**Item 1.01. Entry into a Material Definitive Agreement.**

On September 29, 2011, Bristol-Myers Squibb Company (the Company ) and the borrowing subsidiaries entered into a \$1.5 billion Five Year Competitive Advance and Revolving Credit Facility Agreement (the Agreement ) with the lenders named in the Agreement, BNP Paribas and The Royal Bank of Scotland plc, as documentation agents, Bank of America, N.A., as syndication agent, and JPMorgan Chase Bank, N.A. and Citibank, N.A., as administrative agents.

The Agreement replaces an existing \$2.0 billion Five Year Competitive Advance and Revolving Credit Facility, which was terminated by the Company. This facility was established in December 2006 with a syndicate of lenders. The termination of this facility was concurrent with, and contingent upon, the effectiveness of the Agreement.

The Agreement contains customary terms and conditions, including, without limitation, negative covenants containing limitations on consolidations, mergers, and sales of assets, limitations on the incurrence of certain liens, and limitations on sale and leaseback transactions. The Agreement contains customary reporting and other affirmative covenants, including, without limitation, a requirement to maintain a long term debt rating from a certain credit rating agency. There are no financial covenants in the Agreement. The Agreement also contains customary events of default, including, without limitation, nonpayment of obligations under the Agreement, violation of covenants in the Agreement, breach or default of agreements related to debt equal to or greater than \$100 million, certain events of bankruptcy or insolvency, certain judgments equal to or greater than \$100 million, or a change in control (as defined in the Agreement) of the Company. Certain of the defaults are subject to exceptions, materiality qualifiers and grace periods customary for credit facilities of this type. The Agreement provides for borrowings by the Company, its U.S. subsidiaries and its non-U.S. subsidiaries. All borrowings by subsidiaries are guaranteed by the Company.

The foregoing summary of certain material provisions of the Agreement is subject to, and qualified in its entirety by reference to, all the provisions of the Agreement.

Attached as Exhibit 10.1 hereto is the final form of the Agreement.
