PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held August 26, 2010

MEETING AND VOTING INFORMATION

Date, Time and Place of Meeting

The board of directors of Rentrak Corporation (Rentrak) is furnishing this notice of annual meeting and proxy statement and the enclosed proxy card in connection with the board's solicitation of proxies for use at Rentrak's 2010 Annual Meeting of Shareholders (the Annual Meeting). The Annual Meeting will be held on Thursday, August 26, 2010, at 10:00 a.m. Eastern Daylight Time, at The Cornell Club, 6 East 44th Street, New York, New York.

Solicitation and Revocation of Proxies

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted **FOR** each of the director nominees selected by the board of directors and **FOR** ratification of the appointment of independent auditors. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying 2010 Annual Report to Shareholders, which includes Rentrak's audited financial statements for the fiscal year ended March 31, 2010, and the other portions of Rentrak's 2010 Annual Report on Form 10-K, are being mailed on or about July 26, 2010, to shareholders of record on June 22, 2010.

Purposes of the Annual Meeting

The Annual Meeting has been called for the following purposes:

To elect a board of directors consisting of eight members, each to serve until the next annual meeting of shareholders and until his or her successor is duly elected and qualified;

Edgar Filing: RENTRAK CORP - Form DEF 14A

To ratify the appointment of Grant Thornton LLP as Rentrak's independent auditors for the fiscal year ending March 31, 2011;

To hear reports from various officers of Rentrak; and

To transact such other business as may properly come before the meeting or any adjournments thereof.

Section 2.3.1 of Rentrak's 1995 Restated Bylaws, as amended ("Bylaws"), sets forth procedures to be followed for introducing business at a shareholders meeting. Rentrak has no knowledge of any other matters that may be properly presented at the Annual Meeting. If other matters do properly come before the Annual Meeting in accordance with the Bylaws, the persons named in the proxy card will vote your proxy in accordance with their judgment on such matters in the exercise of their sole discretion.

Record Date and Shares Outstanding

Only shareholders of record at the close of business on June 22, 2010 (the Record Date), are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 10,870,517 shares of Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see Security Ownership of Certain Beneficial Owners and Management on page 12 below.

Voting; Quorum; Vote Required

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors. The appointment of independent auditors will be ratified if the votes cast in favor of the proposal exceed the votes cast against it.

Effect of Abstentions

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors. Abstentions will have no effect on the vote to ratify the appointment of independent auditors.

Effect of Broker Non-Votes

If a broker holds your shares in street name, you should instruct your broker how to vote. A broker non-vote occurs when a nominee holding shares for a beneficial owner returns a duly executed proxy but does not vote on a proposal because the nominee does not have discretionary voting power with respect to the matter being considered and did not receive voting instructions from the beneficial owner. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present, but will have no effect on the outcome of the election of directors or ratification of the appointment of independent auditors. Beginning this year, banks and brokers acting as nominees for beneficial owners are not permitted to vote proxies with regard to the election of directors on behalf of beneficial owners who have not provided voting instructions to the nominee, making it especially important that you send your broker your voting instructions.

Costs of Solicitation

Rentrak will bear all costs and expenses associated with this solicitation. In addition to solicitation by mail, directors, officers, and employees of Rentrak may solicit proxies from shareholders, personally or by telephone, facsimile, or e-mail transmission, without receiving any additional remuneration. Rentrak has asked brokerage houses, nominees and other agents and fiduciaries to forward soliciting materials to beneficial owners of Rentrak common stock and will reimburse all such persons for their expenses.

Householding

In accordance with applicable regulations, Rentrak delivers a single annual report, proxy statement or Notice of Internet Availability of Proxy Materials to certain persons who share an address, unless we have been notified that such persons prefer to receive individual copies of those documents. This practice is referred to as householding. If you reside at an address that received only one copy of proxy materials as a result of householding, we will deliver additional copies upon oral or written request. If you wish to receive separate copies in the future, please contact us at Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888, Attn: Corporate Secretary, or by phone at (503) 284-7581 extension 264. If you and others living at your address received multiple copies of proxy materials and prefer to receive a single copy, you may request that a single copy be sent in the future by contacting us as described above.

PROPOSAL 1

ELECTION OF DIRECTORS

Six of our current directors, Richard Hochhauser, William Livek, Anne MacDonald, Paul Rosenbaum, Brent Rosenthal and Ralph Shaw, have been nominated by the board of directors to stand for re-election as directors. Tom Allen and George Kuper are retiring after six and ten years of service to Rentrak, respectively.

William Engel and Martin O'Connor have been nominated by the board of directors, following consideration by and upon the recommendation of the Nominating and Governance Committee, for election at the Annual Meeting to fill the positions being vacated by Messrs. Allen and Kuper. Our CEO recommended Mr. Engel as a potential board member, while Mr. O'Connor was recommended by one of our non-management directors who knows him.

Rentrak's Bylaws currently in effect provide for eight positions on the board of directors. The board of directors has nominated the individuals named below to fill the eight positions. If for any reason any of the nominees named below should become unavailable for election (an event the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend. Proxies cannot be voted for more than eight nominees. Directors are re-elected annually to serve until the next annual meeting of shareholders and until their successors are duly elected and qualified. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

The board of directors has determined that each of the nominees for director named below, other than Messrs. Livek and Rosenbaum, is or will be an independent director under Rule 5605(a)(2) of the Nasdaq listing standards.

The board of directors recommends a vote FOR the election of each of the following nominees for director:

WILLIAM E. ENGEL (age 62). Mr. Engel has 40 years of experience in the media and marketing information industries and co-holds a patent for the integration of disparate datasets. Since January 2009, he has served as Chairman of Consumer Orbit, a marketing information company he formed with a focus on the relationship of information to transactions based on data bases. Mr. Engel served as Senior Vice President of Innovation for the Marketing Services Group of Experian Information Solutions, Inc., a provider of information, analytical and marketing services worldwide, from February 2007 until December 2008, and was co-President of Experian's subsidiary Experian Research Services from October 2004 until February 2007. From 1998 until 2004, he was Chairman and Chief Executive Officer of Simmons Market Research Bureau following its acquisition by Symmetrical Resources, co-founded by Mr. Engel in 1992. From 1989 until 1992, Mr. Engel was President of Research and Operations for VNU (now The Nielsen Company), following VNU's acquisition of Birch Scarborough Research, formed in 1987 through the purchase of Scarborough Research by Birch Radio Ratings, where he had served as chief research officer and Executive Vice President of Operations since 1985. Mr. Engel held various executive positions with the Arbitron Company from the early 1970's until 1985. He started his career at Southern Broadcasting Corporation in 1969. The board has nominated Mr. Engel for election as a director because of his extensive expertise in and significant contributions to the media research industry, including the creation and marketing of new information products. In addition, his experience in building large-scale information companies and participation in senior management of various public companies will enable Mr. Engel to assist Rentrak in the assessment of operating risks.

RICHARD HOCHHAUSER (age 65). Mr. Hochhauser, an adjunct professor at New York University, teaches a Masters Degree program in integrated marketing. He retired as President and Chief Executive Officer of Harte-Hanks, Inc. in 2008, a position in which he served since 2002. He served in various other capacities with Harte-Hanks, Inc., a global direct and targeted marketing solutions provider, during his 33-year tenure. Mr. Hochhauser is also a director of John Wiley & Sons, Inc., a global publisher of print and electronic products, and is a board member of the Direct Marketing Educational Foundation. He previously served as chair of the board of directors of the Direct Marketing Association. Mr. Hochhauser was elected as a director of Rentrak in August 2009. SWR Corp. is based in Portland and designs, sells, and markets specialty industrial chemicals. PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has selected Grant Thornton LLP as Rentrak's independent registered public accountants for the fiscal year ending March 31, 2011. See "Matters Relating to Our Auditors" beginning on page 35 below. Although the appointment of independent auditors is not required to be submitted to a vote of the shareholders by Rentrak's charter documents or applicable law, the board has decided to ask the shareholders to ratify the appointment. If the shareholders do not approve the appointment of Grant Thornton LLP, the board will ask the Audit Committee to reconsider its selection.

Provided that a quorum is present, the appointment of Grant Thornton LLP as Rentrak's independent auditors will be ratified if the votes cast in favor of the proposal exceed the votes cast against it at the Annual Meeting. Shares that are not represented at the meeting, shares that abstain from voting on this proposal, and broker non-votes will have no effect on the outcome of the vote on this proposal.

*The Board of Directors recommends that you vote **FOR** ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal 2011.*

COMMITTEES AND MEETINGS OF THE BOARD

The board of directors has established several standing committees, including an Audit Committee, a Compensation Committee, a Finance Committee, and a Nominating and Governance Committee. During the fiscal year ended March 31, 2010, the board of directors held eight meetings. Each director attended at least 75% of the total number of meetings held by the board of directors and the board committees on which he or she served during fiscal 2010.

The board of directors has adopted corporate governance guidelines, which state that directors are expected to attend all meetings of the board of directors, including our annual meetings of shareholders. Seven of the eight directors attended the annual meeting held in August 2009.

Audit Committee

Rentrak has a standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (the "Exchange Act"). The Audit Committee's activities are governed by a formal written charter, a copy of which is available on Rentrak's website under "Investor Information / Corporate Governance" at www.rentrak.com. The Audit Committee held four meetings during the fiscal year ended March 31, 2010.

Mr. Allen (Chair), Mr. Rosenthal and Mr. Shaw, each of whom meets the financial literacy and independence requirements for audit committee membership specified in the Nasdaq listing standards and rules adopted by the Securities and Exchange Commission (the "SEC"), are the current members of the Audit Committee. The board of directors has determined that Messrs. Allen, Rosenthal and Shaw are each qualified to be an audit committee financial expert as defined in the SEC's rules. The board also determined that the other directors who served on the Audit Committee during fiscal 2010, Cecil Andrus and George Kuper, met the independence requirements for committee membership.

The Audit Committee makes decisions regarding the engagement or discharge of Rentrak's independent auditors, reviews and pre-approves audit and legally-permitted non-audit services provided by the independent auditors, and oversees the integrity of Rentrak's financial statements and other financial information, its systems of internal accounting and financial controls, and the independence and performance of Rentrak's independent auditors. The Audit Committee has established procedures for the receipt and handling of complaints about accounting and auditing matters and reports of ethical violations regarding Rentrak's directors, officers and employees.

The Audit Committee's charter makes it responsible for reviewing for potential conflicts of interest all transactions between Rentrak and a director, officer or shareholder (including transactions with family members or associates of such persons) that would be required to be reported as a transaction with a related person in this proxy

Table of Contents

statement under the SEC's disclosure rules and determining whether or not to approve any such transactions. Under the charter, the Audit Committee also reviews, interprets and administers Rentrak's Code of Business Conduct and reviews requests for waivers and reports of violations. Under the Code of Business Conduct as revised in May 2010, executive officers and directors must obtain the prior written approval of the Audit Committee before participating in any business arrangement with Rentrak. Directors must disclose any personal interest they may have in any transaction with Rentrak or being considered by the board, and may not participate in any decision in which there is a conflict between their personal interests and Rentrak's interests. See also Code of Ethics on page 9 below.

Compensation Committee

The members of the Compensation Committee are Ms. MacDonald (Chair), and Messrs. Allen, Hochhauser, and Shaw, each of whom is an independent director as defined in Rule 5605(a)(2) of the Nasdaq listing standards. Retired directors Judith Allen and Cecil Andrus, who were members of the Compensation Committee during fiscal 2010, also met the independence requirements for committee membership. The Compensation Committee is responsible for approving and evaluating Rentrak's director and officer compensation plans, policies and programs, evaluating the performance of Rentrak's management, and making compensation decisions regarding Rentrak's executive employees. The Compensation Committee is governed by a written charter, a copy of which is available on Rentrak's website under Investor Information / Corporate Governance at www.rentrak.com. During the fiscal year ended March 31, 2010, the Compensation Committee held twelve meetings.

Nominating and Governance Committee

The Nominating and Governance Committee (the Nominating Committee) is chaired by Mr. Kuper; Mr. Hochhauser and Mr. Rosenthal are its two other members. The board of directors has determined that each of these directors is independent as defined in Rule 5605(a)(2) of the Nasdaq listing standards. Other members of the committee during fiscal 2010, Ms. Allen and Mr. Andrus, also met the Nasdaq director independence requirements. The Nominating Committee is governed by a written charter, a copy of which is available on Rentrak's website under Investor Information / Corporate Governance at www.rentrak.com. The Nominating Committee held three meetings during the fiscal year ended March 31, 2010.

The Nominating Committee is responsible for identifying individuals qualified to become directors of Rentrak and recommending to the board of directors candidates for election and for recommending individuals to serve on each board committee. It is also responsible for developing for board approval a set of corporate governance guidelines addressing board organizational issues, committee structure and membership, and succession planning for Rentrak's chief executive officer position.

The Nominating Committee has not adopted any specific, minimum qualifications for director candidates. In evaluating potential director nominees, the Nominating Committee will take into account all factors that it considers appropriate, including strength of character, maturity of judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoints, industry knowledge, and the highest personal and professional ethics, integrity and sound business judgment.

In determining whether to recommend nomination of current directors for re-election, the Nominating Committee will perform periodic evaluations of individual directors. Non-employee directors are generally expected to retire upon reaching age 75 or completing ten years of service, whichever is later. Directors who are also employees will generally be expected to resign upon termination of employment, although the board of directors may make an exception to this policy for a former chief executive officer if it believes it to be in the best interests of Rentrak.

When the Nominating Committee is required to identify new director candidates, because of a vacancy or a desire to expand the board, the Nominating Committee will poll current directors for suggested candidates. The Nominating Committee has the authority to hire a third party search firm if it deems such action to be appropriate, but has not done so since 2005. Once potential candidates are identified, the Nominating Committee will conduct interviews with the candidates and perform such investigations into the candidates' background as the Nominating Committee deems appropriate.

Table of Contents

The Nominating Committee will consider director candidates suggested by shareholders for nomination by the board of directors. Shareholders wishing to suggest a candidate to the Nominating Committee should do so by sending the candidate's name, biographical information, and qualifications to: Chair of Nominating Committee, in care of David Chemerow, Chief Operating Officer, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. The Finance Committee is comprised of Mr. Shaw (Chair), Mr. Kuper and Mr. Rosenthal. The Finance Committee is responsible for evaluating strategic, operational and financial issues facing Rentrak. During the fiscal year ended March 31, 2010, the Finance Committee met five times.

RISK MANAGEMENT

Rentrak has developed and maintains processes to manage risk in its operations. The Board's role in risk management is primarily one of oversight, with day-to-day responsibility for risk management implemented by the management team. The Board executes its oversight role directly and through its various committees. The Audit Committee has principal responsibility for implementing the Board's risk management oversight role. The Audit Committee is also responsible for reviewing conflict of interest transactions and handling complaints about accounting and auditing matters and violations of Rentrak's Code of Business Conduct. The Audit Committee monitors certain key risks at each of its regularly scheduled meetings, such as risk associated with internal control over financial reporting, liquidity risk, and risks associated with potential or completed business acquisitions. The Nominating and Governance Committee assists in risk management by overseeing Rentrak's compliance with legal and regulatory requirements relating to corporate governance. The Compensation Committee assesses risks created by the incentives inherent in Rentrak's compensation policies. The Finance Committee assists in risk management by assessing the risks in proposed financings or investments of the company. Finally, the full board of directors reviews strategic and operational risk in the context of reports from the management team and the board committees.

LEADERSHIP STRUCTURE

Since the hiring of Mr. Livek as Chief Executive Officer in June 2009, the positions of Chairman of the Board and CEO have been held by different people. Mr. Rosenbaum, who continues to serve as Chairman of the Board, is not independent as a result of being CEO and a Rentrak employee during the past three years. The board believes that Mr. Rosenbaum's historical perspective and significant contacts developed during his 10 years as Rentrak's CEO provide valuable insights in his role of non-executive Chairman, while Mr. Livek brings a wealth of industry experience and operational skills to Rentrak as it seeks to transform itself into a leading provider of media measurement services.

Table of Contents

Each of Rentrak's board committees is made up solely of independent directors and sets its own agenda. The independent directors also meet in executive session at each meeting without management present. As a result, it is the Nominating and Governance Committee's view that there is no current need for an independent lead director. The Nominating and Governance Committee reevaluates the board's leadership structure periodically.

CODE OF ETHICS

Rentrak has adopted a Code of Ethics for Senior Financial Officers (Code of Ethics), which is applicable to its chief executive officer, president, principal financial officer, and principal accounting officer. The Code of Ethics focuses on honest and ethical conduct, the adequacy of disclosure in Rentrak's financial reports, and compliance with applicable laws and regulations. The Code of Ethics is included as part of our Code of Business Conduct approved by the board of directors, which is generally applicable to all directors, officers, and employees of Rentrak. The Code of Business Conduct and Code of Ethics are available on Rentrak's website under Investor Information / Corporate Governance at www.rentrak.com and are administered by the Audit Committee.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Communications by shareholders to the board of directors should be sent to the attention of the Chair of the Nominating and Governance Committee, in care of David Chemerow, Chief Operating Officer, Chief Financial Officer and Secretary, Rentrak Corporation, P.O. Box 18888, Portland, Oregon 97218-0888. Such communications will be forwarded unopened to the individual serving as Chair of the Nominating Committee, who will be responsible for responding to or forwarding such communications as appropriate, including communications directed to individual directors or board committees. Communications will not be forwarded if the Chair of the Nominating Committee determines that they do not appear to be within the scope of the board's (or such other intended recipient's) responsibilities or are otherwise inappropriate or frivolous.

Table of Contents

- (1) During fiscal 2010, each independent director of Rentrak received an annual cash retainer of \$30,000. In addition, the chair of the Compensation Committee received a \$3,000 annual retainer, the chair of the Audit Committee received a \$5,000 annual retainer, and each other non-employee director who served on the Audit Committee received a \$2,500 annual retainer. A meeting fee of \$1,200 was paid for each board or committee meeting attended in person or telephonically. Rentrak also reimburses directors for their travel expenses for each meeting attended in person; reimbursement amounts are not included in the totals above.
- (2) The dollar amounts reflect the grant date fair value of deferred stock unit (DSU) awards granted in fiscal 2010 under Rentrak 's 2005 Stock Incentive Plan (the 2005 Plan), calculated in accordance with Accounting Standards Codification (ASC) Topic 718 promulgated by the Financial Accounting Standards Board (FASB). The DSU valuation is equal to the number of DSUs granted multiplied by the closing stock price on the grant date. DSU awards granted in fiscal 2008, 2009 and 2010 generally vest in three equal annual installments beginning on the first anniversary of the grant date. Unvested DSUs will also fully vest upon termination of the recipient 's service on the board as a result of death, disability, after reaching age 75, or upon a change in control of Rentrak during the vesting period. Each vested DSU entitles the holder to receive a share of Rentrak common stock following the individual 's ceasing to be a director of Rentrak. The dollar amount shown for Ms. Allen includes \$52,470 relating to the incremental fair value resulting from the Compensation Committee 's decision to accelerate the vesting of 15,000 shares covered by DSU grants in fiscal 2009 and 2010 in connection with her retirement from the board. The DSUs granted to Mr. Andrus in fiscal 2009 and 2010 vested in full by their terms as a result of his retirement from the Rentrak board after reaching age 75, so there was no increase in fair value with respect to his DSUs.

The table below shows the total DSUs granted to each independent director during fiscal 2010 and the total DSUs and stock options held by each independent director at March 31, 2010.

Name	DSUs Granted in Fiscal 2010	Grant Date	Grant Date Fair Value	Total DSUs Held at March 31, 2010	Total Stock Options Held at March 31, 2010

- (3) Ms. MacDonald and Mr. Hochhauser were elected as directors on August 20, 2009, to fill the positions previously held by Ms. Allen and Mr. Andrus, who retired as of that date.

In establishing compensation for independent directors for service during fiscal 2010, the Compensation Committee and the board of directors considered information regarding compensation paid to directors of similar marketing services companies collected by an independent director, along with director compensation information derived from other sources.

On March 24, 2010, the Compensation Committee approved changes in meeting fees to be paid to independent directors. A fee of \$1,200 will be paid for each board meeting attended in person. After an independent director has attended four committee meetings that were not held at the same time as a board meeting, the director will be paid \$600 for each subsequent committee meeting attended in person or by telephone. The annual cash retainer fees for board and committee service described in note 1 above remain in place with the addition of a \$3,000 annual retainer for the chair of the Nominating and Governance Committee.

Beginning in August 2010, each independent director will also be granted \$100,000 of DSUs at or about the time of each annual meeting of shareholders. The number of DSUs will be determined by dividing \$100,000 by the stock trading price on the date of grant and rounding to the nearest whole number. The DSUs will vest in equal monthly installments over the ensuing 11 calendar months, as long as the recipient continues to be a director at the end of the applicable month.

Compensation Arrangements with Chairman of the Board

Effective March 31, 2010, Rentrak and Mr. Rosenbaum agreed that he will continue as Chairman of the Board in a non-employee capacity through at least September 30, 2011. Mr. Rosenbaum will receive an annual cash retainer of \$50,000 as full payment for his services as Chairman of the Board.

In connection with the revised compensation arrangements, on March 31, 2010, Mr. Rosenbaum received a lump sum payment in the amount of \$298,739 in full satisfaction of the remaining salary he would have been paid under his employment agreement during calendar 2010, and Rentrak has agreed to make an additional lump sum payment of \$190,000 in early January 2011, in full satisfaction of the salary that he would have been paid for the nine months ending September 30, 2011. The lump sum payments were reduced to reflect agreed upon contributions by Mr. Rosenbaum toward premiums for the continuation of medical, dental and other welfare benefits, and will be further reduced by required payroll deductions. Rentrak also agreed to continue to provide life insurance coverage for Mr. Rosenbaum in the amount of \$300,000 through September 30, 2011 and to make a lump sum payment of \$200,000 to Mr. Rosenbaum's heirs if he dies on or after February 15, 2011 and on or before September 30, 2011.

Rentrak and Mr. Rosenbaum also entered into a consulting agreement with a term expiring September 30, 2013, under which Mr. Rosenbaum will provide investor relations advice and such other services as Rentrak may request in exchange for a monthly retainer of \$833 through September 30, 2011 and \$333 for the remainder of the term, plus continuation of medical, dental and long-term care benefits. In the event that Mr. Rosenbaum secures a contract or other arrangement under which Rentrak is expected to receive revenue of \$1,000,000 or more in a 12-month period, Rentrak will negotiate with Mr. Rosenbaum in good faith with regard to bonus compensation.

EXECUTIVE COMPENSATION

Responsibilities and Processes of Compensation Committee

The Board of Directors has delegated responsibility for considering and approving the compensation programs and awards to all of Rentrak's executive officers, including the executive officers listed in the Summary Compensation Table on page 20 (the "named executive officers"), to the Compensation Committee, which consists entirely of independent, non-employee directors. The Compensation Committee also establishes the executive compensation principles that guide the design of Rentrak's executive compensation programs.

Engagement of Independent Consultant. For assistance in designing Rentrak's compensation programs for executive officers to meet our goals and objectives, the Compensation Committee has, on a periodic basis, engaged the services of an outside consultant to conduct surveys and provide reports, updates and related advice to the committee regarding compensation paid to executive officers at peer companies who hold positions similar to those of our named executive officers. The Compensation Committee did not retain an outside consultant during fiscal 2010.

Role of Executive Officers. The base salaries paid to executive officers for fiscal 2010, other than our Chief Executive Officers and Mr. Chemerow, were recommended to the Compensation Committee by Mr. Rosenbaum in March 2009 and approved by the Compensation Committee. The recommendations were reviewed with the Compensation Committee chair in advance of deliberations and action by the Compensation Committee as a whole. Each of Mr. Livek and Mr. Rosenbaum, while he was CEO, and Mr. Chemerow following his hiring in October 2009, was present during the Compensation Committee's deliberations and approval process regarding compensation of executive officers other than himself.

Compensation Discussion and Analysis

Compensation Principles. In general, our compensation programs are designed to reward the achievement of individual and company goals and objectives. Rentrak follows a practice of linking executive compensation to individual levels of performance, as well as the performance of the company as a whole. The compensation of our executive officers typically includes cash incentive bonuses and equity-based awards (stock options, stock appreciation rights ("SARs"), restricted stock units ("RSUs"), or a combination of awards) that reward the achievement of goals and objectives relating to both individual performance and company performance.

Rentrak's overall executive compensation levels are designed to attract and retain the talent needed to enable us to achieve and maintain a leadership position in the businesses and industries in which Rentrak competes, as well as to increase the long-term value of the company's stock for shareholders. Accordingly, the Compensation Committee believes that total executive compensation, assuming achievement of performance goals, should be at or above the median for Rentrak's peers and other appropriate benchmarks.

In connection with hiring our new Chief Executive Officer, William Livek, in June 2009, the Compensation Committee approved, in concept, a shift in our executive compensation structure to place a greater emphasis on equity-based compensation, as well as compensation conditioned on the achievement of corporate and individual performance goals. This shift in focus was illustrated by the hiring packages approved for Messrs. Livek and Chemerow, which then served as a model for revamping our compensation program for other executive officers for fiscal 2011, as described in greater detail below.

Benchmarking and Comparative Peer Group. The Compensation Committee periodically compares the total annual compensation of each named executive officer to the total annual compensation of executives holding comparable positions at similarly-situated peer companies. For the purpose of such comparisons, the committee considers base salary, annual cash incentive bonus, and the value of grants of stock options, SARs and RSUs. The Compensation Committee focuses on the level of total annual compensation, as well as the nature of the various individual elements of compensation, because both are generally important to executives. This gives Rentrak the flexibility to provide forms of compensation that are tailored to meet the company's goals and objectives, as well as the particular executive's needs and wishes, whether at the time of hire or later in the employment relationship.

Table of Contents

In connection with recruiting a new CEO, COO/CFO and two directors during fiscal 2010, one of our independent directors, Mr. Rosenthal, volunteered to research and summarize compensation data for the CEO, CFO and non-management director positions at the companies listed below (the peer group):

Axiom Corporation	Hastings Entertainment, Inc.
Arbitron, Inc.	IMS Health Incorporated
Blockbuster Inc.	Ipsos S.A.
Entertainment One Ltd.	Omniture, Inc.
GfK Aktiengesellschaft	Netflix, Inc.
Harris Interactive Inc.	TiVo Inc.

The peer group includes companies in the media and research industries that have similar revenues, similar market capitalizations, or similar numbers of employees as compared to Rentrak. The Compensation Committee reviewed the comparison data in considering the hiring packages for Messrs. Livek and Chemerow and changes to the director compensation program described above under Director Compensation for Fiscal 2010.

Goals and Objectives for Executive Compensation. The goals and objectives of our executive compensation program for named executive officers are to attract, retain, motivate and reward highly qualified executives to achieve Rentrak's strategic goals and increase shareholder value. For fiscal 2010, total executive compensation was established for each named executive officer based on such factors as:

- * experience, skills and abilities needed to accomplish the company's goals,
- * scope of job responsibilities,
- * current and long-term job performance and potential for advancement,
- * length of time in the position,
- * competitive market conditions for individuals holding similar positions, and

- * the short-term and longer-term performance of our company.

Total executive compensation may also be affected by decisions to pay higher levels of compensation in order to attract superior executive talent in critical functions or to provide additional compensation outside of the normal annual review cycle to address retention issues.

Based on our review of the compensation arrangements discussed below, and our assessments of individual executive and corporate performance, we believe our executive compensation levels and the design of our executive compensation programs are effective in meeting our compensation goals and objectives.

Elements of Compensation in Fiscal 2010. The executive compensation program and its various elements are designed to reward a combination of individual, division, department and/or company-wide performance. The primary elements of our compensation program for named executive

Edgar Filing: RENTRAK CORP - Form DEF 14A

officers are base salary, cash incentive bonus, stock options and other equity-based incentive compensation, severance arrangements, other benefits and perquisites, and an employment agreement. Important aspects of each element of the compensation program for named executive officers are explained in more detail below.

Base Salaries. The Compensation Committee annually reviews and considers adjustments to the base salary of executive officers based on company performance, individual executive performance, increased responsibilities, comparative market compensation for the position, retention considerations and CEO recommendations. For fiscal 2010, in light of economic conditions affecting Rentrak and the country as a whole, increases in base salaries for Ms. Hetzel and Messrs. Rosenbaum, Papagan and Yazdani were limited to 3% as part of a cost of living adjustment for all Rentrak employees as of April 1, 2009.

In negotiations with Mr. Livek in June 2009 regarding his becoming our new CEO, he expressed a desire to shift Rentrak's compensation structure to a more incentive-based platform, including significant equity-based grants, in exchange for lower base salaries. Accordingly, his initial base salary was set at \$150,000, substantially lower than any of our other named executive officers. The employment agreement with Mr. Livek provides for an increase of 10% in his base salary in each of fiscal 2011, 2012 and 2013. Subsequently, in connection with recruiting Mr. Chemerow to serve as our Chief Operating Officer and Chief Financial Officer, his employment agreement included identical terms as to base salary.

During the fourth quarter of fiscal 2010, each of Rentrak's other current named executive officers, in connection with renewing their employment agreements for an additional year, were offered a trade-off between base salary and equity compensation similar to that negotiated with Messrs. Livek and Chemerow. Those who accepted a substantial reduction in salary for fiscal 2011 received substantial equity grants as discussed under Equity Incentive Compensation below. The following table shows the base salary levels for our other current named executive officers for fiscal 2010 and fiscal 2011.

Name	Position	Base Salary for Fiscal 2010	Base Salary for Fiscal 2011
Cathy Hetzel	President, AMI Division	\$ 283,250	\$ 215,270
Kenneth Papagan	President	\$ 309,000	\$ 309,000
Amir Yazdani	Executive Vice President and Chief Information Officer	\$ 298,700	\$ 150,000

Cash Incentive Bonuses. The employment agreements negotiated with Messrs. Livek and Chemerow included provisions for an annual cash bonus of up to \$100,000 based on the achievement of performance criteria established each year. The performance criteria established for Mr. Livek for fiscal 2010 related to developing a detailed business plan for the company, as well as new products and services, overseeing the personal and professional development of the executive leadership team, managing the development of and control over capital expenditures and operating budgets, and analyzing potential business transactions and acquisitions. The performance criteria for Mr. Chemerow related to integrating Rentrak's back office functions into one support group, assisting in the formulation of a revamped business plan for the company, establishing a project plan to match sales needs and IT development, performing a companywide expense study, and assisting with Rentrak's investor relations function. The performance criteria for Messrs. Livek and Chemerow were each weighted equally and the Compensation Committee expected that the performance goals would be achieved in full. At its March 24, 2010 meeting, the Compensation Committee reviewed the status of the performance goals and concluded that Mr. Livek should receive a cash bonus for fiscal 2010 in the amount of \$150,000 and Mr. Chemerow should receive \$100,000. No other named executive officer received a cash bonus for services during fiscal 2010.

The Compensation Committee also reviewed and recommended adoption of a new Annual Cash Bonus Plan for executive officers and other mid-level management employees at its March meeting; the plan was approved by the full board on March 25, 2010. The Annual Cash Bonus Plan provides for the opportunity to earn cash incentive awards based on target bonus levels and achievement of corporate and individual performance goals approved by the Compensation Committee for executive officers, and by senior management or other key employees, at the beginning of each fiscal year. Award opportunities may be expressed as a dollar amount or a percentage of annual base salary. In no event may an award payout to a single individual for a given fiscal year exceed the lesser of 200% of the target award and \$2,000,000. Award payouts for financial goals are based on actual financial performance and are prorated based on the degree of achievement. The calculation of incentive award payouts is subject to the approval of the Compensation Committee. The target bonus for fiscal 2011 for each of Rentrak's current named executive officers is \$100,000.

Equity Incentive Compensation. During fiscal 2010, the Compensation Committee granted nonqualified stock options to the current named executive officers for the following numbers of shares: Mr. Livek, 200,000 shares (plus stock-settled SARs for 75,000 shares); Mr. Chemerow, 121,750 shares; Ms. Hetzel, 12,000 shares; Mr. Papagan, 12,000 shares; and Mr. Yazdani, 12,000 shares. The stock options and SARs vest in four equal annual installments and have a term of ten years.

Named executive officers who agreed to a low starting or significantly reduced base salary received additional equity-based grants. Messrs. Chemerow, Livek and Yazdani each received RSUs relating to 131,173, 213,750, and 131,173 shares, respectively, as to which vesting is conditioned on satisfaction of performance goals related to EBITDA (earnings before interest, taxes, depreciation and amortization, as modified by subtracting certain other expenses) or trading price targets for Rentrak's common stock. Ms. Hetzel was granted a nonqualified stock

option to purchase 75,000 shares of Rentrak common stock, with vesting of each of the three equal annual installments conditioned on the attainment of performance criteria based 25% on target total operating income in the operating budget for Rentrak for the preceding fiscal year and 75% on target operating income included in the budget for the AMI Division or such other business units as to which Ms. Hetzel may have supervisory responsibility in the future. See **Grants of Plan-Based Awards** and **Potential Payments upon Termination or Change-in-Control** below for additional information regarding the equity-based grants to named executive officers in fiscal 2010.

Personal Benefits. Benefits are established based on an assessment of competitive market factors and a determination of what is needed to attract and retain superior talent. The primary benefits received by our named executive officers are generally the same as for all employees of Rentrak on a non-discriminatory basis and include participation in our health, dental and vision plans, disability and life insurance plans, paid personal time-off, as well as Rentrak's 401(k) retirement plan. Certain additional personal benefits for the named executive officers are reflected in the Summary Compensation Table on page 20 below.

Employment Agreements and Termination and Severance Benefits. We believe that it is valuable to establish employment agreements with our executive officers. The employment agreements are consistent with the goals and objectives of our compensation program to attract, retain, motivate and reward highly qualified executives. The Compensation Committee has established guidelines to standardize most of the terms and conditions in our executive employment agreements. A more detailed discussion of certain of the terms and conditions of our employment agreements with our named executive officers is included below under the subheading **Potential Payments upon Termination or Change-in-Control**.

Employment Agreement with Chairman of the Board. In June 2009, in contemplation of the transition associated with the hiring of Mr. Livek as Chief Executive Officer, Rentrak and Mr. Rosenbaum entered into an amended and restated employment agreement providing for his continued service in a non-executive capacity as Chairman of the Board. The agreement provided that he would be paid an annual base salary of \$489,000 through September 30, 2010, and \$325,000 for the ensuing 12 months, together with all employee benefits provided to officers and other management employees generally. He was also provided with an automobile at Rentrak's expense through December 31, 2009.

In light of the successful completion of the CEO transition, at their March 2010 meetings the Compensation Committee recommended and the Board of Directors approved revised compensation arrangements for Mr. Rosenbaum effective March 31, 2010. The revised arrangements provide that Mr. Rosenbaum will continue as Chairman of the Board in a non-employee capacity through at least September 30, 2011. The arrangements are discussed in more detail under **Compensation Arrangements with Chairman of the Board** on page 11 above.

Recoupment of Annual Bonuses and Stock Gains. The Sarbanes-Oxley Act of 2002 provides that, if a company is required to restate its financial statements due to material non-compliance with reporting requirements, the CEO and CFO must reimburse the company for (1) any bonus or other incentive or equity-based compensation received during the 12 months preceding the first public release of restated financial statements, and (2) any profits from the sale of securities during those 12 months.

Deductibility of Compensation. In considering Rentrak's compensation structure, the Compensation Committee takes into consideration Section 162(m) of the Internal Revenue Code, as amended (the **Code**). This provision limits the deductibility of compensation in excess of \$1 million paid to certain of a company's most highly-paid executive officers in a single tax year. Compensation that is performance-based or qualifies under certain other exceptions is excluded from the calculation. For example, stock options, SARs and RSUs granted under the 2005 Plan are structured to qualify as performance-based compensation under Section 162(m). The cash bonuses payable under the Annual Cash Bonus Plan and the grant of RSUs to Mr. Livek will not qualify as performance-based under Section 162(m), in part because the grants were made outside of shareholder-approved plans. Although deductibility is only one factor considered by the Compensation Committee in structuring executive compensation consistent with Rentrak's executive compensation program, the Compensation Committee views it as a significant factor.

Table of Contents**Summary Compensation Table**

The following table summarizes the various elements of compensation for the three fiscal years ended March 31, 2010, paid to or earned by individuals who were chief executive officer, chief financial officer, or one of the three other most highly compensated executive officers of Rentrak during fiscal 2010.

(1) Reflects principal position as of March 31, 2010. Mr. Rosenbaum was Chief Executive Officer, in addition to being Chairman of the Board, until June 15, 2009, when Mr. Livek was hired as CEO. Mr. Thoenes was Chief Financial Officer until October 1, 2009, when Mr. Chemerow was hired.

- (4) Reflects the grant date fair value of restricted stock units (RSUs), determined using the Monte Carlo simulation, excluding the effect of estimated forfeitures. The assumptions made in determining the grant date fair values of RSUs under FASB ASC Topic 718 are disclosed in Note 12 of Notes to Consolidated Financial Statements in our Annual Report on Form 10-K for the year ended March 31, 2010 (the 2010 10-K). Vesting of the RSUs is conditioned upon the attainment of performance conditions; the awards would terminate with a zero value in the absence of achievement of one or more of the conditions. If the maximum level of performance conditions were achieved, the RSU awards would have the following values, based on the closing sale price of Rentrak s common stock on the date of grant: Mr. Livek, \$3,099,375; Mr. Chemerow, \$2,258,799; and Mr. Yazdani, \$2,740,204. See the Grants of Plan-Based Awards table on page 22 below for additional information.
- (5) Reflects the grant date fair value of stock options and stock-settled stock appreciation rights (SARs) granted during the years shown based on the Black-Scholes option pricing model. The assumptions made in determining the grant date fair values of options and stock-settled SARs under FASB ASC Topic 718 are disclosed in Note 12 of Notes to Consolidated Financial Statements in our 2010 10-K. During fiscal 2009, performance-based nonqualified stock options were granted to Messrs. Rosenbaum, Thoenes, Papagan and Yazdani and Ms. Hetzel. Due to the performance conditions, it was not probable that the awards would vest, resulting in zero compensation expense for the named executive officers, consistent with FASB ASC Topic 718. The valuation of the performance-based options at the grant date using the Black-Scholes valuation model and assuming the options vested in full is as follows: Mr. Rosenbaum, \$152,107; Mr. Thoenes, \$114,080; Ms. Hetzel, \$121,685; Mr. Papagan, \$115,348; and Mr. Yazdani, \$126,756. In the absence of vesting, the performance-based options will terminate with a zero value.
- (6) Amounts disclosed for fiscal 2010 include the following:
- A. Mr. Livek received as perquisites a long-term disability insurance plan with annual premiums of \$2,429 and reimbursement for the cost of an automobile of \$4,162, as well as \$2,635 in annual matching contributions under Rentrak s 401(k) plan.
 - B. Mr. Rosenbaum received as perquisites a long-term care insurance policy with premiums totaling \$8,068 and an automobile for his personal use with lease payments totaling \$7,851, together with \$10,695 as reimbursement of personal income tax obligations relating to such perquisites. Mr. Rosenbaum received \$10,544 in annual matching contributions under Rentrak s 401(k) plan. In connection with becoming non-employee Chairman of the Board, Mr. Rosenbaum was paid \$298,739 on March 31, 2010, in full satisfaction of salary payments due under his employment agreement through December 31, 2010. Rentrak accrued \$272,893 in fiscal 2010 representing the \$190,000 salary Mr. Rosenbaum would have been paid for the nine months ending September 30, 2011, as well as \$82,893 for the estimated cost of continuation of medical, dental, and group life insurance benefits through September 30, 2013 and long-term care insurance benefits through December 31, 2013. See Compensation Arrangements with Chairman of the Board on page 11 above.
 - C. Mr. Chemerow received \$171,647 in compensation related to his relocation to Portland, Oregon, as well as \$4,477 in annual matching contributions under Rentrak s 401(k) plan.
 - D. Mr. Thoenes, as part of his severance package, received \$212,438 in cash severance, as well as \$4,944 in annual matching contributions under Rentrak s 401(k) plan. \$5,632 was accrued for Mr. Thoenes medical benefits.
 - E. Ms. Hetzel and Mr. Papagan received the benefit of a long-term disability insurance plan with annual premiums of \$250, as well as annual matching contributions under Rentrak s 401(k) plan of \$7,422 and \$7,429, respectively.
 - F. Mr. Yazdani received the benefit of a supplemental life insurance and long-term disability plan with annual premiums totaling \$2,959, as well as \$7,586 in annual matching contributions under Rentrak s 401(k) plan.

- (1) Reflects the number of restricted stock units (RSUs) awarded to the named executive officers. Each RSU represents a contingent right to receive one share of Rentrak common stock. Vesting of the RSUs is conditioned on satisfaction of performance goals tied to achievement of (a) specified threshold, target and maximum goals related to earnings before interest, taxes, depreciation and amortization (EBITDA) over the fiscal years ending March 31, 2010, 2011, and 2012, or (b) trading-price goals for Rentrak's common stock. The EBITDA goals for fiscal 2010 were not met at the threshold level. To the extent not previously vested, the RSUs will vest at the threshold level if Rentrak common stock trades at \$20.00 per share (\$25.00 in the case of Mr. Yazdani) or above for 65 consecutive trading days. Between \$20.00 and \$30.00 per share (\$25.00 and \$30.00 in the case of Mr. Yazdani), RSUs will vest, for each \$1.00 above the threshold price at which Rentrak common stock trades for 65 consecutive trading days, as follows: Mr. Livek, 3,375 RSUs; Mr. Chemerow, 2,071 RSUs; and Mr. Yazdani, 4,142 RSUs. Between \$30.00 and \$40.00 per share, RSUs will vest, for each \$1.00 above \$30.00 at which Rentrak common stock trades for 65 consecutive trading days, as follows: Mr. Livek, 9,000 RSUs; Mr. Chemerow, 5,523 RSUs; and Mr. Yazdani, 5,523 RSUs. The RSUs will expire and be forfeited to the extent not previously vested as follows: Mr. Livek, on March 31, 2013; and Messrs. Chemerow and Yazdani, on June 15, 2013. On June 15, 2010, the RSU awards to Messrs. Chemerow and Livek vested at the threshold level based on achieving the \$20 trading price target. See Potential Payments upon Termination or Change in Control beginning on page 26 for additional information regarding vesting. The RSU grants to Messrs. Chemerow and Yazdani were made under the 2005 Stock Incentive Plan (the 2005 Plan). The RSU grant to Mr. Livek was made through an individual arrangement outside of the 2005 Plan.
- (2) Reflects nonqualified stock options granted under the 2005 Plan that vest in four equal annual installments beginning one year after the grant date and have a 10-year term. See Potential Payments upon Termination or Change in Control beginning on page 26 for additional information regarding vesting.

- (4) Reflects a nonqualified stock option granted under the 2005 Plan. The option will vest and become exercisable in three equal installments on the 15th day of June each year beginning in 2011, subject to the attainment of performance goals based 25% on target total operating income in the operating budget for Rentrak approved by the Board of Directors for the preceding fiscal year and 75% on target operating income included in the budget for the AMI Division or such other business units as to which Ms. Hetzel may have supervisory responsibility in the future. If the performance criteria for a given fiscal year are not met, the shares covered by that installment of the option are forfeited. The stock option will expire on December 31, 2013 to the extent not previously exercised or terminated. See Potential Payments upon Termination or Change in Control beginning on page 26 for additional information regarding vesting.

- (5) The grant date fair values of stock options, SARs and RSUs under FASB ASC Topic 718 have been calculated based on the assumptions described in Note 12 to our audited financial statements included in the 2010 10-K.

Rentrak has entered into employment agreements with each of its current executive officers. Mr. Livek's agreement will expire on June 30, 2013 and Mr. Chemerow's on September 30, 2013. The employment agreement with each other executive officer will expire on March 31, 2011, subject to automatic renewal for successive one-year periods unless Rentrak gives notice of non-renewal by a specified date. Effective March 31, 2010, Rentrak entered into revised compensation arrangements with Mr. Rosenbaum under which he is entitled to payments and other benefits in connection with becoming non-employee Chairman of the Board. Mr. Thoenes, who was Rentrak's Chief Financial Officer until October 1, 2009, began receiving severance compensation under his employment agreement beginning November 16, 2009. The severance and other benefits payable to the named executive officers following termination of employment or a change in control of Rentrak (a "CIC") are described in more detail below.

A CIC, as defined in the current employment and award agreements with executive officers, includes (a) the acquisition by a person or group of beneficial ownership of 50% or more of the combined voting power of Rentrak's then outstanding capital stock, (b) the election of directors a majority of whom are not individuals nominated by Rentrak's then incumbent directors, or (c) the approval by Rentrak's shareholders of a plan of complete liquidation, a sale of substantially all of Rentrak's assets, or a merger or similar transaction other than a transaction in which Rentrak's shareholders continue to hold at least 50% of the combined voting power of the voting securities of the surviving entity immediately following the transaction.

Severance payments are conditioned on execution of a general release of claims against Rentrak. To the extent that severance benefits that become payable in connection with a CIC, including the acceleration of vesting of equity-based awards, are subject to an excise tax pursuant to Section 4999 of the Code, such benefits will be reduced to the extent, and only to the extent, necessary to provide a larger after-tax benefit to the executive.

William P. Livek, Chief Executive Officer

Mr. Livek will be entitled to severance and other benefits under his employment agreement and equity-based grants as shown in the table below. Severance Arrangements with Other Current Named Executive Officers

Ms. Hetzel and Messrs. Papagan and Yazdani entered into amended and restated employment agreements with Rentrak effective March 30, 2010. The employment agreements provide, among other things, for severance payments in certain circumstances following termination of employment, as described in more detail below. Continuation of severance payments generally is subject to compliance with an agreement not to compete with Rentrak and execution by the executive of a general release of claims against Rentrak.

Good reason is defined in the amended and restated employment agreements as Rentrak's failure to comply with the material terms of the agreement, an act or failure to act by Rentrak that constitutes a substantial adverse change in the officer's position or responsibilities, a material reduction in his or her base salary or failure to continue to provide employee benefits, or specified changes in the location of the officer's workplace. Cause is defined as willful material misconduct in the performance of the officer's duties, a material breach of the agreement by the officer, the officer's willful commission of a material act of malfeasance, dishonesty or breach of trust that materially harms Rentrak or is materially detrimental to its reputation, or the officer's conviction of or plea of no contest to a felony involving moral turpitude.

Severance Following Termination During Term of Employment Agreement. No severance benefits are payable if employment is terminated by Rentrak for cause or voluntarily by the executive other than for good reason. If an executive officer dies or becomes disabled during the term of the agreement, the officer or his or her estate will be entitled to accrued base salary and other employee benefits through the date of termination of employment. If an executive officer is terminated during the term of the agreement and before a CIC occurs, by Rentrak without cause or by the officer for good reason, in addition to accrued base salary and other benefits, the officer is entitled to receive severance payments in the amount of his or her monthly base salary during a severance period of (a) three months for each four full years of continuous service, (b) the number of monthly installments specified in the agreement (six months for Ms. Hetzel and Messrs. Papagan and Yazdani), or (c) the remaining term of the agreement, whichever is longest. Medical and dental insurance benefits will also be continued during this period unless provided by a subsequent employer.

Severance upon Termination After Expiration of Agreement. The amended and restated employment agreements also provide for continuation of medical and dental insurance benefits and for severance payments in the event employment is terminated by Rentrak without cause, or by the executive officer with good reason, after expiration of the term, provided that he or she has had five or more continuous years of employment with Rentrak. The total amount of the severance payments will equal the officer's monthly base salary then in effect times (a) three months for each four full years of continuous service or (b) the number of monthly installments specified in the agreement, whichever is longer.
