However, you do not need to attend the Special Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed Proxy Card.

When you sign the Proxy Card, you appoint each of John W. Birchfield and Thomas Tignino, directors of First California, as your representatives at the Special Meeting (that is, your proxies). Mr. Birchfield and Mr. Tignino will vote your shares at the Special Meeting as you have instructed them on your Proxy Card(s). If an issue comes up for vote at the Special Meeting that is not on the Proxy Card, Mr. Birchfield or Mr. Tignino will vote your shares, under your proxy, in accordance with his judgment.

We first mailed this Proxy Statement, the attached Notice of Special Meeting and the enclosed Proxy Card on or about February 17, 2010 to all stockholders entitled to vote. What am I voting on?

You are voting to amend our Amended and Restated Certificate of Incorporation to increase the number of authorized shares of common stock, par value \$0.01 per share, from 25,000,000 shares to 100,000,000 shares (and correspondingly, to increase the total number of authorized shares of all classes of capital stock from 27,500,000 shares to 102,500,000 shares, which includes 2,500,000 authorized shares of preferred stock, par value \$0.01 per share). You will also be entitled to vote on any other business that properly comes before the Special Meeting or any adjournments thereof.

Who is entitled to vote?

Only holders of record of the common stock at the close of business on the Record Date, February 12, 2010, will be entitled to notice of and vote at the Special Meeting.

How do I vote?

You may vote by mail

Whether or not you plan to attend the Special Meeting, we urge you to complete, sign and date the enclosed Proxy Card and return it promptly in the envelope provided. If you return a signed Proxy Card but do not provide voting instructions, your shares will be voted **FOR** the proposed amendment to our Amended and Restated Certificate of Incorporation.

Table of Contents

If you hold your shares in street name (that is, through a bank, broker or other nominee), you should receive a proxy from your bank or brokerage firm asking you how you want to vote your shares. If you do not, you may contact such bank or brokerage firm in whose name your shares are registered and obtain a proxy from them. Please refer to the information in the materials provided by your bank or brokerage firm for an explanation of how to change or revoke your vote and of the effect of not indicating a vote. Brokers do not have the discretion to vote on proposals considered non-routine and will only vote on such proposals at the direction of the underlying beneficial owners of the shares of common stock. Accordingly, if you do not instruct your broker to vote your shares, your broker will not have the discretion to vote your shares.

You may vote in person at the Special Meeting

You may attend the Special Meeting and vote in person. If you hold your shares in street name, you must request a legal proxy from your stockbroker in order to vote at the meeting. Otherwise, we cannot count your votes.

May I revoke my proxy?

If you have returned your signed Proxy Card, you may revoke it at any time before it is exercised. You may revoke your Proxy Card in any one of three ways:

You may send in another Proxy Card with a later date;

You may notify First California Financial Group, Inc.'s Secretary in writing before the Special Meeting that you have revoked your proxy; or

You may vote in person at the Special Meeting.

What does it mean if I receive more than one Proxy Card?

If you have more than one account at the transfer agent and/or with stockbrokers, you will receive separate Proxy Cards for each account. Please sign and return all Proxy Cards to ensure that all your shares are voted.

What information is contained in this Proxy Statement?

This information relates to the proposal to be voted on at the Special Meeting, the voting process and certain other information required to be disclosed in this Proxy Statement.

How many votes may be cast at the Special Meeting?

As of the Record Date, we had 11,622,048 shares of common stock outstanding and entitled to vote. Each outstanding share of common stock will be entitled to one vote on each matter to be voted upon at the Special Meeting. How many shares do you need to hold the Special Meeting (what are the quorum requirements)?

Shares representing a majority of our outstanding shares of common stock on the Record Date must be present in person or by proxy at the Special Meeting in order to hold the Special Meeting and conduct business. This is called a quorum. Accordingly, a quorum for our Special Meeting is 5,811,025 votes.

Shares are counted as present at the Special Meeting if the stockholder either:

is present at the meeting, or

has properly submitted a Proxy Card.

Table of Contents

How many votes are required for the proposal?

Proposal 1: Approval of Amendment to the Amended and Restated Certificate of Incorporation

This proposal will be approved if a majority of the shares of common stock outstanding as of the Record Date are cast for it. Failure to vote, broker non-votes and abstentions will have the same effect as a vote against this proposal.

How does the Board recommend that I vote?

The Board unanimously recommends that you vote **FOR** the approval of the proposal presented at this Special Meeting.

What are broker non-votes and how are they treated?

If you hold your shares in street name through a broker or other nominee, whether the broker may vote your shares in its discretion depends on the proposals before the meeting. Proposals that are considered non-routine cannot be voted unless you specifically instruct your broker. The proposal being presented at the Special Meeting is a non-routine matter. Accordingly, if your broker has not received your voting instructions with respect to this non-routine proposal, your broker cannot vote your shares on the proposal. This is referred to as a broker non-vote.

Who will pay for the cost of this proxy solicitation?

We pay to distribute and solicit proxies and we reimburse brokers, nominees, fiduciaries and other custodians reasonable fees and expenses for forwarding proxy materials to stockholders. Our directors, officers and regular employees may solicit proxies in person, through mail, by telephone or through other means. We do not pay those individuals additional compensation for soliciting proxies.

PROPOSAL 1

APPROVAL OF AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF ALL CLASSES OF STOCK FROM 27,500,000 SHARES TO 102,500,000 SHARES AND TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 25,000,000 SHARES TO 100,000,000 SHARES

Our Board has adopted a resolution approving an amendment to our Amended and Restated Certificate of Incorporation to increase the number of our authorized shares of common stock, par value \$0.01 per share, from 25,000,000 shares to 100,000,000 shares (and correspondingly, to increase the total number of authorized shares of all classes of capital stock from 27,500,000 to 102,500,000 shares, which includes 2,500,000 authorized shares of preferred stock, par value \$0.01 per share). The Board determined that this amendment to the Amended and Restated Certificate of Incorporation is in our and our stockholders' best interests and further directed that the proposed action be submitted for consideration by our stockholders at the Special Meeting.

General

If the stockholders approve the amendment, we will amend the first sentence of section (a) of Article FOURTH of our Amended and Restated Certificate of Incorporation to increase the number of authorized shares of all classes of stock and the authorized number of shares of common stock, as follows (deletions are indicated by ~~strikeout~~ and additions are indicated by underline):

The total number of shares of all classes of stock which the Corporation shall have authority to issue is ~~27,500,000~~ 102,500,000, of which ~~25,000,000~~ 100,000,000 shares shall be designated as common stock, \$0.01 par value per share (the ~~Common Stock~~), and 2,500,000 shares shall be designated as preferred stock, \$0.01 par value per share (the ~~Preferred Stock~~).

The remainder of Article FOURTH will not be altered by this proposed amendment and will remain unchanged.

Such amendment would become effective upon the filing of a certificate of amendment with the Secretary of State of the State of Delaware. We intend to file such certificate of amendment immediately after the Special Meeting if the stockholders approve this proposal.

Reasons for the Proposal

The Board has determined that the proposal to increase the number of shares of authorized common stock is desirable and in the stockholders' best interest because it would provide the Company with the ability to support its present capital needs and future anticipated growth and would provide the Company with the flexibility to consider and respond to future business opportunities and needs as they arise, including equity offerings, acquisitions, stock dividends, issuances under stock incentive plans and other corporate purposes. The availability of additional shares of common stock would permit the Company to undertake certain of the foregoing actions on an expedited basis.

As of February 12, 2010, the Company had issued and outstanding 11,622,048 shares of common stock, 828,412 shares of common stock issuable upon exercise of outstanding options, 476,630 shares of common stock reserved for issuance under our stock compensation plans, 300,528 shares of common stock issuable upon the conversion of our Series A Preferred Stock and 599,042 shares of common stock issuable upon the exercise of a warrant held by the Treasury. In addition, the Company has filed a registration statement with the SEC for the possible sale of up to an additional 8,625,000 shares of our common stock. If all of the shares issuable under the Company's stock compensation plans, upon conversion of the Series A Preferred Stock and upon exercise of the warrant held by the Treasury were issued, and if the Company completed the offering of 8,625,000 shares of common stock, 22,451,660 shares of the 25,000,000 currently authorized shares of the Company's common stock would be issued and outstanding.

Table of Contents

However, as previously announced, in light of market conditions at the time, the Company decided to postpone the offering. The Board may decide to proceed with the offering subject to market conditions, including the then current trading price of the Company's common stock. Assuming the availability of the additional shares of common stock, the Board would strongly consider substantially increasing the size of the offering. Other than the potential offering, the Company has no current specific plans, agreements, or understandings regarding the issuance of the additional shares.

Effect of the Proposal

Adoption of this proposal would not affect the rights of current holders of outstanding common stock. If additional authorized shares of common stock, or securities that are convertible into, or exchangeable or exercisable for shares of common stock are issued, our existing stockholders could, depending upon the price realized, experience dilution of book value per share, earnings per share and percentage ownership. When and if additional shares of our common stock are issued, these new shares would have the same voting and other rights and privileges as the currently issued and outstanding shares of common stock, including the right to cast one vote per share and to participate in dividends when and to the extent declared and paid. We do not currently intend to pay a cash dividend to our common stockholders in the foreseeable future. In addition, pursuant to an informal agreement we have entered into with the Federal Reserve Bank of San Francisco (the "Reserve Bank"), we may not pay dividends without the prior approval of the Reserve Bank. The common stock has no preemptive, conversion or redemption rights or sinking fund provisions.

This proposed amendment is not intended as an anti-takeover provision. However, an increase in the authorized number of shares of common stock could have possible anti-takeover effects. These authorized but unissued shares could (within the limits imposed by applicable law) be issued in one or more transactions that could make a change of control of us more difficult, and therefore more unlikely. The additional authorized shares could be used to discourage persons from attempting to gain control of us by diluting the voting power of shares then outstanding or increasing the voting power of persons who would support the Board in a potential takeover situation, including by preventing or delaying a proposed business combination that is opposed by the Board although perceived to be desirable by some stockholders.

The proposal to amend Article FOURTH of the Amended and Restated Certificate of Incorporation to increase the number of authorized shares of common stock will be approved if a majority of shares of common stock outstanding as of the Record Date are cast for it. The failure to vote, abstentions and broker non-votes will have the same effect as a vote against this proposal, although abstentions and broker non-votes will be counted as "present" for purposes of determining a quorum.
