Section 10.1 Indemnification by the Management Shareholder.

(a) From and after the Closing Date, the Management Shareholder (the **Indemnifying Selling Shareholder**), agrees to indemnify, defend and hold Buyer, its Affiliates (including the Company and its Affiliates) and their respective officers, directors, shareholders, employees, agents and representatives (the **Buyer Indemnified Persons**) harmless from and in respect of any and all losses, damages, loss profits and other losses resulting from any shutdown or curtailment of operations, costs, penalties, assessments, fines and expenses (including fees and expenses of counsel and other professional advisers) (collectively, **Losses**), arising out of or due to (i) any breach of any representation or warranty by the Warrantors and Selling Shareholders contained in Article III and Article IV of this Agreement, (ii) any breach of any covenant by the Seller Parties contained in this Agreement, or (iii) any Taxes of the Group Companies with respect to any Pre-Closing Tax Period except to the extent such Taxes are reflected (A) in the reserve for Tax liability (excluding any reserve for deferred Taxes established to reflect timing differences between book and Tax income) set forth on the Balance Sheet and (B) disclosed in Section 10.1(a) to the Disclosure Schedule as additional reserves for Tax liability for the period between the Balance Sheet Date and the date hereof.

(b) The representations, warranties, covenants and agreements of this Agreement shall survive the Closing for a period of eighteen (18) months after the Closing Date; provided that (i) the representations and warranties set forth in Section 3.1(a), Section 3.2 and Section 3.6 shall survive indefinitely and (ii) the representations and warranties set forth in Section 3.11 (Tax Matters), shall survive the Closing until thirty (30) days after the expiration of the applicable statute of limitations; provided, further, that any claim made by the party seeking to be indemnified shall survive until such time as such claim is finally and fully resolved so long as such claim is brought prior to the expiration of the applicable survival period set forth in this Section 10.1(b).

(c) Notwithstanding anything to the contrary contained in this Agreement: (i) with respect to the provisions of Section 10.1(a)(i), the Indemnifying Selling Shareholder shall not be liable for any claim for indemnification under Articles III and IV, unless and until the aggregate amount of indemnifiable Losses that may be recovered from the Indemnifying Selling Shareholders as a group under Articles III and IV equals or exceeds US\$450,000 (the **Basket**), after which the Indemnifying Selling Shareholder shall be liable for any Losses (including Losses up to the amount of the Basket), and (ii) the maximum amount of indemnifiable Losses that may be recovered from the Indemnifying Selling Shareholder under Articles III and IV shall be an amount equal to US\$20,000,000 (the **Cap**); provided, however, that the Basket and the Cap shall not apply (i) in the case of fraud or (ii) to inaccuracies in or breaches of any of the representations and warranties contained in Sections 3.1(a), 3.2, 3.6(a) and 3.11; provided, further, that the maximum amount of identifiable Losses that may be recovered from the Indemnifying Selling Shareholder (i) in the case of fraud, (ii) to inaccuracies in or breaches of any of the representations and warranties contained in Sections 3.1(a), 3.2, 3.6(a) and 3.11, or (iii) any other indemnification obligations of the Indemnifying Selling Shareholder under this Section 10.1 shall be 100% of the Closing Shares beneficially owned by the Management Shareholder as of the Closing Date.

(d) The rights of the Buyer Indemnified Persons under this Article X shall be the sole and exclusive remedy of the Buyer Indemnified Persons with respect to any and all Losses suffered by a Buyer Indemnified Person arising out of or resulting from this Agreement. Any claims under this Section 10.1 by a Buyer Indemnified Person shall be limited to a claim against the Indemnifying Selling Shareholder's RS Ordinary Shares; provided, however that such shareholder does not transfer or dispose of such shares in violation of this Agreement or the Lock-Up Agreement entered into by such shareholder. For the purposes of calculating the number of RS Ordinary Shares to be paid to satisfy any indemnity hereunder, each RS Ordinary Share shall be valued at an amount equal to one half of the volume weighted average closing price per ADS as reported on the NYSE (or, if the ADSs are not listed on the NYSE, any other exchange on which the ADSs are then listed or the over the counter market, as applicable) for the ten (10) trading days immediately preceding the payment of any such indemnity; provided, however, if the ADSs are not then publicly traded, the RS Ordinary Shares shall be valued at the fair market value as of the date of payment, as determined jointly by Buyer and the Indemnifying Selling Shareholder. For the avoidance of doubt, any payments by the Indemnifying Selling Shareholder to cover indemnifiable Losses under this Section 10.1 shall be solely limited to the RS Ordinary Shares beneficially owned by the Indemnifying Selling Shareholder.

Section 10.2 Indemnification by Buyer.

(a) From and after the Closing Date, Buyer agrees to indemnify, defend and hold the Selling Shareholders, their Affiliates and their respective officers, directors, shareholders, employees, agents and representatives (the **Seller Indemnified Persons**) harmless from and in respect of any and all Losses that they may incur arising out of or due to any breach of any representation, warranty, covenant or other agreement of Buyer contained in this Agreement provided that, with respect to all Losses indemnifiable pursuant to this paragraph (a) arising from any breach of any representation, warranty or covenant made by Buyer herein, (i) the Seller Indemnified Persons shall not be liable for any claim for indemnification, unless and until the aggregate amount of indemnifiable Losses that may be recovered from Buyer equals or exceeds the Basket, after which Buyer shall be liable only for any Losses (including Losses up to the amount of the Basket), and (ii) the maximum amount of indemnifiable Losses that may be recovered from Buyer shall be an amount equal to the Cap; provided, however, that the Basket and the Cap shall not apply (i) in the case of fraud or (ii) to inaccuracies in or breaches of any of the representations and warranties contained in Sections 5.1, 5.2 and 5.4; provided, further, that the maximum amount of identifiable Losses that may be recovered from Buyer (i) in the case of fraud, (ii) to inaccuracies in or breaches of any of the representations and warranties contained in Sections 5.1, 5.2 and 5.4, or (iii) any other indemnification obligations of Buyer under this Section 10.2, shall be the fair market value of 100% of the Closing Shares beneficially owned by the Management Shareholder as of the Closing Date.

(b) The representations, warranties, covenants and agreements of Buyer contained in this Agreement shall survive the Closing for a period of eighteen (18) months after the Closing; provided, that the representations and warranties set forth in Sections 5.1, 5.2 and 5.4 shall survive indefinitely; provided further, that any claim made by the party seeking to be indemnified shall survive until such time as such claim is finally and fully resolved so long as such claim is brought prior to the expiration of the applicable survival period set forth in this Section 10.2(b).

(c) The rights of the Seller Indemnified Persons under this Article X shall be the sole and exclusive remedy of the Seller Indemnified Persons with respect to any and all Losses suffered by a Seller Indemnified Person arising out of or resulting from this Agreement.

Section 10.3 Notice and Opportunity to Defend. If there occurs an event that a party asserts is an indemnifiable event pursuant to Section 10.1 and Section 10.2, the party or parties seeking indemnification shall notify the other party or parties obligated to provide indemnification (the **Indemnifying Party**) as soon as practicable after the party entitled to indemnification becomes aware of any fact, condition or event that may give rise to Losses for which indemnification may be sought under this Article X, provided that if a Buyer Indemnified Person is the indemnified party, such notice shall be delivered to the Sellers' Representative; provided, further, that the failure to provide prompt notice as provided herein will relieve the Indemnifying Party of its obligations hereunder only to the extent that such failure actually prejudices the Indemnifying Party hereunder. If such event involves any claim or the commencement of any action or proceeding by a third person, the party seeking indemnification will give such Indemnifying Party prompt written notice of such claim or the commencement of such action or proceeding; provided that the failure to provide prompt notice as provided herein will relieve the Indemnifying Party of its obligations hereunder only to the extent that such failure actually prejudices the Indemnifying Party hereunder. In case any such action shall be brought against any party seeking indemnification and it shall notify the Indemnifying Party of the commencement thereof, the Indemnifying Party shall be entitled to assume the defense thereof, with counsel selected by the Indemnifying Party and, after notice from the Indemnifying Party to such party or parties seeking indemnification of such election so to assume the defense thereof, the Indemnifying Party shall not be liable to the party or parties seeking indemnification hereunder for any legal expenses of other counsel or any other expenses subsequently incurred by such party or parties in connection with the defense thereof, unless the named parties to such action or proceeding include both the Indemnifying Party and the indemnified party and the indemnified party has been advised in writing by counsel that there may be one or more legal defenses available to such indemnified party that are different from or additional to those available to the Indemnifying Party, in which event the indemnified party shall be entitled, at the Indemnifying Party's cost, risk and expense, to separate counsel of its own choosing. The Indemnifying Party and the party seeking indemnification agree to cooperate fully with each other and their respective counsel in connection with the defense, negotiation or settlement of any such action or asserted liability. The party or parties seeking indemnification shall have the right to participate at its or their own expense in the defense of such action or asserted liability. If the Indemnifying Party assumes the defense of an action no settlement or compromise thereof may be effected (i) by the Indemnifying Party without the written consent of the indemnified party (which consent shall not be unreasonably withheld or delayed) or (ii) by the indemnified party without the consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed). In no event shall an Indemnifying Party be liable for any settlement effected without its written consent (which consent shall not be unreasonably withheld or delayed).

If the Indemnifying Party fails to assume the defense of such claim within fifteen (15) calendar days after receipt of the claim notice, the indemnified party against which such claim has been asserted will (upon delivering notice to such effect to the Indemnifying Party) have the right to undertake, at the Indemnifying Party's cost and expense, the defense, compromise or settlement of such claim on behalf of and for the account and risk of the Indemnifying Party. In the event the indemnified party assumes the

defense of the claim, the indemnified party will keep the Indemnifying Party reasonably informed of the progress of any such defense, compromise or settlement. The Indemnifying Party shall be liable for any settlement of any action effected pursuant to and in accordance with this Article X and for any final judgment (subject to any right of appeal), and the Indemnifying Party agrees to indemnify and hold harmless an indemnified party from and against any Losses by reason of such settlement or judgment.

Section 10.4 Insurance Offset. The amount of any and all Losses for which indemnification is provided under this Article X shall be computed net of any insurance proceeds (net of any costs associated therewith) received by the indemnified party in connection with such Losses. If an indemnified party receives insurance proceeds in connection with Losses for which it has received indemnification, such party shall refund to the indemnifying party the amount of such insurance proceeds when received, up to the amount of indemnification received. An indemnified party shall use its commercially reasonable efforts to pursue insurance claims with respect to any Losses.

All payments shall be applied first to accrued Interest, and thereafter to the Principal Amount.

2.4 Prepayment. Prepayment of all or any part of the outstanding Principal Amount, all unpaid accrued Interest and any other sums payable under this Note prior to the Maturity Date without the express written consent of the Holder is not permitted.

SECTION 3.

OPTIONAL REPAYMENT

3.1 Repayment at the Option of the Holder upon an Event of Default.

(a) Unless earlier repaid or converted in accordance with the terms hereof, the Holder may elect to require the Company to repay this Note, in whole or in part, at a price equal to the Repayment Price if an Event of Default occurs and, to the extent such Event of Default is capable of being cured under Section 6, is not cured within the specified period set forth in Section 6.

(b) The Holder may exercise the repayment rights under this Section 3.1 by delivering notice in writing (such notice to be in the form of Exhibit 1 attached hereto (an Optional Repayment Notice)) to the Company. The Company shall pay the Holder the applicable Repayment Price no later than ten (10) Business Days after delivery of such Optional Repayment Notice by the Holder.

3.2 Repayment at the Option of the Holder upon a Qualified Sale.

(a) Unless earlier repaid or converted in accordance with the terms hereof, the Holder may elect to require the Company to repay this Note, in whole or in part, at a price equal to the Repayment Price, concurrently with the consummation of a Qualified Sale.

(b) In the event that the Company consummates a Qualified Sale, the Company shall have delivered a written notice (a Qualified Sale Notice) to the Holder describing such Qualified Sale and stating the proposed record or effective date, as the case may be, at least ten (10) Business Days before such date. Failure to provide such notice or any defect therein shall not affect the validity of any Qualified Sale.

(c) The Holder may exercise the repayment rights under this Section 3.2 by delivering an Optional Repayment Notice to the Company not later than five (5) Business Days prior to the record date or effective date, as the case may be, stated in the Qualified Sale Notice. The Company shall pay the Holder the applicable Repayment Price on the closing date of the Qualified Sale; provided, however, that if the Company determines not to proceed with such Qualified Sale, the Company shall so notify the Holder in writing, whereupon the Qualified Sale Notice and the Optional Repayment Notice shall be of no further force or effect.

SECTION 4.

CONVERSION

4.1 Optional Share Conversion.

(a) On or after the eleven (11) month anniversary of the Original Note Issuance Date (the Lock-Up Date), or (if prior to the Lock-Up Date) during any period beginning on the date that the Company delivers to the Holder a Qualified Sale Notice and ending on the earlier of (i) the closing date of the Qualified Sale described in such Qualified Sale Notice and (ii) the date, if any, on which the Company delivers to the Holder a written notice stating that the Company has determined not to proceed with the Qualified Sale described in such Qualified Sale Notice, the Holder of this Note shall have the right, but not the obligation, to convert all or a portion of this Note into such number of fully paid and non-assessable Shares as is equal to the quotient of (x) the outstanding Principal Amount of the Note to be converted plus any unpaid accrued Interest owing with respect to such Principal Amount requested in writing by the Holder to be converted (otherwise such Interest shall be paid in cash to the Holder), divided by (y) the then applicable Conversion Price (such Shares, the Conversion Shares).

(b) The Holder shall exercise the conversion rights set forth in Section 4.1 of this Note by surrendering this Note on a Business Day at any time after the Lock-Up Date during usual business hours at the registered office of the Company (or such other office or agency of the Company as the Company and the Holder may agree), accompanied by written notice (such notice to be in the form of Exhibit 2 attached hereto (an Optional Conversion Notice)). The Holder shall deliver this Note to the Company (together with the Optional Conversion Notice) for cancellation and the Company shall thereupon cancel this Note.

(c) The Holder agrees that, for a period of thirty-one (31) calendar days after delivering an Optional Conversion Notice, it will not transfer, sell, pledge or otherwise dispose of any of the Conversion Shares covered under such Optional Conversion Notice, without the prior written consent of the Company; provided, however, the Holder may transfer such Conversion Shares to its Affiliates without such consent provided that such Affiliate also agrees with the Company in writing not to transfer, sell, pledge or otherwise dispose such Conversion Shares for a period of thirty-one (31) calendar days after the delivery date of the relevant Optional Conversion Notice.

4.2 Conversion Procedure. As soon as practicable after the delivery of this Note by the Holder, but in no event later than ten (10) Business Days thereafter, the Company shall (i) take all actions and execute all documents necessary to effect the issuance and registration of such Shares (including giving all necessary instruction to the relevant share registry to effect such issuance and

registration, and updating the Company's Register of Members) in the name of the Holder and (ii) deliver to the Holder certificate(s) or evidence of registration on the Company's Register of Members, representing the number of fully paid and non-assessable Shares (and to the extent that only a portion of this Note is converted, a replacement Note reflecting the remaining outstanding Principal Amount plus any unpaid accrued Interest).

4.3 Fractional Shares. No fractional Shares shall be issued upon conversion of this Note. If the conversion would result in the issuance of any fractional share, the Company shall, in lieu of issuing any fractional share, pay an amount in cash for the current fair market value of the fractional share.

4.4 Termination of Rights. All rights under this Note shall terminate when (i) the entire Principal Amount of this Note and any unpaid accrued Interest have been paid and received pursuant to the terms of this Note and/or (ii) this Note is converted in full pursuant to Section 4.1 above.

4.5 Anti-dilution Adjustments. The Conversion Price shall be subject to adjustment as follows:

(a) Share Dividend, Subdivision, Combination, Stock Split, Recapitalization or Reclassification of Shares. In the event that the Company shall at any time or from time to time prior to conversion of this Note (i) pay a dividend or make a distribution on the outstanding Shares, in each case payable in Shares or Share Equivalents, (ii) subdivide the outstanding Shares into a larger number of shares, (iii) combine the outstanding Shares into a smaller number of shares or (iv) issue any Shares, Share Equivalents or other securities in a reclassification, recapitalization, stock split or any other type of distribution, then, and in each such case, the Conversion Price in effect immediately prior to such event shall be proportionally adjusted (and any other appropriate actions shall be taken by the Company) so that the Holder of this Note shall be entitled to receive the number of Shares or other securities of the Company that the Holder of this Note would have owned or would have been entitled to receive upon or by reason of any of the events described above, had this Note been converted immediately prior to the occurrence of such event. An adjustment made pursuant to this Section 4.5(a) shall become effective retroactively, (x) in the case of any such dividend or distribution, on the date of payment of such dividend or distribution or (y) in the case of any such subdivision, combination, reclassification, recapitalization or stock split, to the close of business on the day upon which such corporate action becomes effective.

(b) No Adjustment. Notwithstanding anything herein to the contrary, no adjustment under this Section 4.5 need be made to the Conversion Price if the Company receives written notice from the Holder that no such adjustment is required.

4.6 Certificate as to Adjustments. Upon any adjustment in the Conversion Price, the Company shall within a reasonable period (not to exceed ten (10) Business Days) deliver to the Holder a certificate, signed by the Chief Executive Officer or Chief Financial Officer of the Company, setting forth in reasonable detail the event requiring the adjustment and the method by which such adjustment was calculated and specifying the Conversion Price in effect following such adjustment.

4.7 Reorganization, Reclassification. If any Qualified Sale or amalgamation of the Company with another corporation or entity, or any capital reorganization or reclassification of the Company (each, a Transaction) shall be effected in such a way that the holders of Shares shall be entitled to receive stock, securities or assets with respect to or in exchange for Shares, then lawful and adequate provision shall be made whereby the Holder shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in this Note and in lieu of the Shares of the Company immediately theretofore receivable upon conversion hereof, such shares of stock, securities or assets as may be issued or payable with respect to or in exchange for the number of Shares receivable immediately prior to such Transaction upon conversion hereof, and the provisions hereof (including provisions for adjustments of the Conversion Price and of the number of Shares issuable upon the conversion of this Note) shall thereafter be applicable, as nearly as may be, in relation to any shares of stock, securities or assets thereafter deliverable upon the conversion hereof. The Company shall not effect any such Transaction, unless prior to the consummation thereof, the successor corporation or entity (if other than the Company) or the corporation or entity purchasing such assets as a result of such Transaction, shall assume by written instrument executed and mailed to the Holder at its address for notices under this Note, the obligation to deliver to the Holder such shares of stock, securities or assets as, in accordance with the foregoing provisions, the Holder may be entitled to receive.

4.8 Notice of Certain Transactions. In the event that the Company (i) takes any action that would require an adjustment to the Conversion Price, (ii) consummates a Transaction other than a Qualified Sale or (iii) undergoes a voluntary or involuntary dissolution or liquidation, the Company shall give a written notice to the Holder stating the proposed record or effective date, as the case may be, at least five (5) Business Days before such date. Such notice shall also specify the date as of which the holders of Shares of record shall participate in any such event or shall be entitled to exchange their Shares for securities or other property deliverable upon such event. Failure to provide such notice or any defect therein shall not affect the validity of any transaction referred to in this Section 4.8.

4.9 Legends. The Holder agrees to the imprinting, so long as required by law, of a legend on certificates representing all of the Holder's Conversion Shares in substantially the following form:

THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE ACT), OR THE SECURITIES LAWS OF ANY STATE OR JURISDICTION. THE SECURITIES MAY NOT BE TRANSFERRED EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN APPLICABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF SUCH ACT AND SUCH LAWS.

SECTION 5.

COVENANTS

5.1 Covenants. The Company covenants to the Holder that, from the date hereof until all amounts owing hereunder have been paid in full or converted, the Company shall:

(a) punctually pay the Principal Amount and/or any Interest payable under this Note in the manner specified in this Note;

(b) give written notice promptly to the Holder of any condition or event that constitutes an Event of Default, such notice to include a description of the Event of Default and the efforts to remedy the same;

(c) execute and deliver, or cause to be executed and delivered, upon the request of the Holder and at the Company's expense, such additional documents, instruments and agreements as may be reasonably necessary to carry out the provisions of this Note; and

(d) at all times reserve and maintain authority to issue, solely for the purpose of issue or delivery upon any conversion herein provided, the number of Shares issuable upon conversion of this Note, and (ii) cause all Shares, when issued or delivered pursuant to Section 4.1 above, to be duly and validly issued and fully paid, free and clear of all Encumbrances.

SECTION 6.

EVENTS OF DEFAULT

6.1 Events of Default. The occurrence of any one or more of the following events shall constitute an Event of Default :

(a) the Company shall fail to pay any Principal Amount and/or Interest on this Note when the same becomes due and payable hereunder;

(b) the Company shall fail to comply with any of its other covenants and agreements in this Note upon receipt of notice of such default and the Company fails to cure such default, cause such default to be cured, or obtain a waiver thereof, within sixty (60) days after receipt by the Company of such notice;

(c) any Group Member shall fail to pay any indebtedness for money borrowed in an outstanding principal amount in excess of \$20,000,000 at final maturity or upon acceleration after the expiration of any applicable grace period, which indebtedness is not discharged, or such default in payment or acceleration is not cured or rescinded, within sixty (60) days after written notice to the Company from the Holder;

(d) (i) any Significant Group Member shall commence any voluntary action or proceeding (A) under any law of any jurisdiction, domestic or foreign, relating to bankruptcy, insolvency, reorganization or relief of debtors, seeking to have an order for relief entered with respect to it, or seeking to adjudicate it bankrupt or insolvent, or seeking reorganization, winding-up, liquidation or dissolution with respect to it or its debts, or (B) seeking appointment of a receiver, trustee, custodian, conservator or other similar official for it or for all or any substantial part of its assets; or (ii) there shall be commenced against any Significant Group Member any case, proceeding or other action of a nature referred to in clause (i) above that results in the entry of an order for relief or any such adjudication or appointment and such order remains undismissed, undischarged or unbonded for a period of sixty (60) days; or (iii) any Significant Group Member shall make a general assignment for the benefit of its creditors; or (iv) there shall be any order, judgment or decree entered against any Significant Group Member decreeing the dissolution or winding up of any Significant Group Member and such order shall remain undischarged or unstayed for a period in excess of sixty (60) days; and

(e) One or more judgments shall be entered against any Significant Group Member for payment of money in an amount (to the extent not paid or fully covered by insurance) of \$20,000,000 or more, and such judgments or decrees shall not have been vacated, discharged, stayed or bonded pending appeal within sixty (60) days after the entry thereof.

6.2 Consequence of an Event of Default.

(a) If an Event of Default occurs and is continuing, the Holder may, by notice in writing to the Company pursuant to Section 3.1 or 4.1 (as the case may be), require the Company to repay or convert this Note in whole or in part within the time period specified in Section 3.1 or 4.1 (as the case may be).

(b) The Holder shall also have any other rights which the Holder may have been afforded under any contract or agreement at any time and any other rights which the Holder may have pursuant to applicable Law.

(c) Upon the occurrence and during the continuance of an Event of Default, the Holder may, by notice in writing to the Company, grant the Company an opportunity to cure the Event of Default within ten (10) Business Days (the Cure Period) following the delivery of such notice. In the event that the Company fails to cure the Event of Default within the Cure Period, the Holder may then require the Company pursuant to Section 3.1 or 4.1 to repay or convert this Note in whole or in part. The Holder's right to grant a Cure Period with respect to an Event of Default shall not affect any of the other rights of the Holder hereunder.

SECTION 7.

7.1 Register. The Company shall keep at its principal office a register in which the Company shall provide for the registration and transfer of this Note, in which the Company shall record the name and address of the Holder and the name and address of each permitted transferee. (i) The Company shall not be obligated to register or qualify Registrable Securities pursuant to any of the provisions of Section 2.1(a) if within the three (3) month period preceding the date of such request, the Company has either (A) already effected a Registration under any of the provisions of Section 2.1(a), or (B) already effected a Registration (other than a registration of securities in a transaction under Rule 145 of the Securities Act or with respect to an employee benefit plan) in which the Holders had an opportunity to participate pursuant to the provisions of Section 2.2 and no Registrable Securities of the Holders were excluded from such Registration pursuant to the provisions of Section 2.2(c).

(ii) The Company shall not be obligated to register or qualify Registrable Securities pursuant to Section 2.1(a) if the Company shall furnish to the Holders a certificate signed by the chief executive officer or chief financial officer of the Company stating that, in the good faith judgment of the Board of Directors of the Company as reflected in a resolution adopted by the directors in accordance with the then current Memorandum and Articles of Association of the Company, that any registration of Registrable Securities should not be made because it would materially adversely affect any proposed financing, acquisition, divestiture or other material transaction by the Company. Following delivery of such certificate, the Company shall have the right to defer such filing for a period no longer than the duration of the conditions giving rise to the Company's right to defer the Registration, which shall not, in any event, exceed ninety (90) days from the receipt of any request duly submitted by Holders under Section 2.1(a) or to register Registrable Securities; *provided, however*, that the Company shall not utilize this right more than once in any twelve (12) month period.

(c) Underwritten Offerings.

(i) If, in connection with a request to register Registrable Securities under the provisions of Section 2.1(a), the Initiating Holders seek to distribute such Registrable Securities through an Underwritten Offering, they shall so advise the Company as a part of the request, and the Company shall include such information in the written notice to the other Holders described in to Section 2.1(a). In such event, the right of any Holder to include its Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering and the inclusion of such Holder's Registrable Securities in the Underwritten Offering to the extent provided herein. All Holders proposing to distribute their securities through such Underwritten Offering shall enter into an underwriting agreement in customary form with the underwriter or underwriters selected for such Underwritten Offering by the Company (which underwriter or underwriters shall be reasonably acceptable to Initiating Holders representing a majority in voting power of the Registrable Securities held by the Initiating Holders). Notwithstanding any other provision of this Agreement, if the managing underwriter advises the Company that one or more factors (including the aggregate number of securities requested to be registered, the general condition of the market or the status of the Persons proposing to sell securities pursuant to the Registration) requires a limitation of the number of Equity Securities to be underwritten, the underwriters may exclude such number of Registrable Securities from the Underwritten Offering as required after excluding any other Equity Securities from the Underwritten Offering (including any Equity Securities that the Company may seek to include in the Underwritten Offering for its own account). If a limitation of the number of Registrable Securities is required pursuant to this Section 2.1(c), the number of Registrable Securities that may be included in the Underwritten Offering by selling Holders shall be allocated among such Holders, in proportion, as nearly as practicable, to the respective amounts of Registrable Securities that the Holders would otherwise be entitled to include in the Registration.

(ii) If any Holder disapproves of the terms of any Underwritten Offering, the Holder may elect to withdraw therefrom by written notice to the Company and the underwriters delivered at least ten (10) Business Days prior to the effective date of the Registration Statement. Any Registrable Securities excluded or withdrawn from such underwriting shall be withdrawn from the Registration.

Section 2.2 Piggyback Registrations.

(a) Registration of the Company's Securities. Subject to Section 2.2(c), if the Company proposes to register for its own account any of its Equity Securities in connection with the public offering of such securities, the Company shall promptly give each Holder written notice of such Registration and, upon the written request of any Holder given within ten (10) Business Days after delivery of such notice, the Company shall use its commercially reasonable best efforts to include in such Registration any Registrable Securities thereby requested by such Holder. If a Holder decides not to include all or any of its Registrable Securities in such Registration by the Company, such Holder shall nevertheless continue to have the right to include any Registrable Securities in any subsequent Registration Statement or Registration Statements as may be filed by the Company with respect to offerings of its securities, all upon the terms and conditions set forth herein.

(b) Right to Terminate Registration. The Company shall have the right to terminate or withdraw any Registration initiated by it under Section 2.2(a) prior to the effectiveness of such Registration, whether or not any Holder has elected to participate therein.

(c) Underwriting Requirements.

(i) In connection with any offering involving an underwriting of the Company's Equity Securities, the Company shall not be required to register the Registrable Securities of a Holder under this Section 2.2 unless such Holder shall include such Registrable Securities in the underwriting and such Holder enters into an underwriting agreement in customary form with the underwriters selected by the Company and setting forth such terms for the underwriting as have been agreed upon between the Company and the underwriters. In the event the underwriters advise Holders seeking Registration of Registrable Securities pursuant to this Section 2.2 in writing that as a result of one or more factors (including the aggregate number of Registrable Securities requested to be registered, the general condition of the market or the status of the Persons proposing to sell securities pursuant to the Registration) it is able to proceed with the proposed offering only with respect to a smaller number of securities (the **Maximum Number**) than the total number of Registrable Securities proposed to be offered by such holders and securities proposed to be offered by the Company and all others entitled to registration rights under such Registration Statement, then the Company shall reduce the number of securities held by persons (the **Piggyback Holders**) other than the Company (and persons exercising demand registration rights, if any, to be included in such Registration Statement) to be included in such registration, to the extent necessary to reduce the number of securities to be included in such registration to an amount equal to the Maximum Number. Such amount will be allocated pro rata in accordance with the number of securities proposed to be offered by each Piggyback Holder (including the holders of Registrable Securities).

(ii) If any Holder disapproves of the terms of any underwriting, the Holder may elect to withdraw therefrom by written notice to the Company and the underwriters delivered at least ten (10) Business Days prior to the effective date of the Registration Statement. Any Registrable Securities excluded or withdrawn from the underwriting shall be withdrawn from the Registration.

(d) Exempt Transactions. The Company shall have no obligation to register any Registrable Securities under this Section 2.2 in connection with a Registration by the Company (i) relating solely to the sale of securities to participants in a Company share plan, (ii) relating to a corporate reorganization or other transaction under Rule 145 of the Securities Act (or comparable provision under the laws of another jurisdiction, as applicable), or (iii) on any form that does not include substantially the same information as would be required to be included in a Registration Statement covering the sale of the Registrable Securities.

Section 2.3 Expenses. All Registration Expenses incurred in connection with any Registration pursuant to Sections 2.1 or 2.2 (but excluding Selling Expenses), including reasonable fees, not to exceed \$30,000 per Registration hereunder, of one counsel for the selling Holders in the case of Registrations pursuant to Sections 2.1 or 2.2, shall be borne by the Company. Each Holder participating in a Registration pursuant to Sections 2.1 or 2.2 shall bear such Holder's proportionate share (based on the total number of shares sold in such registration other than for the account of the Company) of all Selling Expenses or other amounts payable to underwriter(s) or brokers, in connection with such offering by the Holders. Notwithstanding the foregoing, the Company shall not be required to pay for any expenses of any registration proceeding begun pursuant to Section 2.1 if the Registration request is subsequently withdrawn at

the request of the Holders of a majority of the Registrable Securities to be registered, unless the Holders of a majority of the Registrable Securities then outstanding agree that such registration constitutes the use by the Holders of one (1) demand registration pursuant to Section 2.1 (in which case such registration shall also constitute the use by all Holders of Registrable Securities of one (1) such demand registration).

Section 2.4 Obligations of the Company. Subject to the provisions of Section 2.3 hereof, whenever required to effect the Registration of any Registrable Securities under this Agreement the Company, shall as expeditiously as reasonably possible:

- (a) Use its commercially reasonable best efforts to cause any Registration Statement required hereunder to remain effective; *provided*, that the Company shall not be required to keep any such Registration Statement effective for (i) more than one (1) year in the case of a Registration Statement on Form S-3, F-3, F-3ASR (plus any suspension periods which shall be added to such one-year period), (ii) more than ninety (90) days in the case of a Registration Statement on Form S-1 or F-1 or (iii) any period following the date on which all of the Company's obligations terminate under Section 2.7 hereof.
- (b) Prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection with such Registration Statement as may be necessary to comply with the provisions of Applicable Securities Law with respect to the disposition of the securities covered by such Registration Statement.
- (c) Furnish to the Holders such number of copies of a prospectus, including a preliminary prospectus and any supplement thereto, in conformity with the requirements of the Applicable Securities Law, and such other documents as such Holders may reasonably request in order to facilitate the disposition of the Registrable Securities owned by them that are included in such Registration.
- (d) Use its commercially reasonable best efforts to register and qualify the securities covered by such Registration Statement under such other securities or Blue Sky laws of such jurisdictions as shall be reasonably requested by the Holders, provided that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions.
- (e) In the event of any Underwritten Offering, enter into and perform its obligations under an underwriting agreement in usual and customary form, with the managing underwriter(s) of such offering. Each Holder participating in such underwriting shall also enter into and perform its obligations under such an agreement.
- (f) Notify each Holder of Registrable Securities covered by such Registration Statement at any time when a prospectus relating thereto is required to be delivered under Applicable Securities Law of the happening of any event as a result of which the prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, and prepare and furnish to each Holder, as soon as reasonably practicable, a reasonable number of copies of an

amendment to such Registration Statement or supplement to such related prospectus as may be necessary so that, as thereafter delivered to the purchasers of such Registrable Securities, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing.

(g) In the event of any Underwritten Offering, furnish, at the request of any Holder requesting Registration of Registrable Securities, on the date that such Registrable Securities are delivered to the underwriter(s) for sale, (1) an opinion, dated as of such date, of the counsel representing the Company for the purposes of such registration as is customarily given to underwriters in an underwritten public offering, and (2) a comfort letter dated as of such date, from the independent certified public accountants of the Company, as is customarily given by independent certified public accountants to underwriters in an underwritten public offering.

(h) Provide a transfer agent and registrar for all Registrable Securities registered pursuant to the Registration Statement and, where applicable, a CUSIP number for all those Registrable Securities, in each case not later than the effective date of the Registration.

(i) Take all reasonable actions necessary to: (1) cause the Depositary to accept the deposit of the Registrable Securities into the deposit facility to issue ADSs (or receipts) representing such Registrable Securities and to issue the related American Depositary Receipts; (2) cause the Depositary to register with the Commission (to the extent necessary) such ADSs; and (3) list the Registrable Securities on the primary exchange upon which the Company's securities are traded.

(j) Notify each Holder of Registrable Securities covered by such Registration Statement at any time, (i) when the prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to the Registration Statement or any post-effective amendment, when the Registration Statement or such post-effective amendment has become effective; (ii) of the issuance by the SEC of any stop order of which the Company is aware suspending the effectiveness of the Registration Statement or any order preventing the use of a related prospectus, or the initiation of any proceedings for such purposes; and (iii) of the receipt of the Company of any written notification of the suspension of the qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose.

(k) Make available to its shareholders an earnings statement which shall satisfy the provisions of Section 11(a) of the Securities Act, provided that the Company shall be deemed to have complied with this Section 2.4(k) if it has complied with Rule 158 under the Securities Act.

(l) In the event of the issuance of any stop order of which the Company is aware suspending the effectiveness of the Registration Statement, or of any order suspending or preventing the use of any related prospectus or suspending the qualification of any Registrable Securities included in the Registration Statement for sale in any jurisdiction, use reasonable efforts promptly to obtain the withdrawal of such stop order or other order.

Section 2.5 Obligations of Holders. It shall be a condition precedent to the obligations of the Company to register the Registrable Securities of any Holder pursuant to this Section 2 that the selling Holder shall furnish to the Company such information regarding itself, the Registrable Securities held thereby and the intended method of disposition of such securities as shall be required to timely effect the Registration of such Holder's Registrable Securities.

Section 2.6 Indemnification. In the event any Registrable Securities are included in a registration statement under this Section 2:

(a) Company Indemnity. To the extent permitted by law, the Company will indemnify and hold harmless each Holder, its partners, officers, directors, agents, any underwriter (as defined in the Securities Act) for such Holder and each Person, if any, who controls (as defined in the Securities Act) such Holder or underwriter against any losses, claims, damages, or liabilities (joint or several) to which they may become subject under laws which are applicable in connection with any Registration, qualification, or compliance, of the Company's securities insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations (collectively a **Violation**):

(i) any untrue statement or alleged untrue statement of a material fact contained in such Registration Statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto; or

(ii) the omission or alleged omission to state in the Registration Statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto, a material fact required to be stated therein, or necessary to make the statements therein not misleading;

and the Company will reimburse each such Holder, its partners, officers, directors, agents, underwriters or controlling Person for any legal or other expenses reasonably incurred by them, as incurred, in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however*, that the indemnity agreement contained in this Section 2.6(a) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be liable in any such case for any such loss, claim, damage, liability or action to the extent that it arises out of or is based upon a Violation that occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such Registration by such Holder, underwriter or controlling Person of such Holder.

(b) Holder Indemnity. To the extent permitted by law, in connection with any Registration Statement filed pursuant hereto, each Holder of Registrable Securities to be covered thereby will, severally and not jointly with any other Holders, indemnify and hold harmless the Company, its partners, officers, directors, agents, any underwriter (as defined in the Securities Act) for the Company and each Person, if any, who controls (as defined in the Securities Act) the Company or underwriter against any losses, claims, damages, or liabilities (joint or several) to which they may become subject under laws which are applicable in connection with any Registration, qualification, or compliance, of the Company's securities insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any Violation to the extent that such Violation occurs in reliance upon and in conformity with

written information furnished expressly for use in connection with such Registration by such Holder, and such Holder will reimburse each of the Company, its partners, officers, directors, agents, underwriters or controlling Persons for any legal or other expenses reasonably incurred by them, as incurred, in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the indemnity agreement contained in this Section 2.6(b) shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of such Holder (which consent shall not be unreasonably withheld)); and provided, further, however, that no Holder shall be required to indemnify the Company or any other indemnified party under this Section 2.6(b) with respect to any amount in excess of the amount of the total net proceeds received by such Holder from sales of the Registrable Securities of such Holder under such Registration Statement.

(c) Notice. Promptly after receipt by an indemnified party under this Section 2.6 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 2.6, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties; *provided, however*, that an indemnified party shall have the right to retain its own counsel, with the fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to a material conflict of interest between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall relieve such indemnifying party of liability to the indemnified party under this Section 2.6 to the extent the indemnifying party is prejudiced as a result thereof, but the omission to so deliver written notice to the indemnifying party will not otherwise relieve it of any liability that it may have to any indemnified party under this Section 2.6.

(d) Contribution. If any indemnification provided for in this Section 2.6 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any loss, liability, claim, damage or expense referred to herein, the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such loss, liability, claim, damage or expense in such proportion as is appropriate to reflect the relative fault of the indemnifying party, on the one hand, and of the indemnified party, on the other, in connection with the statements or omissions that resulted in such loss, liability, claim, damage or expense, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information, and opportunity to correct or prevent such statement or omission.

Section 2.7 Termination of the Company's Obligations. The registration rights granted under this Section 2 shall automatically terminate with respect to each Holder as of the date and time at which such Holder no longer beneficially owns any Registrable Securities.

Section 2.8 Rule 144 Reporting. With a view to making available the benefits of Rule 144 promulgated under the Securities Act and any comparable provision of Applicable Securities Law that may at any time permit the sale of the Registrable Securities to the public without registration or pursuant to a registration on Form S-1, F-1, S-3 or F-3, the Company agrees to:

- (a) make and keep public information available, as those terms are understood and defined in Rule 144 under the Securities Act;
- (b) use commercially reasonable best efforts to file with the Commission in a timely manner all reports and other documents required of the Company under Applicable Securities Law and shall furnish to any Holder, upon request by such Holder, a written statement by the Company as to whether it has complied with the current public information requirements of Rule 144 under the Securities Act; and
- (c) so long as a Holder owns any Registrable Securities, to furnish to such Holder forthwith upon request (1) a written statement by the Company as to its compliance with the reporting requirements of Applicable Securities Law, or whether it qualifies as a registrant whose securities may be resold pursuant to Form S-3 or F-3 (or comparable form under Applicable Securities Law), (2) a copy of the most recent annual of the Company and such other reports and documents as may be filed by the Company with the Commission, and (3) such other reports and documents of the Company as a Holder may reasonably request in availing itself of any rule or regulation of the Commission that permits the selling of any such securities without registration or pursuant to Form S-3 or F-3 (or comparable form under Applicable Securities Law).

Section 2.9 Re-sale Rights. The Company shall use its commercially reasonable efforts to assist each Holder in the sale or disposition of its Registrable Securities, including (a) the prompt delivery of applicable instruction letters to the Company's transfer agent to remove legends from the Holder's share certificates, (b) causing the prompt delivery of appropriate legal opinions from the Company's counsels in forms reasonably satisfactory to the Holder's counsel, and (c) if the Company has depository receipts or shares listed or traded on any exchange or inter-dealer quotation system, the prompt delivery of instruction letters to the Company's share registrar and depository agent to convert the Holder's securities into depository receipts, shares or similar instruments to be deposited in the Holder's brokerage account(s); provided, however, that the Holder shall bear the costs associated with the issuance by the depository of depository receipts or shares.

ARTICLE III.

No failure to enforce any provision of this Agreement shall be deemed to or shall constitute a waiver of such provision and no waiver of any of the provisions of this Agreement shall be deemed to or shall constitute a waiver of any other provision hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.
