**Item 1.01 Entry into a Material Definitive Agreement.**

On June 17, 2011, CyDex Pharmaceuticals, Inc. ( CyDex ), a wholly owned subsidiary of Ligand Pharmaceuticals Incorporated ( Ligand or the Company ), entered into a commercial supply agreement (the Supply Agreement ) to provide Captisol® to Merck, Sharp & Dohme Corporation ( Merck ), effective as of June 13, 2011. Under the Supply Agreement, CyDex exclusively licensed intellectual property rights related to Captisol to commercialize the licensed product worldwide and non-exclusively licensed such intellectual property rights and data related to Captisol to engage in activities related to regulatory approval for the licensed product worldwide. The companies also agreed to mutual exclusivity terms.

In consideration for the associated data package and intellectual property rights, Merck agreed to make milestones payments associated with specified regulatory events related to the licensed product. Merck also will pay CyDex a supply price but will not pay a royalty on net sales of the licensed product.

The Agreement will continue in effect until December 31, 2015, unless extended or earlier terminated. The term may be extended one time, in Merck s sole discretion, for an additional period of five years, expiring on December 31, 2020, by Merck providing written notice to CyDex on or before December 31, 2014. The Agreement may be terminated by CyDex for the uncured material breach of Merck. Merck may terminate the Agreement at any time on prior notice.

The foregoing summary of the material terms of the Supply Agreement does not purport to be complete and is qualified in its entirety by reference to the Supply Agreement, a copy of which the Company intends to file with its Quarterly Report on Form 10-Q for the quarter ending June 30, 2011.
