Stockholders Entitled to Vote at the Meeting

Stockholders of Record

Only stockholders of record of the Company's common stock, par value \$.01 per share (the "Common Stock"), as of January 24, 2011 (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. You are considered the stockholder of record with respect to your shares if your shares are registered directly in your name with BNY Mellon Shareowner Services, the Company's stock transfer agent. If you are a stockholder of record you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held at 8:00 a.m., Eastern Time, at the offices of Paul, Weiss, Rifkind, Wharton & Garrison LLP located at 1285 Avenue of the Americas, New York, New York 10019-6064.

If you choose to vote by proxy you may do so by using the Internet, the telephone, or by completing, signing, dating and returning the enclosed proxy card in the envelope provided. Whichever method you use to vote by proxy, each valid proxy received in time will be voted at the Annual Meeting in accordance with your instructions. To ensure that your proxy is voted, your proxy, whether given by Internet, the telephone or by mailing the proxy card, should be received by the 5:00 p.m., Eastern Time, on February 28, 2011. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

On the Record Date, there were 50,942,471 shares of Common Stock issued and outstanding, constituting all of our issued and outstanding voting securities. Stockholders of record are entitled to one vote for each share of Common Stock they held as of the Record Date.

Shares Held with a Bank, Broker, or Other Nominee

If your shares are held in an account with a bank, broker or another third party that holds shares on your behalf, referred to herein as a nominee, then you are considered the beneficial owner of these shares, and your shares are referred to as being held in street name. If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker or other nominee. Your bank, broker or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker or other nominee how to vote your shares.

If your shares are held by a bank, broker or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker or other nominee with instructions on how to vote your shares. Brokers, banks and other nominees have the authority under the rules of the New York Stock Exchange ("NYSE") to vote shares held in accounts by their customers in the manner they see fit, or not at all, on routine matters if their customers do not provide them with voting instructions. Proposal 2 is considered to be a routine matter. Proposals 1, 3, 4, 5 and 6 are not considered to be routine matters. When a proposal is not routine and the bank, broker or other nominee has not received your voting instructions, a bank, broker or other nominee will not be permitted to vote your shares and a broker non-vote will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker or other nominee.

Quorum

A quorum of stockholders is necessary to hold the Annual Meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the number of shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Broker non-votes and shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting but who have abstained from voting or have not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

Table of Contents

Votes Required with Respect to Each Proposal

To be elected as a Class I director at the Annual Meeting (Proposal 1), each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. In a plurality vote, the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to ratify the Board of Directors' appointment of KPMG LLP as our independent registered public accounting firm for Fiscal 2011 (Proposal 2), to approve, on an advisory basis, the compensation of our named executive officers (Proposal 3), to approve incentive compensation arrangements for certain of our key executive officers (Proposal 5) and to approve the 2011 Plan (Proposal 6), provided that for Proposal 6 the total votes cast must also represent over 50% in interest of all securities entitled to vote on this Proposal.

The vote on the frequency of holding a future advisory vote on executive compensation (Proposal 4) is advisory and non-binding, if none of the frequency options receive a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the stockholders.

With regards to Proposal 1 (election of directors), shares represented by proxies that are marked **WITHHELD** and shares that are not voted will be excluded entirely from the vote and will have no effect on the outcome of this vote because the directors are elected by a plurality vote. With regards to Proposal 2 (ratification of KPMG LLP's appointment as auditor), Proposal 3 (advisory vote on executive compensation) and Proposal 5 (approval of incentive compensation arrangements for certain of our key executive officers), shares marked as **ABSTAIN** and shares which are not voted will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against each of these proposals because approval of each of these proposals requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting. With regards to Proposal 4 (advisory vote on the frequency of a future advisory vote on executive compensation), shares represented by proxies that are marked **ABSTAIN** and shares which are not voted will be excluded entirely from the vote and will have no effect on the outcome of this vote because the stockholders' recommendation with respect to Proposal 4 is determined by a plurality vote. With regards to Proposal 6 (approval of the 2011 Plan), shares marked as **ABSTAIN** and shares which are not voted will be considered present in person or represented by proxy at the Annual Meeting and will have the effect of a vote against each of these proposals because approval of this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting, provided that the total votes cast on the Proposal represent over 50% in interest of all securities entitled to vote on this Proposal.

Proxies and Voting Procedures

What is a Proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. For the purposes of the Annual Meeting, if you use the Internet or telephone, or complete the attached proxy card and return it to us by 5:00 p.m., Eastern Time, on February 28, 2011, you will be designating the officers of the Company named on the proxy card to act as your proxy and to vote on your behalf in accordance with the instructions you have given via the Internet, by telephone, or on the proxy card at the Annual Meeting.

We recommend that you vote by proxy even if you currently plan to attend the Annual Meeting so that your vote will be counted if you later decide not to or are unable to attend the Annual Meeting. You may revoke your vote at any time before 5:00 p.m. Eastern Time, on February 28, 2011, by:

Proxy cards submitted by mail must be received by 5:00 p.m., Eastern Time, on February 28, 2011 the Annual Meeting.

Proxies submitted by telephone or the Internet must be received by 5:00 p.m., Eastern Time, on February 28, 2011.

In Person at the Annual Meeting. You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy by telephone or via the Internet, or by completing, signing, dating and returning the attached proxy card by the applicable deadline so that your vote will be counted if you later decide not to attend the meeting.

Voting instructions are included on your proxy card. If you properly submit your proxy by telephone, the Internet or by mail in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed. **If you submit your proxy by telephone, the Internet or by mail, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, as necessary to vote your shares on each proposal, your shares will be voted in accordance with the recommendations of our Board of Directors: (1) FOR the election of the director nominees, (2) FOR the ratification of the appointment KPMG LLP as the Company's independent registered public accounting firm for Fiscal 2011, (3) FOR the approval, on an advisory basis, of the compensation of our named executive officers, (4) FOR the option of every three years for future advisory votes on executive compensation, (5) FOR the approval of incentive compensation arrangements for certain of our key executive officers, (6) FOR the approval of the 2011 Plan, and (7) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

Shares Held with a Bank, Broker, or Other Nominee

If you hold your shares in street name, you must vote your shares in the manner provided for by your bank, broker or other nominee. Your bank, broker or other nominee has enclosed or provided a voting instruction card for you to use in directing the bank, broker or other nominee on how to vote your shares. To ensure that your shares are voted according to your wishes, be certain that you provide instructions to your bank, broker or other nominee on how to vote your shares in the manner that they specify. Your bank, broker or other nominee will be permitted to vote your shares without instruction from you on Proposal 2 but will not be permitted to vote your shares on Proposals 1, 3, 4, 5 and 6 without your instructions. As a result, if you do not provide your bank, broker or other nominee with instructions on how to vote your shares with respect to Proposal 2, your bank, broker or other nominee may vote your shares in a different manner than you would have voted if you had provided instructions to your bank, broker or other nominee, and your vote will not be cast for Proposals 1, 3, 4, 5 and 6.

Revoking Your Proxy

If you are a stockholder of record, you may revoke your proxy before it is voted by:

Proxy Solicitation

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. The Company will bear the costs of the solicitation. We have engaged Georgeson Inc. to assist us in soliciting proxies for a fee of approximately \$7,500 plus reasonable out-of-pocket expenses. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers and employees in person or by telephone or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Delivery of Proxy Materials and Annual Report to Households

The rules of the Securities and Exchange Commission (the SEC) permit companies and banks, brokers or other nominees to deliver a single copy of an annual report and proxy statement to households at which two or more stockholders reside (commonly referred to as householding). Beneficial owners sharing an address who have been previously notified by their broker, bank, or other nominee and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of the Annual Meeting Notice, our Annual Report and this proxy statement. If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of the Annual Meeting Notice, our Annual Report and this proxy statement is delivered may obtain a separate copy of the Annual Meeting Notice, our Annual Report and/or this proxy statement without charge by sending a written request to Spectrum Brands Holdings, Inc., 601 Rayovac Drive, Madison, Wisconsin 53711, Attention: Vice President, Investor Relations, by calling us at (608) 275-3340 or by writing to us via electronic mail at investorrelations@spectrumbrands.com. We will promptly deliver an Annual Meeting Notice, Annual Report and/or this proxy statement upon request.

Table of Contents

Not all banks, brokers, or other nominees may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your bank, broker, or other nominee directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your bank, broker, or other nominee to revoke your consent.

Risk Management and the Board's Role

The Company's risk assessment and management function is led by the Company's management, which is responsible for day-to-day management of the Company's risk profile, with oversight from the Board of Directors and its Committees. The Company's treasurer serves as the Company's risk manager and works in conjunction with the General Counsel of the Company and the Company's head of internal audit, with input from members of management through existing reporting processes, to identify, assess and manage risk to the Company. Periodically this group reports to the chief executive officer and the chief financial officer on their activities and the Company's risk exposure. The risk oversight responsibility of the Board of Directors and its Committees is then facilitated by management reporting processes designed to, among other goals, provide visibility to the Board of Directors and its Committees into the Company's risk management practices.

Central to the Board of Directors' oversight function is our Audit Committee, which is charged with primary oversight of our accounting and financial reporting processes and audits of our financial statements. In addition to receiving regular reports from management on the Company's reporting processes and risk profile, the Audit Committee also meets with our independent auditors and with our head of internal audit, in each case outside the presence of and without the participation of senior management. With respect to potential risks related to our compensation policies and programs, the Compensation Committee acts in the primary oversight role. The Company has determined that the risks from the Company's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

Table of Contents

The Nominating Committees may identify potential board candidates from a variety of sources, including recommendations from current directors or management, recommendations of stockholders or any other source the Nominating Committees deem appropriate. The Nominating Committees have been given sole authority to retain and terminate any such search firms or consultants.

In considering candidates for our Board of Directors, the Nominating Committees evaluate the entirety of each candidate's credentials. The Nominating Committees consider, among other things: (i) business or other relevant experience; (ii) expertise, skills and knowledge; (iii) integrity and reputation; (iv) the extent to which the candidate will enhance the objective of having directors with diverse viewpoints, backgrounds, expertise, skills and experience; (v) willingness and ability to commit sufficient time to Board of Directors responsibilities; and (vi) qualification to serve on specialized board committees, such as the Audit Committee or Compensation Committee.

COMPENSATION DISCUSSION AND ANALYSIS

This Compensation Discussion and Analysis section sets forth a description of our practices regarding executive compensation matters, with respect to our named executive officers. You should read this section together with the executive compensation tables and narratives which follow, as those sections and this section inform one another.

Our Named Executive Officers

The Company's named executive officers for Fiscal 2010 consist of the following persons:

Named Executive	Position
David R. Lumley	Chief Executive Officer, President, Global Batteries and Personal Care and Home and Garden and Director
Kent J. Hussey	Former Chief Executive Officer of SBI and former Chairman of the Board of SBI
Anthony L. Genito	Executive Vice President, Chief Financial Officer and
	Chief Accounting Officer
John A. Heil	President - Global Pet Supplies
Terry L. Polistina	President - Small Appliances
John T. Wilson	Senior Vice President, Secretary and General Counsel

Mr. Hussey ceased to be an employee of SBI as of May 31, 2010 and ceased to serve in any capacity with the Company, including as Chairman of the Board of SBI, as of June 16, 2010. When we refer to our current named executive officers we are referring to Messrs. Lumley, Genito, Heil, Polistina and Wilson. The Company had no other executive officers during Fiscal 2010.

Our Compensation Committee

The Compensation Committee of our Board of Directors (the "Compensation Committee") is responsible for developing, adopting, reviewing and maintaining the Company's executive compensation programs in order to ensure that they continue to benefit the Company. The current members of the Compensation Committee are Kenneth C. Ambrecht, Eugene I. Davis and David M. Maura. Prior to the Merger, which was consummated on June 16, 2010, these duties were the responsibility of SBI's Compensation Committee, which ceased to exist as of the date of the Merger. Prior to the date of the Merger, the members of SBI's Compensation Committee were Kenneth C. Ambrecht, Eugene I. Davis, Norman S. Matthews and Hugh R. Rovit.

Background on Compensation Considerations

The Company pursues several objectives in determining its executive compensation programs. It seeks to attract and retain highly qualified executives and ensure continuity of senior management for the Company as a whole and for each of the Company's business segments to the extent consistent with the overall objectives and circumstances of the Company. It seeks to align the compensation paid to our executives with the overall business strategies of the Company while leaving the flexibility necessary to respond to changing business priorities and circumstances. It also seeks to align the interests of our executives with those of our stockholders and seeks to reward our executives when they perform in a manner that creates value for our stockholders. In order to carry out this function, the Compensation Committee:

Considers the advice of independent compensation consultants engaged to advise on executive compensation issues and program design, including advising on the Company's compensation program as it compares to similar companies;

Table of Contents

Reviews compensation summaries for each named executive officer at least once a year, including the compensation and benefit values offered to each executive, accumulated value of equity and other past compensation awards, and other contributors to compensation;

Consults with our Chief Executive Officer and other management personnel and Company consultants, including our Vice President of Corporate Human Resources, in regards to compensation matters and periodically meets in executive session without management to evaluate management's input; and

Solicits comments and concurrence from other board members regarding its recommendations and actions at the Company's regularly scheduled board meetings.

Due to the Merger, Fiscal 2010 was a year of transition for the Company and that transition extended to its compensation programs. In previous years, including Fiscal 2009, the Company's compensation programs were designed with a primary goal of supporting a Company operating in a challenging financial environment and attempting to alleviate a burdensome debt structure. However, in February 2009, SBI and its wholly-owned U.S. subsidiaries filed voluntary petitions under Chapter 11 of the U.S. Bankruptcy Code. SBI and its subsidiaries emerged from bankruptcy in August 2009. Among the other impacts of SBI's bankruptcy, (i) all outstanding stock of SBI, including all shares held by SBI's management and employees and (ii) all outstanding equity grants to SBI's management and employees, including grants made pursuant to each executive's employment agreement and all equity grants made under any then-existing incentive plan, were cancelled. The existing employment agreements with SBI's management personnel, including the then-existing employment agreements with each of the named executive officers (other than Mr. Polistina who was not a Company employee prior to the Merger), otherwise continued in full force and effect.

SBI emerged from bankruptcy as a stronger company focused on profitable growth but also facing the challenges of continuing high debt levels, including expenses from the bankruptcy process, and a labor force, including its management team, that had lost a significant portion of their previous compensation and did not place a high value on equity incentive programs. In addition, upon emergence from bankruptcy, all of the then-existing members of the Board of Directors of SBI other than Mr. Hussey (the then Chief Executive Officer), were replaced. Accordingly, when Fiscal 2010 of SBI began, the existing management team of SBI and its new Board of Directors had just begun to operate and develop the strategic direction of the Company, including its compensation policies.

In light of the above, certain portions of the compensation for the Company's management, including the named executive officers (other than Mr. Polistina), were determined prior to the start of Fiscal 2010 by the prior Board of Directors of SBI, certain portions of the compensation for the Company's management had been negotiated as the Company was emerging from bankruptcy (which were then ratified by SBI's Board of Directors upon emergence from bankruptcy), and other portions of the compensation for the Company's management, including the majority of the Company's incentive programs, were designed by the Compensation Committee during the first and second quarters of Fiscal 2010.

During Fiscal 2010, discussions were also initiated between SBI and Russell Hobbs about a potential combination of the two companies. While no definitive agreement had been executed at the time that the Fiscal 2010 compensation programs were finalized, negotiations with Russell Hobbs had sufficiently advanced that the Compensation Committee recognized that there would be additional significant transitions occurring during the remainder of Fiscal 2010 and that ensuring management's continued focus on the performance of our businesses while also carrying out the business combination would be very important.

Following the consummation of the Merger on June 16, 2011, the Company became the parent company of SBI and SBI became the parent company of Russell Hobbs. As a result of the Merger, the Company obtained a significant new business and retained the services of Mr. Polistina, a senior and experienced manager. The Company anticipates that Fiscal 2010 and Fiscal 2011 will require significant integration activities to absorb the operations of Russell Hobbs into the Company.

Table of Contents

The Merger also brought with it a new debt structure and a significantly deleveraged company from a total debt and senior debt to adjusted EBITDA perspective, allowing the Compensation Committee to develop a compensation program for Fiscal 2011 and beyond focusing on incentivizing profitable growth and Free Cash Flow (defined below under the heading "Fiscal 2011 MIP Program") generation, both generally designed to increase stockholder value.

Philosophy on Performance Based Compensation

The Compensation Committee has designed the Company's executive compensation programs so that, at target levels of performance, a significant portion of the value of each executive's annual compensation (consisting of salary and incentive awards) is based on the Company's achievement of performance objectives set by the Compensation Committee. We believe that a combination of annual fixed base pay and incentive performance-based pay provides our named executive officers with an appropriate mix of current cash compensation (which will allow our management to stay focused on their duties) and performance compensation, (which will encourage our management to work toward the success of our business). However, in applying these compensation programs to both individual and Company circumstances, the percentage of annual compensation based on the Company's achievement of performance objectives set by the Compensation Committee varies by individual, and the Compensation Committee is free to design compensation programs that provide for target-level performance-based compensation to be an amount equal to or less than 50% of total annual compensation. For example, for Fiscal 2011, the percentage of annual compensation based on the Company's achievement of performance objectives set by the Compensation Committee is as set forth below for each named executive officer who continues to be employed by the Company:

Named Executive	% Performance Based
David R. Lumley	93.1%
Anthony L. Genito	86.9%
John A. Heil	92.6%
Terry L. Polistina	92.4%
John T. Wilson	19.9%

The remainder of each executive's compensation is made up of amounts that do not vary based on performance. For all named executive officers, these non-performance based amounts are set forth in such executive's employment agreement and such executive's retention agreement, as described below, subject to review and potential increase by the Compensation Committee. These amounts are determined by the Compensation Committee taking into account current market conditions, the Company's financial condition at the time such compensation levels are determined, compensation levels for similarly situated executives with other companies, experience level and the duties and responsibilities of such executive's position.

A component of compensation (whether time-based or performance-based) also consists of multi-year incentive programs. We believe that awards that vest over time enhance the stability of our senior management team and provide greater incentives for our named executive officers to remain at the Company.

Role of Consultants

Committee-retained consultants

Our Compensation Committee has retained an outside consultant, Towers Watson, to assist us in formulating and evaluating executive and director compensation programs. The Compensation Committee, directly or through our Vice President of Human Resources, periodically requests Towers Watson to:

Provide comparative market data for our peer group, and other groups on request, with respect to compensation matters;

Table of Contents

Analyze our compensation and benefit programs relative to our peer group;

Advise the Compensation Committee on compensation matters and management proposals with respect to compensation matters;

Assist in the preparation of this report and the compensation tables provided herewith; and

On request, participate in meetings of the Compensation Committee.

In order to encourage an independent view point, the Compensation Committee and its members have access to Towers Watson at any time without management present and have consulted from time to time with Towers Watson without management present.

Towers Watson, with input from management and the Compensation Committee, has developed a peer group of 15 companies based on a variety of criteria, including type of business, revenue, assets and market capitalization. The peer group utilized consists of Fortune Brands, Inc., Newell Rubbermaid Inc., Clorox Corporation, Mattel Inc., Jarden Corp., Hasbro Inc., Energizer Holdings, Inc., The Scotts Miracle-Gro Co., Exide Technologies, Church & Dwight Co. Inc., Tupperware Brands Corporation, Central Garden & Pet Co., Alberto-Culver Co., Revlon, Inc. and Elizabeth Arden, Inc. While the Compensation Committee does not target a particular range for total compensation as compared to our peer group, it does take this information into account when establishing compensation programs. The fees paid to Towers Watson for services other than executive and director compensation, were less than \$120,000 during Fiscal 2010.

Company-retained consultants

In connection with the Merger, the Company retained the services of Kenneth B. Zeigler, with the firm of Zeigler Executive Search, LLC, as a human resources consultant (i) to participate in the development and implementation of our integration strategy in connection with the acquisition of Russell Hobbs as it relates to Company personnel and human resources matters, (ii) to assist in the development and implementation of the plan to transition all corporate functions previously undertaken at the Company's former headquarters in Atlanta, Georgia to the Company's headquarters in Madison, Wisconsin, including the recruitment of new management employees to replace members of management not relocating to Madison, Wisconsin, (iii) to assist our Vice President of Human Resources in various human resources activities, and (iv) to assist management in the development of compensation related proposals at the request of the Compensation Committee, including by holding individual meetings with the members of the Compensation Committee. The Company paid Mr. Zeigler a total of \$375,449 in Fiscal 2010. The majority of this amount was paid for additional broad based services, other than executive and director compensation, although some portion was paid for services related to executive and director compensation. The Compensation Committee was aware of the hiring and payment of such fees to Mr. Zeigler.

Usage of Employment Agreements

Primary employment agreements. The Compensation Committee evaluates from time to time the appropriateness of entering into employment agreements or other written agreements with members of the Company's management to govern compensation and other aspects of the employment relationship. The Company has historically limited the use of employment agreements and instead uses simplified severance protection agreements for executives that do not head a business unit (other than the Chief Financial Officer). With respect to the named executive officers who continue to be employed by the Company, at the direction of the Compensation Committee (or its predecessor) the Company has entered into the following written employment agreements with our current executive officers: (i) an Amended and Restated Employment Agreement with Mr. Lumley dated as of August 11, 2010, as amended by the First Amendment to the Employment Agreement dated as of November 16, 2010, (collectively, the Lumley Employment Agreement); (ii) an Employment Agreement dated as of June 9, 2008 with Mr. Genito, as amended by the Amendment to Employment Agreement dated as of February 24, 2009, the description of the Second Amendment to the

Table of Contents

Employment Agreement dated as of August 28, 2009 and the Third Amendment to the Employment Agreement dated November 16, 2010 (collectively, the Genito Employment Agreement); (iii) an Amended and Restated Employment Agreement with Mr. Heil dated January 16, 2007, as amended by the Amendment to the Amended and Restated Employment Agreement dated as of November 10, 2008, the Second Amendment to the Amended and Restated Employment Agreement dated as of February 24, 2009, the description of the Third Amendment to Employment Agreement dated as of August 28, 2009 and the Fourth Amendment to the Employment Agreement dated November 16, 2010 (collectively, the Heil Employment Agreement); and (iv) an Employment Agreement dated as of August 16, 2010 with Mr. Polistina, as amended by the First Amendment to the Employment Agreement dated as of November 16, 2010 (collectively, the Polistina Employment Agreement). The Lumley Employment Agreement is with both SBI and the Company. Other than with respect to the Lumley Employment Agreement, all of the employment agreements are with SBI. As Mr. Wilson is not the head of a business unit, the Company and Mr. Wilson are parties to a severance agreement dated as of September 1, 2009, which governs severance, confidentiality, non-competition and certain other post-employment matters in connection with a potential termination of Mr. Wilson's employment (the Wilson Severance Agreement). As described below under the heading Termination and Change in Control Provisions , in connection with the termination of the employment of Mr. Hussey, SBI entered into a Separation and Consulting Agreement dated as of April 14, 2010 effectively terminating his then-existing employment agreement as of May 31, 2010. In connection with Mr. Hussey's termination, Mr. Lumley was promoted to the position of the Company's President and Chief Executive Officer and SBI's Chief Executive Officer, pursuant to the Amended and Restated Employment Agreement dated as of August 11, 2010 (as referenced above). This promotion increased Mr. Lumley's base salary from \$600,000 to \$900,000 and increased his annual target bonus from 100% to 115% of his base salary.

Term and renewal of current agreements. The current term of the agreements for the continuing named executive officers expires, for Mr. Lumley on April 14, 2013, for Mr. Genito on September 30, 2011, for Mr. Heil on September 30, 2011, for Mr. Polistina on September 30, 2012 and for Mr. Wilson on September 1, 2011. The Lumley Employment Agreement provides that upon each anniversary of the commencement date, the term will automatically extend for an additional one year, unless either party provides the other with notice of non-renewal at least 90 days prior to the next occurring anniversary of the commencement date. The employment agreements for each of Mr. Genito and Mr. Heil and the Wilson Severance Agreement provide that upon expiration of the current term (and any subsequent renewal term), unless earlier terminated in accordance with such agreement, the agreement will automatically renew for an additional one-year period. The Polistina Employment Agreement provides that upon expiration of the current term, the agreement will automatically renew for an additional one year term unless either party provides the other with notice of non-renewal at least 90 days prior to September 30, 2012. Thereafter, this agreement would continue to be automatically renewed for one-year terms unless either party provides the other with notice of non-renewal at least 90 days prior to the expiration of the then-occurring term.

Retention agreements in connection with headquarters relocation. In addition to these employment agreements, in connection with the relocation of the Company's corporate headquarters from Atlanta, Georgia to Madison, Wisconsin, the Company entered into the following agreements with certain of the continuing named executive officers: (i) a letter agreement dated August 11, 2010 governing the terms of Mr. Genito's relocation to Madison, Wisconsin (the Genito Retention Agreement), as described below under the heading Genito Retention Agreement and (ii) a letter agreement dated August 11, 2010 with Mr. Wilson with respect to Mr. Wilson's continued employment through March 1, 2011 (the Wilson Retention Agreement), as described below under the heading Wilson Retention Agreement .

Early termination of agreements. The employment agreements with each of the continuing named executive officers other than Mr. Wilson permit the Company to terminate the executive's employment upon written notice in the event of cause (as defined below under the heading Termination and Change in Control Provisions). In the case of Mr. Lumley, if the behavior giving rise to cause is his willful failure or refusal to (i) perform his duties or (ii) follow the direction of the Board of Directors, then Mr. Lumley will have 15 days to cure such behavior, however if the behavior giving rise to cause is a breach of the Lumley Employment Agreement or other material agreement with the Company, he will have 30 days to remedy such behavior. In the case of each of

Table of Contents

Mr. Genito, Mr. Heil and Mr. Polistina, if the behavior giving rise to cause is (i) his willful failure or refusal to perform his duties or follow the direction of the Chief Executive Officer (or the Board of Directors in the case of Mr. Polistina) or (ii) his material breach of his employment agreement or any other agreement with the Company, then he will have 30 days to cure such behavior following notice.

The employment agreements for Mr. Lumley and Mr. Polistina permit the Company to terminate such executive's employment without cause for any reason upon 60 days prior written notice or payment in lieu thereof. The Heil Employment Agreement permits the Company to terminate such executive's employment without cause for any reason upon 60 days prior written notice. The Genito Employment Agreement permits the Company to terminate such executive's employment without cause for any reason upon 30 days prior written notice.

The employment agreements with each of the continuing named executive officers (other than Mr. Wilson) permit the Company to terminate the executive's employment upon 30 days written notice in the event that the executive is unable to perform his or her duties for a period of at least 6 months by reason of any mental, physical or other disability. Each agreement also terminates immediately upon the death of the executive.

The employment agreements for each of Mr. Lumley, Mr. Heil and Mr. Polistina allow the executive to voluntarily terminate his employment for any reason upon 60 days prior written notice. The Genito Employment Agreement allows Mr. Genito to voluntarily terminate his employment for any reason upon 30 days prior written notice.

The employment agreements with each of Messrs. Lumley, Genito, Heil and Polistina also provide that if the executive officer resigns upon the occurrence of specified circumstances that would constitute good reason (as defined below under the heading Termination and Change in Control Provisions), the executive's resignation will be treated as a termination by the Company without cause and entitle the executive to the payments and benefits due with respect to a termination without cause. In order to constitute good reason under the respective employment agreements certain specific notice requirements and cure periods must be satisfied. In the case of each of Mr. Lumley and Mr. Polistina, each would have to provide the Company with 30 days advance written notice of his intent to resign for good reason within 60 days following the occurrence of the facts or circumstances giving rise to good reason and the Company will have 30 days thereafter to cure such facts or circumstances. If not cured, Mr. Lumley or Mr. Polistina must terminate his employment within 6 months of the initial occurrence of the facts or circumstances giving rise to good reason in order to constitute good reason. In the case of Mr. Genito, he would have 90 days following the occurrence of the facts or circumstances giving rise to good reason to give written notice of his intent to terminate for good reason and the Company will have 30 days thereafter to cure such facts or circumstances. The required relocation of Mr. Genito's principal place of employment from Atlanta, Georgia to Madison, Wisconsin triggered Mr. Genito's right to terminate his employment for good reason. However, pursuant to the Genito Retention Agreement, Mr. Genito agreed not to exercise this right in connection with the relocation of his principal place of employment from Atlanta, Georgia to Madison, Wisconsin.

The Wilson Severance Agreement permits the Company to terminate Mr. Wilson's employment at any time upon written notice for any reason, however in order for such termination by the Company to be treated as a termination for cause (as defined below under the heading Termination and Change in Control Provisions) as a result of Mr. Wilson's (i) willful failure or refusal to perform his duties and responsibilities to the Company or any of its affiliates which failure or refusal to perform or (ii) breach of any of the terms of the separation agreement or any other agreement between Mr. Wilson and the Company, then Mr. Wilson will have 30 days in which to remedy or cure such failure, refusal or breach. Mr. Wilson may also terminate his employment with the Company at any time upon written notice. The Wilson Severance Agreement provides that if he resigns upon the occurrence of specified circumstances that would constitute good reason (as defined below under the heading Termination and Change in Control Provisions), his resignation will be treated as a termination by the Company without cause and entitle him to the payments and benefits due with respect to a termination without

cause . No prior notice is required for Mr. Wilson to make such election, but such notice must be made no later than three months after the occurrence of such good reason event. The required relocation of Mr. Wilson's principal place of employment from Atlanta, Georgia to Madison, Wisconsin triggered Mr. Wilson's right to terminate his employment for good reason . The parties initially agreed to extend the notice periods while a retention agreement was negotiated. Thereafter, pursuant to the Wilson Retention Agreement, the parties have agreed that Mr. Wilson (i) will not be required to relocate his principal place of employment before March 1, 2011 and (ii) will not exercise this right before March 1, 2011. Thereafter, the notice periods applicable to such election shall not apply. Mr. Wilson has informed us that he does not intend to relocate to Wisconsin and that he intends to resign with good reason on or after March 1, 2011.

The amounts and benefits payable to each such executive upon the termination of such executive's employment in accordance with their employment agreements are further described under the heading Termination and Change in Control Provisions.

Mr. Hussey ceased to be an employee of SBI as of May 31, 2010 and ceased to serve in any capacity with the Company, including as Chairman of the Board of Directors of SBI, on June 16, 2010, the date of the Merger, pursuant to a Separation and Consulting Agreement dated as of April 14, 2010. For details of the amounts and benefits payable to him in connection with such termination, see below under the heading Termination and Change in Control Provisions. As noted above, in connection with Mr. Hussey's termination, Mr. Lumley was promoted to the position of the Company's President and Chief Executive Officer and SBI's Chief Executive Officer. Mr. Lumley is also a member of the Board of Directors.

Table of Contents**Base Salary**

Annual base salary for each of the named executive officers other than Mr. Wilson is set forth in the employment agreement with the named executive officer, subject to subsequent increases by the Compensation Committee. Mr. Wilson's annual base salary was set by the Chief Executive Officer prior to the time he became a named executive officer. In determining the annual base salary reflected in each named executive officer's employment agreement, the Compensation Committee considered current market conditions, the Company's financial condition at the time such compensation levels are determined, compensation levels for similarly situated executives at other companies, experience level and the duties and responsibilities of such executive's position and the relative sizes of the business segments they manage or managed. This base salary level is subject to evaluation from time to time by the Compensation Committee to determine whether any increase in the contractual base salary is appropriate. As of the end of Fiscal 2010 (or the termination of employment, in the case of Mr. Hussey), the annual base salaries were as set forth below for the named executive officers.

Named Executive	Annual Base Salary at
	FYE
	\$
David R. Lumley	900,000
Anthony L. Genito	425,000
John A. Heil	500,000
Terry L. Polistina	500,000
John T. Wilson	285,000
Kent J. Hussey	825,000

For the continuing named executive officers, there has been no change in their annual base salaries since the end of Fiscal 2010.

Management Incentive Plan

General description. Our management personnel, including our named executive officers, participate in the Company's annual performance-based cash bonus program referred to as the Management Incentive Plan (MIP), which is designed to compensate executives and other managers based on achievement of annual corporate, business segment and/or divisional goals. Under the MIP, each participant has the opportunity to earn a threshold, target or maximum bonus amount that is contingent upon achieving the performance goals set by the Compensation Committee and reviewed by the Board of Directors. Particular performance goals are established prior to or during the first quarter of the relevant fiscal year and reflect the Compensation Committee's then-current views of the critical indicators of Company success in light of the Company's then-current primary business priorities.

The specific performance targets with respect to performance goals are set by the Compensation Committee based on the Company's annual operating plan, as approved by our Board of Directors. The annual operating plan includes performance targets for the Company as a whole as well as for each business segment. In the case of divisional managers within those business segments, divisional level performance targets have also been established.

Fiscal 2010 MIP Program. For Fiscal 2010, after taking into account the goals described above under the heading Philosophy on Performance Based Compensation, the Compensation Committee of SBI established adjusted EBITDA and adjusted cash flow as the performance goals of the Company, with adjusted EBITDA weighted at 70% and adjusted cash flow weighted at 30%.

For purposes of the 2010 MIP, adjusted EBITDA was measured as earnings (defined as operating income (loss) plus other income less other expenses) before interest, taxes, depreciation and amortization and excluding restructuring and other one-time charges. In order to emphasize management's and the Board of Directors' intention to minimize restructuring expenditures going forward and ensure that senior management is fully

focused on the total cash costs of such expenditures, the Compensation Committee of SBI adjusted how cash flow was measured for the 2010 MIP. For the 2010 MIP, cash flow was measured as adjusted EBITDA (as described above) plus or minus changes in current and long term assets and liabilities, less payments for taxes, cash restructuring and interest (defined as the variance between actual and planned interest payments), but excluding proceeds from dispositions, discontinued operations and payments for financing fees (if incurred). The Compensation Committee of SBI also provided that neither adjusted EBITDA nor cash flow would be impacted by the carryover of fees, expenses and savings associated with the Company's Chapter 11 restructuring efforts.

In order to focus members of management involved primarily in the operations of one or more of our business segments or smaller business units on the performance of those segments or units, the Compensation Committee of SBI also subdivided the performance targets for those members of management to give greater weight to the performance of those segments or units versus the performance of the Company as a whole. For Fiscal 2010 the performance targets for each of Mr. Hussey, Mr. Genito and Mr. Wilson were equal to those established for the Company as a whole. With respect to Mr. Heil, the Fiscal 2010 MIP performance targets were based 80% on the performance targets established for the Global Pet Supplies business segment and 20% on the performance targets established for the Company as a whole. The performance targets for Mr. Lumley for the Fiscal 2010 MIP were initially based 50% on the performance targets established for the Global Batteries & Personal Care (GBPC) business segment, 30% on the performance targets established for the Home and Garden Business and 20% on the performance targets established for the Company as a whole. These performance targets applied to Mr. Lumley from October 1, 2009 until April 15, 2010, as applied to his then base salary of \$600,000 per year. Mr. Lumley's participation in the MIP program was subsequently modified pursuant to his amended and restated employment agreement in connection with his promotion to Chief Executive Officer and his subsequent responsibility for the entire Company. As of April 15, 2010 and continuing through the end of Fiscal 2010, the performance targets for Mr. Lumley were equal to those established for the Company as a whole, as applied to his base salary of \$900,000 per year.

Following the Merger, for legacy employees of SBI, including Messrs. Lumley, Genito, Heil and Wilson, our Compensation Committee elected to continue to measure performance based on the performance of the legacy businesses for Fiscal 2010, rather than adjusting the previously set goals to include the impact of the acquired Russell Hobbs business. The Company also elected to continue the employees of the acquired Russell Hobbs business, including Mr. Polistina, on the annual incentive program that was in effect for Russell Hobbs prior to the Merger. This program was established on a calendar year basis, such that the measurement period for the 2010 program was from January 1, 2010 through December 31, 2010. For more information on this program, please see below in the section entitled Russell Hobbs Legacy 2010 Annual Bonus Program .

The target 2010 MIP award levels achievable (that is the amount achievable if 100% of the applicable performance targets are met) by each of Mr. Lumley, Mr. Genito, Mr. Heil and Mr. Hussey were as set forth in each such named executive officer's employment agreement, expressed as a percentage of annual base salary. Mr. Wilson's target MIP award level was set separately by the Chief Executive Officer. For purposes of the 2010 MIP, the target award percentages for the named executive officers were as follows:

Named Executive	MIP Target as % of Annual Base
David R. Lumley	100%
Anthony L. Genito	100%
John A. Heil	100%
John T. Wilson	50%
Kent J. Hussey	125%

It was possible to receive an award amount under the 2010 MIP above or below the target award percentage. The potential 2010 MIP awards for each of our named executive officers, expressed as a percentage of the target award, ranged from 0% for achievement of threshold performance levels established by the Compensation Committee of SBI, 100% for performance at the target performance levels and increasing up to a maximum payout of 200% of the target award if actual performance had risen to the specified upper achievement thresholds.

The chart below reflects for each named executive officer who participated in the 2010 MIP the percentage of his target award achievable pursuant to the performance goals applicable to his award, the performance required to achieve the threshold, target and maximum payouts based on those performance goals, and the actual percentage of the target award achieved with respect to each performance goal. The dollar amount of the awards for each named executive are set forth in the *Summary Compensation Table*. These award amounts were paid in December 2010. Please note that pursuant to his separation and consulting agreement, Mr. Hussey's 2010 MIP award payout factor reflected below was then pro-rated based on the number of weeks he was actually employed by the Company.

Fiscal 2011 MIP Program. For Fiscal 2011, consistent with the corporate goals of increased growth and Free Cash Flow generation described above under the heading *Philosophy on Performance Based Compensation*, the Compensation Committee established adjusted EBITDA and Free Cash Flow (as defined below) as the performance goals of the Company, with adjusted EBITDA weighted at 50% and Free Cash Flow weighted at 50%.

For Fiscal 2011, adjusted EBITDA means earnings (defined as operating income (loss) of the Company plus other income less other expenses) before interest, taxes, depreciation and amortization and excluding restructuring, acquisition and integration charges, and other one-time charges. The result of the formula in the preceding sentence shall then be adjusted so as to negate the effects of acquisitions or dispositions; provided, however that adjusted EBITDA resulting from businesses or products lines acquired (in Board of Directors approved transactions) during the performance period shall be included in the calculation from the date of acquisition up to a maximum of \$10 million dollars in the aggregate. Free Cash Flow means adjusted EBITDA plus or minus changes in current and long term assets and liabilities, less cash payments for taxes,

Edgar Filing: Spectrum Brands Holdings, Inc. - Form DEF 14A

restructuring and interest, but excluding proceeds from acquisitions or dispositions (with the exception of the Ningbo, China facility). Any reductions in Free Cash Flow resulting from transaction costs or financing fees incurred in connection with any Board of Directors approved acquisition or refinancing (in each case during the performance period) shall be added back to Free Cash Flow.

As was prior practice, in order to focus members of management involved primarily in the operations of one or more of our business segments or smaller business units on the performance of those segments or units, the Compensation Committee has also subdivided the performance targets for those members of management to give greater weight to the performance of those segments or units versus the performance of the Company as a whole. For Fiscal 2011 the performance targets for each of Mr. Lumley, Mr. Genito and Mr. Wilson are equal to those established for the Company as a whole. With respect to Mr. Heil, the Fiscal 2011 MIP performance targets for adjusted EBITDA are based 80% on the performance targets established for the Global Pet Supplies business

segment and 20% on the performance targets established for the Company as a whole, and for Free Cash Flow are based 100% on the performance for the Company as a whole. With respect to Mr. Polistina, the Fiscal 2011 MIP performance targets for adjusted EBITDA are based 80% on the performance targets established for the Appliances portion of the Global Batteries and Appliances business segment and 20% on the performance targets established for the Company as a whole, and for Free Cash Flow are based 100% on performance for the Company as a whole. Only our current named executive officers are eligible to participate in the 2011 MIP.

The target 2011 MIP award levels achievable (that is, the amount achievable if 100% of the applicable performance targets are met) by each of Mr. Lumley, Mr. Genito, Mr. Heil and Mr. Polistina are as set forth in each such named executive officer's employment agreement, expressed as a percentage of annual base salary. Mr. Wilson's target MIP award level was set separately by the Chief Executive Officer prior to the time he became a named executive officer. As of the date of this proxy statement, for purposes of the 2011 MIP, the target award percentages for each participating named executive officer are as follows:

Named Executive	MIP Target as % of Annual Base
David R. Lumley	115%
Anthony L. Genito	100%
John A. Heil	100%
Terry L. Polistina	75%
John T. Wilson	50%

It is possible to receive an award amount under the 2011 MIP above or below the target award percentage. The potential 2011 MIP awards for each of our named executive officers, expressed as a percentage of the target award, ranged from 50% for achievement of threshold performance levels established by the Compensation Committee, 100% for performance at the target performance levels and increasing from there up to a maximum payout of 200% (250% in the case of Mr. Lumley) of the target award if actual performance had risen to the specified upper achievement thresholds.

The table below reflects for each current named executive officer the percentage of his target award achievable pursuant to the performance goals applicable to his award, and the performance required to achieve the threshold, target and maximum payouts based on those performance goals.

Table of Contents**Russell Hobbs Legacy 2010 Annual Bonus Program**

As described above, upon consummation of the Merger, the employees of Russell Hobbs, including Mr. Polistina, were allowed to continue with the annual bonus program then in effect for Russell Hobbs, which had a performance period of January 1, 2010 through December 31, 2010 (the RH Bonus Program). This program was established by the management and board of directors of Russell Hobbs prior to the Merger and not by the Compensation Committee or Board of Directors of the Company. Russell Hobbs established adjusted EBITDA and free cash flow as the performance goals of Russell Hobbs, with adjusted EBITDA weighted at 50% and Free Cash Flow weighted at 50%. It was possible to receive an award amount under the RH Bonus Program above or below the target award percentage. The potential RH Bonus Program, expressed as a percentage of the target award, ranged from 50% for achievement of threshold performance levels established by Russell Hobbs, 100% for performance at the target performance levels, increasing from there up to a maximum payout of 200% of the target award if actual performance had risen to the specified upper achievement thresholds.

2010 RH PLAN PERCENTAGES

NEO (Target Bonus as % of Base Salary)	Performance Metric	Weight (% of Target Bonus)	Performance Required to Achieve Bonus (in \$ millions)	
			Threshold (50%)	Target (100%) Maximum (200%)
Terry L. Polistina (75%)	Russell Hobbs Adjusted EBITDA	50%	429.58	457.0 498.13
	Russell Hobbs Free Cash Flow	50%	146.64	156.0 170.08

For Mr. Polistina, whose base salary was increased effective June 16, 2010, the bonus will be based on his base salary for the entire year.

As a retention tool, Russell Hobbs, prior to the Merger but with the consent of SBI, elected to guarantee a minimum payout under the RH Bonus Program in the amount of 75% of each participant's target award amount. The actual performance of the Russell Hobbs business for the performance period would have resulted in a payment of less than this amount. As a result, each participant will receive a payout equal to 75% of the target payout amount, which is anticipated to be paid in February 2011, and which is \$212,357 for Mr. Polistina.

Long Term Incentive Plans Background

The Compensation Committee believes that incentive programs with provisions extending for periods greater than a year benefit the Company by increasing focus on the long-term performance of the Company and by incentivizing retention. In Fiscal 2010, the Company's long term incentive programs were referred to as the Company's LTIP and came in two forms, as a cash-based plan (Cash LTIP) and an equity-based plan (Equity LTIP) involving the issuance of restricted stock. Members of management were eligible to participate in one or the other form, as designated by the Compensation Committee but not both.

For Fiscal 2011, the Compensation Committee re-examined the long term incentive portion of its compensation programs and determined that the program would provide better long term value to the stockholders and better align the most critical members of management with the interests of the stockholders by eliminating the cash component, reducing the number of participants, and incentivizing the remaining participants through the issuance of restricted stock units. As a result, the LTIP program was discontinued on a going forward basis (although existing grants with continuing vesting periods continue in effect) and the Compensation Committee instituted a new Equity Incentive Plan (EIP) for Fiscal 2011.

Table of Contents**2010 Equity LTIP**

For Fiscal 2010, all grants under the Equity LTIP were implemented through grants of restricted stock under the Spectrum Brands, Inc. 2009 Incentive Plan (the "2009 Incentive Plan"). As a result of the Company's emergence from bankruptcy, each member of management began Fiscal 2010 owning no shares of SBI's equity. The Compensation Committee of SBI believed equity ownership was an important component of matching the interests of management with the interests of SBI's stockholders as well as a valuable retention tool. Consistent with discussions between the senior management team and the Company's pending new owners prior to SBI's emergence from bankruptcy, the Compensation Committee of SBI felt it would be appropriate for each of the then-members of the senior management team to receive an initial grant of restricted stock that would vest based on continued employment and the passage of time rather than on the achievement of a particular set of performance standards. Given the recent experiences of management with the impact of bankruptcy on equity compensation, the Compensation Committee believed it appropriate to limit the initial pool of participants to Messrs. Lumley, Genito, Heil and Hussey.

Those grants were scheduled to vest based on continued employment and the passage of time. Accordingly, the restrictions on 75% of such shares lapsed on October 1, 2010 and the restrictions on the remaining 25% of such shares will lapse on October 1, 2011. It was the intention of the Compensation Committee of SBI that for future fiscal years, awards made under SBI's Equity LTIP would be earned based on the performance of SBI over time and continued employment with SBI. With respect to the Fiscal 2010 Equity LTIP awards, those awards were made for each participant based on a specified number of shares (in Mr. Hussey's case, an amount set forth in his then-existing employment agreement), rather than based on a percentage tied to salary or any other amount.

The number of shares of restricted stock granted to each of Mr. Hussey, Mr. Genito, Mr. Lumley and Mr. Heil under the 2010 Equity LTIP are set forth below.

Named Executive	Shares of Restricted Stock Granted
Kent J. Hussey	222,222
Anthony L. Genito	111,111
David R. Lumley	166,667
John A. Heil	111,111

2010 Cash LTIP

For Fiscal 2010, in order to focus members of our management that do not participate in the Equity LTIP on the long-term performance of the Company, the Compensation Committee of SBI established the Cash LTIP. Awards under the Cash LTIP were to be earned based on the performance of the Company over the Fiscal 2010 performance period and continued employment with the Company over a three fiscal year period. In determining the target LTIP award levels, the Compensation Committee of SBI considered each executive's total compensation relative to other similarly situated executives within the Company, long term incentive compensation paid to similarly situated executives in other companies, experience level and the duties and responsibilities of such executive's position. Of our named executive officers only Mr. Wilson, who did not participate in the 2010 Equity LTIP, participated in the 2010 Cash LTIP. Mr. Wilson's target award percentage was 75% of his base salary.

The target levels for the cash awards under the Cash LTIP were determined at the beginning of the fiscal year for which such award was made, which are then paid over a three year period based on continued employment and the achievement by the Company of performance goals established by the Compensation Committee of SBI that are tied to the Company's annual operating plan for Fiscal 2010, based on the Compensation Committee's then-current view of the goal or goals the Compensation Committee determines to be most important in measuring the achievement of the Company's then-current long-term goals.

For Fiscal 2010, the Cash LTIP award was earned based on continued employment and the achievement of performance goals for Fiscal 2010 established by the Compensation Committee, which were based on the

Table of Contents

achievement of adjusted EBITDA and adjusted cash flow targets tied to the Company's annual operating plan, with adjusted EBITDA weighed 70% and adjusted cash flow weighted 30%. These terms had the same meanings used in connection with the 2010 MIP as described above. The performance target for Mr. Wilson was based on the performance of the Company as a whole.

It was possible to receive an award amount under the 2010 LTIP above or below the target award percentage. The potential 2010 Cash LTIP awards, expressed as a percentage of the target award, ranged from 0% for achievement of threshold performance levels established by the Compensation Committee, 100% for performance at the target performance levels, increasing from there up to a maximum payout of 200% of the target award if actual performance had risen to the specified upper achievement thresholds.

For any Cash LTIP award so earned based on Fiscal 2010 performance, one-third of such earned amount was payable on or before December 31, 2010, one-third of such earned amount is payable on or before December 31, 2011 and the remaining one-third of such cash award is payable on or before December 31, 2012; provided, that the participant's employment with the Company has not been terminated with cause by the Company or voluntarily by the participant prior to such date. Pursuant to this schedule, one-third of the award amount earned was paid in December 2010.

The chart below reflects for Mr. Wilson, as the sole named executive officer who participated in the 2010 Cash LTIP, the percentage of his target award achievable pursuant to the performance goals applicable to his award, the performance required to achieve the threshold, target and maximum payouts based on those performance goals, and the actual percentage of the target award achieved with respect to each performance goal. The dollar amount of the award for Mr. Wilson is set forth in the *Summary Compensation Table*.

NEO	Performance Metric	Weight (%) of Target Bonus)	Performance Required to Achieve Cash LTIP % indicated (in \$ millions)			Actual 2010 Payout Factor (% of Target Bonus)

	Consolidated Adjusted Cash Flow	30%	68.0	80.0	92.0	60%

2011 EIP

The 2011 EIP was implemented through the granting of restricted stock unit (RSU) award agreements at the beginning of Fiscal 2011 for which such award was made that then vest based on continued employment and the achievement by the Company of performance goals established by the Compensation Committee that are tied to the Company's annual operating plan. The award agreements governing the RSU awards provide that the restrictions will lapse based on continued employment and the achievement of Company-wide performance objectives for Fiscal 2010, which were established as adjusted EBITDA and Free Cash Flow targets tied to the Company's annual operating plan, measured in the same manner as is done for the 2011 MIP.

It is possible that the performance of the Company will result in less than the full amount of the award vesting. The potential 2011 RSUs that may be earned for each of our participating named executive officers, expressed as a percentage of the award amount, range from 50% for achievement of threshold performance levels established by the Compensation Committee to 100% for achieving the performance goals in full at the target performance levels. The award agreements for Fiscal 2011 provide that if 100% of the established performance goals for Fiscal 2011 are met, then 50% of the RSUs awarded will vest as soon as practical after certification of the results by the Compensation Committee, but no later than 74 days following the end of Fiscal 2011. The remaining RSUs awarded will vest on the first anniversary of the vesting date, subject to continued employment on such anniversary. Performance between threshold and target levels will vest pro-rata. Performance below the threshold levels will result in the forfeiture of all awarded units. Performance above the target level of performance will not earn additional shares.

Table of Contents

The table below reflects for each participating named executive officer the RSU award amount, the percentage of his target award achievable pursuant to the performance goals applicable to his award, and the performance required to achieve the threshold and target vesting eligibility based on those performance goals:

Spectrum 500				

During the course of the design and creation of the Fiscal 2011 incentive programs, the Compensation Committee reviewed the Company's forecasted performance for the 2011, 2012 and 2013 fiscal years and considered incentives to drive performance in excess of these forecasted amounts and attempted to accelerate the growth of stockholder value. As drivers of this value, the Compensation Committee focused on (i) incentivizing increased adjusted EBITDA growth, both organically and through small, add-on acquisitions approved by the Board of Directors and (ii) incentivizing accelerated Free Cash Flow generation, in each case beyond that reflected in the Company's forecasted plans, for the period between October 1, 2010 and September 30, 2012. Following consideration of these goals, the Compensation Committee, with the approval of the Board of Directors, created a superior achievement incentive program, which is referred to herein as the Spectrum 500.

The Spectrum 500 is targeted to those members of the Company's management identified as key drivers of the Company's goals of accelerating stockholder value. For all participants, the Spectrum 500 has been implemented through an award of RSUs. For Spectrum 500 award recipients, a portion of the award will vest based on the achievement of \$500 million in adjusted EBITDA during the period from October 1, 2010 through September 30, 2012. Adjusted EBITDA for purposes of the Spectrum 500 is determined in the same manner as that used for the 2011 MIP and 2011 EIP. The portion of the award subject to this adjusted EBITDA performance goal is earned in full if the \$500 million adjusted EBITDA goal is achieved as of September 30, 2012, but would be forfeited in total if performance is less than \$500 million.

For Spectrum 500 award recipients, a portion of the award will vest based on achievement of a cumulative Free Cash Flow performance goal during the period from October 1, 2010 through September 30, 2012. Free Cash Flow for purposes of the Spectrum 500 is determined in the same manner as that used for the 2011 MIP and 2011 EIP. The full award amount would be earned upon achievement of a target of \$375 million in cumulative Free Cash Flow, and it is possible to earn a portion of the award tied to the Free Cash Flow award for performance at less than the target (provided that at least \$350 million is achieved) ranging from a payout of 50% of the award amount at threshold performance up to 100% if the target is achieved or exceeded.

For all participants in the Spectrum 500 other than Messrs. Lumley, Genito, Heil and Polistina, 50% of the award amount will be earned, if at all, based on achievement of the adjusted EBITDA performance goal and 50% of the award will be earned based on achievement of the Free Cash Flow performance goal.

In addition to the adjusted EBITDA and Free Cash Flow performance goals, the Spectrum 500 awards granted to Messrs. Lumley, Genito, Heil and Polistina also include a performance goal tied to management objectives. Management objectives are the successful integration and achievement of synergy targets communicated publicly, integration of the Russell Hobbs business and the transitioning of the Company's headquarters from Atlanta, Georgia to Madison, Wisconsin. Thus for Messrs. Lumley, Genito, Heil and Polistina,

Table of Contents

one-third of the total award amount will be earned, if at all, based on achievement of the adjusted EBITDA performance goal, one-third of the total award will be earned based on achievement of the Free Cash Flow performance goal and one-third of the total award amount will be earned based on the achievement of the management objectives. In order to be eligible to receive any shares to be earned based on the management objectives, the \$500 million adjusted EBITDA goal must also be achieved. However, the cash flow portion of the total award is not dependent upon achievement of the \$500 million adjusted EBITDA target. Determination of achievement of the management objectives is determined by the Compensation Committee.

For all participants in the Spectrum 500, the award agreements provide that up to 50% of the total award may vest, if at all, as soon as practical after certification of the results by the Compensation Committee, but no later than 74 days following the end of Fiscal 2012. The remaining 50% of the total award earned would vest, if at all, on the first anniversary of the prior vesting date. In each case, vesting is subject to the participant not being terminated for cause or voluntarily terminating his or her employment other than for good reason prior to the applicable vesting date. In no event may a participant in the Spectrum 500 earn shares in excess of his or her award amount under the Spectrum 500.

The table set forth below describes for each participating continuing named executive officer the RSU award amount, the percentage of his target award achievable pursuant to the performance goals applicable to his award, and the performance required to achieve the threshold (where applicable) and target vesting eligibility based on those performance goals. In light of the pending relocation of his position, Mr. Wilson is not a participant in the Spectrum 500.

2011 Additional Cash Incentive Award

As a retention device, in lieu of participating in the 2011 EIP or the Spectrum 500, Mr. Wilson, whose position is being relocated to Madison, Wisconsin, will participate in a cash-based incentive plan in Fiscal 2011. Mr. Wilson's target award amount under this plan is 75% of his base salary.

Genito Retention Agreement

Edgar Filing: Spectrum Brands Holdings, Inc. - Form DEF 14A

In April 2010, SBI determined that it would relocate its world headquarters, including the position of its Chief Financial Officer, from Atlanta, Georgia to the existing headquarters of its GBPC and Home & Garden business segments in Madison, Wisconsin. In light of the importance of Mr. Genito to the continuing performance of the Company and in order to ensure that Mr. Genito remained with SBI for at least a transition period, SBI, Mr. Genito and the Company began negotiations on a retention agreement that, in conjunction with the Genito Employment Agreement, would govern the terms of Mr. Genito's continued employment with the Company.

Table of Contents

During the course of these negotiations, Mr. Genito notified the Company of his intention to accept the Company's offer to relocate to Madison, Wisconsin to continue as the Company's Executive Vice President, Chief Financial Officer and Chief Accounting Officer. Thereafter, on August 11, 2010, the Company and Mr. Genito finalized and entered into the Genito Retention Agreement to govern the terms of Mr. Genito's relocation that, among other things, provided that Mr. Genito would not be required to relocate before September 30, 2010 and Mr. Genito would not elect to terminate his employment for good reason as a result of the relocation of his position to Madison, Wisconsin. Mr. Genito has now relocated to Madison, Wisconsin.

Pursuant to the Genito Retention Agreement, Mr. Genito is entitled to receive a retention bonus of up to \$500,000 (with a minimum of \$100,000) based upon completion of the following responsibilities: (i) transition of all finance functions from Atlanta to Madison, (ii) successful completion of all required public filings during this transition period; (iii) identification of replacements for all key finance functions being relocated to Madison not being filled by relocating employees and (iv) compliance with all of Mr. Genito's contractual obligations. Final determination of the amount of the retention bonus (up to the maximum amount) is subject to the discretion of the Chief Executive Officer. The retention bonus is to be paid no later than June 16, 2011.

In addition, pursuant to the Genito Retention Agreement, Mr. Genito was entitled to receive a restricted stock grant with a value of \$500,000 upon his relocation to Madison, Wisconsin. Pursuant to this provision, Mr. Genito received a grant of 17,364 RSUs in November 2010. As provided in the Genito Retention Agreement, one-third of this award will vest on September 30, 2011, one-third of this award will vest on September 30, 2012 and the final one-third of this award will vest on September 30, 2013, provided that Mr. Genito is not terminated for cause and does not voluntarily terminate his employment other than for good reason prior to that applicable vesting date.

Wilson Retention Agreement

The communication to Mr. Wilson of the decision to relocate the Company's headquarters, including Mr. Wilson's position, from Atlanta, Georgia to Madison, Wisconsin created an event of good reason under the Wilson Severance Agreement, giving Mr. Wilson the right to elect to terminate his employment pursuant to the terms thereof and receive the severance benefits provided for thereunder for a termination without cause. In light of the importance of Mr. Wilson to the continuing performance of the Company and in order to ensure that Mr. Wilson remained with SBI for at least a transition period, SBI, Mr. Wilson and the Company began negotiations on a retention agreement that, in conjunction with the Wilson Severance Agreement, would govern the terms of Mr. Wilson's continued employment with the Company.

On August 11, 2010, the Company and Mr. Wilson entered into the Wilson Retention Agreement. Pursuant to the terms of the Wilson Retention Agreement, Mr. Wilson will not be required to relocate to Madison, Wisconsin prior to March 1, 2011 (the period from the date of the agreement through March 1, 2011 referred to as the transition period). Mr. Wilson similarly agreed not to exercise his right to terminate his employment with the Company for good reason as a result of this pending required relocation prior to March 1, 2011. Mr. Wilson has informed the Company that he does not intend to relocate to Madison, Wisconsin and that he intends to resign with good reason on or after March 1, 2011.

Pursuant to the Wilson Retention Agreement, Mr. Wilson is entitled to receive a retention bonus of up to \$200,000, to be paid no later than March 15, 2011. Of this amount, \$150,000 would be earned if Mr. Wilson remains with the Company through March 1, 2011. In the event that the Company elects to end the transition period prior to March 1, 2011, this amount would be pro-rated based on months worked after June 15, 2010. The remaining \$50,000 would be based on the Chief Executive Officer's determination, in his sole discretion, of Mr. Wilson's performance during the transition period. This performance evaluation is to be based on (i) transition of all current General Counsel functions to a new General Counsel, or designee, as determined by the chief executive officer, (ii) full engagement during the period following the close of the Merger and compliance with all contractual obligations, and (iii) remaining employed with the Company through the transition period.

Mr. Wilson is also entitled to payments under the 2010 MIP and LTIP, provided that such payments will be prorated if his employment is terminated during Fiscal 2010. After Fiscal 2010, Mr. Wilson will be entitled to payments based on actual results for Fiscal 2010. Subsequent to the end of Fiscal 2010, the Company determined that, for purposes of the Company's 2011 MIP and LTIP, in the event that Mr. Wilson's employment with the Company is terminated prior to the end of Fiscal 2011, Mr. Wilson would be entitled to receive a pro-rated portion of the payments he would have been entitled to receive under those programs had he remained employed by the Company through the payment date for such incentive programs. Mr. Wilson's 2011 MIP award would be pro-rated based on days employed with the Company in Fiscal 2011. Mr. Wilson's 2011 Additional Cash Incentive program would be pro-rated based on months worked for the Company during Fiscal 2011.

Prior Retention Agreements

During Fiscal 2008, each of Mr. Lumley, Mr. Heil and Mr. Genito executed retention agreements with the Company. Mr. Hussey executed a retention agreement with the Company in Fiscal 2009. Mr. Wilson was also subject to a retention agreement during this period. The Compensation Committee of SBI, in evaluating the critical roles performed by the then members of Spectrum's leadership team and the potential negative impact on the Company as a whole if any of those executives were to end their employment relationship with the Company, determined it to be in the best interests of the Company to put in place for those executives a retention program designed to give those executives additional incentive not to seek alternative employment opportunities. For each executive, the retention agreement provides such executive with the opportunity to earn an additional cash amount equal to 150% of such executive's annual base salary as in effect on the date the retention agreement was executed in two installments contingent upon such executive remaining employed by the Company through December 31, 2009. If the executive continued to be an employee of the Company on through December 31, 2008, such executive received the first payment in an amount equal to 75% of such executive's annual base salary. Each of Mr. Hussey, Mr. Genito, Mr. Lumley and Mr. Heil received this payment in January 2009. If the executive continued to be employed by the Company through December 31, 2009, such executive would receive the second and final payment in an amount equal to 75% of such executive's annual base salary. Each of Mr. Hussey, Mr. Genito, Mr. Lumley and Mr. Heil received this payment in January 2010.

Mr. Wilson was also subject to retention programs during this period, during the time period before he became a named executive officer. In Fiscal 2008, the Company was in the midst of significant restructuring activities, including a reduction in the size of the Company's Atlanta, Georgia headquarters, and continued to experience significant financial difficulties. In order to ensure the retention of employees performing critical functions, the Company developed a retention program designed to incentivize certain key members of management to remain with the Company through December 31, 2008. Pursuant to this agreement, Mr. Wilson, as a result of his continued employment with the Company through December 31, 2008, received a retention bonus in the amount of \$182,250. In light of the Company's continued efforts to find a solution to its overleveraged capital structure and its continuing desire to retain key employees, the Company elected to implement a similar program in September 2008 to incentivize retention through December 31, 2009. Pursuant to this agreement, Mr. Wilson, as a result of his continued employment with the Company through December 31, 2009, received a retention bonus in the amount of \$106,875 in January 2010.

Payments to Mr. Polistina in connection with the Merger

Pursuant to a pre-Merger agreement between Mr. Polistina, Russell Hobbs and Harbinger Capital Partners Master Fund I, Ltd. (the "Harbinger Master Fund"), Harbinger Capital Partners Special Situations Fund, L.P. (the "Harbinger Special Situations Fund") and Global Opportunities Breakaway Ltd. (the "Breakaway Fund" and, collectively, the "Harbinger Parties"), Mr. Polistina received a cash payment of \$2 million from Russell Hobbs in June 2010 immediately following the Merger. Pursuant to this agreement, Mr. Polistina was entitled to receive an additional \$1 million cash payment in December 2010, which was paid by the Company in December 2010.

Subject to Mr. Heil's continued employment, one-third of the awarded shares are scheduled to vest on June 15, 2011, one-third of the awarded shares are scheduled to vest on June 15, 2012, and the final one-third of the awarded shares are scheduled to vest on June 15, 2013.

Other Compensation Matters

One-Time Cash Bonus Payment

In connection with SBI's emergence from Chapter 11 of the Bankruptcy Code, SBI's Board of Directors approved one-time cash payments to certain members of Company management, including each of our named executive officers other than Mr. Polistina, in recognition of efforts exerted during the bankruptcy process above and beyond the normal management functions for those members of management. Mr. Lumley received \$100,000, Mr. Genito received \$200,000, Mr. Heil received \$100,000, Mr. Wilson received \$100,000 and Mr. Hussey received \$300,000, in each case in September 2009.

Deferral and Post-Termination Rights

Retirement Benefits. The Company maintains a 401(k) plan for its employees, including the named executive officers.

Supplemental Executive Life Insurance Program. Each of the current named executive officers participates in a program instituted by the Company pursuant to which the Company on behalf of each participant makes an annual contribution on October 1 each year equal to 15% of such participant's base salary as of that date into a company-owned executive life insurance policy for such participant. The investment options for each such policy are selected by the participant from among a limited number of alternatives provided by the insurance provider. Upon termination of a participant for any reason, ownership of the policy would transfer to the participant and no further contributions would be made by the Company.

Post-Termination Benefits. As described above, the Company has entered into agreements with all its current named executive officers which govern, among other things, post-termination benefits payable to such named executive officers should his employment with the Company terminate. In connection with the termination of his employment with the Company, Mr. Hussey entered into a Separation and Consulting Agreement with the Company to govern the parties' relative rights and obligations arising out of the termination of her employment. A detailed description of the post-termination rights and benefits pursuant to each of the agreements described in this paragraph is set forth under the heading "Termination and Change in Control Provisions".

Perquisites and Benefits

The Company provides certain limited perquisites and other special benefits to certain executives, including the named executive officers. Among these benefits are financial planning services, tax planning services, car allowances or leased car programs, executive medical exams and executive life and disability insurance. In addition, Mr. Hussey participated in the Company's medical expense reimbursement plan, which provided for reimbursement for certain annual medical expenses not covered by the Company's health insurance plan, up to a maximum of \$10,000 per year (plus a tax gross-up as described below under "Tax Gross-Ups").

Timing and Pricing of Stock-Based Grants

Traditionally, annual grants of restricted stock or RSUs to our named executive officers are made on the date such grants are approved by the Compensation Committee or, if the award dictates the achievement of a particular event prior to grant, as soon as practical after the achievement of such event. Following approval of the Fiscal 2011 incentive programs and in light of the significant document preparation required to make the awards, the Company elected to make all share grants under the 2011 EIP and the Spectrum 500 on November 15, 2010. Under prior plans, for purposes of valuing all grant awards, the grant price is the average of the high and low price of a share on the grant date. For awards made under the 2011 Plan (defined below), the grant price is the closing sales price of the on the exchange on which the Company's shares are listed on the grant date.

Tax Treatment of Certain Compensation

Pursuant to Section 162(m) of the Internal Revenue Code, the Company may not be able to deduct certain forms of compensation paid to its executives who remain employed at the end of a fiscal year to the extent such compensation exceeds \$1,000,000. This section also includes an exception for certain performance-based compensation awards. While the Compensation Committee believes that it is generally in the Company's best interests to satisfy these deductibility requirements, it retains the right to authorize payments in excess of the deductibility limits if it believes it to be in the interests of the Company and its stockholders. The Company has had in the past, and may have in the future, instances where it has paid compensation to its executives that exceed the deductibility limits. For example, for Fiscal 2010, the compensation paid to Mr. Lumley and Mr. Heil by the Company included \$399,583 and \$62,540 in compensation, respectively, that is not deductible pursuant to Section 162(m) of the Internal Revenue Code.

Tax Gross-Ups

The Company provides increases in payments to the named executive officers and other management personnel to cover personal income tax due as a result of imputed income in connection with the provision of the following perquisites: car allowance or company leased car, financial planning and tax planning and executive life and disability insurance, and Company required relocation. Beyond these tax gross-up payments, the Company does not make any other payment to the named executive officers to cover personal income taxes.

Governing Plans

As of September 30, 2010, we had two active equity incentive plans under which shares of common stock of the Company could be issued, the 2009 Spectrum Brands Holdings Inc. Incentive Plan (the "2009 Plan"), based on the existing SBI incentive plan existing as of the date of the Merger, and the Spectrum Brands Holdings, Inc. 2007 Omnibus Equity Award Plan (the "RH Plan"), based on the existing Russell Hobbs incentive plan existing as of the date of the Merger. On October 21, 2010, our Board of Directors adopted the 2011 Plan, subject to stockholder approval. As described in Proposal 6 of this proxy statement, we are submitting the 2011 Plan for stockholder approval in connection with the Annual Meeting. Upon such stockholder approval, no further awards will be granted under the 2009 Plan and the 2007 RH Plan. 4,625,676 shares of our common stock of the Company, net of cancellations, may be issued under the 2011 Plan. While we have granted awards under the 2011 Plan, the 2011 Plan (and awards granted thereunder) are subject to the approval by our stockholders as described in this proxy statement, which must be obtained prior to October 21, 2011. As of December 10, 2010, we have issued 667,933 restricted shares and 1,694,048 restricted stock units under the 2009 Plan, the RH Plan and the 2011 Plan and are authorized to issue up to a total of 3,202,590 shares of our common stock, or options or restricted stock units exercisable for shares of common stock.

Clawback/Forfeiture and Recoupment Policy

Under both the 2009 Plan and the 2011 Plan, any equity award agreement made may provide that the Compensation Committee may in its sole discretion cancel such award, except as prohibited by applicable law, if

the participant, without the consent of the Company, while employed by or providing services to the Company or any affiliate or after termination of such employment or service, violates a non-competition, non-solicitation or non-disclosure covenant or agreement or otherwise engages in activity that is in conflict with or adverse to the interest of the Company or any affiliate, including fraud or conduct contributing to any financial restatements or irregularities engaged in activity, as determined by the Compensation Committee in its sole discretion. The Compensation Committee may also provide in any award agreement that the participant will forfeit any gain realized on the vesting or exercise of such award, and must repay the gain to the Company, in each case except as prohibited by applicable law, if (a) the participant engages in any activity referred to in the preceding sentence or (b) with respect to the 2009 Plan, the amount of any such gain was calculated based on the achievement of certain financial results that were subsequently reduced due to a restatement, and with respect to the 2011 Plan, any amount in excess of what the participant should have received under the terms of the award for any reason (including without limitation by reason of a financial restatement, mistake in calculations or other administrative error). Additionally, pursuant to the 2011 Plan, awards are subject to clawback, forfeiture or similar requirement to the extent required by applicable law (including without limitation Section 302 of the Sarbanes Oxley Act and Section 954 of the Dodd Frank Act). None of the equity awards granted under the 2009 Plan expressly included such provisions. All equity awards that have been granted under the 2011 Plan to date do include such provisions.

Stock Ownership Guidelines

The Company does not currently have established stock ownership guidelines for its members of management. Recognizing the potential benefits of such guidelines, the Compensation Committee is considering formally implementing a required policy and is in the process of seeking input from management and compensation consultants regarding best practices.

Termination and Change in Control Provisions***Awards under the Company's Incentive Plans***

Awards under the 2009 Plan. Mr. Lumley, Mr. Genito and Mr. Heil have received and currently hold restricted stock awards under the 2009 Plan, which were issued under SBI's 2010 Equity LTIP incentive program. The 2009 Plan contains provisions triggered by a change in control of the Company. Messrs. Lumley, Genito and Heil waived their rights to assert that the Merger would result in a change of control. For purposes of these incentive plans, change in control generally means the occurrence of any of the following events:

- (i) the acquisition, by any individual, entity or group of beneficial ownership of more than 50% of the combined voting power of the Company's then outstanding securities, excluding from this provision the Harbinger Master Fund, the Harbinger Special Situations Fund, Avenue International Master, L.P., Avenue Investments, L.P., Avenue Special Situations Fund V, L.P., Avenue Special Situations Fund IV, L.P., Avenue-CDP Global Opportunities Fund, L.P. or D. E. Shaw Laminar Portfolios, L.L.C. and each of their respective subsidiaries and Affiliates (each, a Designated Holder) and any individual, entity or group who becomes such a beneficial owner in connection with a transaction described in clause (A) of subsection (iii) below;

Edgar Filing: Spectrum Brands Holdings, Inc. - Form DEF 14A

- (ii) individuals who constituted the Board of Directors at the effective time of either of the plans and directors who are nominated and elected as their successors from time to time cease for any reason to constitute at least a majority of the Board;

Table of Contents

- (iii) consummation of a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other entity, other than (A) a merger or consolidation which results in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof) more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, (B) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no individual, entity or group is or becomes the beneficial owner, directly or indirectly, of voting securities of the Company (not including in the securities beneficially owned by such individual, entity or group any securities acquired directly from the Company or any of its direct or indirect subsidiaries) representing 50% or more of the combined voting power of the Company's then outstanding voting securities or (C) a merger or consolidation affecting the Company as a result of which a Designated Holder owns after such transaction more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or
- (iv) approval by the stockholders of the Company of either a complete liquidation or dissolution of the Company or the sale or other disposition of all or substantially all of the assets of the Company, other than a sale or disposition by the Company of all or substantially all of the assets of the Company to an entity, more than 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

In general, in the event a change in control occurs, and within one year following the change in control, the employment or service of an award holder terminates without cause (as defined in the 2009 Plan), then the following shall apply:

- (i) all stock options and stock appreciation rights outstanding as of the date the change in control occurs will become immediately exercisable;
- (ii) the restrictions and other conditions applicable to any restricted stock or other stock-based awards which are not performance-based, including vesting requirements, will lapse; and
- (iii) Any performance-based awards will be paid on a pro-rata basis based on actual performance during the applicable performance cycle up to the effective date of the termination of employment or service.

Awards under the 2011 Plan. During Fiscal 2011, each current named executive officer other than Mr. Wilson has received and currently holds RSU awards under the 2011 Plan, made pursuant to the Company's 2011 EIP and Spectrum 500 incentive programs. As described above, each of the continuing named executive officers are also participants in the 2011 MIP and Mr. Wilson is a participant in an addition cash incentive program. Each of these incentive programs are governed by the 2011 Plan and, as such, contain provisions triggered by a change in control of the Company. For purposes of these incentive plans, change in control generally means the occurrence of any of the following events:

- (i) the acquisition, by any individual, entity or group of beneficial ownership of more than 50% of the combined voting power of the Company's then outstanding securities;
- (ii) individuals who constituted the Board of Directors at the effective time of the plan and directors who are nominated and elected as their successors from time to time cease for any reason to constitute at least a majority of the Board;
- (iii) consummation of a merger or consolidation of the Company or any direct or indirect subsidiary of the Company with any other entity, other than (A) a merger or consolidation which results in the voting securities of the Company outstanding immediately prior

the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, (B) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no individual, entity or group is or becomes the beneficial owner, directly or indirectly, of voting securities of the Company (not including in the securities beneficially owned by such individual, entity or group any securities acquired directly from the Company or any of its direct or indirect subsidiaries) representing 50% or more of the combined voting power of the Company's then outstanding voting securities or (C) a merger or consolidation affecting the Company as a result of which a Designated Holder owns after such transaction more than 50% of the combined voting power of the voting securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation; or

- (iv) approval by the stockholders of the Company of either a complete liquidation or dissolution of the Company or the sale or other disposition of all or substantially all of the assets of the Company, other than a sale or disposition by the Company of all or substantially all of the assets of the Company to an entity, more than 50% of the combined voting power of the voting securities of which are owned by stockholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale.

Provided that, in each case, it shall not be a Change in Control if, immediately following the occurrence of the event described above (i) the record holders of the common stock of the Company immediately prior to the event continue to have substantially the same proportionate ownership in an entity which owns all or substantially all of the assets of the Company immediately following the event or (ii) the Harbinger Master Fund, the Harbinger Special Situations Fund, Harbinger Group Inc. (HRG), and their respective affiliates and subsidiaries beneficially own, directly or indirectly, more than 50% of the combined voting power of the Company or any successor.

In general, in the event a change in control occurs, the Board of Directors may, in its sole discretion, provide that, with respect to any particular outstanding awards:

- (i) all stock options and stock appreciation rights outstanding as of immediately prior to the change in control will become immediately exercisable;
- (ii) the restricted period shall expire immediately prior to the change in control with respect to up to 100 percent of the then-outstanding shares of restricted stock or RSUs (including, without limitation, a waiver of any applicable performance goals);
- (iii) all incomplete performance periods in effect on the date the change in control occurs shall end on that date, and the Compensation Committee may (i) determine the extent to which performance goals with respect to each such performance period have been met based on such audited or unaudited financial information or other information then available it deems relevant and (ii) cause the participant to receive partial or full payment of awards for each such performance period based upon the Compensation Committee's determination of the degree of attainment of such performance goals, or assuming that the applicable target levels of performance have been attained or on such other basis determined by the Compensation Committee; and
- (iv) any awards previously deferred shall be settled as soon as practicable.

Director Compensation Table

The Compensation Committee is responsible for approving, subject to review by the Board of Directors as a whole, compensation programs for our non-employee directors. In that function, the Compensation Committee considers market data regarding director compensation and evaluates the Company's director compensation practices in light of that data and the characteristics of the Company as a whole.

Following the Company's emergence from Chapter 11 of the Bankruptcy Code, the Compensation Committee of SBI established a new compensation program for our non-employee directors, which was maintained through the date of the Merger. Non-employee directors (which, until the time of the Merger, included Mr. Polistina) received an annual cash retainer of \$70,000 and an annual stock grant equal to that number of shares with a value at grant of \$70,000. Restricted shares with respect to Fiscal 2010 were granted on October 2009 and vested on October 1, 2010. Directors who were employees of SBI receive no additional compensation for their services as directors of SBI.

Following the Merger, the Compensation Committee elected to adopt the compensation program for non-employee directors followed by SBI, except that, in addition to the amounts reflected above, the Chair of the Audit Committee would receive an additional annual cash retainer of \$20,000 and the Chairs of the Nominating and Corporate Governance Committee and the Compensation committee would receive an additional annual cash retainer of \$10,000 each. The Compensation Committee elected not to make equity grants to new members of the Board of Directors who had not served on SBI's Board for their partial service in Fiscal 2010. For Fiscal 2011, the grants of restricted stock units were made in November 2010 and will vest on October 1, 2011.

David M. Maura and Robin Roger, directors who are also employees of the Harbinger Parties, have elected not to accept compensation for service as directors. Directors who are employees of the Company receive no additional compensation for their service as directors of the Company.

The table set forth below, together with its footnotes, provides information regarding compensation paid to the Company's directors for Fiscal 2010. The table below reflects compensation for service as a director of SBI prior to the Merger and of the Company following the Merger. Directors who received no compensation as a director during Fiscal 2010 are omitted from the table.

AUDIT COMMITTEE REPORT

Our Audit Committee consists of Eugene I. Davis, Marc S. Kirschner and Hugh R. Rovit. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, which can be viewed on our website, www.spectrumbrands.com, under Investor Relations Corporate Governance.

The Audit Committee Charter adopted by the Board of Directors incorporates requirements mandated by the Sarbanes-Oxley Act of 2002 and the NYSE listing standards. All members of the Audit Committee are independent as defined by SEC rules and NYSE listing standards. At least one member of the Audit Committee is an audit committee financial expert as defined by SEC rules.

Management is responsible for our internal controls and the financial reporting process. Our independent registered public accounting firm, KPMG LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards in the United States of America and auditing the Company's internal control over financial reporting and issuing their reports thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed with management and KPMG LLP the audited financial statements for the fiscal year ended September 30, 2010, management's assessment of the effectiveness of the Company's internal control over financial reporting and KPMG LLP's audit of the Company's internal control over financial reporting. The Audit Committee has discussed with KPMG LLP the matters that are required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication With Audit Committees). In addition, KPMG LLP has provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and the Audit Committee has discussed with KPMG LLP their firm's independence. Transactions with Related Persons

Merger Agreement and Exchange Agreement

On June 16, 2010 (the "Closing Date"), the Company completed a business combination transaction pursuant to the Merger Agreement. As a result of the Merger, each of SBI and Russell Hobbs became a wholly-owned subsidiary of the Company. At the effective time of the Merger, all of (i) the outstanding shares of SBI common stock were canceled and converted into the right to receive shares of Common Stock, and (ii) the outstanding shares of Russell Hobbs common stock and preferred stock were canceled and converted into the right to receive shares of Common Stock.

Pursuant to the terms of the Merger Agreement, on February 9, 2010, SBI entered into support agreements with the Harbinger Parties and Avenue International Master and certain of its affiliates (the "Avenue Parties"), in which the Harbinger Parties and the Avenue Parties agreed to vote their shares of SBI common stock acquired before the date of the Merger Agreement in favor of the Merger and against any alternative proposal that would impede the Merger.

Immediately following the consummation of the Merger, the Harbinger Parties owned approximately 64% of the outstanding Common Stock and the stockholders of SBI (other than the Harbinger Parties) owned

approximately 36% of the outstanding Common Stock. On January 7, 2011, pursuant to the terms of a Contribution and Exchange Agreement (the Exchange Agreement), by and between the Harbinger Parties and HRG, the Harbinger Parties contributed 27,756,905 shares of Common Stock to HRG and received in exchange for such shares 119,909,830 shares of HRG common stock (the Share Exchange). Immediately following the consummation of the Share Exchange, (i) HRG owned 27,756,905 shares of Common Stock and the Harbinger Parties owned 6,500,000 shares of Common Stock, approximately 54.4% and 12.7% of the outstanding shares of Common Stock, respectively, and (ii) the Harbinger Parties owned 129,859,891 shares of HRG common stock, or approximately 93.3% of the outstanding HRG common stock.

In connection with the Merger, the Harbinger Parties and the Company entered into a stockholder agreement, dated February 9, 2010 (the Stockholder Agreement), which provides for certain protective provisions in favor of minority stockholders and provides certain rights and imposes certain obligations on the Harbinger Parties, including:

for so long as the Harbinger Parties own 40% or more of the outstanding voting securities of the Company, the Harbinger Parties and HRG will vote their shares of Common Stock to effect the structure of our Board of Directors as described in the Stockholder Agreement;

the Harbinger Parties will not effect any transfer of equity securities of the Company to any person that would result in such person and its affiliates owning 40% or more of the outstanding voting securities of the Company, unless specified conditions are met; and

the Harbinger Parties will be granted certain access and informational rights with respect to the Company and its subsidiaries. On September 10, 2010, the Harbinger Parties and HRG entered into a joinder to the Stockholder Agreement, pursuant to which, effective upon the consummation of the Share Exchange, HRG became a party to the Stockholder Agreement, subject to all of the covenants, terms and conditions of the Stockholder Agreement to the same extent as the Harbinger Parties were bound thereunder prior to giving effect to the Share Exchange.

Certain provisions of the Stockholder Agreement terminate on the date on which the Harbinger Parties or HRG no longer constitutes a Significant Stockholder (as defined in the Stockholder Agreement). The Stockholder Agreement terminates when any person (including the Harbinger Parties or HRG) acquires 90% or more of the outstanding voting securities of the Company.

On January 7, 2011, in connection with the closing of the Share Exchange, the Harbinger Parties and HRG entered into a joinder to the Stockholder Agreement with Wells Fargo Bank, National Association, as collateral agent (the Collateral Agent) under HRG's 10.625% Senior Secured Notes due 2015, pursuant to which, upon the occurrence of a Foreclosure Event (as such term is defined in the joinder), the Collateral Agent will become a party to the Stockholder Agreement and will, subject to certain exceptions, be subject to all of its covenants, terms and conditions to the same extent as the Harbinger Parties and HRG were prior to the consummation of the Share Exchange.

Also in connection with the Mergers, the Harbinger Parties, the Avenue Parties and the Company entered into a registration rights agreement, dated as of February 9, 2010 (the SB Holdings Registration Rights Agreement), pursuant to which the Harbinger Parties and the Avenue Parties have, among other things and subject to the terms and conditions set forth therein, certain demand and so-called piggy back registration rights with respect to their shares of Common Stock. On September 10, 2010, the Harbinger Parties and HRG entered into a joinder to the SB Holdings Registration Rights Agreement, pursuant to which, effective upon the consummation of the Share Exchange, HRG became a party to the SB Holdings Registration Rights Agreement, entitled to the rights and subject to the obligations of a holder thereunder.

Other Agreements

On August 28, 2009, in connection with SBI's emergence from Chapter 11 reorganization proceedings, SBI entered into a registration rights agreement with the Harbinger Parties, the Avenue Parties and Shaw pursuant to which the Harbinger Parties, the Avenue Parties and Shaw have, among other things and subject to the terms and conditions set forth therein, certain demand and so-called "piggy back" registration rights with respect to SBI's 12% Senior Subordinated Toggle Notes due 2019. Prior to the consummation of the Merger, the Harbinger Parties, Avenue International Master, Avenue Investments, Avenue Fund IV, Avenue Fund V, CDP Global and Shaw had certain registration rights with respect to their shares of SBI common stock pursuant to a registration rights agreement, dated as of August 28, 2009.

In connection with the Merger, Russell Hobbs and Harbinger Master Fund entered into an indemnification agreement, dated as of February 9, 2010 (the "Indemnification Agreement"), by which Harbinger Master Fund agreed, among other things and subject to the terms and conditions set forth therein, to guarantee the obligations of Russell Hobbs to pay (i) a reverse termination fee to SBI under the Merger Agreement and (ii) monetary damages awarded to SBI in connection with any willful and material breach by Russell Hobbs of the Merger Agreement. The maximum amount payable by Harbinger Master Fund under the Indemnification Agreement is \$50 million less any amounts paid by Russell Hobbs or the Harbinger Parties, or any of their respective affiliates as damages under any documents related to the Merger. Harbinger Master Fund also agreed to indemnify Russell Hobbs, the Company and their subsidiaries for out-of-pocket costs and expenses above \$3 million in the aggregate that become payable after the consummation of the Merger and that relate to the litigation arising out of Russell Hobbs' business combination transaction with Applica.

Certain of the Avenue Parties were lenders under SBI's senior credit facility, dated March 30, 2007, originally loaning \$75,000,000 as part of SBI's \$1 billion U.S. Dollar Term B Loan facility (the "US Dollar Term B Loan") and 15,000,000 as part of SBI's 262 million Term Loan facility (the "Euro Facility"). Subsequently, Avenue Fund V, along with several other of the above Avenue Parties, increased their participation in the US Dollar Term B Loan and the Euro Facility. In connection with the Mergers, on June 16, 2010, SBI repaid all of its outstanding indebtedness under the U.S. Dollar Term B Loan and the Euro Facility.

PROPOSAL 1:

ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will be asked to elect Kenneth C. Ambrecht, Eugene I. Davis, David R. Lumley and Robin Roger as Class I directors to hold office until our 2014 annual meeting of stockholders. The directors will serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. If you submit your proxy via the Internet, by telephone or by mail, your shares will be voted for the election of the four nominees recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote all shares represented by proxy for the nominees for these vacancies, except to the extent authority to do so is withheld. Stockholders may withhold authority from the named proxies to vote for the entire slate of directors as nominated or may withhold the authority to vote for any individual nominee by marking the box under the **WITHHOLD** column adjacent to the name(s) of the appropriate director(s) via the Internet or on the attached proxy card, or by indicating by telephone that authority is withheld. Withholding authority to vote for one or more of the nominees will result in those nominees receiving fewer votes. If any nominee for any reason is or becomes unable or unwilling to serve, all shares represented by proxy will be voted at the Annual Meeting by the named proxies for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Please see **Proxies and Voting Procedures** for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker or other nominee. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

Directors

The following incumbent directors are being nominated for election to the Board of Directors as Class I directors: Kenneth C. Ambrecht, Eugene I. Davis, David R. Lumley and Robin Roger. Please see **Nominees for Re-Election to the Board of Directors** for information concerning each of the nominees for election as Class I directors.

Vote Required

To be elected as a Class I director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast by the stockholders present in person or represented by proxy at the Annual Meeting. A plurality vote means that the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship.

The Board of Directors recommends that you vote FOR the election of each of Kenneth C. Ambrecht, Eugene I. Davis, David R. Lumley and Robin Roger as Class I directors of the Company.

Upon recommendation of the Audit Committee, our Board of Directors has appointed KPMG LLP as our independent registered public accounting firm for Fiscal 2011. The stockholders are asked to ratify this action of the Board of Directors. Stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2011 is not required by our By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If stockholders do not ratify the selection of KPMG LLP as our independent registered public accounting firm for Fiscal 2011, our Board of Directors will reconsider the selection our independent registered public accounting firm for Fiscal 2011. Even if the appointment is ratified, our Board of Directors, upon the recommendation of our Audit Committee, may select a different independent registered public accounting firm at any time during the Fiscal 2011 if it determines such a change would be in our best interests and the best interests of our stockholders. KPMG LLP has audited our, or our predecessor SBI's, financial statements since September 12, 1996.

It is anticipated that one or more representatives of KPMG LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from stockholders who are present.

Independent Auditor Fees

The following table summarizes the fees KPMG LLP, our independent auditor, billed to us (or our predecessor, SBI) for each of the last two fiscal years (in millions):

	Audit Fees \$	Audit-Related Fees \$	Tax Fees \$	All Other Fees \$	Total \$
2010	4.6	0.5	0.5	0.9	6.5
2009	6.3	0.1			6.4

In the above table, in accordance with the SEC's definitions and rules, **Audit Fees** are fees we paid KPMG LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and the review of our financial statements included in Form 10-Qs or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements, such as statutory audits required for certain of our foreign subsidiaries. **Audit-Related Fees** are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. **Tax Fees** are fees for tax compliance, tax advice and tax planning. For Fiscal 2010, such fees were attributable to services for tax-compliance assistance and tax advice. **All Other Fees** are fees, if any, for any services not included in the first three categories. For Fiscal 2010, approximately \$870,000 of such fees were attributed to services performed for HRG, an affiliate of the Company. Pursuant of the Stockholder Agreement, HRG is obligated to reimburse the Company for fees attributed to services performed for HRG.

Pre-Approval of Independent Auditor Services and Fees

The Audit Committee pre-approved the Fiscal 2010 audit services engagement performed by KPMG LLP. In accordance with the Audit Committee's Pre-Approval Policy, the Audit Committee has pre-approved other specified audit, non-audit, tax and other services, provided that the fees incurred by KPMG LLP in connection with any individual non-due diligence engagement do not exceed \$200,000 in any 12-month period. The Audit Committee must approve on an engagement by engagement basis any individual non-due diligence engagement in excess of \$200,000 in any 12-month period or any individual engagement to perform due diligence services pertaining to potential business acquisitions/dispositions and other transactions and events in excess of \$1,000,000 in any 12-month period. The Audit Committee has delegated to its Chairman the authority to pre-approve any other specific audit or specific non-audit service which was not previously pre-approved by the Audit Committee, provided that any decision of the Chairman to pre-approve other audit or non-audit services shall be presented to the Audit Committee at its next scheduled meeting.

PROPOSAL 3:

ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act)) and the related rules of the SEC, we are including in this proxy statement a separate resolution to enable our stockholders to approve, on a discretionary and non-binding basis, the compensation of our named executive officers.

This proposal, commonly known as a say-on-pay proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, you may vote on the following resolution at the Annual Meeting:

Resolved, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this proxy statement.

This vote is advisory, and therefore nonbinding. In considering their vote, stockholders are encouraged to read the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure. The Board of Directors and the Compensation Committee expect to take into account the outcome of the vote when considering future executive compensation decisions to the extent they can determine the cause or causes of any significant negative voting results.

As described in detail under Compensation Discussion and Analysis, our compensation programs are designed to motivate our executives to create a successful company. We believe that our compensation program, with its balance of guaranteed salary, performance-based cash bonuses and performance conditions for awards of restricted stock units reward sustained performance that is aligned with long-term stockholder interests.

Vote Required

The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to approve, on an advisory basis, the compensation of our named executive officers.

The Board of Directors recommends that you vote FOR the approval, on an advisory basis, of the compensation of our named executive officers.

PROPOSAL 4:

ADVISORY VOTE ON THE FREQUENCY OF

A FUTURE ADVISORY VOTE ON EXECUTIVE COMPENSATION

In addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, in accordance with the requirements of Section 14A of the Exchange Act (which was added by the Dodd-Frank Act) and the related rules of the SEC, we are including in this proxy statement a separate resolution to enable our stockholders to recommend, on a discretionary and non-binding basis, whether a non-binding stockholder vote on executive compensation should occur every one, two or three years.

After careful consideration, the Board of Directors believes that a frequency of every three years for the advisory vote on executive compensation is the optimal interval for conducting and responding to a say on pay vote. We believe that this frequency is appropriate as a triennial vote would provide the Company with sufficient time to engage with stockholders to understand and respond to the say-on-pay vote results. Stockholders who have concerns about executive compensation during the interval between say on pay votes are welcome to bring their specific concerns to the attention of the Board of Directors. Please refer to Communications with the Board in this proxy statement for information about communicating with the Board of Directors.

The proxy card and the Internet and the telephone proxy submission procedures each provide stockholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the Board of Directors recommendation.

Although this advisory vote on the frequency of the say on pay vote is nonbinding, the Board of Directors will take into account the outcome of the vote when considering the frequency of future advisory votes on executive compensation.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years or abstain from voting when you vote in response to the resolution set forth below.

Resolved, that the option of once every one year, two years or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Company is to hold a stockholder vote to approve, on an advisory basis, the compensation of the named executive officers, as disclosed at the time.

Vote Required

Generally, the affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to approve matters presented to the stockholders. However, because the vote is advisory and non-binding, if none of the frequency options receive a majority of the votes cast, the option receiving the greatest number of votes will be considered the frequency recommended by the stockholders.

The Board of Directors recommends that you vote FOR the approval, on an advisory basis, of the option of every three years for holding a future advisory vote on executive compensation.

PROPOSAL 5:

APPROVAL OF INCENTIVE COMPENSATION ARRANGEMENTS

FOR CERTAIN OF OUR KEY EXECUTIVE OFFICERS

At the Annual Meeting, our stockholders will be asked to approve the incentive compensation arrangements for certain of our key executive officers as described below. Mr. Lumley's employment agreement provides for his employment as President and Chief Executive Officer of SBI and Chief Executive Officer of the Company commencing on August 11, 2010. In addition to Mr. Lumley's annual base salary of \$900,000, he is entitled to receive, for each year of his three-year term, an annual bonus of at least 115% of his annual base salary, upon the attainment of performance targets established by the Board of Directors. If such performance targets are exceeded, Mr. Lumley's annual bonus will be increased in linear fashion until it reaches 250% of his annual salary. For Fiscal 2011, such performance targets will be 50% based on adjusted EBITDA and 50% based on Free Cash Flow targets as described in the Compensation Discussion and Analysis.

Mr. Polistina's employment agreement provides for his employment as business segment President of SBI (initially of the Company's Small Appliances segment) commencing on August 16, 2010. For each fiscal year during the term of his employment, in addition to his annual base salary of \$500,000, Mr. Polistina is entitled to receive an annual bonus based on a target of 75% of his annual base salary and a maximum of 150% of annual base salary paid during such fiscal year, upon the achievement of certain performance goals established by the Board of Directors. For Fiscal 2011, such performance targets shall be 50% based on adjusted EBITDA and 50% based on Free Cash Flow targets as described in the Compensation Discussion and Analysis.

Mr. Heil's employment agreement provides for his employment as Chief Operating Officer of SBI commencing on January 16, 2007. For each fiscal year during the term of his employment, in addition to his annual base salary of \$500,000, Mr. Heil is entitled to receive an annual bonus based on a target of 100% of his annual base salary and a maximum of 200% of annual base salary paid during such fiscal year, upon the achievement of certain performance goals established by the Board of Directors. For fiscal year 2011, such performance targets shall be 50% based on adjusted EBITDA and 50% based on Free Cash Flow targets as described in the Compensation Discussion and Analysis.

New Plan Benefits

The amount of annual bonus actually payable to Messrs. Lumley, Polistina and Heil is subject to the degree by which the above-mentioned performance targets are attained and, therefore, is not determinable at this time.

Vote Required

The above referenced employment agreements were approved by the Compensation Committee. Compensation earned pursuant to the annual bonus provision of the employment agreements is intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code) and is subject to stockholder approval. The affirmative vote of the holders of a majority of the votes represented at the Annual Meeting in person or by proxy is required to approve the above incentive compensation arrangements.

The Board of Directors recommends that stockholders vote FOR approval of the above incentive compensation arrangements.

PROPOSAL 6:

APPROVAL OF SPECTRUM BRANDS HOLDINGS, INC.

2011 OMNIBUS AWARD PLAN

Board Recommendation

At the Annual Meeting, stockholders will be asked to approve the 2011 Plan, which was adopted by our Board of Directors. A copy of the 2011 Plan is attached as Annex A to this proxy statement. **The Board of Directors recommends a vote FOR the approval of the 2011 Plan.**

Reasons Why You Should Vote in Favor of the Approval of the 2011 Plan

The Board of Directors recommends a vote for the approval of the 2011 Plan because it believes the plan is in the best interests of the Company and its stockholders for the following reasons:

Performance based. The 2011 Plan is generally intended to provide incentive compensation and performance compensation awards that qualify as performance-based compensation within the meaning of Section 162(m) of the Code.

Attracts and retains talent. Talented executives and employees are essential to executing our business strategies. The purpose of the 2011 Plan is to promote the success of the Company by giving the Company a competitive edge in attracting, retaining and motivating key personnel and providing participants with a plan that provides incentives directly related to increases in the value of the Company.

Aligns director, employee and stockholder interests. We currently provide long-term incentives primarily by (i) compensating participants with equity awards, including incentive compensation awards measured by reference to the value of the Company's equity, (ii) rewarding such participants for the achievement of performance targets with respect to a specified performance period and (iii) motivating such participants by giving them opportunities to receive awards directly related to such performance. If the 2011 Plan is approved, we will be able to maintain our means of aligning the interests of key personnel with the interests of our stockholders.

Replaces Prior Plans with a comprehensive program. The approval of the 2011 Plan by our stockholders is critical because it will replace the RH Plan and the 2009 Plan, (collectively, the Prior Plans) with the means to choose between multiple types of equity-based awards and to provide such awards to key personnel at various affiliates of the Company. We believe it is good practice to make all future equity compensation and performance-based awards from one plan.

Summary of Sound Governance Features of the 2011 Plan

The Board of Directors and Compensation Committee believe the 2011 Plan contains several features that are consistent with the interests of our stockholders and sound corporate governance practices, including the following:

No evergreen provision. The number of shares of our Common Stock available for issuance under the 2011 Plan is fixed and will not adjust based upon the number of shares outstanding. We currently expect the number of shares authorized for issuance under the 2011 Plan will be sufficient to provide for future awards for approximately three to five years, at which time we expect to ask our stockholders to approve an additional share authorization.

Will not be excessively dilutive to our stockholders. Subject to adjustment, the maximum number of shares of our Common Stock authorized for issuance under the 2011 Plan is 4,625,676 shares. If the 2011 Plan is approved by stockholders, no new awards will be granted under the Prior Plans and any shares of our Common Stock available for issuance under the Prior Plans that are not subject to

outstanding awards will

Table of Contents

no longer be available for issuance. Shares withheld to satisfy tax withholding obligations on awards or to pay the exercise price of awards and any shares not issued or delivered as a result of a net exercise of a stock option will not become available for issuance as future award grants under the 2011 Plan. As of October 1, 2010 and as of January 21, 2011, there were no shares subject to stock options outstanding under the Prior Plans.

Stock option exercise prices and SAR grant prices will not be lower than the fair market value on the grant date. The 2011 Plan prohibits granting stock options with exercise prices and stock appreciation rights (SARs) with grant prices lower than the fair market value of a share of our Common Stock on the grant date, except in connection with the issuance or assumption of awards in connection with certain mergers, consolidations, acquisitions of property or stock or reorganizations.

No repricing or exchange without stockholder approval. The 2011 Plan prohibits the repricing of outstanding stock options or SARs without stockholder approval, except in connection with certain corporate transactions involving the Company.

Clawback provisions. The 2011 Plan contains clawback provisions, which provide that the Compensation Committee may include in an award, that if a participant is determined by the Compensation Committee to have violated a noncompete, nonsolicit, nondisclosure or other agreement or taken action that would constitute a detrimental activity, as that term is defined in the 2011 Plan, all rights of the participant under the 2011 Plan and any agreements evidencing an award then held by the participant will terminate and be forfeited and the Compensation Committee may require the participant to surrender and return to the Company any shares received, and/or to repay any profits or any other economic value made or realized by the participant. To the extent required by applicable law (including without limitation Section 302 of the Sarbanes-Oxley Act of 2002 and Section 954 of the Dodd Frank Act), awards shall be subject to clawback, forfeiture or similar requirement.

Summary of the 2011 Plan Features

The following summary of the material features of the 2011 Plan is qualified in its entirety by reference to the complete text of the 2011 Plan.

Administration. Our Compensation Committee (or subcommittee thereof, if necessary for Section 162(m) of the Code) will administer the 2011 Plan. The Compensation Committee will have the authority to determine the terms and conditions of any agreements evidencing any awards granted under the 2011 Plan and to adopt, alter and repeal rules, guidelines and practices relating to the 2011 Plan. The Compensation Committee will have full discretion to administer and interpret the 2011 Plan and to adopt such rules, regulations and procedures as it deems necessary or advisable and to determine, among other things, the time or times at which the awards may be exercised and whether and under what circumstances an award may be exercised.

Eligibility. Any employees, directors, officers or consultants of the Company or of its subsidiaries or their respective affiliates will be eligible for awards under the 2011 Plan. The Compensation Committee has the sole and complete authority to determine who will be granted an award under the 2011 Plan. Additional Employees of certain designated foreign subsidiaries of the Company are also eligible under separate Sub Plans.

Number of Shares Authorized. The 2011 Plan provides for an aggregate of 4,625,676 shares of our Common Stock to be available for awards under the 2011 Plan. No more than 1,000,000 shares of our Common Stock may be issued with respect to incentive stock options under the 2011 Plan. No participant may be granted awards of options and stock appreciation rights with respect to more than 500,000 shares of our Common Stock in any one year. No more than 500,000 shares of our Common Stock may be granted under the 2011 Plan to any participant during any single fiscal year with respect to performance compensation awards in any one performance period. The maximum amount payable for an individual employee or officer under the 2011 Plan for any single year during a performance period is \$20,000,000 (with respect to each year if the performance period is more than one year). Shares of our Common Stock subject to awards are generally unavailable for future grant; provided, in no

Table of Contents

event shall shares increase the number of shares of Common Stock that may be delivered pursuant to Incentive Stock options granted under the 2011 Plan. If there is any change in our corporate capitalization, the Compensation Committee in its sole discretion may make substitutions or adjustments to the number of shares reserved for issuance under the 2011 Plan, the number of shares covered by awards then outstanding under the 2011 Plan, the limitations on awards under the 2011 Plan, the exercise price of outstanding options and such other equitable substitution or adjustments as it may determine appropriate.

Change in Capitalization. If there is a change in the Company's corporate capitalization in the event of a stock or extraordinary cash dividend, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split up, split-off, spin-off, consolidation or other relevant change in capitalization or applicable law or circumstances, such that the Compensation Committee determines that an adjustment is necessary or appropriate, then the Compensation Committee can make adjustments in a manner that it deems equitable.

Awards Available for Grant. The Compensation Committee may grant awards of non-qualified stock options, incentive (qualified) stock options, SARs, restricted stock awards, restricted stock units, other stock based awards, performance compensation awards (including cash bonus awards) or any combination of the foregoing. Awards may be granted under the 2011 Plan in assumption of, or in substitution for, outstanding awards previously granted by an entity acquired by the Company or with which the Company combines (Substitute Awards).

Stock Options. The Compensation Committee will be authorized to grant options to purchase shares of Common Stock that are either qualified, meaning they are intended to satisfy the requirements of Section 422 of the Code for incentive stock options, or non-qualified, meaning they are not intended to satisfy the requirements of Section 422 of the Code. All options granted under the 2011 Plan shall be non-qualified unless the applicable award agreement expressly states that the Option is intended to be an incentive stock option. Options granted under the 2011 Plan will be subject to the terms and conditions established by the Compensation Committee. Under the terms of the 2011 Plan, the exercise price of the options will not be less than the fair market value of our Common Stock at the time of grant (except with respect to Substitute Awards). Options granted under the 2011 Plan will be subject to such terms, including the exercise price and the conditions and timing of exercise, as may be determined by the Compensation Committee and specified in the applicable award agreement. The maximum term of an option granted under the 2011 Plan will be ten years from the date of grant (or five years in the case of a qualified option granted to a 10% stockholder); provided, that, if the term of a non-qualified option would expire at a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy, the option's term shall be automatically extended until the 30 day following the expiration of such prohibition. Payment in respect of the exercise of an option may be made in cash, by check, by cash equivalent and/or shares of Common Stock valued at the fair market value at the time the option is exercised (provided that such shares are not subject to any pledge or other security interest), or by such other method as the Compensation Committee may permit in its sole discretion, including: (i) by withholding or surrender of the minimum number of shares of Common Stock otherwise deliverable in respect of an option that are needed to pay the exercise price and all applicable required withholding taxes, (ii) if there is a public market for the shares of Common Stock at such time, by means of a broker-assisted cashless exercise mechanism or (iii) by means of a net exercise procedure effected by withholding the minimum number of shares otherwise deliverable in respect of an option that are needed to pay the exercise price and all applicable required withholding taxes. The Committee may, in its sole discretion, at any time buy out for a payment in cash, or the delivery of shares of Common Stock, or other property, an Option previously granted to a Participant.

Stock Appreciation Rights. The Compensation Committee will be authorized to award SARs under the 2011 Plan. SARs will be subject to the terms and conditions established by the Compensation Committee. A SAR is a contractual right that allows a participant to receive, either in the form of cash, shares or any combination of cash and shares, the appreciation, if any, in the value of a share over a certain period of time. An option granted under the 2011 Plan may include SARs and SARs may also be awarded to a participant independent of the grant of an option. SARs granted in connection with an option shall be subject to terms similar to the option corresponding

Table of Contents

to such SARs. Except as otherwise provided by the Compensation Committee (in the case of Substitute Awards or SARs granted in tandem with previously granted options), the strike price per share of Common Stock for each SAR shall not be less than 100% of the fair market value of such share, determined as of the date of grant. The remaining terms of the SARs shall be subject to terms established by the Compensation Committee and reflected in the award agreement.

Restricted Stock. The Compensation Committee will be authorized to award restricted stock under the 2011 Plan. Awards of restricted stock will be subject to the terms and conditions established by the Compensation Committee. Restricted stock is Common Stock that generally is non-transferable and is subject to other restrictions determined by the Compensation Committee for a specified period.

Restricted Stock Unit Awards. The Compensation Committee will be authorized to award restricted stock unit awards. Restricted stock unit awards will be subject to the terms and conditions established by the Compensation Committee. Unless the Compensation Committee determines otherwise, or specifies otherwise in an award agreement, if the participant terminates employment or services during the period of time over which all or a portion of the units are to be earned, then any unvested units will be forfeited. At the election of the Compensation Committee, the participant will receive a number of shares of Common Stock equal to the number of units earned or an amount in cash equal to the fair market value of that number of shares at the expiration of the period over which the units are to be earned or at a later date selected by the Compensation Committee, less an amount equal to any taxes required to be withheld. To the extent provided in an award agreement, the holder of outstanding restricted stock units shall be entitled to be credited with dividend equivalent payments upon the payment by the Company of dividends on shares of Common Stock, either in cash or (at the sole discretion of the Compensation Committee) in shares of Common Stock having a fair market value equal to the amount of such dividends, and interest may, at the sole discretion of the Compensation Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Compensation Committee, which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying restricted stock units are settled.

Other Stock-Based Awards. The Compensation Committee will be authorized to grant awards of unrestricted shares of our Common Stock, rights to receive grants of awards at a future date, or other awards denominated in shares of Common Stock under such terms and conditions as the Compensation Committee may determine and as set forth in the applicable award agreement.

Performance Compensation Awards. The Compensation Committee may grant any award under the 2011 Plan in the form of a Performance Compensation Award by conditioning the vesting of the award on the satisfaction of certain Performance Goals. The Compensation Committee may establish these Performance Goals with reference to one or more of the following:

net earnings or net income (before or after taxes);

basic or diluted earnings per share (before or after taxes);

net revenue or net revenue growth;

gross revenue or gross revenue growth, gross profit or gross profit growth;

net operating profit (before or after taxes);

return measures (including, but not limited to, return on investment, assets, capital, gross revenue or gross revenue growth, invested capital, equity or sales);

cash flow measures (including, but not limited to, operating cash flow, Free Cash Flow and cash flow return on capital), which may but are not required to be measured on a per-share basis;

earnings before or after taxes, interest, depreciation, and amortization (including EBIT and EBITDA);

gross or net operating margins; productivity ratios; share price (including, but not limited to, growth measures and total stockholder return; expense targets or cost reduction goals, general and administrative expense savings; and operating efficiency);

objective measures of customer satisfaction;

working capital targets;

measures of economic value added or other value creation metrics;

stockholder return;

client retention;

competitive market metrics;

employee retention;

timely completion of new product rollouts;

timely launch of new facilities;

objective measures of personal targets, goals or completion of projects (including but not limited to succession and hiring projects, completion of specific acquisitions, reorganizations or other corporate transactions or capital-raising transactions, expansions of specific business operations and meeting divisional project budgets);

system-wide revenues;

royalty income;

cost of capital, debt leverage year-end cash position or book value;

strategic objectives, development of new product lines and related revenue, sales and margin targets, or international operations; or

any combination of the foregoing.

Any of the above Performance Goal elements can be stated as a percentage of another Performance Goal or used on an absolute, relative or adjusted basis to measure the performance of the Company and/or its affiliates or any divisions, operation, or business units, product lines, brands, business segment, administrative departments or combination thereof, as the Compensation Committee deems appropriate. Performance Goals may be compared to the performance of a group of comparator companies or a published or special index that the committee deems appropriate or, stock market indices. The Compensation Committee also may provide for accelerated vesting of any award based on the achievement of Performance Goals. Any award that is intended to qualify as performance-based compensation under Section 162(m) of the Code will be granted, and Performance Goals for such an award will be established, by the Committee in writing not later than 90 days after the commencement of the performance period to which the Performance Goals relate, or such other period required under Section 162(m) of the Code; provided that the outcome is substantially uncertain at the time the Committee establishes the Performance Goal; and provided further that in no event will a Performance Goal be considered to be pre-established if it is established after 25% of the performance period (as scheduled in good faith at the time the Performance Goal is established) has elapsed. Before any payment is made in connection with any award intended to qualify as performance-based compensation under Section 162(m) of the Code, the Compensation Committee must certify in writing that the Performance Goals established with respect to such award have been achieved.

Table of Contents

The Compensation Committee may also specify adjustments or modifications (to the extent it would not result in adverse results under Section 162(m) of the Code) to be made to the calculation of a Performance Goal for such performance period, based on and in order to appropriately reflect the following events: (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (iv) any reorganization and restructuring programs; (v) extraordinary nonrecurring items and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; (vi) acquisitions or divestitures; (vii) any other specific, unusual or nonrecurring events, or objectively determinable category thereof; (viii) foreign exchange gains and losses; (ix) discontinued operations and nonrecurring charges; and (x) a change in the Company's fiscal year.

Unless otherwise provided in the applicable award agreement, a participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that (I) the Performance Goals for such period are achieved; and (II) all or some of the portion of such participant's Performance Compensation Award has been earned for the performance period based on the application of the Performance Formula (as defined in the 2011 Plan) to such Performance Goals.

Effect of Change in Control. Unless otherwise provided in an award agreement, in the event of a change in control, the Board of Directors may in its sole discretion provide that, with respect to any particular outstanding award: all then-outstanding Options and SARs shall become immediately exercisable as of immediately prior to the change in control with respect to up to 100 percent of the shares subject to such Option or SAR; (b) any restricted period shall expire as of immediately prior to the change in control with respect to up to 100 percent of then-outstanding shares of Restricted Stock or Restricted Stock Units (including without limitation a waiver of any applicable Performance Goals); (c) all incomplete performance periods in effect on the date the change in control occurs shall end on such date, and the Committee may (i) determine the extent to which Performance Goals with respect to each such performance period have been met based upon such audited or unaudited financial information or other information then available as it deems relevant and (ii) cause the Participant to receive partial or full payment of awards for each such performance period based upon the Committee's determination of the degree of attainment of Performance Goals, or assuming that the applicable target levels of performance have been attained or on such other basis determined by the Committee; and (d) cause awards previously deferred to be settled in full as soon as practicable.

Transferability. Each award may be exercised during the participant's lifetime only by the participant or, if permissible under applicable law, by the participant's guardian or legal representative and may not be otherwise transferred or encumbered by a participant other than by will or by the laws of descent and distribution.

Amendment. The 2011 Plan will have a term of ten years. The Board of Directors may amend, suspend or terminate the 2011 Plan at any time; however, stockholder approval to amend the 2011 Plan may be necessary if the law or NYSE rules so require. No amendment, suspension or termination will impair the rights of any participant or recipient of any award without the consent of the participant or recipient.

The Compensation Committee may, to the extent consistent with the terms of any applicable award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any award theretofore granted or the associated award agreement, prospectively or retroactively; *provided* that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any participant or any holder or beneficiary of any option theretofore granted shall not to that extent be effective without the consent of the affected participant, holder or beneficiary; and *provided further* that, without stockholder approval, (i) no amendment or modification may reduce the option price of any option or the strike price of any SAR, (ii) the Compensation Committee may not cancel any outstanding option and replace it with a new option (with a lower option price) or cancel any SAR and replace it with a new SAR (with a lower strike price), and (iii) no option or SAR may be exchanged for cash or another award. However, stockholder approval is not required with respect to clauses (i), (ii), and (iii) above for

any action specifically permitted by Sections 12 (Changes in Capital Structure and Similar Events) of the 2011 Plan. In addition, none of the requirements described in the preceding clauses (i), (ii), and (iii) can be amended without stockholder approval.

U.S. Federal Income Tax Consequences

The following is a general summary of the material U.S. federal income tax consequences of the grant and exercise and vesting of awards under the 2011 Plan and the disposition of shares acquired pursuant to the exercise or settlement of such awards and is intended to reflect the current provisions of the Code and the regulations thereunder. This summary is not intended to be a complete statement of applicable law, nor does it address foreign, state, local and payroll tax considerations. Moreover, the U.S. federal income tax consequences to any particular participant may differ from those described herein by reason of, among other things, the particular circumstances of such participant.

Stock Options. The Code requires that, for treatment of an option as an incentive stock option, shares of Common Stock acquired through the exercise of an incentive stock option cannot be disposed of before the later of (i) two years from the date of grant of the option, or (ii) one year from the date of exercise. Holders of incentive stock options will generally incur no federal income tax liability at the time of grant or upon exercise of those options. However, the spread at exercise will be an item of tax preference, which may give rise to alternative minimum tax liability for the taxable year in which the exercise occurs. If the holder does not dispose of the shares before two years following the date of grant and one year following the date of exercise, the difference between the exercise price and the amount realized upon disposition of the shares will constitute long-term capital gain or loss, as the case may be. Assuming both holding periods are satisfied, no deduction will be allowed to us for federal income tax purposes in connection with the grant or exercise of the incentive stock option. If, within two years following the date of grant or within one year following the date of exercise, the holder of shares acquired through the exercise of an incentive stock option disposes of those shares, the participant will generally realize taxable compensation at the time of such disposition equal to the difference between the exercise price and the lesser of the fair market value of the share on the date of exercise or the amount realized on the subsequent disposition of the shares, and that amount will generally be deductible by us for federal income tax purposes, subject to the possible limitations on deductibility under Sections 280G and 162(m) of the Code for compensation paid to executives designated in those Sections. Finally, if an incentive stock option becomes first exercisable in any one year for shares having an aggregate value in excess of \$100,000 (based on the grant date value), the portion of the incentive stock option in respect of those excess shares will be treated as a non-qualified stock option for federal income tax purposes. No income will be realized by a participant upon grant of an option that does not qualify as an incentive stock option (a non-qualified stock option). Upon the exercise of a non-qualified stock option, the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the underlying exercised shares over the option exercise price paid at the time of exercise. The Company will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

SARs. No income will be realized by a participant upon grant of a SAR. Upon the exercise of a SAR, the participant will recognize ordinary compensation income in an amount equal to the fair market value of the payment received in respect of the SAR. The Company will be able to deduct this same amount for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Restricted Stock. A participant will not be subject to tax upon the grant of an award of restricted stock unless the participant otherwise elects to be taxed at the time of grant pursuant to Section 83(b) of the Code. On the date an award of restricted stock becomes transferable or is no longer subject to a substantial risk of forfeiture, the participant will have taxable compensation equal to the difference between the fair market value of the shares on that date over the amount the participant paid for such shares, if any, unless the participant made an election

under Section 83(b) of the Code to be taxed at the time of grant. If the participant made an election under Section 83(b), the participant will have taxable compensation at the time of grant equal to the difference between the fair market value of the shares on the date of grant over the amount the participant paid for such shares, if any. (Special rules apply to the receipt and disposition of restricted shares received by officers and directors who are subject to Section 16(b) of the Securities Exchange Act of 1934, as amended). The Company will be able to deduct, at the same time as it is recognized by the participant, the amount of taxable compensation to the participant for U.S. federal income tax purposes, but such deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Restricted Stock Units. A participant will not be subject to tax upon the grant of a restricted stock unit award. Rather, upon the delivery of shares or cash pursuant to a restricted stock unit award, the participant will have taxable compensation equal to the fair market value of the number of shares (or the amount of cash) the participant actually receives with respect to the award. The Company will be able to deduct the amount of taxable compensation to the participant for U.S. federal income tax purposes, but the deduction may be limited under Sections 280G and 162(m) of the Code for compensation paid to certain executives designated in those Sections.

Section 162(m). In general, Section 162(m) of the Code denies a publicly held corporation a deduction for U.S. federal income tax purposes for compensation in excess of \$1,000,000 per year per person to its chief executive officer and the three other officers whose compensation is required to be disclosed in its proxy statement (excluding the chief financial officer), subject to certain exceptions. The 2011 Plan is intended to satisfy an exception with respect to grants of options and SARs to covered employees. In addition, the 2011 Plan is designed to permit certain awards of restricted stock, restricted stock units and other awards (including cash bonus awards) to be awarded as performance compensation awards intended to qualify under the performance-based compensation exception to Section 162(m) of the Code.

New Plan Benefits

It is not possible to determine the benefits or amounts that will be received by or allocated to participants under the 2011 Plan because awards under the 2011 Plan will be made at the discretion of the Compensation Committee (or subcommittee thereof, if necessary for Section 162(m) of the Code). However, the number of equity awards granted this fiscal year to our Named Executive Officers, our non-employee directors and our non-executive employees, subject to stockholder approval of the 2011 Plan at the Annual Meeting, is set forth in the table below.

The acts of a majority of the members present at any meeting at which a quorum is present or acts approved in writing by a majority of the Committee shall be deemed the acts of the Committee.

(b) Subject to the provisions of the Plan and applicable law, the Committee shall have the sole and plenary authority, in addition to other express powers and authorizations conferred on the Committee by the Plan, to: (i) designate Participants; (ii) determine the type or types of Awards to be granted to a Participant; (iii) determine the number of shares of Common Stock to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with, Awards; (iv) determine the terms and conditions of any Award; (v) determine whether, to what extent, and under what circumstances Awards may be settled or exercised in cash, shares of Common Stock, other securities, other Awards or other property, or canceled, forfeited, or suspended and the method or methods by which Awards may be settled, exercised, canceled, forfeited, or suspended; (vi) determine whether, to what extent, and under what circumstances the delivery of cash, Common Stock, other securities, other Awards or other property and other amounts payable with respect to an Award shall be deferred either automatically or at the election of the Participant or of the Committee; (vii) interpret, administer, reconcile any inconsistency in, correct any defect in and/or supply any omission in the Plan and any instrument or agreement relating to, or Award granted under, the Plan; (viii) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the Committee shall deem appropriate for the proper administration of the Plan; (ix) accelerate the vesting or exercisability of, payment for or lapse of restrictions on, Awards; and (x) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.

(c) Except to the extent prohibited by applicable law or the applicable rules and regulations of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or traded, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time. Without limiting the generality of the foregoing, the Committee may delegate to one or more officers of the Company or any Affiliate the authority

to act on behalf of the Committee with respect to any matter, right, obligation, or election which is the responsibility of or which is allocated to the Committee herein, and which may be so delegated as a matter of law, except for grants of Awards to persons (i) who are non-employee members of the Board or otherwise are subject to Section 16 of the Exchange Act or (ii) who are, or who are reasonably expected to be, covered employees for purposes of Section 162(m) of the Code.

(d) Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award or any documents evidencing Awards granted pursuant to the Plan shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon all persons or entities, including, without limitation, the Company, any Affiliate, any Participant, any holder or beneficiary of any Award, and any shareholder of the Company.

(e) No member of the Board, the Committee or any employee or agent of the Company (each such person, an Indemnifiable Person) shall be liable for any action taken or omitted to be taken or any determination made in good faith with respect to the Plan or any Award hereunder. Each Indemnifiable Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit or proceeding to which such Indemnifiable Person may be a party or in which such Indemnifiable Person may be involved by reason of any action taken or omitted to be taken under the Plan or any Award agreement and against and from any and all amounts paid by such Indemnifiable Person with the Company's approval, in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined as provided below that the Indemnifiable Person is not entitled to be indemnified); provided that the Company shall have the right, at its own expense, to assume and defend any such action, suit or proceeding and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company's choice. The foregoing right of indemnification shall not be available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts or omissions or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person's fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the Company's Certificate of Incorporation or Bylaws. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Persons may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, individual indemnification agreement or contract or otherwise, or any other power that the Company may have to indemnify such Indemnifiable Persons or hold them harmless.

(f) Notwithstanding anything to the contrary contained in the Plan, the Board may, in its sole discretion, at any time and from time to time, grant Awards and administer the Plan with respect to such Awards. Any such actions by the Board shall be subject to the applicable rules of the NYSE or any other securities exchange or inter-dealer quotation system on which the Common Stock is listed or quoted. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

5. Grant of Awards; Shares Subject to the Plan; Limitations. (a) The Committee may, from time to time, grant Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Other Stock Based Awards and/or Performance Compensation Awards to one or more Eligible Persons.

(b) Awards granted under the Plan shall be subject to the following limitations: (i) subject to Section 12 of the Plan, no more than 4,625,676 shares of Common Stock may be delivered in the aggregate pursuant to Awards granted under the Plan; (ii) subject to Section 12 of the Plan, no more than 500,000 shares of Common Stock may be subject to grants of Options or SARs under the Plan to any single Participant during any calendar year;

Table of Contents

(iii) subject to Section 12 of the Plan, no more than 1,000,000 shares of Common Stock may be delivered pursuant to the exercise of Incentive Stock Options granted under the Plan; (iv) subject to Section 12 of the Plan, no more than 500,000 shares of Common Stock may be delivered in respect of Performance Compensation Awards denominated in shares of Common Stock granted pursuant to Section 11 of the Plan to any single fiscal year during a Participant for a single Performance Period (or with respect to each single fiscal year in the event a Performance Period extends beyond a single fiscal year) , or in the event such Performance Compensation Award is paid in cash, other securities, other Awards or other property, no more than the Fair Market Value of 500,000 shares of Common Stock on the last day of the Performance Period to which such Award relates; and (v) the maximum amount that can be paid to any individual Participant for a single fiscal year during a Performance Period (or with respect to each single year in the event a Performance Period extends beyond a single year) pursuant to a Performance Award denominated in cash described in Section 11(a) of the Plan shall be \$20,000,000.

(c) Shares of Common Stock shall be deemed to have been used in settlement of Awards whether or not they are actually delivered or the Fair Market Value equivalent of such shares is paid in cash; provided, however, that if shares of Common Stock issued upon exercise, vesting or settlement of an Award, or shares of Common Stock owned by a Participant are surrendered or tendered to the Company (either directly or by means of attestation) in payment of the Exercise Price of an Award or any taxes required to be withheld in respect of an Award, in each case, in accordance with the terms and conditions of the Plan and any applicable Award agreement, such surrendered or tendered shares shall not become available for other Awards under the Plan; provided, further, that in no event shall such shares increase the number of shares of Common Stock that may be delivered pursuant to Incentive Stock Options granted under the Plan. In accordance with (and without limitation upon) the preceding sentence, if and to the extent an Award under the Plan expires, terminates or is canceled or forfeited for any reason whatsoever without the Participant having received any benefit therefrom, the shares covered by such Award shall again become available for other Awards under the Plan. For purposes of the foregoing sentence, a Participant shall not be deemed to have received any benefit (i) in the case of forfeited Restricted Stock by reason of having enjoyed voting rights and dividend rights prior to the date of forfeiture or (ii) in the case of an Award canceled by reason of a new Award being granted in substitution therefor.

(d) Shares of Common Stock delivered by the Company in settlement of Awards may be authorized and unissued shares, shares held in the treasury of the Company, shares purchased on the open market or by private purchase, or a combination of the foregoing. Following the Effective Date, no further awards shall be granted under any Prior Plan, provided that the Plan is approved by shareholders within twelve months following the Effective Date.

(e) Awards may, in the sole discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by the Company or any Affiliate or an entity directly or indirectly acquired by the Company or with which the Company combines (Substitute Awards). The number of shares of Common Stock underlying any Substitute Awards shall be counted against the aggregate number of shares of Common Stock available for Awards under the Plan; provided, however, that Substitute Awards issued in connection with the assumption of, or the substitution for, outstanding awards previously granted by an entity that is acquired by the Company or any Affiliate through a merger or acquisition shall not be counted against the aggregate number of shares of Common Stock available for Awards under the Plan; provided, further, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding options intended to qualify as incentive stock options within the meaning of Section 422 of the Code that were previously granted by an entity that is acquired by the Company or any Affiliate through a merger or acquisition shall be counted against the aggregate number of shares of Common Stock available for Awards of Incentive Stock Options under the Plan. Subject to applicable stock exchange requirements, available shares under a stockholder approved plan of an entity directly or indirectly acquired by the Company or with which the Company combines (as appropriately adjusted to reflect the acquisition or combination transaction) may be used for Awards under the Plan and shall not reduce the number of shares of Common Stock available for delivery under the Plan.

6. Eligibility. Participation shall be limited to Eligible Persons who have entered into an Award agreement or who have received written notification from the Committee, or from a person designated by the Committee, that they have been selected to participate in the Plan.

7. Options. (a) **Generally.** Each Option granted under the Plan shall be evidenced by an Award agreement. Each Option so granted shall be subject to the conditions set forth in this Section 7, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement. All Options granted under the Plan shall be Nonqualified Stock Options unless the applicable Award agreement expressly states that the Option is intended to be an Incentive Stock Option. Incentive Stock Options shall be granted only to Eligible Persons who are employees of the Company and its Affiliates, and no Incentive Stock Option shall be granted to any Eligible Person who is ineligible to receive an Incentive Stock Option under the Code. No Option shall be treated as an Incentive Stock Option unless the Plan has been approved by the shareholders of the Company in a manner intended to comply with the shareholder approval requirements of Section 422(b)(1) of the Code, provided that any Option intended to be an Incentive Stock Option shall not fail to be effective solely on account of a failure to obtain such approval, but rather such Option shall be treated as a Nonqualified Stock Option unless and until such approval is obtained. In the case of an Incentive Stock Option, the terms and conditions of such grant shall be subject to and comply with such rules as may be prescribed by Section 422 of the Code. If for any reason an Option intended to be an Incentive Stock Option (or any portion thereof) shall not qualify as an Incentive Stock Option, then, to the extent of such nonqualification, such Option or portion thereof shall be regarded as a Nonqualified Stock Option appropriately granted under the Plan.

(b) **Exercise Price.** Except as otherwise provided by the Committee in the case of Substitute Awards, the exercise price (Exercise Price) per share of Common Stock for each Option shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant); provided, however, that in the case of an Incentive Stock Option granted to an employee who, at the time of the grant of such Option, owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Affiliate, the Exercise Price per share shall be no less than 110% of the Fair Market Value per share on the Date of Grant.

(c) **Vesting and Expiration.** Options shall vest and become exercisable in such manner and on such date or dates determined by the Committee and shall expire after such period, not to exceed ten years, as may be determined by the Committee (the Option Period); provided, that if the Option Period (other than in the case of an Incentive Stock Option) would expire at a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy (or Company-imposed blackout period), the Option Period shall be automatically extended until the 30th day following the expiration of such prohibition; **provided, however,** that in no event shall the Option Period exceed five years from the Date of Grant in the case of an Incentive Stock Option granted to a Participant who on the Date of Grant owns stock representing more than 10% of the voting power of all classes of stock of the Company or any Affiliate; **provided, further,** that notwithstanding any vesting dates set by the Committee, the Committee may, in its sole discretion, accelerate the exercisability of any Option, which acceleration shall not affect the terms and conditions of such Option other than with respect to exercisability.

(d) **Method of Exercise and Form of Payment.** No shares of Common Stock shall be delivered pursuant to any exercise of an Option until payment in full of the Exercise Price therefor is received by the Company and the Participant has paid to the Company an amount equal to any Federal, state, local and non-U.S. income and employment taxes required to be withheld. Options which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company (or telephonic instructions to the extent provided by the Committee) in accordance with the terms of the Option accompanied by payment of the Exercise Price. The Exercise Price shall be payable (i) in cash, check, cash equivalent and/or shares of Common Stock valued at the Fair Market Value at the time the Option is exercised (including, pursuant to procedures approved by the Committee, by means of attestation of ownership of a sufficient number of shares of Common Stock in lieu of actual delivery of such shares to the Company); **provided,** that such shares of Common Stock are not subject to any pledge or other security interest and are Mature Shares; (ii) by such other method as the Committee may

permit in its sole discretion, including without limitation: (A) in other property having a fair market value on the date of exercise equal to the Exercise Price or (B) if there is a public market for the shares of Common Stock at such time, by means of a broker-assisted cashless exercise pursuant to which the Company is delivered (including telephonically to the extent permitted by the Committee) a copy of irrevocable instructions to a stockbroker to sell the shares of Common Stock otherwise deliverable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the Exercise Price or (C) by means of a net exercise procedure effected by withholding the minimum number of shares of Common Stock otherwise deliverable in respect of an Option that are needed to pay for the Exercise Price and all applicable required withholding taxes. Any fractional shares of Common Stock shall be settled in cash.

(e) **Notification upon Disqualifying Disposition of an Incentive Stock Option.** Each Participant awarded an Incentive Stock Option under the Plan shall notify the Company in writing immediately after the date he makes a disqualifying disposition of any Common Stock acquired pursuant to the exercise of such Incentive Stock Option. A disqualifying disposition is any disposition (including, without limitation, any sale) of such Common Stock before the later of (A) two years after the Date of Grant of the Incentive Stock Option or (B) one year after the date of exercise of the Incentive Stock Option. The Company may, if determined by the Committee and in accordance with procedures established by the Committee, retain possession, as agent for the applicable Participant, of any Common Stock acquired pursuant to the exercise of an Incentive Stock Option until the end of the period described in the preceding sentence, subject to complying with any instruction from such Participant as to the sale of such Common Stock.

(f) **Buyout.** The Committee may, in its sole discretion, at any time buy out for a payment in cash or the delivery of shares of Common Stock or other property (including, without limitation, another Award), an Option previously granted, based on such terms and conditions as the Committee shall establish and communicate to the Participant at the time such offer is made. If the Committee so determines, the consent of the affected Participant shall not be required to effect such buyout.

(g) **Compliance With Laws, etc.** Notwithstanding the foregoing, in no event shall a Participant be permitted to exercise an Option in a manner which the Committee determines would violate the Sarbanes-Oxley Act of 2002, or any other applicable law or the applicable rules and regulations of the Securities and Exchange Commission or the applicable rules and regulations of any securities exchange or inter-dealer quotation service on which the securities of the Company are listed or traded.

8. Stock Appreciation Rights. (a) **Generally.** Each SAR granted under the Plan shall be evidenced by an Award agreement. Each SAR so granted shall be subject to the conditions set forth in this Section 8, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement. Any Option granted under the Plan may include tandem SARs. The Committee also may award SARs to Eligible Persons independent of any Option.

(b) **Strike Price.** Except as otherwise provided by the Committee in the case of Substitute Awards, the strike price (Strike Price) per share of Common Stock for each SAR shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant). Notwithstanding the foregoing, a SAR granted in tandem with (or in substitution for) an Option previously granted shall have a Strike Price equal to the Exercise Price of the corresponding Option.

(c) **Vesting and Expiration.** A SAR granted in connection with an Option shall become exercisable and shall expire according to the same vesting schedule and expiration provisions as the corresponding Option. A SAR granted independent of an Option shall vest and become exercisable and shall expire in such manner and on such date or dates determined by the Committee and shall expire after such period, not to exceed ten years, as may be determined by the Committee (the SAR Period); provided, however, that notwithstanding any vesting dates set by the Committee, the Committee may, in its sole discretion, accelerate the exercisability of any SAR, which acceleration shall not affect the terms and conditions of such SAR other than with respect to exercisability.

Table of Contents

(d) Method of Exercise. SARs which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company in accordance with the terms of the Award, specifying the number of SARs to be exercised and the date on which such SARs were awarded. Notwithstanding the foregoing, if on the last day of the Option Period (or in the case of a SAR independent of an option, the SAR Period), the Fair Market Value exceeds the Strike Price, the Participant has not exercised the SAR or the corresponding Option (if applicable), and neither the SAR nor the corresponding Option (if applicable) has expired, such SAR shall be deemed to have been exercised by the Participant on such last day and the Company shall make the appropriate payment therefor.

(e) Payment. Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of shares subject to the SAR that are being exercised multiplied by the excess, if any, of the Fair Market Value of one share of Common Stock on the exercise date over the Strike Price, less an amount equal to any Federal, state, local and non-U.S. income and employment taxes required to be withheld. The Company shall pay such amount in cash, in shares of Common Stock valued at Fair Market Value, or any combination thereof, as determined by the Committee. Any fractional shares of Common Stock shall be settled in cash.

(f) Substitution of SARs for Nonqualified Stock Options. The Committee shall have the authority in its sole discretion to substitute, without the consent of the affected Participant or any holder or beneficiary of SARs, SARs settled in shares of Common Stock (or settled in shares or cash in the sole discretion of the Committee) for outstanding Nonqualified Stock Options, provided that (i) the substitution shall not otherwise result in a modification of the terms of any such Nonqualified Stock Option, (ii) the number of shares of Common Stock underlying the substituted SARs shall be the same as the number of shares of Common Stock underlying such Nonqualified Stock Options and (iii) the Strike Price of the substituted SARs shall be equal to the Exercise Price of such Nonqualified Stock Options; provided, however, that if, in the opinion of the Company's independent public auditors, the foregoing provision creates adverse accounting consequences for the Company, such provision shall be considered null and void.

9. Restricted Stock and Restricted Stock Units. (a) Generally. Each grant of Restricted Stock and Restricted Stock Units shall be evidenced by an Award agreement. Each Restricted Stock and Restricted Stock Unit grant shall be subject to the conditions set forth in this Section 9, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement.

(b) Stock Certificates; Escrow or Similar Arrangement. Upon the grant of Restricted Stock, the Committee shall cause share(s) of Common Stock to be registered in the name of the Participant and held in book-entry form subject to the Company's directions and, if the Committee determines that the Restricted Stock shall be held by the Company or in escrow rather than delivered to the Participant pending the release of the applicable restrictions, the Committee may require the Participant to additionally execute and deliver to the Company (i) an escrow agreement satisfactory to the Committee, if applicable, and (ii) the appropriate stock power (endorsed in blank) with respect to the Restricted Stock covered by such agreement. If a Participant shall fail to execute and deliver (in a manner permitted under Section 14(a) or as otherwise determined by the Committee) an agreement evidencing an Award of Restricted Stock and, if applicable, an escrow agreement and blank stock power within the amount of time specified by the Committee, the Award shall be null and void. Subject to the restrictions set forth in this Section 9 and the applicable Award agreement, the Participant generally shall have the rights and privileges of a shareholder as to such Restricted Stock, including without limitation the right to vote such Restricted Stock (provided that if the lapsing of restrictions with respect to any grant of Restricted Stock is contingent on satisfaction of performance conditions (other than or in addition to the passage of time), any dividends payable on such shares of Restricted Stock shall be held by the Company and delivered (without interest) to the Participant within 15 days following the date on which the restrictions on such Restricted Stock lapse (and the right to any such accumulated dividends shall be forfeited upon the forfeiture of the Restricted Stock to which such dividends relate). The Committee shall also be permitted to cause a stock certificate registered in the name of the Participant to be issued. To the extent shares of Restricted Stock are forfeited, any stock certificates issued to the Participant evidencing such shares shall be returned to the Company, and all rights of the Participant to such shares and as a shareholder with respect thereto shall terminate without further obligation on the part of the Company.

Table of Contents

(c) Vesting; Acceleration of Lapse of Restrictions. Unless otherwise provided by the Committee in an Award agreement: (i) the Restricted Period with respect to Restricted Stock and Restricted Stock Units shall lapse in such manner and on such date or dates determined by the Committee, and the Committee shall determine the treatment of the unvested portion of Restricted Stock and Restricted Stock Units shall terminate and be forfeited upon termination of employment or service of the Participant granted the applicable Award. The Committee may in its sole discretion accelerate the lapse of any or all of the restrictions on the Restricted Stock and Restricted Stock Units which acceleration shall not affect any other terms and conditions of such Awards.

(d) Delivery of Restricted Stock and Settlement of Restricted Stock Units. (i) Upon the expiration of the Restricted Period with respect to any shares of Restricted Stock, the restrictions set forth in the applicable Award agreement shall be of no further force or effect with respect to such shares, except as set forth in the applicable Award agreement. If an escrow arrangement is used, upon such expiration, the Company shall deliver to the Participant, or his or her beneficiary, without charge a notice evidencing a book entry notation (or, if applicable, the stock certificate) evidencing the shares of Restricted Stock which have not then been forfeited and with respect to which the Restricted Period has expired (rounded down to the nearest full share). Dividends, if any, that may have been withheld by the Committee and attributable to any particular share of Restricted Stock shall be distributed to the Participant in cash or, at the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value (on the date of distribution) equal to the amount of such dividends, upon the release of restrictions on such share and, if such share is forfeited, the Participant shall have no right to such dividends.

(ii) Unless otherwise provided by the Committee in an Award agreement, upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his or her beneficiary, without charge, one share of Common Stock (or other securities or other property, as applicable) for each such outstanding Restricted Stock Unit; provided, however, that the Committee may, in its sole discretion, elect to (i) pay cash or part cash and part Common Stock in lieu of delivering only shares of Common Stock in respect of such Restricted Stock Units or (ii) defer the delivery of Common Stock (or cash or part Common Stock and part cash, as the case may be) beyond the expiration of the Restricted Period if such extension would not cause adverse tax consequences under Section 409A of the Code. If a cash payment is made in lieu of delivering shares of Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the Restricted Period lapsed with respect to such Restricted Stock Units, less an amount equal to any Federal, state, local and non-U.S. income and employment taxes required to be withheld. To the extent provided in an Award agreement, the holder of outstanding Restricted Stock Units shall be entitled to be credited with dividend equivalent payments (upon the payment by the Company of dividends on shares of Common Stock) either in cash or, at the sole discretion of the Committee, in shares of Common Stock having a Fair Market Value equal to the amount of such dividends (and interest may, at the sole discretion of the Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Committee), which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying Restricted Stock Units are settled following the release of restrictions on such Restricted Stock Units, and, if such Restricted Stock Units are forfeited, the Participant shall have no right to such dividend equivalent payments.

(e) Legends on Restricted Stock. Each certificate representing Restricted Stock awarded under the Plan, if any, shall bear a legend substantially in the form of the following in addition to any other information the Company deems appropriate until the lapse of all restrictions with respect to such Common Stock:

TRANSFER OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY IS RESTRICTED PURSUANT TO THE TERMS OF THE SPECTRUM BRANDS HOLDINGS, INC. 2011 OMNIBUS EQUITY AWARD PLAN AND A RESTRICTED STOCK AWARD AGREEMENT, DATED AS OF _____, BETWEEN SPECTRUM BRANDS HOLDINGS, INC. AND _____. A COPY OF SUCH PLAN AND AWARD AGREEMENT IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICES OF SPECTRUM BRANDS HOLDINGS, INC.

10. Other Stock Based Awards. The Committee may issue unrestricted Common Stock, rights to receive grants of Awards at a future date, or other Awards denominated in Common Stock (including, without limitation, performance shares or performance units), under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts as the Committee shall from time to time in its sole discretion determine. Each Other Stock Based Award granted under the Plan shall be evidenced by an Award agreement. Each Other Stock Based Award so granted shall be subject to such conditions not inconsistent with the Plan as may be reflected in the applicable Award agreement.

11. Performance Compensation Awards. (a) Generally. The Committee shall have the authority, at or before the time of grant of any Award described in Sections 7 through 10 of the Plan, to designate such Award as a Performance Compensation Award intended to qualify as performance-based compensation under Section 162(m) of the Code. In addition, the Committee shall have the authority to make an award of a cash bonus to any Participant and designate such Award as a Performance Compensation Award intended to qualify as performance-based compensation under Section 162(m) of the Code. Notwithstanding anything in the Plan to the contrary, if the Company determines that a Participant who has been granted an Award designated as a Performance Compensation Award is not (or is no longer) a covered employee (within the meaning of Section 162(m) of the Code), the terms and conditions of such Award may be modified without regard to any restrictions or limitations set forth in this Section 11 (but subject otherwise to the provisions of Section 13 of the Plan).

(b) Discretion of Committee with Respect to Performance Compensation Awards. With regard to a particular Performance Period, the Committee shall have sole discretion to select the length of such Performance Period, the type(s) of Performance Compensation Awards to be issued, the Performance Criteria that will be used to establish the Performance Goal(s), the kind(s) and/or level(s) of the Performance Goals(s) that is (are) to apply and the Performance Formula. Within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), the Committee shall, with regard to the Performance Compensation Awards to be issued for such Performance Period, exercise its discretion with respect to each of the matters enumerated in the immediately preceding sentence and record the same in writing.

(c) Performance Criteria. The Performance Criteria that will be used to establish the Performance Goal(s) may be based on the attainment of specific levels of performance of the Company (and/or one or more Affiliates, divisions or operational and/or business units, product lines, brands, business segments, administrative departments, units, or any combination of the foregoing) and shall be limited to the following: (i) net earnings or net income (before or after taxes); (ii) basic or diluted earnings per share (before or after taxes); (iii) net revenue or net revenue growth; (iv) gross revenue or gross revenue growth, gross profit or gross profit growth; (v) net operating profit (before or after taxes); (vi) return measures (including, but not limited to, return on investment, assets, capital, gross revenue or gross revenue growth, invested capital, equity, or sales); (vii) cash flow (including, but not limited to, operating cash flow, free cash flow, and cash flow return on capital), which may but are not required to be measured on a per share basis; (viii) earnings before or after taxes, interest, depreciation and/or amortization (including EBIT and EBITDA); (ix) gross or net operating margins; (x) productivity ratios; (xi) share price (including, but not limited to, growth measures and total shareholder return); (xii) expense targets or cost reduction goals, general and administrative expense savings; (xiii) margins; (xiv) operating efficiency; (xv) objective measures of customer satisfaction; (xvi) working capital targets; (xvii) measures of economic value added or other value creation metrics; (xviii) inventory control; (xix) enterprise value; (xx) sales; (xxi) stockholder return; (xxii) client retention; (xxiii) competitive market metrics; (xxiv) employee retention; (xxv) timely completion of new product rollouts; (xxvi) timely launch of new facilities; (xxvii) objective measures of personal targets, goals or completion of projects (including but not limited to succession and hiring projects, completion of specific acquisitions, reorganizations or other corporate transactions or capital-raising transactions, expansions of specific business operations and meeting divisional or project budgets); (xxviii) system-wide revenues; (xxix) royalty income; (xxx) cost of capital, debt leverage year-end cash position or book value; (xxxi) strategic objectives, development of new product lines and related revenue, sales and margin targets, or international operations; or (xxxii) any combination of the foregoing. Any

one or more of the Performance Criteria may be stated as a percentage of another Performance Criteria, or used on an absolute, relative or adjusted basis to measure the performance of the Company and/or one or more Affiliates as a whole or any divisions or operational and/or business units, product lines, brands, business segments, administrative departments of the Company and/or one or more Affiliates or any combination thereof, as the Committee may deem appropriate, or any of the above Performance Criteria may be compared to the performance of a group of comparator companies, or a published or special index that the Committee, in its sole discretion, deems appropriate, or as compared to various stock market indices. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of Performance Goals pursuant to the Performance Criteria specified in this paragraph. To the extent required under Section 162(m) of the Code, the Committee shall, within the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), define in an objective fashion the manner of calculating the Performance Criteria it selects to use for such Performance Period.

(d) Modification of Performance Goal(s). In the event that applicable tax and/or securities laws change to permit Committee discretion to alter the governing Performance Criteria without obtaining shareholder approval of such alterations, the Committee shall have sole discretion to make such alterations without obtaining shareholder approval. The Committee is authorized at any time during the first 90 days of a Performance Period (or, if longer or shorter, within the maximum period allowed under Section 162(m) of the Code), or at any time thereafter to the extent the exercise of such authority at such time would not cause the Performance Compensation Awards granted to any Participant for such Performance Period to fail to qualify as performance-based compensation under Section 162(m) of the Code, specify adjustments or modifications to be made to the calculation of a Performance Goal for such Performance Period, based on and in order to appropriately reflect the following events: (i) asset write-downs; (ii) litigation or claim judgments or settlements; (iii) the effect of changes in tax laws, accounting principles, or other laws or regulatory rules affecting reported results; (iv) any reorganization and restructuring programs; (v) extraordinary nonrecurring items as described in Accounting Standards Codification Topic 225-20 (or any successor pronouncement thereto) and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to shareholders for the applicable year; (vi) acquisitions or divestitures; (vii) any other specific unusual or nonrecurring events, or objectively determinable category thereof; (viii) foreign exchange gains and losses; (ix) discontinued operations and nonrecurring charges; and (x) a change in the Company's fiscal year.

(e) Payment of Performance Compensation Awards. (i) Condition to Receipt of Payment. Unless otherwise provided in the applicable Award agreement, a Participant must be employed by the Company on the last day of a Performance Period to be eligible for payment in respect of a Performance Compensation Award for such Performance Period.

(ii) Limitation. Unless otherwise provided in the applicable Award agreement, a Participant shall be eligible to receive payment in respect of a Performance Compensation Award only to the extent that: (A) the Performance Goals for such period are achieved; and (B) all or some of the portion of such Participant's Performance Compensation Award has been earned for the Performance Period based on the application of the Performance Formula to such achieved Performance Goals.

(iii) Certification. Following the completion of a Performance Period, the Committee shall review and certify in writing whether, and to what extent, the Performance Goals for the Performance Period have been achieved and, if so, calculate and certify in writing that amount of the Performance Compensation Awards earned for the period based upon the Performance Formula. The Committee shall then determine the amount of each Participant's Performance Compensation Award actually payable for the Performance Period and, in so doing, may apply Negative Discretion.

(iv) Use of Negative Discretion. In determining the actual amount of an individual Participant's Performance Compensation Award for a Performance Period, the Committee may reduce or eliminate the amount of the Performance Compensation Award earned under the Performance Formula in the Performance Period through the use of Negative Discretion if, in its sole judgment, such reduction or elimination is appropriate. The Committee shall not have the discretion to (A) grant or provide payment in

Table of Contents

respect of Performance Compensation Awards for a Performance Period if the Performance Goals for such Performance Period have not been attained; or (B) increase a Performance Compensation Award above the applicable limitations set forth in Section 5 of the Plan.

(f) **Timing of Award Payments.** Unless otherwise provided in the applicable Award agreement, Performance Compensation Awards granted for a Performance Period shall be paid to Participants as soon as administratively practicable following completion of the certifications required by this Section 11. Any Performance Compensation Award that has been deferred shall not (between the date as of which the Award is deferred and the payment date) increase (i) with respect to a Performance Compensation Award that is payable in cash, by a measuring factor for each fiscal year greater than a reasonable rate of interest set by the Committee or (ii) with respect to a Performance Compensation Award that is payable in shares of Common Stock, by an amount greater than the appreciation of a share of Common Stock from the date such Award is deferred to the payment date. Unless otherwise provided in an Award agreement, any Performance Compensation Award that is deferred and is otherwise payable in shares of Common Stock shall be credited (during the period between the date as of which the Award is deferred and the payment date) with dividend equivalents (in a manner consistent with the methodology set forth in the last sentence of Section 9(d)(ii)).

12. Changes in Capital Structure and Similar Events. In the event of (a) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of Common Stock, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of shares of Common Stock or other securities of the Company, issuance of warrants or other rights to acquire shares of Common Stock or other securities of the Company, or other similar corporate transaction or event (including, without limitation, a Change in Control) that affects the shares of Common Stock, or (b) unusual or nonrecurring events (including, without limitation, a Change in Control) affecting the Company, any Affiliate, or the financial statements of the Company or any Affiliate, or changes in applicable rules, rulings, regulations or other requirements of any governmental body or securities exchange or inter-dealer quotation service, accounting principles or law, such that in either case an adjustment is determined by the Committee in its sole discretion to be necessary or appropriate, then the Committee shall make any such adjustments in such manner as it may deem equitable, including without limitation any or all of the following:

(i) adjusting any or all of (A) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) which may be delivered in respect of Awards or with respect to which Awards may be granted under the Plan (including, without limitation, adjusting any or all of the limitations under Section 5 of the Plan) and (B) the terms of any outstanding Award, including, without limitation, (1) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate, (2) the Exercise Price or Strike Price with respect to any Award or (3) any applicable performance measures (including, without limitation, Performance Criteria and Performance Goals);

(ii) providing for a substitution or assumption of Awards, accelerating the exercisability of, lapse of restrictions on, or termination of, Awards or providing for a period of time (which shall not be required to be more than ten (10) days) for Participants to exercise outstanding Awards prior to the occurrence of such event (and any such Award not so exercised shall terminate upon the occurrence of such event); and

(iii) cancelling any one or more outstanding Awards (or awards of an acquiring Company) and causing to be paid to the holders thereof, in cash, shares of Common Stock, other securities or other property, or any combination thereof, the value of such Awards, if any, as determined by the Committee (which if applicable may be based upon the price per share of Common Stock received or to be received by other shareholders of the Company in such event), including without limitation, in the case of an outstanding Option or SAR, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the shares of Common Stock subject to such Option or SAR over the aggregate Exercise

Price or Strike Price of such Option or SAR, respectively (it being understood that, in such event, any Option or SAR having a per share Exercise Price or Strike Price equal to, or in excess of, the Fair Market Value of a share of Common Stock subject thereto may be canceled and terminated without any payment or consideration therefor);

provided, however, that in the case of any equity restructuring (within the meaning of the Financial Accounting Standards Codification Topic 718 (or any successor pronouncement thereto), the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring. Any adjustment in Incentive Stock Options under this Section 12 (other than any cancellation of Incentive Stock Options) shall be made only to the extent not constituting a modification within the meaning of Section 424(h)(3) of the Code, and any adjustments under this Section 12 shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3 under the Exchange Act. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes.

13. Effect of Change in Control. Except to the extent otherwise provided in an Award agreement, in the event of a Change in Control, notwithstanding any provision of the Plan to the contrary, the Board may in its sole discretion provide that, with respect to any particular outstanding Award or Awards:

(a) all then-outstanding Options and SARs shall become immediately exercisable as of immediately prior to the Change in Control with respect to up to 100 percent of the shares subject to such Option or SAR;

(b) the Restricted Period shall expire as of immediately prior to the Change in Control with respect to up to 100 percent of then-outstanding shares of Restricted Stock or Restricted Stock Units (including without limitation a waiver of any applicable Performance Goals);

(c) all incomplete Performance Periods in effect on the date the Change in Control occurs shall end on such date, and the Committee may (i) determine the extent to which Performance Goals with respect to each such Performance Period have been met based upon such audited or unaudited financial information or other information then available as it deems relevant and (ii) cause the Participant to receive partial or full payment of Awards for each such Performance Period based upon the Committee's determination of the degree of attainment of Performance Goals, or assuming that the applicable target levels of performance have been attained or on such other basis determined by the Committee; and

(d) cause Awards previously deferred to be settled in full as soon as practicable.

To the extent practicable, any actions taken by the Board under the immediately preceding clauses (a) through (d) shall occur in a manner and at a time which allows affected Participants the ability to participate in the Change in Control transaction with respect to the Common Stock subject to their Awards.

14. Amendments and Termination. (a) Amendment and Termination of the Plan. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; provided, that no such amendment, alteration, suspension, discontinuation or termination shall be made without shareholder approval if such approval is necessary to comply with any tax or regulatory requirement applicable to the Plan (including, without limitation, as necessary to comply with any rules or requirements of any securities exchange or inter-dealer quotation service on which the shares of Common Stock may be listed or quoted or for changed in GAAP to new accounting standards, to prevent the Company from being denied a tax deduction under Section 162(m) of the Code); provided, further, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary. Notwithstanding the foregoing, no amendment shall be made to the last proviso of Section 13(b) without stockholder approval.

(b) Amendment of Award Agreements. The Committee may, to the extent consistent with the terms of any applicable Award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted or the associated Award agreement, prospectively or retroactively (including after a Participant's termination of employment or service with the Company); provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant with respect to any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant; provided, further, that without shareholder approval, except as otherwise permitted under Section 12 of the Plan, (i) no amendment or modification may reduce the Exercise Price of any Option or the Strike Price of any SAR, (ii) the Committee may not cancel any outstanding Option or SAR and replace it with a new Option or SAR (with a lower Exercise Price or Strike Price, as the case may be) or other Award or cash in a manner which would either (A) be reportable on the Company's proxy statement as Options which have been repriced (as such term is used in Item 402 of Regulation S-K promulgated under the Exchange Act), or (B) result in any repricing for financial statement reporting purposes (or otherwise cause the Award to fail to qualify for equity accounting treatment) and (iii) the Committee may not take any other action which is considered a repricing for purposes of the shareholder approval rules of the applicable securities exchange or inter-dealer quotation service on which the Common Stock is listed or quoted.

15. General. (a) Award Agreements. Each Award under the Plan shall be evidenced by an Award agreement, which shall be delivered to the Participant and shall specify the terms and conditions of the Award any rules applicable thereto, including without limitation, the effect on such Award of the death, disability or termination of employment or service of a Participant, or of such other events as may be determined by the Committee. For purposes of the Plan, an Award agreement may be in any such form (written or electronic) as determined by the Committee (including, without limitation, a Board or Committee resolution, an employment agreement, a notice, a certificate or a letter) evidencing the Award. The Committee need not require an Award agreement to be signed by the Participant or a duly authorized representative of the Company.

(b) Nontransferability. (i) Each Award shall be exercisable only by a Participant during the Participant's lifetime, or, if permissible under applicable law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or an Affiliate; provided that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(ii) Notwithstanding the foregoing, the Committee may, in its sole discretion, permit Awards (other than Incentive Stock Options) to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt consistent with any applicable Award agreement to preserve the purposes of the Plan, to: (A) any person who is a family member of the Participant, as such term is used in the instructions to Form S-8 under the Securities Act or any successor form of registration statements promulgated by the Securities and Exchange Commission (collectively, the Immediate Family Members); (B) a trust solely for the benefit of the Participant and his or her Immediate Family Members; (C) a partnership or limited liability company whose only partners or shareholders are the Participant and his or her Immediate Family Members; or (D) any other transferee as may be approved either (I) by the Board or the Committee in its sole discretion, or (II) as provided in the applicable Award agreement;

(each transferee described in clauses (A), (B), (C) and (D) above is hereinafter referred to as a Permitted Transferee); provided that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

(iii) The terms of any Award transferred in accordance with the immediately preceding sentence shall apply to the Permitted Transferee and any reference in the Plan, or in any applicable Award agreement, to a Participant shall be deemed to refer to the Permitted Transferee, except that (A) Permitted Transferees shall

not be entitled to transfer any Award, other than by will or the laws of descent and distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the shares of Common Stock to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award agreement, that such a registration statement is necessary or appropriate; (C) the Committee or the Company shall not be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; and (D) the consequences of the termination of the Participant's employment by, or services to, the Company or an Affiliate under the terms of the Plan and the applicable Award agreement shall continue to be applied with respect to the Participant, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award agreement.

(c) Dividends and Dividend Equivalents. The Committee in its sole discretion may provide a Participant as part of an Award with dividends or dividend equivalents, payable in cash, shares of Common Stock, other securities, other Awards or other property, on a current or deferred basis, on such terms and conditions as may be determined by the Committee in its sole discretion, including without limitation, payment directly to the Participant, withholding of such amounts by the Company subject to vesting of the Award or reinvestment in additional shares of Common Stock, Restricted Stock or other Awards; provided, that no dividend equivalents shall be payable in respect of outstanding (i) Options or SARs or (ii) unearned Performance Compensation Awards or other unearned Awards subject to performance conditions (other than or in addition to the passage of time) (although dividend equivalents may be accumulated in respect of unearned Awards and paid within 15 days after such Awards are earned and become payable or distributable).

(d) Tax Withholding. (i) A Participant shall be required to pay to the Company or any Affiliate, and the Company or any Affiliate shall have the right and is hereby authorized to withhold, from any cash, shares of Common Stock, other securities or other property deliverable under any Award or from any compensation or other amounts owing to a Participant, the amount (in cash, Common Stock, other securities or other property) of any required withholding taxes in respect of an Award, its exercise, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Committee or the Company to satisfy all obligations for the payment of such withholding and taxes.

(ii) Without limiting the generality of clause (i) above, the Committee may, in its sole discretion, permit a Participant to satisfy, in whole or in part, the foregoing withholding liability by (A) the delivery of shares of Common Stock (which are not subject to any pledge or other security interest and are Mature Shares) owned by the Participant having a Fair Market Value equal to such withholding liability or (B) having the Company withhold from the number of shares of Common Stock otherwise issuable or deliverable pursuant to the exercise or settlement of the Award a number of shares with a Fair Market Value equal to such withholding liability (but no more than the minimum required statutory withholding liability).

(e) No Claim to Awards; No Rights to Continued Employment; Waiver. No employee of the Company or an Affiliate, or other person, shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Company or an Affiliate, nor shall it be construed as giving any Participant any rights to continued service on the Board. The Company or any of its Affiliates may at any time dismiss a Participant from employment or discontinue any consulting relationship, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or any Award agreement. By accepting an Award under the Plan, a Participant shall thereby be deemed to have waived any claim to continued exercise or vesting of an Award or to damages or severance entitlement related to non-continuation of

the Award beyond the period provided under the Plan or any Award agreement, notwithstanding any provision to the contrary in any written employment contract or other agreement between the Company and its Affiliates and the Participant, whether any such agreement is executed before, on or after the Date of Grant.

(f) International Participants. With respect to Participants who reside or work outside of the United States of America and who are not (and who are not expected to be) covered employees within the meaning of Section 162(m) of the Code, the Committee may in its sole discretion amend the terms of the Plan or Sub Plans or outstanding Awards with respect to such Participants in order to conform such terms with the requirements of local law or to obtain more favorable tax or other treatment for a Participant, the Company or its Affiliates.

(g) Designation and Change of Beneficiary. Each Participant may file with the Committee a written designation of one or more persons as the beneficiary(ies) who shall be entitled to receive the amounts payable with respect to an Award, if any, due under the Plan upon his death. A Participant may, from time to time, revoke or change his beneficiary designation without the consent of any prior beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; provided, however, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall it be effective as of a date prior to such receipt. If no beneficiary designation is filed by a Participant, the beneficiary shall be deemed to be his or her spouse or, if the Participant is unmarried at the time of death, his or her estate.

(h) Termination of Employment. Except as otherwise provided in an Award agreement or an employment, severance, consulting, letter or other agreement with a Participant, unless determined otherwise by the Committee: (i) neither a temporary absence from employment or service due to illness, vacation or leave of absence (including, without limitation, a call to active duty for military service through a Reserve or National Guard unit) nor a transfer from employment or service with the Company to employment or service with an Affiliate (or vice-versa) shall be considered a termination of employment or service with the Company or an Affiliate; and (ii) if a Participant's employment with the Company and its Affiliates terminates, but such Participant continues to provide services to the Company and its Affiliates in a non-employee capacity (or vice-versa), such change in status shall not be considered a termination of employment or service with the Company or an Affiliate for purposes of the Plan.

(i) No Rights as a Shareholder. Except as otherwise specifically provided in the Plan or any Award agreement, no person shall be entitled to the privileges of ownership in respect of shares of Common Stock which are subject to Awards hereunder until such shares have been issued or delivered to that person.

(j) Government and Other Regulations. (i) The obligation of the Company to settle Awards in Common Stock or other consideration shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Common Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel, satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Common Stock to be offered or sold under the Plan. The Committee shall have the authority to provide that all shares of Common Stock or other securities of the Company or any Affiliate delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award agreement, the Federal securities laws, or the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange or inter-dealer quotation service upon which such shares or other securities of the Company are then listed or quoted and any other applicable Federal, state, local or non-U.S. laws, rules, regulations and other requirements, and, without limiting the generality of Section 9 of the Plan, the Committee may cause a

legend or legends to be put on any such certificates of Common Stock or other securities of the Company or any Affiliate delivered under the Plan to make appropriate reference to such restrictions or may cause such Common Stock or other securities of the Company or any Affiliate delivered under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop-transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add any additional terms or provisions to any Award granted under the Plan that it in its sole discretion deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(ii) The Committee may cancel an Award or any portion thereof if it determines, in its sole discretion that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of shares of Common Stock from the public markets, the Company's issuance of Common Stock to the Participant, the Participant's acquisition of Common Stock from the Company and/or the Participant's sale of Common Stock to the public markets, illegal, impracticable or inadvisable. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, the Company shall pay to the Participant an amount equal to the excess of (A) the aggregate Fair Market Value of the shares of Common Stock subject to such Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the shares would have been vested or delivered, as applicable), over (B) the aggregate Exercise Price or Strike Price (in the case of an Option or SAR, respectively) or any amount payable as a condition of delivery of shares of Common Stock (in the case of any other Award). Such amount shall be delivered to the Participant as soon as practicable following the cancellation of such Award or portion thereof.

(k) No Section 83(b) Elections Without Consent of Company. No election under Section 83(b) of the Code or under a similar provision of law may be made unless expressly permitted by the terms of the applicable Award agreement or by action of the Committee in writing prior to the making of such election. If a Participant, in connection with the acquisition of shares of Common Stock under the Plan or otherwise, is expressly permitted to make such election and the Participant makes the election, the Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to Section 83(b) of the Code or other applicable provision.

(l) Payments to Persons Other Than Participants. If the Committee shall find that any person to whom any amount is payable under the Plan is unable to care for his affairs because of illness or accident, or is a minor, or has died, then any payment due to such person or his estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to his spouse, child, relative, an institution maintaining or having custody of such person, or any other person deemed by the Committee to be a proper recipient on behalf of such person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(m) Nonexclusivity of the Plan. Neither the adoption of this Plan by the Board nor the submission of this Plan to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under this Plan, and such arrangements may be either applicable generally or only in specific cases.

(n) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate, on the one hand, and a Participant or other person or entity, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company maintain separate bank accounts, books, records or other evidence of the existence of a segregated or

Table of Contents

separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other employees under general law.

(o) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any report made by the independent public accountant of the Company and its Affiliates and/or any other information furnished in connection with the Plan by any agent of the Company or the Committee or the Board, other than himself.

(p) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance or other benefit plan of the Company except as otherwise specifically provided in such other plan.

(q) Governing Law. The Plan shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to contracts made and performed wholly within the State of Delaware, without giving effect to the conflict of laws provisions thereof.

(r) Severability. If any provision of the Plan or any Award or Award agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any person or entity or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, person or entity or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(s) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

(t) 409A of the Code. (i) Notwithstanding any provision of the Plan to the contrary, it is intended that the provisions of this Plan comply with Section 409A of the Code, and all provisions of this Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with this Plan or any other plan maintained by the Company (including any taxes and penalties under Section 409A of the Code), and neither the Company nor any Affiliate shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties. With respect to any Award that is considered deferred compensation subject to Section 409A of the Code, references in the Plan to termination of employment (and substantially similar phrases) shall mean separation from service within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as separate payments.

(ii) Notwithstanding anything in the Plan to the contrary, if a Participant is a specified employee within the meaning of Section 409A(a)(2)(B)(i) of the Code, no payments in respect of any Awards that are deferred compensation subject to Section 409A of the Code shall be made to such Participant prior to the date that is six months after the date of such Participant's separation from service (as defined in Section 409A of the Code) or, if earlier, the Participant's date of death. Following any applicable six month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

Table of Contents

(iii) Unless otherwise provided by the Committee, in the event that the timing of payments in respect of any Award (that would otherwise be considered deferred compensation subject to Section 409A of the Code) would be accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of Disability pursuant to Section 409A of the Code and any Treasury Regulations promulgated thereunder.

(u) Clawback/Forfeiture. Notwithstanding anything to the contrary contained herein, an Award agreement may provide that the Committee may in its sole discretion cancel such Award if the Participant, without the consent of the Company, while employed by or providing services to the Company or any Affiliate or after termination of such employment or service, violates a non-competition, non-solicitation or non-disclosure covenant or agreement or otherwise has engaged in or engages in activity that is in conflict with or adverse to the interest of the Company or any Affiliate, including fraud or conduct contributing to any financial restatements or irregularities, as determined by the Committee in its sole discretion. The Committee may also provide in an Award agreement that if the Participant otherwise has engaged in or engages in any activity referred to in the preceding sentence, the Participant will forfeit any gain realized on the vesting, exercise or settlement of such Award, and must repay the gain to the Company. The Committee may also provide in an Award agreement that if the Participant receives any amount in excess of what the Participant should have received under the terms of the Award for any reason (including without limitation by reason of a financial restatement, mistake in calculations or other administrative error), then the Participant shall be required to repay any such excess amount to the Company. To the extent required by applicable law (including without limitation Section 302 of the Sarbanes Oxley Act and Section 954 of the Dodd Frank Act), Awards shall be subject to clawback, forfeiture or similar requirement.

(v) Code Section 162(m) Re-approval. If so determined by the Committee, the provisions of the Plan regarding Performance Compensation Awards shall be submitted for re-approval by the shareholders of the Company no later than the first shareholder meeting that occurs in the fifth year following the year that shareholders previously approved such provisions following the date of initial shareholder approval, for purposes of exempting certain Awards granted after such time from the deduction limitations of Section 162(m) of the Code. Nothing in this subsection, however, shall affect the validity of Awards granted after such time if such shareholder approval has not been obtained.

(w) Expenses; Gender; Titles and Headings. The expenses of administering the Plan shall be borne by the Company and its Affiliates. Masculine pronouns and other words of masculine gender shall refer to both men and women. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings shall control.
