Item 1.01 Entry into a Material Definitive Agreement.

On May 23, 2010, Sterling Financial Corporation (Sterling) entered into an agreement with Thomas H. Lee Partners, L.P., on behalf of its affiliated funds (THL) and Warburg Pincus Private Equity, X, L.P. (Warburg Pincus) such that, upon receiving the approval of the U.S. Department of Treasury (Treasury), THL agreed to adjust its proposed investment in Sterling to approximately \$139 million and Warburg Pincus agreed to invest in Sterling an amount equal to the THL investment on terms substantially the same as THL 's previously announced proposed investment in Sterling.

Following receipt of Treasury approval of the foregoing under the terms of Treasury 's existing exchange agreement with Sterling, Sterling entered into the Second Amended and Restated Investment Agreement with THL (the Second Amended THL Agreement) that adjusted THL 's proposed investment in Sterling to approximately \$139 million and into an Investment Agreement with Warburg Pincus (the WP Agreement) for an investment in Sterling of an amount equal to the THL investment. If the recapitalization transactions contemplated by these agreements are completed, THL would own 20.5 percent of Sterling, calculated in accordance with Federal Reserve guidelines on an as-converted basis and after giving effect to the exercise of its warrants. Warburg Pincus would also own 20.5 percent of Sterling calculated on the same basis above.

Sterling 's investment agreement with THL dated April 29, 2010 and as amended on May 5, 2010 is described in and filed as exhibits to the Company 's Form 10-Q filed on May 3, 2010 and Form 8-K filed on May 6, 2010. Sterling 's agreement with Treasury dated April 29, 2010 is described in and filed as an exhibit to the Company 's Form 10-Q filed on May 3, 2010. The Second Amended THL Agreement filed herewith reflects the adjusted size of the THL investment and certain other matters relating to the transaction. The terms of the WP Investment Agreement filed herewith are substantially the same as those of the Second Amended THL Agreement.

The foregoing descriptions of the Second Amended THL Agreement and WP Agreement do not purport to be complete and are qualified in their entirety by reference to the complete copy of the documents attached hereto as exhibits.

Item 3.02 Unregistered Sale of Equity Securities.

Sterling entered into the Second Amended THL Agreement and the WP Agreement providing for the sale of approximately \$139 million of Common Stock, Series B Stock and warrants to each of THL and Warburg Pincus, respectively, as described above under Item 1.01. The terms of the securities are described above under Item 1.01. The securities will be issued to THL and Warburg Pincus in reliance on an exemption from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

Forward-Looking Statements

This Form 8-K contains forward-looking statements that are not historical facts and that are intended to be covered by the safe harbor for forward-looking statements provided by the Private Securities Litigation Reform Act of 1995. These forward-looking statements may include, but are not limited to, statements about Sterling 's plans, objectives, expectations and intentions and other statements contained in this release that are not historical facts and pertain to Sterling 's future operating results. When used in this release, the words expects, anticipates, intends, plans, believes, seeks, estimates and similar expressions are generally intended to identify forward-looking statements. Actual results may differ materially from the results discussed in these forward-looking statements because such statements are inherently subject to significant assumptions, risks and uncertainties, many of which are difficult to predict and are generally beyond Sterling 's control. These include but are not limited to: Sterling 's ability to complete the transactions described above, other contemplated capital raises and other aspects of its recapitalization and recovery plans; Sterling 's ability to maintain adequate liquidity and its viability as a going concern; the possibility of continued adverse economic developments that may, among other things, increase default and delinquency risks in Sterling 's loan portfolios; shifts in interest rates that may result in lower interest rate

margins; shifts in the demand for Sterling's loan and other products; changes in accounting policies; changes in the monetary and fiscal policies of the federal government; changes in laws, regulations and the competitive environment; and Sterling's ability to comply with regulatory actions. Other factors that could cause actual conditions, events or results to differ significantly from those described in the forward-looking statements may be found under the headings "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in Sterling's Annual Report on Form 10-K, as updated periodically in Sterling's filings with the Securities and Exchange Commission. Unless legally required, Sterling disclaims any obligation to update any forward-looking statements.
