Item 1. Security and Issuer.

This Amendment No. 3 to Schedule 13D amends and supplements the statement on Schedule 13D originally filed by Rio Tinto plc (Rio Tinto) and Rio Tinto Exploration Canada Inc., formerly Kennecott Canada Exploration Inc. (RTEC), on July 8, 2005, and amended on July 27, 2007 and November 26, 2007 (as amended and supplemented, the Schedule 13D) with the Securities and Exchange Commission (the SEC), relating to the common shares, without par value (the Common Shares), of Entrée Gold Inc., a corporation continued under the laws of British Columbia (the Company). The Company s principal offices are located at Suite 1201, 1166 Alberni Street, Vancouver, British Columbia, V6E 3Z3, Canada

Item 2. Identity and Background.

Item 2 of the Schedule 13D is hereby amended and restated in its entirety as follows:

This Schedule 13D is being filed by Rio Tinto, a public limited company incorporated under the laws of England and Wales, and RTEC, a company incorporated under the laws of Canada (collectively referred to herein as the Reporting Person).

Rio Tinto, through its group companies, has mining operations around the world. RTEC is an indirect wholly owned subsidiary of Rio Tinto and its principal business is the discovery and acquisition of mineral resources in North and Central America.

The principal executive office of Rio Tinto is located at 2 Eastbourne Terrace, London, W2 6LG, United Kingdom. The principal executive office of RTEC is located at 118 Sherbrooke Street West, Montreal, Quebec, H3A 3G2, Canada.

The name, business address, present principal occupation or employment and citizenship of each of the executive officers and directors of Rio Tinto and RTEC are set forth in Schedule A hereto and are incorporated by reference herein.

During the last five years, neither Rio Tinto nor RTEC nor, to the best of their knowledge, any of the persons listed in Schedule A hereto has been: (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Rio Tinto and RTEC have entered into a Joint Filing Agreement, dated July 8, 2005, a copy of which is attached as Exhibit D, pursuant to which they have agreed to file this Schedule 13D jointly in accordance with the provisions of Rule 13d-1(k)(1) under the U.S. Securities Exchange Act of 1934.

Item 3. Source and Amount of Funds or Other Consideration.

Item 3 of the Schedule 13D is hereby amended and supplemented as follows:

On November 29, 2011, RTEC elected to exercise in full its preemptive, anti-dilutive rights under Section 2.4 of the Equity Participation Agreement between the Company and RTEC dated June 17, 2005 (the EPA) with respect to the purchase of Common Shares of the Company. As a result, on November 30, 2011, RTEC purchased 1,482,216 Common Shares of the Company at a price of C\$1.25 per Common Share, for a total consideration of C\$1,852,770. These shares were purchased using working capital of Rio Tinto. Following completion of the transaction, the Reporting Persons own 16,396,341 Common Shares (representing approximately 12.9% of the Company s Common Shares). The underwriters of the transaction have also been granted an over-allotment option, which if exercised, would entitle RTEC to the preemptive right to purchase an additional 222,332 Common Shares of the Company at a price of C\$1.25 per Common Share.

Item 5. Interest in Securities of the Issuer.

Item 5 of the Schedule 13D is hereby amended and supplemented by replacing the second paragraph with the following:

On November 30, 2011, as a result of the exercise of preemptive, anti-dilutive rights under the EPA, the Reporting Persons acquired 1,482,216 additional Common Shares of the Company. Following completion of this transaction, the Reporting Persons currently own 16,396,341 Common Shares, representing approximately 12.9% of the Company s Common Shares. RTEC is also entitled to the preemptive right to purchase an additional 222,332 Common Shares of the Company, if the overallotment option granted to the underwriters of the transaction is exercised. The calculation of the percentage of the Company s Common Shares beneficially owned by the Reporting Persons is based on 115,534,572 shares outstanding as of November 23, 2011, as notified by the Company.
