Item 8.01 Other Events.

On July 14, 2010, Markel Corporation (Markel) issued a press release announcing that it has entered into a definitive agreement for its acquisition of Aspen Holdings, Inc. (Aspen), a privately held insurance group that provides workers' compensation insurance and related services, principally to small businesses, in 31 states. Aspen, which is headquartered in Omaha, Nebraska, operates primarily through FirstComp Insurance Company, a Nebraska-domiciled insurance company; FirstComp Underwriters Group, Inc. and FirstComp Insurance Agency, Inc., which act as managing general agents; and REX, Inc., which operates as a wholesale intermediary. A copy of this press release is filed as Exhibit 99.1 hereto and incorporated herein by reference.

The press release attached hereto as Exhibit 99.1 may be deemed to be solicitation material in respect of the proposed merger of Markel and Aspen. This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval. To the extent that Markel determines that registration of the contingent value rights is necessary, Markel will file with the Securities and Exchange Commission (SEC) a registration statement on Form S-4 containing a preliminary proxy statement of Aspen that also constitutes a preliminary prospectus of Markel. A definitive proxy statement will be mailed to stockholders of Aspen, which will contain a prospectus of Markel if registration of the contingent value rights is necessary. Markel and Aspen may also file other documents with the SEC regarding the proposed transaction. **INVESTORS AND SECURITY HOLDERS OF ASPEN ARE URGED TO READ THE DEFINITIVE PROXY STATEMENT, AND PROSPECTUS, IF APPLICABLE, AND OTHER DOCUMENTS THAT MAY BE FILED WITH THE SEC CAREFULLY AND IN THEIR ENTIRETY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE PROPOSED TRANSACTION.** Investors and security holders will be able to obtain any documents filed with the SEC (when available) free of charge at the SEC's web site, www.sec.gov. Copies of any documents filed with the SEC by Markel will be available free of charge on Markel's website at www.markelcorp.com under the tab "SEC Filings" on the "Investor Information" page or by contacting Markel's Investor Relations Department at (800) 446-6671 (Toll Free). You may also read and copy any reports, statements and other information filed with the SEC at the SEC public reference room at 100 F Street N.E., Room 1580, Washington, D.C. 20549. Please call the SEC at (800) 732-0330 or visit the SEC's website for further information on its public reference room.

This communication contains statements concerning or incorporating expectations, assumptions, plans, objectives, future financial or operating performance and other statements that are not historical facts. These statements are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. There are risks and uncertainties that may cause actual results to differ materially from predicted results in forward-looking statements, including the ability to consummate the acquisition of Aspen by Markel; the ability to promptly and effectively integrate the operations of Markel and Aspen; timing to consummate the proposed transaction and any necessary actions to obtain required regulatory approvals; potential disruption of current Aspen business relationships because of the transaction; loss of key employees; ability to cross-sell Markel and Aspen products; and increased operational and control risks during the integration process. Additional information about factors that could cause actual results to differ materially from those projected in the forward-looking statements is described under the captions "Risk Factors" and "Safe Harbor and Cautionary Statement" in Markel's most recent Annual Report on Form 10-K and Quarterly Report on Form 10-Q. By making forward-looking statements, Markel does not intend to become obligated to publicly update or revise any such statements, whether as a result of new information, future events or other changes.
