GENERAL MANDATES TO ISSUE AND PURCHASE SHARES

At the annual general meeting of the Company held on 30th May, 2006, the shareholders of the Company passed resolutions granting general mandates to the Directors to issue and purchase Shares. These general mandates will lapse at the conclusion of the AGM. Resolutions will therefore be proposed at the AGM to renew the grant of these general mandates. The relevant resolutions, in summary, are:

an ordinary resolution to give the Directors a general and unconditional mandate to exercise all the powers of the Company to purchase an amount of Shares not exceeding 10% of the Company's issued share capital as at the date of the resolution, for the period until the conclusion of the next annual general meeting of the Company (or such earlier period as stated in the resolution); and

conditional on the passing of the resolutions to grant the New Issue Mandate and the Repurchase Mandate, an ordinary resolution to authorize the Directors to exercise the powers to allot, issue, grant, distribute and otherwise deal with additional Shares under the New Issue Mandate in respect of the aggregate nominal amount of share capital in the Company purchased by the Company.

As at the Latest Practicable Date, the Company had in issue an aggregate of 18,474,894,972 Shares. Subject to the passing of resolution no. 4 in relation to the New Issue Mandate and in accordance with the terms therein, the Company would be allowed to issue additional Shares of up to the aggregate amount of a maximum of 3,694,978,994 Shares, representing 20% of the existing issued share capital of the Company, on the basis that no further Shares will be issued or repurchased prior to the AGM. As of 31st December, 2006, there is an outstanding warrant to purchase 359,300 ordinary shares which was granted in connection with an intellectual property development license agreement entered into by the Company in 2003 with a service provider and an outstanding warrant to purchase 833,334 ordinary shares which was granted in connection with a technology license transfer agreement entered into by the Company in 2002 with a strategic partner. The full text of these (and other) resolutions is set out in the Notice. In addition, and as required under the Listing Rules, an explanatory statement providing the requisite information regarding the Repurchase Mandate is set out in Appendix I to this circular.

LETTER FROM THE PRESIDENT

PROCEDURE BY WHICH A POLL MAY BE DEMANDED

Under the Articles of Association, at any general meeting, on a show of hands every shareholder present in person shall have one vote and on a poll every shareholder present in person or by proxy shall have one vote for every Share he holds. Subject to the Listing Rules, a resolution put to the vote of a meeting shall be decided on a show of hands unless a poll is demanded when, or before, the chairman of the meeting declares the result of the show of hands. A poll may be demanded by:

the chairman of the meeting;

at least five shareholders present at the meeting in person or by proxy who are entitled to vote; or

one or more shareholders present at the meeting (including proxies) who are (or represent shareholders who are) entitled to vote and who have between them at least 10% of the total votes of all shareholders who have the right to attend and vote at the meeting.

A form of proxy for the AGM is enclosed with this circular. Whether or not you intend to be present at the AGM, you are requested to complete the form of proxy and return it to the share registrar of the Company, Computershare Hong Kong Investor Services Limited, at Hopewell Centre, Rooms 1806-1807, 18th Floor, 183 Queen's Road East, Wanchai, Hong Kong in accordance with the instructions printed thereon not less than 48 hours before the time fixed for the AGM. The completion of a form of proxy will not preclude you from attending and voting at the AGM in person.

RECOMMENDATION

The Directors are of the opinion that the proposed resolutions set out in the Notice are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors recommend shareholders to vote in favour of the proposed resolutions.

Yours faithfully,
On behalf of the Board of Directors
Richard R. Chang
President and Chief Executive Officer

APPENDIX I

EXPLANATORY STATEMENT

This is an explanatory statement given to all shareholders of the Company relating to a resolution (the Resolution) to be considered, and if thought fit, passed by shareholders of the Company at the AGM authorizing the Repurchase Mandate.

LISTING RULES

This explanatory statement contains the information required by the Listing Rules, which provide that all repurchases of securities by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a general mandate to the directors of the Company to make such repurchases or by specific approval in relation to specific transactions.

Any repurchase would be made out of funds which are legally available for the purpose in accordance with the Company's constitutive documents and the applicable laws and regulations of the Cayman Islands.

It is proposed that the Repurchase Mandate will authorize the repurchase by the Company of up to 10% of the Shares in issue as at the date of passing the Resolution. As at the Latest Practicable Date, being the latest practicable date for determining such figure before the printing of this document, the authorized share capital of the Company is US\$22,000,000 consisting of 50,000,000,000 Shares, each with a par value of US\$0.0004 per Share and 5,000,000,000 undesignated preference shares, each with a par value of US\$0.0004 per Share and the number of Shares in issue was 18,474,894,972, representing a paid-up share capital of US\$7,389,957.98. On the basis of the 18,474,894,972 Shares in issue (and assuming no Shares will be issued or repurchased after the Latest Practicable Date and up to the date of passing the Resolution), the Company would be authorized under the Repurchase Mandate to repurchase a maximum of 1,847,489,497 Shares (being 10% of the Shares in issue) during the period in which the Repurchase Mandate remains in force. Any Shares repurchased pursuant to the Repurchase Mandate must be fully paid-up.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its shareholders to have a general authority from shareholders to enable the Directors to purchase Shares on the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings (in each case on a per Share basis) and will only be made when the Directors believe that such repurchases will benefit the Company and its shareholders.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the 2006 Annual Report) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing level which in the opinion of the Directors is from time to time appropriate for the Company.

**APPENDIX I
DISCLOSURE OF INTERESTS****EXPLANATORY STATEMENT**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their Associates has any present intention, in the event that the Repurchase Mandate is approved by shareholders of the Company, to sell Shares to the Company.

No connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to sell any of the Shares held by him to the Company, in the event that the Repurchase Mandate is authorized.

UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws and regulations of the Cayman Islands.

EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of securities of the Company, the proportionate interest in the voting rights of the Company of a shareholder increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a shareholder, or a group of shareholders acting in concert, depending on the level of increase of the shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As recorded in the register kept by the Company under Section 336 of the SFO as at the Latest Practicable Date, Shanghai Industrial Investment (Holdings) Company Limited (Shanghai Industrial) was directly and/or indirectly interested in an aggregate of 2,959,806,384 Shares in long position, representing approximately 16.02% of the issued share capital of the Company. Based on such interest and assuming that no further Shares are issued or repurchased prior to the AGM and in the event that the Directors exercise in full the power to repurchase securities of the Company under the proposed Repurchase Mandate, the interest of Shanghai Industrial will be increased to 17.8% (in long position) of the issued share capital of the Company. In this regard, as at the Latest Practicable Date, the Directors are not aware of the consequences of any increase in the voting rights of any existing shareholder resulting from an exercise in full by the Directors of the power to repurchase securities of the Company under the proposed Repurchase Mandate that will result in such person becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

APPENDIX I

EXPLANATORY STATEMENT

As at the Latest Practicable Date, 83.56% of the issued share capital of the Company was held in public hands. Based on such percentage of shareholding and assuming that no further Shares are issued or repurchased prior to the AGM and in the event that the Directors exercise in full the power to repurchase securities of the Company under the proposed Repurchase Mandate, 81.74% of the issued share capital of the Company will be held in public hands. The Directors have no present intention to exercise the proposed Repurchase Mandate to such extent as will result in less than 25% of the issued share capital of the Company being held in public hands.
