The annual meeting of the stockholders of Bio-Rad Laboratories, Inc., a Delaware corporation (Bio-Rad or the Company), will be held at the Company's corporate offices, 1000 Alfred Nobel Drive, Hercules, California 94547 on Tuesday, April 24, 2007 at 4:00 p.m., Pacific Daylight Time, to consider and vote on:

- (1) The election of two directors of the Company by the holders of outstanding Class A Common Stock and five directors of the Company by the holders of outstanding Class B Common Stock;
- (2) A proposal to ratify the selection of Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending December 31, 2007;
- (3) A proposal to approve the Bio-Rad Laboratories, Inc. 2007 Incentive Award Plan; and
- (4) Such other matters as may properly come before the meeting and at any adjournments or postponements thereof.

Our Board of Directors has fixed the close of business on February 26, 2007 as the record date for the determination of stockholders entitled to notice of and to vote at this annual meeting and at any adjournments or postponements thereof. Our stock transfer books will not be closed.

All stockholders are invited to attend the annual meeting in person, but those who are unable to do so are urged to execute and return promptly the enclosed proxy in the provided postage-paid envelope. Since a majority of the outstanding shares of each class of our common stock must be present or represented at the annual meeting to elect directors and conduct the other business matters referred to above, your promptness in returning the enclosed proxy will be greatly appreciated. Your proxy is revocable and will not affect your right to vote in person in the event you attend the meeting and revoke your proxy.

All stockholders who attend the annual meeting are invited to join us for a reception immediately following the meeting.

This proxy statement and the accompanying proxy card are first being distributed to stockholders on or about March 30, 2007.

PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON APRIL 24, 2007

Information Regarding Proxies

Our Board of Directors is soliciting the enclosed proxy in connection with our annual meeting of stockholders to be held at our corporate offices, 1000 Alfred Nobel Drive, Hercules, California 94547 on Tuesday, April 24, 2007 at 4:00 p.m., Pacific Daylight Time, and at any adjournments or postponements thereof. Copies of this proxy statement and the accompanying notice and proxy card are first being mailed on or about March 30, 2007 to all stockholders entitled to vote.

We will pay the cost of this proxy solicitation. In addition to solicitation by use of the mails, proxies may be solicited from our stockholders by our directors, officers and employees in person or by telephone, telegram or other means of communication. These directors, officers and employees will not be additionally compensated, but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. Arrangements will be made with brokerage houses, custodians, nominees and fiduciaries for forwarding of proxy materials to beneficial owners of shares held of record by such brokerage houses, custodians, nominees and fiduciaries and for reimbursement of their reasonable expenses incurred in connection therewith. We may retain Georgeson Shareholder Services, a proxy solicitation firm, to solicit proxies in connection with our annual meeting at an estimated cost of \$6,500.

Shares for which a properly executed proxy in the enclosed form is returned will be voted at our annual meeting in accordance with the directions on such proxy. If no voting instructions are indicated with respect to one or more of the proposals, the proxy will be voted in favor of the proposal(s), and to approve those other matters that may properly come before the annual meeting at the discretion of the person named in the proxy. Any proxy may be revoked by the record owner of the shares at any time prior to its exercise by filing with our Secretary a written revocation or duly executed proxy bearing a later date or by attending the meeting in person and announcing such revocation. Attendance at the annual meeting will not, by itself, constitute revocation of a proxy.

Voting Securities

Our securities entitled to vote at the meeting consist of shares of our Class A Common Stock and Class B Common Stock, both \$0.0001 par value (collectively, Common Stock). 21,628,714 shares of Class A Common Stock and 4,992,970 shares of Class B Common Stock were issued and outstanding at the close of business on February 26, 2007. Only stockholders of record at the close of business on February 26, 2007 will be entitled to notice of and to vote at the meeting. The presence, in person or by proxy, of the holders of a majority of our Voting Power will constitute a quorum for the transaction of business; *provided, however*, that the election of the Class A and Class B directors shall require the presence, in person or by proxy, of the holders of a majority of the outstanding shares of each respective class. Each share of Class A Common Stock is entitled to one-tenth of a vote and each share of Class B Common Stock is entitled to one vote, except in the election of directors and any other matter requiring the vote of one or both classes of Common Stock voting separately. The sum of one-tenth the number of outstanding shares of Class A Common Stock and the number of outstanding shares of Class B Common Stock constitutes our Voting Power.

The holders of Class A Common Stock, voting as a separate class, are entitled to elect two directors. The holders of Class B Common Stock, also voting as a separate class, are entitled to elect the other five directors. The stockholders do not have any right to vote cumulatively in any election of directors. Under Delaware law, directors elected by each class shall be elected by a plurality of the votes in the respective class.

On all other matters submitted to a vote at the annual meeting (except matters requiring the vote of one or both classes voting separately), the affirmative vote of the holders of a majority of our Voting Power present in person or represented by proxy is necessary for approval. The Board of Directors is not aware of any matters that might come before the meeting other than those mentioned in this proxy statement. If, however, any other matters properly come before the annual meeting, it is intended that the proxies will be voted in accordance with the judgment of the person or persons voting such proxies.

Abstentions and broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. With respect to the two directors to be elected by the holders of our Class A Common Stock, the two director nominees receiving the highest number of affirmative votes will be elected. With respect to the five directors to be elected by the holders of our Class B Common Stock, the five director nominees receiving the highest number of affirmative votes will be elected. A properly executed proxy marked to withhold authority with respect to the election of one or more director nominees will not be voted with respect to the director nominee(s) indicated, although it will be counted for purposes of determining the presence of a quorum. The proposal to ratify the appointment of our independent auditors and the proposal to approve the Bio-Rad Laboratories, Inc. 2007 Incentive Award Plan must each receive the affirmative vote of a majority of our Voting Power present in person or represented by proxy at the meeting in order for the respective proposal to be approved. Abstentions and broker non-votes will have the same effect as a vote against these proposals.

There is no statutory or contractual right of appraisal or similar remedy available to those stockholders who dissent from any matter to be acted upon.

As husband and wife, David and Alice N. Schwartz share equally in all remuneration and other benefits accorded to either of them by us.

COMMITTEES OF THE BOARD OF DIRECTORS

Our Board of Directors has an Audit Committee and a Compensation Committee. Our Board of Directors has no nominating committee or other committees performing similar functions. During 2006, our Board of Directors held a total of 13 meetings (including regularly scheduled and special meetings) and no director attended fewer than 75% of such meetings or meetings of any committee on which such director served.

Audit Committee

During 2006 our Audit Committee was composed of Philip L. Padou, Albert J. Hillman and Ruediger Naumann-Etienne. Philip L. Padou passed away at the end of 2006 and Louis Drapeau replaced Mr. Padou on the Audit Committee in 2007.

All three Audit Committee members are independent directors, as determined in accordance with the independence standards set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, and Section 121A of the American Stock Exchange Company Guide, and each is able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement. Louis Drapeau and Ruediger Naumann-Etienne are designated as financial experts. The purpose of our Audit Committee is to oversee our accounting and financial reporting processes and the audits of our financial statements. Our Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of any independent auditor we engage, including resolution of any disagreements between our management and the independent auditor regarding financial reporting, and is responsible for reviewing and evaluating our accounting policies and system of internal accounting controls. In addition, our Audit Committee reviews the scope of our independent auditor's audit of our financial statements, reviews and discusses our audited financial statements with management, prepares the annual Audit Committee reports that are included in our proxy statements and annually reviews the Audit Committee's performance and the Audit Committee Charter, among other responsibilities. Our Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from us for, any independent counsel, experts or advisors that the Audit Committee believes to be necessary or appropriate in order to enable it to carry out its duties. Our Audit Committee met 4 times in the year 2006. A more complete discussion is provided in the Report of the Audit Committee of the Board of Directors of this proxy statement.

Compensation Committee

Our Compensation Committee, consisting of two directors, Albert J. Hillman and Philip L. Padou, met 3 times in 2006. Ruediger Naumann-Etienne replaced Philip L. Padou on the Compensation Committee in 2007. Our Compensation Committee reviews and approves our executive compensation policies. Our Compensation Committee does not have a charter. A more complete discussion is provided in the Compensation Discussion and Analysis section of this proxy statement.

Nominating Committee Functions

Our Board of Directors does not have a standing nominating committee or a committee performing similar functions. Our Board of Directors believes that it is appropriate for us not to have a standing nominating committee because we are controlled by the Schwartz family. Each member of our Board of Directors participates in the consideration of director nominees. Albert J. Hillman, Ruediger Naumann-Etienne and Louis Drapeau are all independent directors, as determined in accordance with the independence standards set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended, and Section 121A of the American Stock Exchange Company Guide; James J. Bennett, David Schwartz, Alice N. Schwartz and Norman Schwartz are not. However, because we are controlled by the Schwartz family, we are a controlled company for purposes of the American Stock Exchange listing standards, and thus we are not required to have a standing nominating committee comprised solely of independent directors.

Our Board of Directors has not adopted a charter governing the director nomination process. However, it is the policy of our Board of Directors to consider stockholder nominations for candidates for membership on our Board of Directors that are properly submitted as set forth below under the caption *Communications with the Board of Directors*. The stockholder must submit a detailed resume of the candidate together with a written explanation of the reasons why the stockholder believes that the candidate is qualified to serve on our Board of Directors. In addition, the stockholder must include the written consent of the candidate, provide any additional information about the candidate that is required to be included in a proxy statement pursuant to the rules and regulations of the Securities and Exchange Commission, and must also describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. In order to be considered for inclusion in next year's proxy statement, any such nominations must be properly submitted by December 3, 2007.

The director qualifications our Board of Directors has developed to date focus on what our Board of Directors believes to be those competencies that are essential for effective service on our Board of Directors. Qualifications for Directors include technical, operational and/or economic knowledge of our business and industries; experience in operational, financial and/or administrative management; financial and risk management acumen and experience in or familiarity with international business, markets and cultures, technological trends and developments, and corporate securities and tax laws. While a candidate may not possess every one of these qualifications, his or her background should reflect many of these qualifications. In addition, a candidate should possess integrity and commitment according to the highest ethical standards; be consistently available and committed to attending meetings; be able to challenge and share ideas in a positive and constructively critical manner and be responsive to our needs and fit in with other Board members from a business culture perspective.

Our Board of Directors identifies director nominees by first evaluating the current members of our Board of Directors who are willing to continue in service. Current members with qualifications and skills that are consistent with our Board of Directors' criteria for Board service are re-nominated. As to new candidates, our Board of Directors generally polls its members and members of our management for their recommendations. Our Board of Directors may also review the composition and qualification of the boards of our competitors, and may seek input from industry experts or analysts. Our Board of Directors reviews the qualifications, experience and background of the candidates. In making its determinations, our Board of Directors evaluates each individual in the context of the Board as a whole, with the objective of assembling a group that can best perpetuate our success and represent stockholder interests through the exercise of sound judgment. Any recommendations properly submitted by stockholders will be processed and are subject to the same criteria as any other candidates.

Each of the nominees included on the attached proxy card was recommended for inclusion by all of the other members of our Board of Directors.

Board of Directors Policy Regarding Board Members Attendance at Annual Meetings

Every member of our Board of Directors is expected to attend our annual meeting of stockholders in person, absent extraordinary circumstances such as a personal emergency. All of the directors attended last year's annual meeting of stockholders in person except Ruediger Naumann-Etienne.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee was composed of Albert J. Hillman and Philip L. Padou in 2006. Ruediger Naumann-Etienne replaced Philip L. Padou on the Compensation Committee in 2007. In 2006 we did not have any interlocking relationships with another entity involving any of our Compensation Committee members. James J. Bennett, David Schwartz, Norman Schwartz, Alice N. Schwartz and Ruediger Naumann-Etienne participated in general Board of Directors discussions of compensation, bonuses and stock options. David, Norman and Alice N. Schwartz recused themselves from and did not participate in the discussions or decisions concerning our President/Chief Executive Officer's and Chairman of the Board's compensation.

TRANSACTIONS WITH RELATED PERSONS

We maintain various policies and procedures relating to the review, approval, or ratification of transactions in which we are a participant and in which any of our directors, executive officers, 10% stockholders or their family members have a direct or indirect material interest. Our Management Guidelines provide that any transaction proposed, initiated or approved by our employees that poses an actual or potential conflict of interest requires the prior written approval of our Chief Executive Officer. In addition, our Board or certain executive officers, depending on the dollar value of the transaction, review and approve all material transactions through the expenditure approval procedures set forth in the Management Guidelines. Our Code of Business Ethics and Conduct, which applies to all of our directors, officers, employees, and in some cases, their family members, prohibits arrangements, agreements and acts which are, or may give the impression of being, conflicts of interest with us. In addition, each year we require our directors and executive officers to complete a questionnaire which, among other things, identifies transactions or potential transactions with us in which a director or an executive officer or one of their family members or associate entities has an interest.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Program Objectives and Philosophy

Our named executive officers are: Norman Schwartz, President and Chief Executive Officer; Christine Tsingos, Chief Financial Officer; David Schwartz, Chairman of the Board; John Goetz, Vice President and Group Manager of the Clinical Diagnostics Group; and Sanford S. Wadler, Vice President, General Counsel and Secretary. We maintain various compensation programs for our named executive officers. Our executive compensation program, taken as a whole, has several objectives. The overriding objective of our executive compensation program is to attract, retain, motivate and develop the types of people which we need to move our business forward. We also want our executive compensation program to align the interests of the executives with the interests of the Company. Finally, we want to reward our executives for business achievements and satisfaction of corporate objectives.

In developing our overall executive compensation program and in setting individual pay levels for the named executive officers, we strive to meet the following goals:

To pay salaries that are competitive in our industry and our geographical market.

To use executive pay practices that are commonly found in our industry, as appropriate.

To pay salaries and award merit increases on the basis of the individual executive's performance and contributions and the value of the executive's position within our organization.

To maintain a pay for performance outlook, particularly in our incentive programs.

Our executive compensation program rewards executives for Company and individual performance. Because we feel that each of our named executive officers provides unique services to us, we do not use a fixed relationship between base pay, an Incentive Bonus Plan, or IBP, and equity awards. When we make our final decisions about a named executive officer's total compensation package for a year, we look at the three elements of compensation (base pay, IBP potential and equity award) individually and as a complete package. We do not take into account amounts that a named executive officer may have realized in a year as a result of IBP payments or stock option exercises when we establish pay levels and goals for the current year. Overall, we believe that our total compensation program for executives is reasonable while being competitive with market peers.

Although our Compensation Committee takes into consideration the financial accounting and federal income tax consequences of the amounts and types of compensation that we provide to the named executive officers, it continues to be our policy that we will not limit executive compensation to the deductible limits of Internal Revenue Code Section 162(m).

The Components of Our Executive Compensation Program

To achieve the above goals, we have created an executive compensation program which consists of base pay, the IBP, and a stock option program. We use this mix of programs for a variety of reasons:

These types of programs, as a package, are typically offered by the types of companies from which we would seek executive talent.

These programs, as a package, provide both a current and a long term incentive for the executive officers, thereby aligning the executives' interests with those of the Company.

These programs, as a package, provide the executives with short and long term rewards.

Edgar Filing: BIO RAD LABORATORIES INC - Form DEF 14A

We apply differing goals to the various types of rewards to motivate the executives to accomplish corporate and individual goals. We also provide executives with a package of fringe benefits on the same basis that is provided to all full-time benefits eligible employees. These benefits include such items as health insurance, tax qualified profit

sharing plan contributions and group term life insurance. We do not provide the executives with any benefits that are not generally available to other full-time professional employees.

We believe that our executive compensation program, taken as a whole, is a cost-effective method of providing competitive pay to our named executive officers.

Our Process for Setting Executive Compensation

Our Human Resources Department provides various types of compensation information to the President/Chief Executive Officer and to the Compensation Committee for their evaluation and eventual determination of each executive's total compensation package. The Compensation Committee's focus is the compensation of the Chairman of the Board and the President/Chief Executive Officer. The President/Chief Executive Officer determines the compensation for the officers who directly report to him, including three of the named executive officers. Our process for setting executive compensation is described below.

Base Pay

For base pay, our Human Resources Department reviews independent surveys for executive compensation levels at comparably sized companies in industry sectors in which we compete, and provides information comparing the salary guideline ranges that we have for each position. This information is reviewed with the President/Chief Executive Officer, and for the Chairman and President/Chief Executive Officer to the Compensation Committee, who then decide if our guideline ranges need to be adjusted due to market movement. Other factors considered in determining base pay are:

The financial position of the Company;

General economic conditions;

The executive's satisfaction of individual performance goals established for the year; and

Where the executive's current base pay falls within the pay range.

Based on all of the factors outlined above, as well as the market data, the Compensation Committee, in the case of the President/Chief Executive Officer and the Chairman, and the President/Chief Executive Officer, for the other named executive officers, determine the named executive officer's base pay for the following year, and thus any of these criteria could materially impact the named executive officer's base pay. We have the ability to modify performance goals after the beginning of a year, particularly in response to an unforeseen change in business conditions that makes an established goal irrelevant or inappropriate.

Incentive Bonus Plan (Cash Based Incentive Program)

All of our named executive officers participate in our company-wide annual cash bonus program, which is known as the IBP. The plan, which covers the named executive officers as well as other employees, operates on a calendar year basis. Prior to the beginning of the year, metrics in three areas of corporate achievement are created and approved by executive management: sales; direct contributions from operations; and strategic business goals. The IBP makes a payout only if threshold levels in sales and/or direct contributions are satisfied. If the sales and/or direct contributions goal is met, the named executive officers as well as other IBP participants receive a payment indexed to a percentage of their base pay based on the achievement relative to each of the established metrics. The percentage of base pay which can be awarded varies based upon job position/salary grade. The payments under this program can be as much as twice the target bonus, but the named executive officers (as well as the other people who participate in the IBP) will not receive this benefit unless we meet required performance goals. Payments are typically made during the first quarter of the following year. We have no policy regarding the adjustment or recovery of IBP awards in the event that an accounting restatement results in corporate goals not being satisfied. We establish the target bonus levels, in part, by reviewing competitive market data of companies in our peer group.

In order to determine the companies to include in our peer group, we look for companies that are comparable to ours in at least two of a number of ways including:

Companies in our industry

Companies whose size is similar to ours as measured by sales, market capitalization or asset base

Companies who are in our geographic proximity

Companies with whom we compete for employee talent

Manufacturing companies

U.S. based public companies

The companies we currently consider comprising our peer group are Affymetrix, Applera, Beckman Coulter, Becton Dickinson, CIPHERGEN Biosystems, Dade Behring, Genentech, Invitrogen, Meridien BioScience, Millipore, Perkin-Elmer, Qiagen, and Sigma Aldrich.

Our company has, on rare occasion, made discretionary bonus payments to employees, but no such payments were made to any of the named executive officers in the last five years.

Equity Compensation

Another key component of our executive compensation program is equity grants. We make grants of options to purchase our stock to the named executive officers, as well as other employees, under our 2003 Stock Option Plan. We generally grant Incentive Stock Options, or ISOs, to our named executive officers. If the value of the grant to a named executive officer exceeds the ISO limits, the remainder of the shares are granted as non-qualified stock options. We grant options to purchase Class A Common Stock to all named executive officers, except for David Schwartz and Norman Schwartz as they are currently receiving options to acquire Class B Common Stock. All option shares are priced at fair market value on the date of grant; however, the Internal Revenue Code of 1986, as amended, or IRC, requires that ISOs granted to David Schwartz and Norman Schwartz are priced at 110% of fair market value on the date of grant because of their ownership positions in the Company.

Options granted to named executive officers after 2001 vest on a five year basis, at a rate of 20% of the option grant on each anniversary date of the grant. All of the options have a ten year term, except for grants of ISOs to Norman Schwartz and David Schwartz which are limited to a five year term under IRC Section 422(c)(6). All options granted prior to 2003 are fully vested as of the date of this report.

Our process for granting stock options to named executive officers has been as follows: we have an annual equity pool containing a number of shares which approximates 1.2% of outstanding shares as of the prior year end. Management, using outside survey information, creates stock option grant guidelines which provide a range of potential option grants based on job position/salary grade. Using these option grant guidelines and considering individual performance, management suggests an allocation of the equity pool among all eligible employees to the Compensation Committee of our Board of Directors. The Compensation Committee reviews the suggested allocation of awards and makes a recommendation to the entire Board of Directors. Based on the Compensation Committee's recommendation, the Board of Directors makes its own determination and an allocation of the pool. The full Board of Directors' determination of the equity grants is entered into the minutes of its meeting. At that time, the Board selects a specific grant date for the equity and defines the grant date; the exercise price is the closing market price of our stock on that specific grant date. The Board provides the approved equity grant and pricing information to the President/Chief Executive Officer for implementation. The Board of Directors met and approved the 2006 equity grants on March 31, 2006. The grant date was set at that meeting to be April 3, 2006, the next business day. The President/Chief Executive Officer informed the named executive officers of their grants in a letter dated April 3, 2006.

We believe that the grant of fair market value stock options continues to provide benefits to the Company and the executive. We benefit because:

The options align the executive's financial interest with the Company's interest.

The options help us retain the executives.
The executives benefit because:

They can realize additional income if our shares increase in value.

They have no personal income tax impact until they exercise the options.
We do not maintain any equity ownership guidelines for our named executive officers. We have no corporate policy regarding an executive's hedging of their Company shares.

Other Compensation

We have extensively reviewed the types of services, reimbursements and benefits that we provide to our named executive officers for potential inclusion in the All Other Compensation column of our Summary Compensation Table. As a result of this review, the only items that we believe qualify for this category are disclosed in the table. We have no employment agreements with our named executive officers, and therefore, there are no individual written agreements that would provide them with additional perquisites. There are no formal or informal corporate policies that provide benefits (that are not integrally and directly related to the performance of the executive's duties) to our named executive officers which are not available to the employee population.

¹ Option Awards represent compensation cost recognized in our 2006 financial statements as determined under SFAS 123(R) before estimated forfeitures. These amounts represent expense recognized with respect to awards granted in prior years as well as the current year. There were no actual forfeitures by any named executive officers in 2006. Assumptions used in the calculation of these amounts are included in Note 10 to the Company's audited financial statements for the fiscal year ended December 31, 2006 included in the Company's Annual Report on Form 10-K filed with the Securities Exchange Commission on March 1, 2007.

² Non-equity Incentive Plan Compensation reflects payments from our IBP made during 2007 which relate to 2006 operations. Further information about the IBP can be found in the text in the section titled Our Process for Setting Executive Compensation.

³ All Other Compensation represents contributions to each of our named executive officers of \$11,000 to our tax qualified profit sharing plan and term life insurance costs paid on behalf of certain named executive officers.

³ The exercise price of Class A and Class B option awards is the closing price of the Company's stock on the grant date with the exception of ISOs granted to Norman Schwartz and David Schwartz, which are priced at 110% of the closing price as required under the Internal Revenue Code due to their ownership interest in the Company.

PENSION BENEFITS				

Our named executive officers received no benefits in fiscal 2006 under defined pension or defined contribution plans.

NONQUALIFIED DEFINED CONTRIBUTION AND OTHER NONQUALIFIED DEFERRED COMPENSATION PLANS

We do not maintain any nonqualified deferred compensation plans.

POTENTIAL PAYMENTS ON TERMINATION OR CHANGE IN CONTROL

Aside from one provision in our 2003 Stock Option Plan and our company-wide severance program, which are discussed in the next paragraph, we do not provide any additional payments to named executive officers upon their resignation, termination, retirement or upon a change of control. Our named executive officers do not have employment agreements.

Our 2003 Stock Option Plan provides that in the event of a change of control, all option shares will become fully vested and may be immediately exercised by the person who holds the option. Our company-wide severance program is discretionary, and is typically used when we terminate an individual's employment in the normal course of business and the termination is not for cause.

DIRECTOR COMPENSATION

Our Board of Director compensation is established by the Chairman of the Board. Our Human Resources Department provides the Chairman of the Board with statistical information regarding board pay from one or more compensation surveys as well as a summary of board of director pay from our peer group (our method of determining our peer group is described in the section titled "Our Process for Setting Executive Compensation" above).

Employee Directors receive no additional compensation for Board service. Non-employee Directors who do not serve on the Audit Committee receive a cash payment of \$2,000 per month, and non-employee Directors who serve on the Audit Committee receive a cash payment of \$2,625 per month. If the full Board of Directors meets (either in person or by telephone) more than 16 times per year, non-employee Directors receive an additional cash payment of \$100 per meeting for each meeting in excess of 16. We pay no other types of meeting fees or committee service retainers to Board members. We do not reimburse any Board members for travel expenses relating to Board meetings. Our Directors received no benefits in fiscal 2006 under defined pension or defined contribution plans. We do not award equity to non-employee Directors. The level of Director compensation did not change during 2006.

The following table provides information about Director compensation during 2006 for those Directors who are not named executive officers.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of our Common Stock. Insiders are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) reports which they file.

To our knowledge, based solely upon our review of the copies of such reports furnished to us and written representations from certain insiders that no other reports were required, during the fiscal year ended December 31, 2006, all Section 16(a) filing requirements applicable to insiders were complied with.

II. RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

Our Board of Directors has selected Deloitte & Touche LLP, independent public accountants, to serve as our auditors for the fiscal year ending December 31, 2007. A representative of Deloitte & Touche LLP is expected to be present at the annual meeting of stockholders to make a statement if he or she desires to do so and to respond to appropriate questions.

Although we are not required to do so, we wish to provide our stockholders with the opportunity to express their opinion on the selection of auditors, and accordingly we are submitting a proposal to ratify the selection of Deloitte & Touche LLP. If our stockholders should fail to ratify this proposal, our Board of Directors will consider the selection of another auditing firm.

The Board of Directors recommends that you vote FOR ratification of Deloitte & Touche LLP to serve as our independent auditors for the fiscal year ending December 31, 2007.

III. APPROVAL OF THE BIO-RAD LABORATORIES, INC.

2007 INCENTIVE AWARD PLAN

Description of the Plan

General

The Board of Directors (the Board) has adopted, subject to stockholder approval, the Bio-Rad Laboratories, Inc. 2007 Incentive Award Plan (the 2007 Plan) for employees of the Company and its subsidiaries. The 2007 Plan will become effective when the 2007 Plan is approved by the affirmative vote of the holders of the majority of our Common Stock present, or represented, and entitled to vote thereon at our annual meeting of stockholders.

The Board believes that the 2007 Plan will promote the success and enhance the value of the Company by continuing to link the personal interest of participants to those of Company stockholders and by providing participants with an incentive for outstanding performance.

The 2007 Plan provides for the grant of stock options, both incentive stock options and nonqualified stock options, restricted stock, stock appreciation rights, performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, other stock-based awards, and performance-based awards to eligible individuals. A summary of the principal provisions of the 2007 Plan is set forth below. The summary is qualified by reference to the full text of the 2007 Plan, which is attached as Annex A to this proxy statement.

Administration

The 2007 Plan will be administered by the Board. The Board may delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend awards to participants other than senior executives of the Company who are subject to Section 16 of the Securities and Exchange Act of 1934, as amended (the Exchange Act) or employees who are covered employees within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder (the Code).

The Board will have the exclusive authority to administer the 2007 Plan, including the power to determine eligibility, the types and sizes of awards, the price and timing of awards and the acceleration or waiver of any vesting restriction.

Eligibility

Persons eligible to participate in the 2007 Plan include approximately 750 employees of the Company and its subsidiaries, as determined by the Board.

Limitation on Awards and Shares Available

An aggregate of 826,000 shares of Common Stock is available for grant pursuant to the 2007 Plan, plus the number of shares of Common Stock which are or become available for issuance under the 2003 Stock Option Plan of Bio-Rad Laboratories, Inc., which are not thereafter issued under such plan. As of February 26, 2007, an aggregate of 1,650,360 shares of Common Stock would have been available for grant pursuant to the 2007 Plan, including shares related to the 2003 Stock Option Plan of Bio-Rad Laboratories, Inc. The payment of dividend equivalents in conjunction with outstanding awards will not be counted against the shares available for issuance under the 2007 Plan. The shares of Common Stock covered by the 2007 Plan may be treasury shares, authorized but unissued shares, or shares purchased in the open market. To the extent that an award terminates, expires or lapses for any reason, any shares subject to the award may be used again for new grants under the 2007 Plan. In addition, shares tendered or withheld to satisfy the grant or exercise price or tax withholding obligation may be used for

grants under the 2007 Plan. To the extent permitted by applicable law or any exchange rule, shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any of its subsidiaries will not be counted against the shares available for issuance under the 2007 Plan. The maximum number of shares of Common Stock that may be subject to one or more awards granted to any one participant pursuant to the 2007 Plan during any calendar year is 225,000 and the maximum amount that may be paid in cash during any calendar year with respect to any performance-based award is \$3,000,000. As of February 26, 2007, the record date, the closing price of the Common Stock on the Amex was \$75.74 per share. From January 1, 2007 through February 26, 2007, 117,465 shares of Common Stock have been acquired by our employees pursuant to exercises of outstanding stock options.

Awards

The 2007 Plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock, stock appreciation rights, performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, other stock-based awards, and performance-based awards. No determination has been made as to the types or amounts of awards that will be granted to specific individuals pursuant to the 2007 Plan. See the Summary Compensation Table and Grants of Plan-based Awards Table above for information on prior awards to named executive officers.

Stock options, including incentive stock options, as defined under Section 422 of the Code, and nonqualified stock options may be granted pursuant to the 2007 Plan. The option exercise price of all stock options granted pursuant to the 2007 Plan will not be less than 100% of the fair market value of the Common Stock on the date of grant. Stock options may be exercised as determined by the Board, but in no event after the tenth anniversary date of grant, provided that a vested nonqualified stock option may be exercised up to 12 months after the optionee's death. The aggregate fair market value of the shares with respect to which options intended to be incentive stock options are exercisable for the first time by an employee in any calendar year may not exceed \$100,000, or such other amount as the Code provides. No stock option may be exercised in whole or in part following an employee's termination of employment by the Company for cause, as defined in the 2007 Plan.

Upon the exercise of a stock option, the purchase price must be paid in full in either cash or its equivalent, by delivering a promissory note bearing interest at no less than such rate as shall then preclude the imputation of interest under the Code, or by tendering previously acquired shares of Common Stock with a fair market value at the time of exercise equal to the exercise price (provided such shares have been held for such period of time as may be required by the Board in order to avoid adverse accounting consequences and have a fair market value on the date of delivery equal to the aggregate exercise price of the option or exercised portion thereof) or other property acceptable to the Board (including through the delivery of a notice that the participant has placed a market sell order with a broker with respect to shares then issuable upon exercise of the option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the option exercise price, provided that payment of such proceeds is then made to the Company upon settlement of such sale). However, no participant who is a member of the Board or an executive officer of the Company within the meaning of Section 13(k) of the Exchange Act will be permitted to pay the exercise price of an option in any method which would violate Section 13(k) of the Exchange Act.

Restricted stock may be granted pursuant to the 2007 Plan. A restricted stock award is the grant of shares of Common Stock at a price determined by the Board (including zero), that is nontransferable and may be subject to substantial risk of forfeiture until specific conditions are met. Conditions may be based on continuing employment or achieving performance goals. During the period of restriction, participants holding shares of restricted stock may have full voting and dividend rights with respect to such shares. The restrictions will lapse in accordance with a schedule or other conditions determined by the Board.

A stock appreciation right (a SAR) is the right to receive payment of an amount equal to the excess of the fair market value of a share of Common Stock on the date of exercise of the SAR over the fair market value of a share of Common Stock on the date of grant of the SAR.

The other types of awards that may be granted under the 2007 Plan include performance shares, performance stock units, dividend equivalents, deferred stock, restricted stock units, and other stock-based awards.

The Board may grant awards to employees who are or may be covered employees, as defined in Section 162(m) of the Code, that are intended to be performance-based awards within the meaning of Section 162(m) of the Code in order to preserve the deductibility of these awards for federal income tax. Participants are only entitled to receive payment for a performance-based award for any given performance period to the extent that pre-established performance goals set by the Board for the period are satisfied. These pre-established performance goals must be based on one or more of the following performance criteria: net income, pre-tax income, operating income, cash flow (including, but not limited to, operating cash flow and free cash flow), earnings per share, return on equity, return on invested capital or assets, cost reductions or savings, funds from operations, appreciation in the fair market value of Common Stock and earnings before any one or more of the following items: interest, taxes, depreciation or amortization. The Board shall define in an objective fashion the manner of calculating the performance criteria it selects to use for such awards. These performance criteria may be measured in absolute terms or as compared to any incremental increase or as compared to results of a peer group. With regard to a particular performance period, the Board shall have the discretion to select the length of the performance period, the type of performance-based awards to be granted, and the goals that will be used to measure the performance for the period. In determining the actual size of an individual performance-based award for a performance period, the Board may reduce or eliminate (but not increase) the award. Generally, a participant will have to be employed on the date the performance-based award is paid to be eligible for a performance-based award for any period.

Amendment and Termination

The Board may terminate, amend, or modify the 2007 Plan at any time; provided, however, that stockholder approval will be obtained for any amendment to the extent necessary and desirable to comply with any applicable law, regulation or stock exchange rule, to increase the number of shares available under the 2007 Plan, to permit the Board to grant options with a price below fair market value on the date of grant, or to extend the exercise period for an option beyond ten years from the date of grant. In addition, absent stockholder approval, no option may be amended to reduce the per share exercise price of the shares subject to such option below the per share exercise price as of the date the option was granted and, except to the extent permitted by the 2007 Plan in connection with certain changes in capital structure, no option may be granted in exchange for, or in connection with, the cancellation or surrender of an option having a higher per share exercise price.

In no event may an award be granted pursuant to the 2007 Plan on or after the tenth anniversary of the date the stockholders approve the 2007 Plan.

Federal Income Tax Consequences

With respect to nonqualified stock options, the Company is generally entitled to deduct and the optionee recognizes taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. A participant receiving incentive stock options will not recognize taxable income upon grant. Additionally, if applicable holding period requirements are met, the participant will not recognize taxable income at the time of exercise. However, the excess of the fair market value of the Common Stock received over the option price is an item of tax preference income potentially subject to the alternative minimum tax. If stock acquired upon exercise of an incentive stock option is held for a minimum of two years from the date of grant and one year from the date of exercise, the gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition of the stock will be treated as a long-term capital gain or loss, and the Company will not be entitled to any deduction. If the holding period requirements are not met, the incentive stock option will be treated as one which does not meet the requirements of the Code for incentive stock options and the tax consequences described for nonqualified stock options will apply.

The current federal income tax consequences of other awards authorized under the 2007 Plan generally follow certain basic patterns: SARs are taxed and deductible in substantially the same manner as nonqualified stock options; nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid, if any, only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); stock-based performance awards, dividend equivalents and other types of awards are generally subject to tax at the time of payment. Compensation otherwise effectively deferred is taxed when paid. In each of the foregoing cases, the Company will generally have a corresponding deduction at the time the participant recognizes income, subject to Code Section 162(m) with respect to covered employees.

New Plan Benefits

No awards will be granted pursuant to the 2007 Plan until it is approved by the Company's stockholders. In addition, awards are subject to the discretion of the Board. Therefore, it is not possible to determine the benefits that will be received in the future by participants in the 2007 Plan or the benefits that would have been received by such participants if the 2007 Plan had been in effect in the year ended December 31, 2006.

The Board of Directors recommends a vote For the approval of the Bio-Rad Laboratories, Inc. 2007 Incentive Award Plan.

No Eligible Individual shall have any right to be granted an Award pursuant to this Plan.

4.3 *Foreign Participants.* Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company and its Subsidiaries operate or have Eligible Individuals, the Board, in its sole discretion, shall have the power and authority to: (i) determine which Subsidiaries shall be covered by the Plan; (ii) determine which Eligible Individuals outside the United States are eligible to participate in the Plan; (iii) modify the terms and conditions of any Award granted to Eligible Individuals outside the United States to comply with applicable foreign laws; (iv) establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable (any such subplans and/or modifications shall be attached to this Plan as appendices); *provided, however*, that no such subplans and/or modifications shall increase the share limitations contained in Sections 3.1 and 3.3 of the Plan; and (v) take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local governmental regulatory exemptions or approvals. Notwithstanding the foregoing, the Board may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act, the Code, any securities law or governing statute or any other applicable law.

ARTICLE 5.

STOCK OPTIONS

5.1 *General.* The Board is authorized to grant Options to Participants on the following terms and conditions:

(a) *Exercise Price.* The exercise price per share of Stock subject to an Option shall be determined by the Board and set forth in the Award Agreement; *provided*, that, subject to Section 5.2(d), the exercise price for any Option shall not be less than 100% of the Fair Market Value of a share of Stock on the date of grant.

(b) *Time and Conditions of Exercise.* The Board shall determine the time or times at which an Option may be exercised in whole or in part; *provided* that the term of any Option granted under the Plan shall not exceed ten years. Except as otherwise determined by the Board and set forth in the Award Agreement, no Option may be exercised in whole or in part following the Participant's termination of employment by the Company for Cause. The Board shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised.

(c) *Payment.* The Board shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation: (i) cash, (ii) shares of Stock held for such period of time as may be required by the Board in order to avoid adverse accounting consequences and having a Fair Market Value on the date of delivery equal to the aggregate exercise price of the Option or exercised portion thereof, or (iii) other property acceptable to the Board (including through the delivery of a notice that the Participant has placed a market sell order with a broker with respect to shares of Stock then issuable upon exercise of the Option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the Option exercise price; *provided* that payment of such proceeds is then made to the Company upon settlement of such sale). The Board shall also determine the methods by which shares of Stock shall be delivered or deemed to be delivered to Participants. Notwithstanding any other provision of the Plan to the contrary, after the Public Trading Date, no Participant who is a member of the Board or an executive officer of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to pay the exercise price of an Option, or continue any extension of credit with respect to the exercise price of an Option with a loan from the Company or a loan arranged by the Company in violation of Section 13(k) of the Exchange Act.

(d) *Evidence of Grant.* All Options shall be evidenced by an Award Agreement between the Company and the Participant. The Award Agreement shall include such additional provisions as may be specified by the Board.

5.2 Incentive Stock Options. Incentive Stock Options shall be granted only to Employees and the terms of any Incentive Stock Options granted pursuant to the Plan, in addition to the requirements of Section 5.1, must comply with the provisions of this Section 5.2.

(a) *Expiration.* Subject to Section 5.2(c), an Incentive Stock Option shall expire and may not be exercised to any extent by anyone after the first to occur of the following events:

(i) Ten years from the date it is granted, unless an earlier time is set in the Award Agreement;

(ii) The Participant's termination of employment by the Company for Cause;

(iii) 30 days after the Participant's termination of employment as an Employee for any reason other than on account of death; and

(iv) One year after the date of the Participant's termination of employment or service on account of death. Upon the Participant's death, any Incentive Stock Options exercisable at the Participant's death may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so pursuant to the Participant's last will and testament, or, if the Participant fails to make testamentary disposition of such Incentive Stock Option or dies intestate, by the person or persons entitled to receive the Incentive Stock Option pursuant to the applicable laws of descent and distribution.

(b) *Dollar Limitation.* The aggregate Fair Market Value (determined as of the time the Option is granted) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000 or such other limitation as imposed by Section 422(d) of the Code, or any successor provision. To the extent that Incentive Stock Options are first exercisable by a Participant in excess of such limitation, the excess shall be considered Non-Qualified Stock Options.

(c) *Ten Percent Owners.* An Incentive Stock Option shall be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of Stock of the Company only if such Option is granted at a price that is not less than 110% of Fair Market Value on the date of grant and the Option is exercisable for no more than five years from the date of grant.

(d) *Notice of Disposition.* The Participant shall give the Company prompt notice of any disposition of shares of Stock acquired by exercise of an Incentive Stock Option within (i) two years from the date of grant of such Incentive Stock Option or (ii) one year after the transfer of such shares of Stock to the Participant.

(e) *Right to Exercise.* During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant.

(f) *Failure to Meet Requirements.* Any Option (or portion thereof) purported to be an Incentive Stock Option, which, for any reason, fails to meet the requirements of Section 422 of the Code shall be considered a Non-Qualified Stock Option.

ARTICLE 6.

RESTRICTED STOCK AWARDS

6.1 *Grant of Restricted Stock.* The Board is authorized to make Awards of Restricted Stock to any Participant selected by the Board in such amounts and subject to such terms and conditions as determined by the Board. All Awards of Restricted Stock shall be evidenced by an Award Agreement.

6.2 *Issuance and Restrictions.* Restricted Stock shall be subject to such restrictions on transferability and other restrictions as the Board may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Board determines at the time of the grant of the Award or thereafter.

6.3 *Forfeiture.* Except as otherwise determined by the Board at the time of the grant of the Award or thereafter, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited; *provided, however,* that the Board may (a) provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and (b) in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

6.4 *Certificates for Restricted Stock.* Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Board shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company may, at its discretion, retain physical possession of the certificate until such time as all applicable restrictions lapse.

ARTICLE 7.

STOCK APPRECIATION RIGHTS

7.1 Grant of Stock Appreciation Rights.

(a) A Stock Appreciation Right may be granted to any Participant selected by the Board. A Stock Appreciation Right shall be subject to such terms and conditions not inconsistent with the Plan as the Board shall impose and shall be evidenced by an Award Agreement.

(b) A Stock Appreciation Right shall entitle the Participant (or other person entitled to exercise the Stock Appreciation Right pursuant to the Plan) to exercise all or a specified portion of the Stock Appreciation Right (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount equal to the product of (i) the excess of (A) the Fair Market Value of the Stock on the date the Stock Appreciation Right is exercised over (B) the Fair Market Value of the Stock on the date the Stock Appreciation Right was granted and (ii) the number of shares of Stock with respect to which the Stock Appreciation Right is exercised, subject to any limitations the Board may impose.

7.2 Payment and Limitations on Exercise.

(a) Subject to Section 7.2(b), payment of the amounts determined under Sections 7.1(b) above shall be in cash, in Stock (based on its Fair Market Value as of the date the Stock Appreciation Right is exercised) or a combination of both, as determined by the Board in the Award Agreement.

(b) To the extent any payment under Section 7.1(b) is effected in Stock, it shall be made subject to satisfaction of all provisions of Article 5 above pertaining to Options.

ARTICLE 8.

OTHER TYPES OF AWARDS

8.1 *Performance Share Awards.* Any Participant selected by the Board may be granted one or more Performance Share awards which shall be denominated in a number of shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Board, in each case on a specified date or dates or over any period or periods determined by the Board. In making such determinations, the Board shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.2 *Performance Stock Units.* Any Participant selected by the Board may be granted one or more Performance Stock Unit awards which shall be denominated in unit equivalent of shares of Stock and/or units of value including dollar value of shares of Stock and which may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by the Board, in each case on a specified date or dates or over any period or periods determined by the Board. In making such determinations, the Board shall consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation of the particular Participant.

8.3 *Dividend Equivalents.*

(a) Any Participant selected by the Board may be granted Dividend Equivalents based on the dividends declared on the shares of Stock that are subject to any Award, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Board. Such Dividend Equivalents shall be converted to cash or additional shares of Stock by such formula and at such time and subject to such limitations as may be determined by the Board.

(b) Dividend Equivalents granted with respect to Options or SARs that are intended to be Qualified Performance-Based Compensation shall be payable, with respect to pre-exercise periods, regardless of whether such Option or SAR is subsequently exercised.

8.4 *Stock Payments.* Any Participant selected by the Board may receive Stock Payments in the manner determined from time to time by the Board. The number of shares shall be determined by the Board and may be based upon the Performance Criteria or other specific performance criteria determined appropriate by the Board, determined on the date such Stock Payment is made or on any date thereafter.

8.5 *Deferred Stock.* Any Participant selected by the Board may be granted an award of Deferred Stock in the manner determined from time to time by the Board. The number of shares of Deferred Stock shall be determined by the Board and may be linked to the Performance Criteria or other specific performance criteria determined to be appropriate by the Board, in each case on a specified date or dates or over any period or periods determined by the Board. Stock underlying a Deferred Stock award will not be issued until the Deferred Stock award has vested, pursuant to a vesting schedule or performance criteria set by the Board. Unless otherwise provided by the Board, a Participant awarded Deferred Stock shall have no rights as a Company stockholder with respect to such Deferred Stock until such time as the Deferred Stock Award has vested and the Stock underlying the Deferred Stock Award has been issued.

8.6 *Restricted Stock Units.* The Board is authorized to make Awards of Restricted Stock Units to any Participant selected by the Board in such amounts and subject to such terms and conditions as determined by the Board. At the time of grant, the Board shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. At the time of grant, the Board shall specify the maturity date applicable to each grant of Restricted Stock Units which shall be no earlier than the vesting date or dates of the Award and may be determined at the election of the grantee. On the maturity date, the Company shall, subject to Section 10.5(b), transfer to the Participant one unrestricted, fully transferable share of Stock for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited.

8.7 *Performance Bonus Awards.* Any Participant selected by the Board may be granted one or more Performance-Based Awards in the form of a cash bonus (a *Performance Bonus Award*) payable upon the attainment of Performance Goals that are established by the Board and relate to one or more of the Performance Criteria, in each case on a specified date or dates or over any period or periods determined by the Board. Any such Performance Bonus Award paid to a Covered Employee shall be based upon objectively determinable bonus formulas established in accordance with Article 9.

8.8 *Term.* Except as otherwise provided herein, the term of any Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock or Restricted Stock Units shall be set by the Board in its discretion.

8.9 *Exercise or Purchase Price.* The Board may establish the exercise or purchase price, if any, of any Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Payments or Restricted Stock Units; *provided, however*, that such price shall not be less than the par value of a share of Stock on the date of grant, unless otherwise permitted by applicable state law.

8.10 *Exercise upon Termination of Employment or Service.* An Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Deferred Stock, Stock Payments and Restricted Stock Units shall only be exercisable or payable while the Participant is an Employee; *provided, however*, that the Board in its sole and absolute discretion may provide that an Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock or Restricted Stock Units may be exercised or paid subsequent to a termination of employment or service, as applicable, or following a Change in Control of the Company, or because of the Participant's retirement, death or disability, or otherwise; *provided, however*, that any such provision with respect to Performance Shares or Performance Stock Units shall be subject to the requirements of Section 162(m) of the Code that apply to Qualified Performance-Based Compensation.

8.11 *Form of Payment.* Payments with respect to any Awards granted under this Article 8 shall be made in cash, in Stock or a combination of both, as determined by the Board.

8.12 *Award Agreement.* All Awards under this Article 8 shall be subject to such additional terms and conditions as determined by the Board and shall be evidenced by an Award Agreement.

ARTICLE 9.

PERFORMANCE-BASED AWARDS

9.1 *Purpose.* The purpose of this Article 9 is to provide the Board the ability to qualify Awards other than Options and SARs and that are granted pursuant to Articles 6 and 8 as Qualified Performance-Based Compensation. If the Board, in its discretion, decides to grant a Performance-Based Award to a Covered Employee, the provisions of this Article 9 shall control over any contrary provision contained in Articles 6 or 8; *provided, however*, that the Board may in its discretion grant Awards to Covered Employees that are based on Performance Criteria or Performance Goals but that do not satisfy the requirements of this Article 9.

9.2 *Applicability.* This Article 9 shall apply only to those Covered Employees selected by the Board to receive Performance-Based Awards. The designation of a Covered Employee as a Participant for a Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

9.3 *Procedures with Respect to Performance-Based Awards.* To the extent necessary to comply with the Qualified Performance-Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under Articles 6 or 8 which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Board shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Board shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Board shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Board may deem relevant to the assessment of individual or corporate performance for the Performance Period.

9.4 *Payment of Performance-Based Awards.* Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or a Subsidiary on the day a Performance-Based Award for such Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved. In determining the amount earned under a Performance-Based Award, the Board may reduce or eliminate the amount of the Performance-Based Award earned for the Performance Period, if in its sole and absolute discretion, such reduction or elimination is appropriate.

9.5 *Additional Limitations.* Notwithstanding any other provision of the Plan, any Award which is granted to a Covered Employee and is intended to constitute Qualified Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 10.

PROVISIONS APPLICABLE TO AWARDS

10.1 *Stand-Alone and Tandem Awards.* Awards granted pursuant to the Plan may, in the discretion of the Board, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

10.2 *Award Agreement.* Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.

10.3 *Limits on Transfer.* No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or a Subsidiary. Except as otherwise provided by the Board, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution. The Board by express provision in the Award or an amendment thereto may permit an Award (other than an Incentive Stock Option) to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Board, pursuant to such conditions and procedures as the Board may establish. Any permitted transfer shall be subject to the condition that the Board receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a blind trust in connection with the Participant's termination of employment or service with the Company or a Subsidiary to assume a position with a governmental, charitable, educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities.

10.4 *Beneficiaries.* Notwithstanding Section 10.3, a Participant may, in the manner determined by the Board, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Board. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Board.

10.5 *Stock Certificates; Book Entry Procedures.*

(a) Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Board deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Board may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Board shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Board.

(b) Notwithstanding any other provision of the Plan, unless otherwise determined by the Board or required by any applicable law, rule or regulation, the Company shall not deliver to any Participant certificates evidencing shares of Stock issued in connection with any Award and instead such shares of Stock shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

10.6 *Paperless Exercise*. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless exercise of Awards by a Participant may be permitted through the use of such an automated system.

ARTICLE 11. CHANGES IN CAPITAL STRUCTURE

11.1 *Adjustments*.

(a) In the event of any combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Stock or the share price of the Stock other than an Equity Restructuring, the Board shall make such proportionate adjustments, if any, as the Board in its discretion may deem appropriate to reflect such change with respect to (a) the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3); (b) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (c) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 11.1 or any unusual or nonrecurring transactions or events affecting the Company, any affiliate of the Company, or the financial statements of the Company or any affiliate, or of changes in applicable laws, regulations or accounting principles, the Board, in its sole and absolute discretion, and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Board determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 11.1 the Board determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Board in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(iii) To make adjustments in the number and type of shares of Common Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future;

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

(c) In connection with the occurrence of any Equity Restructuring, and notwithstanding anything to the contrary in Sections 11.1(a) and 11.1(b)

(i) The number and type of securities subject to each outstanding Award and the exercise price or grant price thereof, if applicable, will be proportionately adjusted. The adjustments provided under this Section 11.1(c)(i) shall be nondiscretionary and shall be final and binding on the affected Holder and the Company.

(ii) The Board shall make such proportionate adjustments, if any, as the Board in its discretion may deem appropriate to reflect such Equity Restructuring with respect to the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Section 3.1 and the Award Limit).

11.2 Acceleration Upon a Change in Control. Notwithstanding Section 11.1, and except as may otherwise be provided in any applicable Award Agreement or other written agreement entered into between the Company and a Participant, if a Change in Control occurs, then immediately prior to the Change in Control such Awards shall become fully exercisable and all forfeiture restrictions on such Awards shall lapse. Upon, or in anticipation of, a Change in Control, the Board may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Board, in its sole and absolute discretion, shall determine. In the event that the terms of any agreement between the Company or any Company subsidiary or affiliate and a Participant contains provisions that conflict with and are more restrictive than the provisions of this Section 11.2, this Section 11.2 shall prevail and control and the more restrictive terms of such agreement (and only such terms) shall be of no force or effect.

11.3 No Other Rights. Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Board under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the grant or exercise price of any Award.

ARTICLE 12.

ADMINISTRATION

12.1 Committee. The Plan shall be administered by the full Board, unless and until the Board delegates administration of the Plan to a Committee as set forth below. The Board, at its discretion or as otherwise necessary to comply with the requirements of Section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or to the extent required by any other applicable rule or regulation, may delegate administration of the Plan to a Committee. Unless otherwise determined by the Board, the Committee shall consist solely of two or more members of the Board each of whom is an outside director, within the meaning of Section 162(m) of the Code, provided that any action taken by the Committee shall be valid and effective, whether or not members of the Committee at the time such action are later determined not to have satisfied the requirements for membership set forth in this Section 12.1 or otherwise provided in the charter of the Committee. The governance of the Committee shall be established by the Board and subject to any charter of the Committee approved by the Board.

- (i) Interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement; and
- (j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Board deems necessary or advisable to administer the Plan.

12.3 *Decisions Binding.* The Board's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Board with respect to the Plan are final, binding, and conclusive on all parties.

12.4 *Delegation of Authority.* To the extent permitted by applicable law, the Board may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) senior executives of the Company who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Board specifies at the time of such delegation, and the Board may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 12.4 shall serve in such capacity at the pleasure of the Board.

ARTICLE 13.

13.1 *Effective Date.* The Plan is effective as of the date the Plan is approved by the Company's stockholders (the *Effective Date*). ARTICLE 14.

AMENDMENT, MODIFICATION, AND TERMINATION

14.1 *Amendment, Modification, and Termination.* Subject to Section 15.14, at any time and from time to time, the Board may terminate, amend or modify the Plan; *provided, however,* that (a) to the extent necessary and desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval is required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Article 11, (ii) permits the Board to grant Options with an exercise price that is below Fair Market Value on the date of grant, or (iii) permits the Board to extend the exercise period for an Option beyond ten years from the date of grant. 14.2 *Awards Previously Granted.* Except with respect to amendments made pursuant to Section 15.14, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 15.

GENERAL PROVISIONS

15.1 *No Rights to Awards.* No Eligible Individual or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Board is obligated to treat Eligible Individuals, Participants or any other persons uniformly.

15.2 *No Stockholders Rights.* Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to shares of Stock covered by any Award until the Participant becomes the record owner of such shares of Stock.

15.3 *Withholding.* The Company or any Subsidiary shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Participant's employment tax obligations) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. The Board may in its discretion and in satisfaction of the foregoing requirement allow a Participant to elect to have the Company withhold shares of Stock otherwise issuable under an Award (or allow the return of shares of Stock) having a Fair Market Value equal to the sums required to be withheld. Notwithstanding any other provision of the Plan, the number of shares of Stock which may be withheld with respect to the issuance, vesting, exercise or payment of any Award (or which may be repurchased from the Participant of such Award within six months (or such other period as may be determined by the Board) after such shares of Stock were acquired by the Participant from the Company) in order to satisfy the Participant's federal, state, local and foreign income and payroll tax liabilities with respect to the issuance, vesting, exercise or payment of the Award shall be limited to the number of shares which have a Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income.

15.4 *No Right to Employment or Services.* Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment or

services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company or any Subsidiary.

15.5 *Unfunded Status of Awards.* The Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company or any Subsidiary.

15.6 *Indemnification.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

15.7 *Relationship to other Benefits.* No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

15.8 *Expenses.* The expenses of administering the Plan shall be borne by the Company and its Subsidiaries.

15.9 *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

15.10 *Fractional Shares.* No fractional shares of Stock shall be issued and the Board shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.11 *Limitations Applicable to Section 16 Persons.* Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 under the Exchange Act) that are requirements for the application of such exemptive rule. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

15.12 *Government and Other Regulations.* The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register pursuant to the Securities Act, as amended, any of the shares of Stock paid pursuant to the Plan. If the shares paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act, as amended, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

15.13 *Governing Law.* The Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the State of Delaware.

15.14 *Section 409A*. To the extent that the Board determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that following the Effective Date the Board determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Effective Date), the Board may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Board determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under such Section.
