section 1 Registrant's Business and Operations**

**Item 1.01. Entry into a Material Definitive Agreement.**

On December 21, 2006, NewMarket Corporation (the Company) entered into a Second Amended and Restated Credit Agreement (the A&R Credit Agreement), among the Company, SunTrust Bank, as administrative agent, SunTrust Capital Markets, Inc., as lead arranger and book manager, and the lenders from time to time party thereto. The A&R Credit Agreement amends and restates the Amended and Restated Credit Agreement, dated as of June 18, 2004 (as amended, the Prior Credit Agreement), among the Company, Ethyl Corporation, SunTrust Bank, as administrative agent for the lenders, SunTrust Capital Markets, Inc., as lead arranger and book manager, and the lenders from time to time party thereto. The A&R Credit Agreement consists of a \$100 million revolving credit facility (with an option to increase the revolving credit facility commitment by an amount not to exceed \$50 million, subject to the satisfaction of certain terms and conditions), including a \$5 million swingline sublimit and a \$50 million letter of credit sublimit.

Generally, the A&R Credit Agreement:

- (1) decreases the margins applicable to Eurodollar Loans, Base Rate Loans and the commitment fee, which are based on the Company's Leverage Ratio (as defined in the A&R Credit Agreement);
- (2) extends the revolving credit facility commitment termination date to December 21, 2011;
- (3) eliminates the Prior Credit Agreement's maximum senior secured leverage ratio test;
- (4) provides for the release of liens on certain real estate that was collateral for the Prior Credit Agreement; and
- (5) revises selected affirmative and negative covenants and increases applicable thresholds and baskets to, among other things, allow the Company to make additional investments in and loans to its foreign subsidiaries.

The A&R Credit Agreement contains representations, warranties, terms and conditions customary for transactions of this type. These include covenants limiting the ability of the Company and its subsidiaries to (1) incur indebtedness and create liens on their assets, (2) merge into or consolidate with any other person or permit any person to merge into or consolidate with them or sell, lease, transfer or otherwise dispose of all or substantially all of their assets, (3) enter into certain transactions with affiliates, (4) make acquisitions, (5) enter into sale and leaseback or hedging transactions and (6) make certain investments and restricted payments. The A&R Credit Agreement also contains financial covenants that require the Company to maintain a specified Leverage Ratio, Fixed Charge Coverage Ratio and Consolidated Net Worth (each as defined in the A&R Credit Agreement) as of the end of each fiscal quarter.

The A&R Credit Agreement contains certain events of default, including (1) failure to pay when due principal, interest or any other amount owing on any other obligation under the A&R Credit Agreement, (2) incorrectness in any material respect of

representations and warranties when made or deemed made, (3) breach of covenants, (4) the occurrence of an event of default under the Company's senior notes, (5) failure to pay when due principal or interest on any debt that exceeds \$5 million individually or \$10 million in the aggregate, (6) default on any debt that exceeds \$5 million individually or \$10 million in the aggregate that causes or permits the acceleration of such debt, (7) occurrence of a Change of Control (as defined in the A&R Credit Agreement), (8) bankruptcy and insolvency and (9) entry by a court of one or more judgments against the Company or any of its Restricted Subsidiaries (as defined in the A&R Credit Agreement) in an amount that exceeds \$5 million individually or \$10 million in the aggregate that remains unstayed for 30 consecutive days. If any event of default occurs and is not cured within applicable grace periods set forth in the A&R Credit Agreement or waived, all loans and other obligations could become due and immediately payable and the facility could be terminated.

SunTrust Bank and several of the lenders under the A&R Credit Agreement and their affiliates have various relationships with the Company and its subsidiaries involving the provision of financial services, including investment banking, commercial banking, advisory, cash management, custody and trust services, for which they have received customary fees, and may do so again in the future.

This summary of the A&R Credit Agreement does not purport to be complete and is subject to, and is qualified in its entirety by, reference to all the terms of the A&R Credit Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
