**US\$2,093.04**

- (1) Estimated for purposes of calculating the filing fee pursuant to Rule 0-11(d) under the Securities Exchange Act of 1934, as amended (the Exchange Act ) only. The Transaction Valuation was calculated assuming the purchase of all outstanding common shares, no par value, other than common shares owned directly or indirectly by the Filing Person, at a purchase price of R\$79.51 in cash per common share. As of September 12, 2008 there were 2,492,476 common shares outstanding, of which 1,292,679 common shares are owned directly or indirectly by the Filing Person. As a result, this calculation assumes the purchase of 1,199,797 outstanding common shares. The Transaction Value was calculated in Brazilian *reais* (R\$) and converted into U.S. dollars at the average of the bid and ask exchange rates published by the Brazilian Central Bank at the close of business on September 12, 2008 of US\$1.00=R\$1.7912.
- (2) The filing fee, calculated in accordance with Rule 0-11 of the Exchange Act and Fee Rate Advisory No. 6 for fiscal year 2008, is US\$39.30 per US\$1 million (prorated for amounts less than US\$1 million) of the aggregate

The following text is hereby added under the caption Section 1. Terms of the Tender Offer and Expiration Date on page 9 immediately before the caption Extension, Amendment and Termination :

***The Auction***

The common shares tendered in the tender offer will be purchased through an Auction on the BOVESPA. Under Brazilian regulations, the Auction is required to be conducted under the rules prescribed by the BOVESPA. These rules require that:

we submit a form of the *Edital* (Notice of Tender Offer) relating to the tender offer to the BOVESPA for its review, comment and approval; and

we submit to the BOVESPA the following documents which may be accessed by shareholders:

a list of all registered holders of the shares issued by TNCP as of a date within 10 days prior to the date on which we filed a form of the Notice of Tender Offer with the CVM; and

a *laudo de avaliação* (valuation report) prepared by the intermediary institution engaged with respect to the tender offer, a brokerage company, a distributor of securities, a financial institution with an investment portfolio and experience in preparing valuation reports, or a specialized company with experience in preparing valuation reports.

As part of the authorization process, we were permitted to request that the Auction be scheduled on a specific date. As part of the BOVESPA's authorization of the Auction, the BOVESPA specified:

the time and date on which brokers that wish to participate in the Auction must qualify to participate;

the time on the Auction Date by which sell orders for the common shares must be submitted through the Megabolsa, the electronic trading system of the BOVESPA;

the code to be used on the Megabolsa for submitting sell orders in the Auction; and

the time on the Auction Date at which the Auction will take place.

In connection with the Auction, we were required to engage an intermediary institution, which pursuant to Brazilian regulations must be a brokerage company, a distributor of securities, or a financial institution with an investment portfolio, to place buy orders on our behalf in the Auction and to guarantee our purchase of the common shares for which we place these buy orders.

On September 16, 2008, after obtaining the approval of the CVM and the BOVESPA, we published the Notice of Tender Offer in Valor Econômico as required by Brazilian regulations. Under Brazilian regulations, the Auction must occur no earlier than the 30th day and no later

Edgar Filing: TELE NORTE CELULAR PARTICIPACOES SA - Form SC TO-I/A

than the 45th day following the publication of the Notice of Tender Offer (or the following Brazilian business day if the 45th day is not a Brazilian business day).

The authorization granted by the BOVESPA provided that the Auction would occur at 1:00 p.m., Brasília time (12:00 noon, New York City time) on the Auction Date. Under the rules of the BOVESPA,

the Auction will take place through the Megabolsa. The Auction must follow the rules established by the BOVESPA, and each shareholder tendering its common shares in the Auction is required to comply with the requirements of the BOVESPA for trading shares on the BOVESPA.

In order to participate in the Auction, prior to 5:00 p.m. (Brasília Time) on the business day immediately preceding the Auction Date, shareholders who wish to participate in the Auction must qualify to do so, indicating to Credit Suisse (Brasil) S.A. Corretora de Títulos e Valores Mobiliários, the Brazilian intermediary institution, or any other brokerage company authorized to represent such holder the BOVESPA, the number of common shares such holder intends to tender in the tender offer. To qualify for the Auction, shareholders must observe the procedures required by the brokerage company for such registration.

Common shares held through the Transfer Agent are not registered at CBLC. A Holder of common shares held through the Transfer Agent should instruct its broker to request the transfer of its common shares to the custody of CBLC in order to enable the broker to tender the common shares in the Auction on its behalf. Settlement of transfers of common shares to the custody of CBLC occurs three Brazilian business days following the execution of the order to transfer. As a result, a holder must request this transfer no less than three Brazilian business days prior to the Expiration Date.

Sell orders from brokers tendering common shares on behalf of tendering shareholders, must be submitted no later than 12:00 noon, Brasília time (11:00 a.m., New York City time), on the Auction Date through the BOVESPA's Megabolsa electronic trading system using the code TNCP3L.

Under the rules of the BOVESPA, any holder of common shares may instruct its broker to withdraw its sell order at any time prior to the commencement of the Auction.

At the time of the Auction, Credit Suisse (Brasil) S.A. Corretora de Títulos e Valores Mobiliários, the Brazilian intermediary institution, will submit a buy order for a number of common shares equal to all common shares that are qualified for the Auction at the price set forth in this offer to purchase on our behalf through the BOVESPA's Megabolsa electronic trading system using the code TNCP3L. At the time of the Auction, unless a competing bid is made as described in The Tender Offer Section 2 Acceptance for Purchase and Purchase of Common Shares, the BOVESPA will match the buy order made on our behalf with the sell orders placed on behalf of holders of common shares as described above.

In accordance with CBLC rules, the financial settlement of the Auction through the payment of the purchase price for common shares purchased by us in the Auction will occur three business days after the Auction Date and payment of the purchase price will be made on that date through the CBLC's settlement system to each holder of common shares that were purchased in the Auction.
