Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

At the 2011 Annual Shareholder Meeting of Allied World Assurance Company Holdings, AG (the "Company"), the Company's shareholders approved a dividend in the form of a par value reduction payable in four quarterly installments. The aggregate par value reduction amount was 1.28 Swiss francs (CHF), which was equal to \$1.50 per share, or \$0.375 per quarter, at the time of the annual meeting. The par value reduction amount for each quarterly payment will be adjusted up or down to equal \$0.375 per share prior to the time of payment, subject to an aggregate cap for the four installments of CHF 1.92, as further described in the Company's 2011 Proxy Statement, dated March 17, 2011.

For the third of such quarterly payments, in accordance with the shareholder approval, the par value reduction amount was fixed at CHF 0.35 based on the published USD/CHF exchange rate of .9361 on December 19, 2011. To accomplish this dividend payment, the Company adjusted its Articles of Association on December 23, 2011 to confirm the par value reduction of CHF 0.35. The Company's amended and restated Articles of Association became effective upon registration in the daily register of the commercial register of the Canton of Zug, Switzerland on December 23, 2011 and, as a result, the Company's par value is CHF 14.03 as of such date.

Accordingly, the Company's shareholders of record at the close of business on December 23, 2011 will receive the dividend scheduled for payment on January 6, 2012. A copy of the Company's amended and restated Articles of Association is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
